

### Fatal Voyage: (Temperance Brennan 4)

From New York Times bestselling author Kathy Reichs, Grave Secrets is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are “ the disappeared, ” twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.

Returning to Cambridge after witnessing one of the worst mass killings in U.S. history, an exhausted Scarpetta investigates the murder of a young graduate student who is subsequently linked to bizarre homicides in Washington, D.C., where Scarpetta’s FBI agent husband is tracking down a serial killer. Reprint.

Virginia medical examiner Kay Scarpetta finds herself up against a killer who hides his crimes with fire

From one of the world ’ s number top selling crime writers comes the extraordinary twentieth Kay Scarpetta novel. A woman has vanished while digging a dinosaur bone bed in the remote wilderness of Canada. Somehow, the only evidence has made its way to the inbox of Chief Medical Examiner Kay Scarpetta, over two thousand miles away in Boston. She has no idea why. But as events unfold with alarming speed, Scarpetta begins to suspect that the paleontologist ’ s disappearance is connected to a series of crimes much closer to home: a gruesome murder, inexplicable tortures, and trace evidence from the last living creatures of the dinosaur age. When she turns to those around her, Scarpetta finds that the danger and suspicion have penetrated even her closest circles. Her niece Lucy speaks in riddles. Her lead investigator, Pete Marino, and FBI forensic psychologist and husband, Benton Wesley, have secrets of their own. Feeling alone and betrayed, Scarpetta is tempted by someone from her past as she tracks a killer both cunning and cruel.

A Standard History of Lake County, Indiana, and the Calumet Region

#1 New York Times bestseller! From extremist groups to NASCAR to forensic twists, Temperance Brennan is back in a turbo-charged story of secrets and murder. A body is found in a barrel of asphalt in a landfill just before Raceweek when 200,000 fans are pouring into town. The next day a NASCAR crewmember visits Temperance Brennan at the MCME and tells his story. His sister, Cyndi Gamble, then a high school senior who wanted to be a NASCAR driver, disappeared twelve years before along with her boyfriend, Cale Lovette. Lovette used to hang out with a group of right-wing extremists known as the Patriot Posse. Is the body Cyndi’s? Or Cale’s? At the time of their disappearance, the FBI joined the investigation because of Cale’s association with extremists. But the search was quickly terminated. Was there a cover-up? Tempe considers the multiple theories: did the pair take off together to join the underground militia and then get killed by militia types? Did Cale kill Cyndi and disappear into the militia underground? The case gets more complex when another man, Ted Raines, is identified as missing in Charlotte, where he had gone for the big race. Ted was an employee of the CDC in Atlantic. Could the body be his? What could Raines—if it is Raines—have been up to?

A call to examine a skull found in a hidden floor space plunges forensic anthropologist Dr. Temperance Brennan into a case that may involve ritual murder.

From bestselling author Kathy Reichs comes a book set in Charleston, South Carolina, the center of a lucrative, clandestine, sophisticated trade in body parts—the kind that leaves the donor dead. Summoned to South Carolina to fill in for a negligent colleague, Tempe is stuck teaching a lackluster archaeology field school in the ruins of a Native American burial ground on the Charleston shore. But when Tempe stumbles upon a fresh skeleton among the ancient bones, her old friend Emma Rousseau, the local coroner, persuades her to stay on and help with the investigation. When Emma reveals a disturbing secret, it becomes more important than ever for Tempe to help her friend close the case. The body count begins to climb. An unidentified man is found hanging from a tree deep in the woods. Another corpse shows up in a barrel. There are mysterious nicks on bones in several bodies, and signs of strangulation. Tempe follows the trail to a free street clinic with a belligerent staff, a suspicious doctor, and a donor who is a charismatic televangelist. Clues abound in the most unlikely places as Tempe uses her unique knowledge and skills to build her case, even as the local sheriff remains dubious and her own life is threatened. Tempe’s love life is also complicated. Ryan, her current flame, has come down to visit her from Montreal, and Pete, her former husband, is investigating the disappearance of a local woman—and he and Tempe are staying in the same borrowed beach house. Ryan and Pete compete for her attentions, and Tempe finds herself more distracted by her feelings for both men than she expected. Break No Bones is a smart, taut thriller featuring the kind of high-stakes crime that makes the headlines every week. Reichs, the inspiration for the hit Fox TV show Bones, is writing at the top of her form, and Tempe has never been more compelling.

A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV’s Bones producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina’s Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe’s surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship’s body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center. Did Blankenship’s passion lead her into danger? Alongside Detective “Skinny” Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship’s death. But Tempe’s own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs’s new novel, Bones of the Lost—is an exhilarating new installment in the Temperance Brennan series.

A Novel

Devil Bones

A Tempe Brennan E-Short

Flash and Bones

Monday Mourning

Consisting of Masonic Tales, Songs, and Sketches, Never Before Published

In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel “Lucky” Strike, a web sleuth who believes she’s successfully connected a body in Tempe’s lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother’s diagnosis and the shock of Andrew Ryan’s potentially life-change proposal, Tempe has little missing girl’s medical records. Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan’s story, Speaking in Bones proves that Kathy’s pulse-pounding Bones series is still going strong. The first Temperance Brennan novel in the “cleverly plotted and expertly maintained series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy Reichs’s Temperance Brennan books are both “accomplished and chilling” (People) and “ripe v Sentinel).

After a fatal airline crash in the mountains of North Carolina, Dr. Temperance Brennan heads to the site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerousc

Journeying to wintry Montreal to testify at a murder trial, forensic anthropologist Tempe Brennan discovers three skeletons in the basement of a pizza parlor and realizes that she has stumbled into a crime from the past. By the author of Bare Bones. Reprint.

The Anatomy of Desire

Point of Origin

A Joanna Brady Mystery

Devil’s Claw

The Bone Bed

The classic forensic thriller (Temperance Brennan 1)

***‘Death by self-inflicted gunshot wound to the head’ is the on-scene assessment, but the victim’s relatives are adamant in their rejection of suicide as an explanation. Discovered in a closet, a week after death, the body is barely recognisable. Extreme heat has accelerated decomposition, and Dr Temperance Brennan’s forensic expertise is required.*****[PB**

***In Kathy Reichs’s tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl’s skeleton in Acadia, Canada might be connected to the disappearance of Tempe’s childhood friend. For Tempe Brennan, the discovery of a young girl’s skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe’s childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe’s eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was “dangerous.” Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe’s beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.***

***Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful Bones series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In Bones Never Lie, Kathy Reichs once again satisfies readers looking for psychological suspense that’s more than skin-deep.***

***In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound, hands to feet, and there’s something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, 206 Bones describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.***

A Publishers Weekly Best Mystery/Thriller of 2021 Audie Award finalist for Multi-Voice Performance For fans of riveting true crime docuseries a la Serial and Making a Murderer, The Anatomy of Desire is a modern tale of crime and punishment exploring unbridled ambition, blinding passion, and the dark side of desire. Ambition. Passion. Betrayal. Murder? Claire Griffith has it all, a thriving career, a gorgeous boyfriend, glamorous friends. She always knew she was destined for more than the life her conservative parents preached to her. Arriving in Los Angeles flat broke, she has risen to become a popular fitness coach and social media influencer. Having rebranded herself as Cleo Ray, she stands at the threshold of realizing her biggest dreams. One summer day, Cleo and a woman named Beck Alden set off in a canoe on a serene mountain lake. An hour later, Beck is found dead in the water and Cleo is missing. Authorities suspect foul play, and news of Cleo’s involvement goes viral. Who was Beck? An infatuated follower? Were she and Cleo friends or lovers? Was Beck’s death an accident . . . or murder? Told in the form of an immersive investigative docuseries, L. R. Dorn’s brilliant reimagining of Theodore Dreiser’s classic crime drama, An American Tragedy, captures the urgency and poignance of the original and rekindles it as a very contemporary and utterly mesmerizing page-turner that will keep you guessing... Did she or didn't she?

When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, Deadly Decisions triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

"The latest from Kathy Reichs finds Tempe Brennan investigating the connections between a long-dead business man, the smuggling of mummified dogs from Peru, and the death of a teenage girl killed in a hit and run. When she discovers a human trafficking enterprise at the center of it all, the scope of the case extends from South America to Afghanistan. And Tempe's soon-to-be ex might have connections that run to the very heart of the trafficking ring"--

Forensic anthropologist Temperance Brennan returns in a chilling eBook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs’s upcoming thriller Bones Never Lie, Tempe takes a much-needed vacation—but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there’s no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who’s researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she’s drawn into a case with its roots in the darkest depths of the swamp. Features a preview of the highly anticipated new Temperance Brennan novel, Bones Never Lie! Praise for the novels of Kathy Reichs “[Reichs is] a genius at building suspense.”—New York Daily News “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”—Entertainment Weekly “Tempe Brennan is the lab lady most likely to dethrone Patricia Cornwell’s Kay Scarpetta.”—USA Today “Every minute in the morgue with Tempe is golden.”—The New York Times Book Review “Reichs always delivers a pulse-pounding story.”—Publishers Weekly

*Featuring a preview of the highly anticipated new thriller Speaking in Bones, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers. In Bones on Ice, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the “death zone”: the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain, abandoned, frozen in place. When an earthquake leads to a miraculous recovery, Dr. Temperance Brennan is hired to identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe’s findings only provoke more questions. What happened on Mount Everest? Was the young woman’s death an accident? Why aren’t the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? Praise for Kathy Reichs and the Temperance Brennan series “A genius at building suspense.”–New York Daily News “Kathy Reichs writes smart–no, make that brilliant–mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.”–James Patterson “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”–Entertainment Weekly “One of the most distinctive and talented writers in the genre.”–Sandra Brown “Every minute in the morgue with Tempe is golden.”–The New York Times Book Review “Each book in Kathy Reichs’s fantastic Temperance Brennan series is better than the last.”–Lisa Scottoline “Reichs always delivers a pulse-pounding story.”–Publishers Weekly “I love Kathy Reichs—always scary, always suspenseful, and I always learn something.”–Lee Child #1 New York Times bestselling thriller writer Kathy Reichs returns with her twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box containing a human eyeball, uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. ‘Kathy Reichs has written her masterpiece’ MICHAEL CONNELLY Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe’s place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine “Skinny” Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe’s Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on—and then her daughter disappears. At its core, Cold, Cold Bones is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present. Kathy Reichs’s first novel Déjà Dead, published in 1997, won the Ellis Award for Best First Novel and was an international bestseller. Cold, Cold Bones is Kathy’s twenty-first entry in her series featuring forensic anthropologist Temperance Brennan. Kathy was also a producer of Fox Television’s longest running scripted drama, Bones, which was based on her work and her novels. One of very few forensic anthropologists certified by the American Board of Forensic Anthropology, Kathy divides her time between Charlotte, North Carolina, and Montreal, Québec. When a recent skeleton among ancient bones raises questions—and danger—forensic anthropologist Temperance Brennan is the only one who can solve the case in this “triumphant second appearance” (Publishers Weekly) from #1 New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might have called in, but lucky for the police she’s already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of a wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that’s local and global. The suspense is intense, and the world is riveting. Kathy Reichs’s books are expert and smart with a taut energy, and this is her best plot and writing yet. In the night-still canyons of the Arizona desert, a girl is on the run. Alone but for her beloved red-tailed hawk, she flees from the dark shadows of her young life, the horror she has witnessed...and the terror that now stalks her. New York Times bestselling author J.A. Jance returns with her eighth novel in the highly acclaimed Joanna Brady mystery series. Set against the backdrop of the modern west, this gripping tale finds Sheriff Brady juggling a precarious overload in both her personal and professional lives. About to be married, Joanna’s facing a daughter turning twelve and going on twenty, a meddlesome mother micro-managing her wedding, and new in-laws arriving any day. The sudden death of her much-loved neighbor and handyman, Clayton Rhodes, creates further turmoil, leaving Joanna shocked, saddened, and the target of Clayton’s irate and irrational daughter, who accuses the Sheriff’s Department of covering up a possible murder. But amidst the uproar, the report of a homicide at Cochise Stronghold in the Dragoon Mountains quickly captures Joanna’s full attention. An Indian woman has been found shot to death—a woman recently released from prison after serving time for the manslaughter killing of her husband. She is the mother of a missing fifteen-year-old, Lucy Ridder. The death at first appears to be a case of domestic rage finally exploding—and a troubled teen runaway may be a victim, or a cold-blooded killer. Yet as Joanna deals with the long-standing troubles of Clayton Rhodes’ family and digs deeper into the mysterious life of Lucy and her family, she discovers that investigating family hostilities is leading her down a twisted trail of hatred, greed, and far-reaching consequences—and into a dangerous world where violence is the first response and long buried secrets are a reason to kill...or die. Once again, J.A. Jance delivers a gritty, deftly written thriller that unfolds on a vivid landscape of raw beauty and unrelenting danger. And, as always, Sheriff Joanna Brady brings the setting to life with the sensitivity, spirit, and intense passion for justice that makes Jance novels ring with authenticity.

The first gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series Bones. Bagged and discarded, the dismembered body of a woman is discovered in the grounds of an abandoned monastery. Dr Temperance Brennan, Director of Forensic Anthropology for the province of Quebec, has been researching recent disappearances in the city. Soon she is convinced that a serial killer is at work. But when no one else seems to care, her anger forces her to take matters into her own hands. Her determined probing has placed those closest to her in mortal danger, however. Can Tempe make her crucial breakthrough before the killer strikes again? Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide. However, she is best known for her internationally bestselling Temperance Brennan novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series Bones.

Many of the world’s greatest thriller writers are huge fans of her work: ‘Kathy Reichs writes smart – no, make that brilliant – mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.’ JAMES PATTERSON ‘One of my favourite writers.’ KARIN SLAUGHTER ‘I love Kathy Reichs? – always scary, always suspenseful, and I always learn something.’ LEE CHILD ‘Nobody does forensics thrillers like Kathy Reichs. She’s the real deal.’ DAVID BALDACCI ‘Each book in Kathy Reichs’s fantastic Temperance Brennan series is better than the last. They’re filled with riveting twists and turns – and no matter how many books she writes, I just can’t get enough!’ LISA SCOTTOLINE ‘Nobody writes a more imaginative thriller than Kathy Reichs.’ CLIVE CUSSLER

An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

Bones of the Lost

Female Performers in British and American Fiction

The Lights and Shadows of Freemasonry

Deja Dead

American Indians and Yellowstone National Park

First Bones

Placing American Indians in the center of the story, Restoring a Presence relates an entirely new history of Yellowstone National Park. Although new laws have been enacted giving American Indians access to resources on public lands, Yellowstone historically has excluded Indians and their needs from its mission. Each of the other flagship national parks—Glacier, Yosemite, Mesa Verde, and Grand Canyon—has had successful long-term relationships with American Indian groups even as it has sought to emulate Yellowstone in other dimensions of national park administration. In the first comprehensive account of Indians in and around Yellowstone, Peter Nabokov and Lawrence Loendorf seek to correct this administrative disparity. Drawing from archaeological records, Indian testimony, tribal archives, and collections of early artifacts from the Park, the authors trace the interactions of nearly a dozen Indian groups with each of Yellowstone’s four geographic regions. Restoring a Presence is illustrated with historical and contemporary photographs and maps and features narratives on subjects ranging from traditional Indian uses of plant, mineral, and animal resources to conflicts involving the Nez Perce, Bannock, and Sheep Eater peoples. By considering the many roles Indians have played in the complex history of the Yellowstone region, authors Nabokov and Loendorf provide a basis on which the National Park Service and other federal agencies can develop more effective relationships with Indian groups in the Yellowstone region.

Forensic anthropologist Dr. Temperance Brennan is called in by Special Agent Seeley Booth to assist in the investigation into a bag of skeletal remains, complete with note, that has been left on the steps of a federal building. Original. (A Fox television series, starring David Boreanaz & Emily Deschanel) (Suspense)

The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas’s epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare’s greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you’re looking for.

Deadly Decisions

Speaking in Bones

A Virals Novel

**The female performer with a public voice constitutes a remarkably vibrant theme in British and American narratives of the long nineteenth century. The tension between fictional female performers and other textual voices can be seen to refigure the cultural debate over the ‘voice’ of women in aesthetically complex ways. By focusing on singers, actresses, preachers and speakers, this book traces and explores an important tradition of feminine articulation. Drawing on critical approaches in literary studies, gender studies and philosophy, the book conceptualizes voice for the discussion of narrative texts. Examining voice both as a thematic concern and as an aesthetic effect, the individual chapters analyse how the actual articulation by female performers correlates with their cultural visibility and agency. What this study foregrounds is how women characters succeed in making themselves heard even if their voices are silenced in the end.**

**Forensic anthropologist Tempe Brennan investigates the death of a man who appears to have died while engaged in a bizarre sexual act and who was originally declared dead four decades earlier.**

**#1 New York Times bestselling author Kathy Reichs’s twentieth “brilliant” (Louise Penny) thriller featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. “This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense” (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn’t register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, The Bone Code is “a murder mystery story that races across America at the speed of fright” (James Patterson).**
