Learn how to form a nonprofit corporation in any state and gain 501(c)(3) tax-exempt status with the IRS. We provide step-by-step instructions for both IRS Form 1023 and the streamlined Form 1023-EZ federal tax exempt online filing for the Form 1023. With this book you can: choose a legal name prepare articles of incorporation create your bylaws obtain federal and state tax-exempt status prepare minutes for your organizational meeting establish a corporate records book, and handle postincorporation filings and tasks. With Downloadable forms: Forms to help you form your nonprofit are included both in the book and online details inside.

An essential, timesaving guide for accountants, lawyers, nonprofit executives and directors, consultants, and volunteers-- Completely updated for 2022 This book is an indispensable guide to navigating the complex maze of nonprofit tax rules and regulations. A clear and fully cited description of the requirements for the various categories of tax-exempt entities from public charities, private foundations, civic associations, business leagues, and social clubs to title-holding companies and governmental entities can be found on revenue-producing enterprises, along with explanations of many exceptions to taxability is provided. Issues raised by internet activity, advertising, publishing, providing services, and much more are explained. This useful annual supplement for 2022 will cover any and all changes and updates to the law within the previous 12 month period and will keep accountants, attorneys, and others up-to-date for the year ahead. Features a variety of sample documents for private foundations, including penalty abatement request forms, helpful practice aids, such as a comparison of the differences between public and private charities, charts reflecting lobbying limits for different types of entities, and listings of rulings and cases that illustrate permissible activity for each type of organizations compared to impermissible activity.

This work offers a detailed discussion of the distinctions between different types of tax-exempt and nonprofit organizations. Sughrue and Kopsnki thoroughly review the unique characteristics of each type of organization under IRC Sections 501(c), 521, 527, and 528, and provide organizational tests for 501(c)(3) organizations. Accounting systems for tax-exempt institutions, internal controls, and reporting requirements are also covered, along with such topics as unrelated business taxable income, private foundation applications.

Tax-exempt law explained, for lawyers and nonlawyers alike The Law of Tax-Exempt Organizations has, for decades, been the definitive single-volume source of legal information for nonprofit lawyers and managers alike. Author Bruce R. Hopkins is widely recognized as the leading authority on the subject; in this thoroughly revised Twelfth Edition, he provides all the updates you need to stay current on the latest changes to tax code, regulatory, and case law developments. Annual supplements available with the book will ensure that you don't miss any important updates. Making solid decisions about the future of any tax-exempt organization requires a firm and up-to-date understanding of the relevant tax and other law. This reference provides guidance on the latest developments in eligibility for tax exemption, the private inurement and private benefit doctrines, nonprofit governance, lobbying, political campaign activity, public charities, private foundations, donor-advised funds, unrelated business activities, reporting, disclosure requirements, and more. Understand the tax code, regulations, and case law pertaining to all categories of tax-exempt organizations Access the nonprofit law standard reference guide, written by the leading legal expert on tax-exempt organizations Prepare yourself to make well-founded strategic decisions about the current and future actions of your organization Review annual supplements that provide plain-English information on changes for each tax year Written in a practical format that 's accessible to lawyers and non-lawyers alike, The Law of Tax-Exempt Organizations, Twelfth Edition, is a trustworthy resource for anyone involved in advising or managing charitable organizations, social welfare entities, associations, clubs, or any other type of tax-exempt entity.

The classic reference for nonprofit tax regulations, updated for 2017 The Tax Law of Charitable Giving is the leading guide to the law, rules, and regulations governing charitable giving. Author Bruce R. Hopkins is the most respected authority in the field; in this book, he provides a comprehensive update on the latest changes to the law, new Treasury Department regulations, and much more to help lawyers, managers, and development directors in tax-exempt organizations stay up-to-date on all regulations pertaining to charitable gifts. This 2017 update includes coverage of updated estate tax law, new substantiation requirements, appraisal requirements, recordkeeping, donor-advised funds, and the new healthcare tax on investment income of trusts, with detailed documentation, citations, and references to regulations, rulings, cases, and tax literature included. The companion website provides additional tables, appendices, IRS guidelines, and other useful documents to help nonprofits make fully informed decisions about their fund-development programs. As quickly as tax law evolves, it remains the nonprofit's responsibility to stay up-to-date and compliant with all relevant regulations. This book provides a definitive reference for the latest changes, new laws, and upcoming legislation to provide an accessible one-stop reference. Examine the latest changes to the laws surrounding charitable giving Learn how the new healthcare tax affects pooled income funds Understand the Treasury Department's new regulations for reporting, appraisal, and more Access reference tables, IRS guidelines, and other useful documents Charitable gifts are the cornerstone of nonprofit organization's support, and American taxpayers give more than any other group worldwide. The rules surrounding these gifts are complex, but compliance is critical to the health of the organization. The Tax Law of Charitable Giving provides an authoritative reference for all aspects of the law, with the most up-to-date information available anywhere.

How to keep any nonprofit out of trouble, running smoothly, and accomplishing its mission 'Jack Siegel--lawyer, accountant, management consultant, and computer whiz--takes the putative director or officer of a nonprofit organization on a useful and often entertaining voyage throughout the realm of the tax-exempt organizations universe, pointing out its quirks, foibles, and legal liabilities along the way. His handbook will make mandatory--and arresting--reading for those who are already serving as trustees, directors, officers, and key employees of exempt organizations, particularly charitable ones. Siegel's goal, in which he succeeds, is to help directors and officers of nonprofit organizations "make better decisions." The book is full of large policy analyses and paragraphs on the details, such as board size, board committees, board meeting formats, the contents of minutes, and the duties of officers. Salted with some excellent real-life examples, what also sets this book apart from most in its genre is the tone: the writing style, the brusqueness, the bluntness. He complains that too many directors 'check their good judgment at the boardroom door.' He advises individuals who 'desire agreement and demand adulation' to stay off boards; he insists on 'commitment' and 'institutional tension' with the executive director. He warns prospective directors that some organizations want, in addition to time and judgment, 'either your money or your ability to raise money.' To my delight, he extols the virtues of 'some level of expenditures' for qualified lawyers and accountants. Please join me in adding this most helpful handbook to your nonprofit library." --Bruce R. Hopkins, Attorney at Law, author of The Law of Tax-Exempt Organizations, Eighth Edition and Starting and Managing a Nonprofit Organization: A Legal Guide, Fourth Edition

How to Start a 501(C)(3) Nonprofit: Step-By-Step Guide To Legally Start, Grow and Run Your Own Non Profit in as Little as 30 Days

"Provides background information and step-by-step instructions that nonprofits need to apply for federal 501(c)3 tax-exempt status and qualify as a public charity with the IRS. The 10th edition covers recent changes in the law"--Provided by publisher.

Stop looking around for someone to save your community. You are the hero they need. Is there a cause that's close to your heart that you want to contribute more to? Do you want to serve your local community in a bigger way? Do you want to do more than volunteering or donating? If so, starting your own nonprofit may be a good idea. A nonprofit organization is one that works for a social cause or serves the public good. Whether you want to improve literacy, stop animal cruelty, or feed the hungry, a nonprofit is an effective channel to make a significant impact. While volunteering or donating are extremely helpful, they are often limited to what you can do. As a volunteer, you only get to join whatever activity a group organizes. As a donor, you can earmark what you want your funds to be used for, but you don't have a say in what programs they will implement. With a nonprofit, you'll be able to have more control over what to do, who to do them for, and how much to spend on it. If you have plenty of ideas for how you can help your cause but have zero idea about starting a nonprofit, then look no further. In this guide, you'll find all you need to establish and operate a nonprofit, while avoiding the common pitfalls that new startups encounter. In How to Start a 501c3 Nonprofit, here is just a fraction of what you will discover:
❑ The 1 crucial question you should be able to answer before starting a nonprofit
❑ How to officially register your company as a nonprofit - From choosing a name to filing for tax-exemption
❑ Why you should still conduct an independent audit, even if you're not required to do
❑ The money-making activities that might put you at risk of losing your tax-exempt status
❑ How to expand your reach and multiply your impact without having to spend more money
❑ Creative fundraising ideas that don't require an army of volunteers
❑ Why you shouldn't be seeking out rich people for donations, and who you should target instead
❑ 5 charitable alternatives to starting a nonprofit that are just as impactful - and a lot less stressful
❑ Foolproof templates for every aspect of your nonprofit offering - from fundraising letters to grant proposals And much more. While running a nonprofit will definitely take more of your time, it won't feel like a burden. The satisfaction from knowing that you're working towards something good for the world will outweigh any hardship you'll encounter. When you're doing your life's purpose, the rewards are immeasurable. If you want to make a bigger difference in your community, then scroll up and click the "Add to Cart" button right now.

The essential tax reference book for every nonprofit Nonprofit's eye privileges not available to other organizations. But these privileges come with obligations: Nonprofits must comply with special IRS rules and regulations to maintain their tax-exempt status. Practical, comprehensive, and easy to understand, Every Nonprofit's Tax Guide explains ongoing and annual IRS compliance requirements for nonprofits, including: a detailed explanation of Form 990 requirements for filing Form 990-EZ electronically conflicts of interest and compensation rules charitable giving rules unrelated taxable business income rules lobbying and political activity restrictions, and nonprofit bookkeeping. Whether you are just starting your nonprofit or are well established, you'll find all the information you need to avoid the most common issues nonprofits run into with the IRS. With Downloadable Forms Find policy documents and forms, including a sample conflict of interest policy, rebuttable presumption checklist, and expense report form inside the book.

THE ESSENTIAL RESOURCE FOR NONPROFIT SUCCESS Whether you're a nonprofit novice or the director of an established organization, this must-have guide to nonprofit law contains all the information you need to succeed, thrive, and protect your nonprofit's tax-exempt status. Written by Bruce Hopkins, one of the country's leading legal authorities in the field, this Third Edition of Starting and Managing a Nonprofit Organization: A Legal Guide covers virtually every legal aspect of starting and operating a nonprofit organization, and has been revised and expanded to include updated information on changes in laws, rules, and regulations governing the nonprofit sector. Here you will find:
• Practical guidance on the rules and regulations governing nonprofit organizations, including corporate, tax, and fund-raising law applications and implications
• Up-to-date information on reporting revenue, private benefit, personal liability, charitable giving rules, employee compensation, lobbying, and for-profit subsidiaries
• A hypothetical case study that provides a vivid example of how to organize and qualify a nonprofit organization
• Coverage of the universe of public and private nonprofits, including advocacy, membership, social, recreational, and satellite organizations, as well as employee benefit funds
• Checklists and a glossary of legal terms for fail-safe compliance and step-by-step procedures Written by a lawyer for non-lawyers, this easy-to-read book is an invaluable resource for nonprofit executives and managers, fund-raising professionals, trustees, consultants, committed volunteers, and anyone involved in the complex, rewarding world of nonprofit organizations.

Nonprofit Governance

A timely, practical, and concise handbook of best practices for nonprofit financial management In 2010 an estimated 325,000 charities, membership groups, and trade associations?with small nonprofits disproportionately represented?stand to lose their tax exemptions for failure to comply with financial management requirements. Nonprofit Financial Management: A Practical Guide is a timely, functional, and concise handbook of best practices for nonprofit organizations of every size. Addresses federal reporting requirements and discusses methods to decrease expenses, ensure accounting control, increase revenues through professional cash management, and understand budget statements Explains how to read financial statements and analyze a nonprofit's financial condition by using the most recent IRS 990 reporting form Covers the full range of financial-management topics, including accounting, internal controls, auditing, evaluating financial condition, budgeting, cash management and banking, purchasing and contracting, borrowing and risk management Written in an easy-to-read style, with more than 100 exhibits, this book is essential for every nonprofit.

The essential time-saving guide to the latest in nonprofit tax rules, regulations, and procedures Tax rules and regulations change annually, and nonprofit organizations know that staying compliant means staying up to date. But wading through tax code is less than helpful in the field, where clear, practically oriented instruction inside provides the quick reference accountants, lawyers, and executives need. In the latest edition of Tax Planning and Compliance for Tax-Exempt Organizations, you'll find straightforward information on changing Unrelated Business Income (UBI) rules, joint ventures, sponsorships, reductions against UBI, preparation of IRS forms, and more. Nonprofit organizations—including health and welfare organizations, colleges and universities, private foundations, churches, libraries, museums, cultural institutions, and other smaller groups—contend daily with the possibility of losing their tax-exempt status. From qualifying and applying for that status, to maintaining and managing it, every nonprofit organization must plan and monitor ongoing procedures, activities, and forms to comply with federal, state, and local regulations. Access easy checklists for reporting, compliance, eligibility, and more Examine sample bylaws, applications, and forms Utilize comparison charts and other visual aids for easy reference Review bullet lists that compare what is and what is not acceptable Tax Planning and Compliance for Tax-Exempt Organizations is an indispensable guide to navigating the complex maze of nonprofit tax rules and regulations.

Everything you need to start and manage a non-profit Starting and Managing a Nonprofit Organization is written to help anyone who's just getting their toes wet in the sector get up to speed on the critical information needed to protect their nonprofit's tax-exempt status—and avoid the many legal traps out there that you probably didn't know exist. Packed with checklists and step-by-step guidance, Starting and Managing a Nonprofit Organization demystifies intricate legal issues with plain-English language explanations for non-legal professionals of the statutes, regulations, court opinions, and other rules comprising nonprofit law. Nonprofits must comply with stringent federal and state laws to their special exempt status; the government's ultimate threat is revocation of a nonprofit's tax-exempt status, which usually means the nonprofit's demise. Written in plain English, not "legalese," this all-important guide provides essential guidance for those interested in starting nonprofits, as well as valuable advice for leaders of established organizations. Covers all aspects of federal and state nonprofit law Discusses significant compliance issues including nonprofit governance, and unrelated business revenues summaries of current IRS ruling policies Includes procedures and a glossary of legal terms for fail-safe compliance Written by the country's legal leading authority on tax-exempt organizations, Starting and Managing a Nonprofit Organization is the reference you'll want to keep close by as you navigate your way through the world of nonprofit and the law.

The privileges nonprofits enjoy come at a price: Nonprofits must comply with special IRS rules and regulations. This book explains ongoing and annual IRS compliance requirements for nonprofits and what your nonprofit must do to maintain its tax-exempt status and avoid problems with the IRS.

Publishers Weekly ReligionBookLine 'This basic reference guide fills a long-standing need.' ---Larry Burkett's Money Matters

Nonprofit Governance Law, Practices & Trends Governance seems to be the subject that is perched atop every nonprofit lawyer's worry/wish list, despite the fact that there is not much law on the point, particularly at the federal level. This ascension in importance is largely due to the various organizations propounding best practices and principles for public charities and other forms of nonprofit organizations, the IRS's redesigned Form 990, the agency's aggressive push of certain good governance principles in the tax-exempt organizations' setting, and scandals brought to light by the Senate Finance Committee staff. Stemming from the authors' endless hours of meditating over the new Form 990 and sifting through the many (and often inconsistent) best practices principles, Nonprofit Governance fills the need for some cohesion in the realm of nonprofit governance by providing in-depth coverage and explanations of the laws, practices, and trends in this volatile area. An invaluable resource for nonprofit executives, officers, directors, nonprofit lawyers, accountants, members of boards of directors, and consultants, legal experts Bruce R. Hopkins and Virginia Gross's Nonprofit Governance brims with detailed documentation and references to regulations, rulings, cases, and tax literature (which includes current articles and tax law review notes). Here, readers will find a wealth of clarifying information on: Federal and state law fundamentals Board member responsibilities and liability Nonprofit governance principles Nonprofit governance issues Application of the private benefit doctrine Governance and the redesigned Form 990 Recommended polices and procedures Governance case studies Governance legal audit A law primer for nonprofit board members And much more The book includes an exhaustive index, Internal Revenue Code citations and numerous case studies, tips, forms, and checklists to round out the authoritative coverage. Nonprofit Governance is an indispensable guide to, and through, all of the governance policymaking that is unfolding, to improve the management of nonprofit organizations as well as to help organizations be in compliance with nonprofit governance law.

Understanding Nonprofit and Tax Exempt Organizations is a guide for the law student or practitioner who is looking to understand the law governing the nonprofit, tax exempt sector. This text deals with the many types of tax exempt organizations; the rules, regulations and limitations imposed on tax exempt organizations by the courts, the Internal Revenue Code (IRS) and the Treasury Regulations (the Regulations); the charitable contribution and fundraising issues affecting tax exempt organizations; the unrelated business income tax, excise taxes and intermediate sanctions imposed on tax exempt organizations; and the rules regarding private foundations. This new Second Edition reflects recent changes in the law made by the Pension Protection Act of 2006 and the Patient Protection and Affordable Care Act of 2010. The Second Edition of Understanding Nonprofit and Tax Exempt Organizations begins with an introduction to nonprofit organizations by discussing the relevant law in general, as nonprofits are governed by state law. Next, tax exempt organizations are discussed, by first giving the reader the background on where such organizations fit in the nonprofit sector; why the organizations are given preferential tax treatment; what form these organizations take; and how such organizations are governed and dissolved. The Second Edition also provides detailed explanations of the various rules, regulations and tests they must follow in order to obtain or retain their tax exempt status as well as the consequences for failure to comply.

A Step-by-Step Guide to Nonprofit Accounting

A line-by-line preparation guide to the completely new and revised Form 990 for nonprofit organizations The accurate and complete preparation of Form 990—the information return that must be filed annually by most types of tax-exempt organizations—is a key factor in maintaining public image and fundraising capabilities. The newly redesigned Form 990 was released in December 2008 with significant revisions to the initial June 2007 draft. Preparation of the new return will require tax-exempt organizations to gather extensive new information about their activities for disclosure on the new form beginning with their 2008 tax year. In Revised Form 990: A Line-by-Line Preparation Guide, authors Jody Blazek—who with other AICPA Task Force members was instrumental in effecting changes to the original IRS draft of the form—and Amanda Adams, provide stop-by-step and line-by- ine analysis and preparation guidelines for nonprofit professionals and nonprofessionals alike charged with preparing and submitting the form. This hands-on workbook walks you through the process of producing an annual report to the IRS that demonstrates continued qualification for exempt status for a nonprofit organization, explaining the information requested page by page and part by part. It addresses the issues and challenges for each part, particularly the new schedules. As each part is explained, the authors suggest when certain answers have negative consequences.

Guidance is provided for functional expense reporting and generally accepted accounting principles for reporting revenues. A good discussion of the differences between book and tax reporting and records needed to accurately display financials for tax purposes is included. The Form 990-PF and Form 990-T are also examined.
