

Florida Real Estate Principles, Practices Law (Florida Real Estate Principles, Practices And Law)

Florida Condominium and Community Association Law, Fourth Edition, provides a comprehensive treatment of current legal practice, including a detailed review of timeshare condominiums, alternative dispute resolution, association concerns, forms and procedures from the Division of Florida Land Sales, Condominiums, and Mobile Homes, as well as information concerning homeowners' associations and ancillary matters. Highlights of the Fourth Edition include: Updated case law, statutes, and rules and regulations. New Forms Hot Topics: Discussion of the fundamental changes that the 2017 Florida Legislature made to the arbitration program under the Condominium Act, F.S. Chapter 718. Discussion of the 2017 Florida Legislature's substantial amendments to F.S. 718.116(8) as it relates to assessments, liability, lien and priority, interest, and collection. Discussion of the new electronic posting requirement of the powers and duties of condominium associations under F.S. 718.111(g). Discussion of 2017 Florida Legislature's creation of criminal penalties and removal from office of condominium association directors and officers under F.S. 718.111(d). Discussion of the new conflict of interest provisions under the Condominium Act, F.S. Chapter 718. The 2017 Florida Legislature's response to Tropicana Condominium Ass'n, Inc v. Tropical Condominium, LLC, 208 So.3d 755 (Fla. 3d DCA 2016), enacting F.S. 718.117(21), which contains a statement of legislative public policy applying the statute to all condominiums in existence on or after July 1, 2007. Discussion of the 2017 Florida Legislature's expansion of jurisdiction of the Division of Florida Condominiums, Timeshares and Mobile Homes. Discussion of the 2017 Florida Legislature's expansion of Ombudsman's powers. Discussion of estoppel certificates under the Homeowners' Association Act, including the new Estoppel Certificate form under F.S. 720.30851.

Florida Real Estate Principles, Practices & Law

Going beyond the principles and practices students have already learned, this new edition explores the skills necessary for building and managing a successful real estate brokerage. Based on the revised FREC broker course syllabus, Florida Real Estate Broker's Guide provides a complete source for your broker prelicensing curriculum. Highlights include: * Four new case studies prepare students for realworld practice. * Timely, comprehensive coverage of all course topicsmakes supplemental material unnecessary. * Web resources encourage students to explore keytopics. * Free Instructor Resource Guide includeschapter outlines, matching exercises, vocabularylists and two practice exams.

For more than forty years, Modern Real Estate Practice has set the industry standard for real estate education, with over 50,000 copies sold every year and over 3 million real estate professionals trained. Now, in this exciting new edition, Modern Real Estate Practice continues that tradition of excellence. Includes a test-building CD-ROM and URLs for key government and professional association websites.

Principles of Real Estate Practice in Florida contains the essentials of Florida real estate law, principles, and practices necessary for basic competence as a real estate professional and as mandated by Florida license law and the FREC 1 course outline. It is based on our highly successful and popular national publication, Principles of Real Estate Practice, which is in use in real estate schools nationwide. The text is tailored to the needs of the prelicense student. It is designed to -make it easy for students to learn the material and pass their real estate exam - prepare students for numerous career applications - stress practical, rather than theoretical, skills and knowledge. Principles of Real Estate Practice in Florida is streamlined, direct and to-the-point. It includes multiple learning reinforcements. It has a student-oriented organization, both within each section and from section to section. Its examples and exercises are grounded in the authors' many years in real estate education. Table of Contents The Real Estate Business Real Estate License Law and Qualifications for Licensure Real Estate License Law and Commission Rules Authorized Relationships, Duties, and Disclosure Real Estate Brokerage Activities and Procedures Violations of License Law, Penalties, and Procedures Federal and State Laws Pertaining to Real Estate Property Rights, Estates and Tenancies Title, Deeds and Ownership Restrictions Legal Descriptions Real Estate Contracts Residential Mortgages Types of Mortgages and Sources of Financing Real Estate Related Computations; Closing Transactions The Real Estate Market and Analysis Real Estate Appraisal Real Estate Investments and Business Opportunity Brokerage Taxes Affecting Real Estate Planning, Zoning and Environmental Hazards Real Estate Mathematics For Florida students looking for a Florida-specific exam prep book, Florida Real Estate License Exam Prep is now available.

Real Estate Principles: A Value Approach demonstrates how value is central to virtually all real estate decision-making. Students using Ling and Archer should finish the course with a value-oriented framework and a set of valuation and decision making tools that can be applied in a variety of real-world situations. The key to making sound investment decision is to understand how property values are created, maintained, increased or destroyed. Since the launch of Real Estate Principles: A Value Approach, significant and lasting changes have come upon the world of real estate. This is very true in real estate finance and capital sources where most of the traditional lenders have been transformed or displaced, giving way to a radically different set of players in mortgage finance. There has been change with profound and far-reaching implications in a world where it is understandable that property values can go down as well as up. This realization will color every aspect of real estate investment, finance and transactions for the foreseeable future.

Principles of Real Estate Practice by Mettling and Cusic is a modern learning tool for the student preparing to enter the real estate business as a licensed professional. The textbook contains the essentials of real estate law, principles, and practices taught in real estate schools and colleges across the country, including all those fundamentals that real estate educators, practicing professionals, national testing services, and state licensing officials agree are necessary for basic competence. Principles of Real Estate Practice covers the national requirements for the initial 90-90+ hours of classroom study, or its equivalent, mandated by state license laws across the country. Principles of Real Estate Practice is tailored to the needs of the pre-license student. The textbook is designed to make it easy for students to learn the material -prepare students for numerous career applications -stress practical, rather than theoretical, skills and knowledge. It is more streamlined, direct and to-the-point than other books. It includes more learning reinforcements. It has a student-oriented organization, both within each chapter and from chapter to chapter. Its examples and exercises are grounded in the authors' fifty combined years in real estate education. Table of Contents of the 6th Edition The Real Estate Business Rights in Real Estate Interests and Estates Ownership Encumbrances and Liens Transferring and Recording Title to Real Estate Real Estate Leases Land Use Planning and Control Legal Descriptions Real Estate Contract Law Agency Listing Agreements The Brokerage Business Contracts for the Sale of Real Estate Real Estate Market Economics Appraising and Estimating Market Value Real Estate Finance Real Estate Investment Real Estate Taxation Professional Practices Closings Real Estate Licensing and Regulation Risk Management Property Management Real Estate Mathematics and Formulas Glossary of Residential Style and Construction Terms Glossary of General Real Estate Terms Index Note: For some states, we have state-specific versions of Principles of Real Estate Practice. We also publish the Real Estate License Exam Prep (RELEP) Series of exam prep books.

Market Analysis for Real Estate

Features of Florida Real Estate License Exam Prep (FL-RELEP) - Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (80 pages) - Real Estate Math Key Formula Review & Practice (20 pages) - 20 Practice Tests (575 questions with explanations also in FREC 1 order) - Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific - not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, Principles of Real Estate Practice in Florida - one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!

*There is no question about it... QUESTIONS & ANSWERS is one of the most trusted and recommended exam prep tools available. Why? Because it's designed to help you pass any national licensing exam, including ASI, AMP, PSI, Experior, and state-designed exams, on the first try. Here are some other reasons why QUESTIONS & ANSWERS is so effective: Over 1,800 practice questions with answers fully explained. Expanded chapter overviews discuss the key concepts of each chapter. Key words defined at the beginning of each chapter help you master each exam subject area. Speed questions highlighted throughout the text cover the essential points in a chapter for those who want a quick review. Broker-level questions identified throughout the text distinguish higher-level questions from basic-level and intermediate-level questions. False friends feature identifies seemingly similar terms that are often confused with each other. Special sections containing real estate math questions, sample salesperson and broker final exams, and review exams.~BOOK COVER

Passing the Florida real estate exam is the ultimate goal, but first all pre-license real estate salespeople must understand Florida real estate practices and law. This groundbreaking new real estate text is designed to give students a solid understanding of current Florida real estate in a simple "plain English" approach. The non-technical content is reinforced by key terms, chapter summaries and extensive real estate practice questions along with "Coaching Tips" and "Math Buster" features that enable students to confidently and easily master the content. Passing the Florida real estate exam is the ultimate goal, but first all pre-license real estate salespeople must understand Florida real estate practices and law. Real Estate Math

Real Estate Math Express is a concise, easy-to-study test preparation guide to help real estate students improve their real estate math scores to pass the state licensing test. The primary feature of Real Estate Math Express is that it contains all necessary formulas and practice questions in 70+ pages. This enables you to truly cram for the math portion of your state's licensure test, memorize key formulas, and walk into the exam site having all the essential material in your short-term memory! So, if you want a truly rapid review resource, Real Estate Math Express is for you. No frills, no lengthy explanations...just key formulas, definitions, corresponding examples and practice questions. Real Estate Math Express can be broken down into 3 major parts: Math Formulary Math Questions Answer Key The math formulary is the section that introduces each major real estate math topic and its corresponding formula(s). Real Estate Math Express covers numerous topics ranging from basic math to capitalization rates to prorations and finally to closing cost calculations. Once the math formulas have been mastered, there are over 110 sample questions for you to practice with. Each question has both an answer and an explanation of the correct answer at the end of the book. For additional real estate licensing materials, please check out our Principles of Real Estate Practice and Real Estate License Exam Prep (RELEP) Series.
