*"A runaway train of revenge, rivalry and angst. This complex and venomous tale takes on a modern-day Cruel Intentions/Mean Girls vibe. Pretty Reckless is unputdownable and absolute Kindle Crack." - Kindle Crack Book Reviews* From USA Today and Washington Post bestselling author L.J. Shen comes an intense, high school enemies-to-lovers romance with a twist. Penn They say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it-I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

*It's a hot, hot summer, and in the depths of the Toronto Transit Authority's Lost and Found, 17-year-old Duncan is cataloging lost things and sifting through accumulated junk. And between Jacob, the cranky old man who runs the place, and the endless dusty boxes overflowing with stuff no one will ever claim, Duncan's just about had enough. Then he finds a little leather book. It's a diary filled with the dark and dirty secrets of a twisted mind, a serial killer stalking his prey in the subway. And Duncan can't make himself stop reading. What would you do with a book like that? How far would you go to catch a madman? And what if time was running out. . . .*

*Vinny Salvo's shadow has grown horns, claws, and big sharp teeth. And now it is coming after him.*

*A mysterious library book opens the door to a world of magic and danger in the first book in the beloved Young Wizards series. Bullied by her classmates, Nita Callahan is miserable at school. *ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: “Hands of Stone”. American journalist Christian Guidice has written the first – and definitive – story of Duran’s extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter’s fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Más encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.*

*"Jeff Pearlman has captured the swagger of the '86 Mets. You don't have to be a Mets fan to enjoy this book—it's a great read for all baseball enthusiasts." —Philadelphia Daily News Award-winning Sports Illustrated baseball writer Jeff Pearlman returns to an innocent time when a city worshipped a man named Mookie and the Yankees were the second-best team in New York. It was 1986, and the New York Mets won 108 regular-season games and the World Series, capturing the hearts (and other assorted body parts) of fans everywhere. But their greatness on the field was nearly eclipsed by how bad they were off it. Led by the indomitable Keith Hernandez and the young dynamic duo of Dwight Gooden and Darryl Strawberry, along with the gallant Scum Bunch, the Amazin's left a wide trail of wreckage in their wake—hotel rooms, charter planes, a bar in Houston, and most famously Bill Buckner and the hated Boston Red Sox. With an unforgettable cast of characters—including Doc, Straw, the Kid, Nails, Mex, and manager Davey Johnson—this "affectionate but critical look at this exciting season" (Publishers Weekly) celebrates the last of baseball's arrogant, insane, rock-and-roll-and-party-all-night teams, exploring what could have been, what should have been, and what never was. Suddenly, the woman with no permanent ties finds herself almost wishing for one... Artist Ashton Archer knows his brother isn't capable of violence—against himself or others. He recruits Lila, the only eyewitness, to help him uncover what happened. Chalking up their intense attraction to the heat of the moment, Lila agrees to help Ash try to find out who murdered his brother and why. From the penthouses of Manhattan to grand Italian villas, their investigation draws them into a rarefied circle where priceless antiques are bought, sold, gambled away and stolen; where what you possess is who you are; and where what you desire becomes a deadly obsession...*

The story behind the podcast Crimetown, as told by the notorious Buddy Cianci himself. An election is a war and "to the victor belongs the spoils." That's the real democratic process. After all, you'll never see a victorious politician tell his supporters, "I want to thank all of you who worked so hard for my election. However, in the interest of good government, I've decided to give all the jobs to those people who voted against me." This belief became Buddy Cianci's mantra. Following his own rules, Cianci spent almost three decades as mayor of Providence, RI... before leaving for an enforced vacation in a federally funded gated community. Providence was a dying industrial city when he first took office, but he helped turn it into one of the most desirable places to live in America. He did it by playing the game of hardball

politics as well as it has ever been played, living up to his favorite Sinatra lyric "I did it my way"—because that's the only way a mayor can run a city. If you want to know the truth about how politics is played, you picked the right book. This is the behind-the-locked-door story of how politics in America really works. Here is a man who has been called many things: "America's Most Innovative Mayor," a "colorful character," and a convicted felon. But no one has ever called him shy. Here, he serves it all up.

From New York Times bestselling and award-winning author Brendan Kiely, a stunning novel that explores the insidious nature of tradition at a prestigious boarding school. Prestigious. Powerful. Privileged. This is Fullbrook Academy. Jules Devereux just wants to keep her head down, avoid distractions, and get into the right college, so she can leave Fullbrook and its old-boy social codes behind. Jamie Baxter feels like an imposter at Fullbrook, but the hockey scholarship that got him in has given him a chance to escape his past and fulfill the dreams of his parents and coaches, whose mantra rings in his ears: Don't disappoint us. As Jules and Jamie's lives intertwine, and the pressures to play by the rules and to keep the school's toxic secrets, they are faced with a powerful choice: remain silent while others get hurt, or stand together against the ugly, sexist traditions of an institution that believes it can do no wrong.

WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

Life (and death) inside the Mafia... Dominick Cicale was born and raised in the Bronx, New York. From a young age he was closely associated with the Genovese crime family, considered the most powerful Mafia group in America. Fate intervened. In 1999 Cicale forged a tight alliance with Vincent "Vinny Gorgeous" Basciano, then an up-and-coming member of the Bronx faction of the Bonanno crime family. Under Basciano's tutelage, Dominick rode the fast track: he was inducted into the American Cosa Nostra and swiftly rose from soldier to capo, amassing great wealth and power. Cicale befriended and associated with numerous high-ranking figures within all of New York's Five Families as he plotted and schemed in a treacherous world where each day could be his last.
