

For Horse Crazy Girls Only: Everything You Want To Know About Horses

Mean Girls meets Black Beauty in Horse Girl by celebrated author Carrie Seim—a funny and tender middle-grade novel about finding your forever herd. "This book is funny and exciting. Beautifully portrays both the pleasures and risks of riding horses and also of being a teen. Very original, and a great pleasure to read."—Jane Smiley, Pulitzer Prize-winning author
Wills is a seventh grader who's head-over-hoof for horses, and beyond excited when she gets the chance to start training at the prestigious Oakwood Riding Academy. But Amara—the Queen of the #HorseGirls—and her posse aren't going to let the certifiably dork-tagious Wills trot her way into their club so easily. Between learning the reins of horse riding, dealing with her Air Force pilot mom being stationed thousands of miles from home, and keeping it together in front of (gasp!) Horse Boys, Wills learns that becoming a part of the #HorseGirl world isn't easy. But with her rescue horse, Clyde, at her side, it sure will be fun. Complete with comedic, original hoof notes to acquaint the less equestrian among us, Horse Girl delivers everything a young readers wants: mean girls, boy problems, and embarrassingly goofy dad jokes. And it does so on the back of a pony.

Gray wolves are both beautiful creatures and relentless hunters. They are well known for their deadly stare, their lonesome howl, and a powerful appetite for meat. This book presents an up-close look at the lives of wolves, including how they lovingly care for their young and how they work together while hunting for food. Readers will also learn why it is important to protect wolves from human interference.

"Reference book for children about all predators in the animal world"--

Girls love horses! Horsewoman Rebecca Ondov invites tweens (ages 8 to 12) to experience life around horses—caring for them, getting to know their personalities, training them, and loving them. Along the way, girls will discover more about themselves—who they are, how much God loves them, and what He wants them to do. Using their love for horses as a base, Great Horse Stories for Girls helps girls: build confidence in God's love and provision create stronger friendships know how to handle "the blues" make wise choices develop an active prayer life Daughters will enjoy these true stories of interacting with horses and encounter life-changing truths that will help them grow strong spiritually, emotionally, and mentally.

"Text and photos give readers information about horse riding and competitions, horse care, horse breeds, and general information"--

"A wild, rollicking ride into the heart of horse country—these essays get at what it means to love horses, in all that love's complexity." —Anton DiSclafani, author of The Yonahlossee Riding Camp for Girls
A compelling and provocative essay collection that smashes stereotypes and redefines the meaning of the term “horse girl,” broadening it for women of all cultural backgrounds. As a child, horses consumed Halimah Marcus’ imagination. When she wasn’t around horses she was pretending to be one, cantering on two legs, hands poised to hold invisible reins. To her classmates, girls like Halimah were known as “horse girls,” weird and overzealous, absent from the social worlds of their peers. Decades later, when memes about “horse girl energy,” began appearing across social media—Halimah reluctantly recognized herself. The jokes imagine girls as blinkered as carriage ponies, oblivious to the mockery behind their backs. The stereotypical horse girl is also white, thin, rich, and straight, a daughter of privilege. Yet so many riders don’t fit this narrow, damaging ideal, and relate to horses in profound ways that include ambivalence and regret, as well as unbridled passion and devotion. Featuring some of the most striking voices in contemporary literature—including Carmen Maria Machado, Pulitzer-prize winner Jane Smiley, T Kira Madden, Maggie Shipstead, and Courtney Maum—Horse Girls reframes the iconic bond between girls and horses with the complexity and nuance it deserves. And it showcases powerful emerging voices like Braudie Blais-Billie, on the connection between her Seminole and Quebecois heritage; Sarah Enelow-Snyder, on growing up as a Black barrel racer in central Texas; and Nur Nasreen Ibrahim, on the colonialist influence on horse culture in Pakistan. By turns thought-provoking and personal, Horse Girls reclaims its titular stereotype to ask bold questions about autonomy and desire, privilege and ambition, identity and freedom, and the competing forces of domestication and wildness.

Thirteen-year-old foster kid Jasmine Schuler is immediately drawn to the scrawny, broken-looking brown gelding huddled in the corner of an auction house stall. Feeling a kinship with the lonely animal, Jas convinces her new foster mom, who rescues and rehabilitates abused horses on her Virginia farm, to buy him. Slowly, the horse Jas names Shadow begins to blossom and even to thrive. But when Jas uncovers a startling clue to Shadow's true identity, she becomes entangled in a mystery which could have serious consequences for the two of them. Both the heartwarming story of a young girl's love for her horse and an intriguing mystery, this inspiring middle-grade novel will appeal to horse lovers and mystery fans alike.

Is your first and second favorite animal a horse? Is your bedroom covered with horse posters on your walls and horse models on your shelves? Would you rather muck out a stall than clean your room? Then you are absolutely, undeniably horse crazy, and For Horse-Crazy Girls Only is the book for you! This is the only comprehensive book about everything a horse-crazy girl needs to know about horses. You'll learn everything from the different breeds of horses, to how a horse's body works, to the quirky little things that make the horse the BEST animal ever. Author Christina Wildson even shares ideas for horse-themed parties, and suggestions for the best horse movies to watch with your friends. And that's just the beginning.

Give your horse a gorgeous look! Charni Lewis provides step-by-step instructions for 30 mane and tail braids for both casual outings and specialized events of all riding styles. Full-color photographs and detailed illustrations bring every twist and turn to life, while also clearly demonstrating proper hand positioning. Get inspired and experiment with a Scalloped mane braid or a Four-Strand Weave for the tail. Not only will your horse look great, the time you spend braiding will help develop that special bond between you and your horse.

Horse Girl

No Heaven Can Heaven Be, If My Horse Isn't There to Welcome Me

"This story, if it is one, deserves the closure of a suicide, perhaps even the magisterial finality of what is usually called a novel, but the remnants of that faraway time offer nothing more than a taste of damp ashes, a feeling of indeterminacy, and the obdurate inconclusiveness of passing time." So writes the unnamed narrator of Horse Crazy, looking back on a season of madness and desire. In the first novel from the brilliant, protean Gary Indiana, Horse Crazy tells the story of a thirty-five-year-old writer for a New York arts and culture magazine whose life melts into a fever dream when he falls in love with the handsome, charming, possibly heroin-addicted, and almost certainly insane Gregory Burgess. In the derelict brownstones of the Lower East Side in the late eighties, among the coked out restaurateurs and art world impresarios of the supposed "downtown scene," the narrator wanders through the fog of passion. Meanwhile, the AIDS epidemic is spreading through the city, and New York friendships sputter to an end. Here is a novel where the only moral is that thwarted passion is the truest passion, where love is a hallucination and the gravest illness is desire.

A guide to the human body answers common questions through text, photographs, illustrations, and diagrams that discuss body systems and health care, and includes complementary experiments and top ten lists.

Twelve-year-old Kate is laser-focused on her one true passion: horseback riding. But try as she might, she can't hide from life's problems in the stable. There's nothing Kate loves more than being around horses. But her best friend is allergic to them, so Kate has to take riding lessons without her. Kate's forced to navigate some of life's hardships—like the mean girls at the stable who tease her and her body insecurities—all on her own. To make matters worse, Kate is continually falling off her horse. To Kate, her teen years feel like one unfair punishment after another. Can she get over it all...and get back on her horse? Horse Trouble, the debut graphic novel from children's book artist Kristin Varner, is an oh-so-relatable graphic novel with humor and heart.

Born Free! Among a patterned herd of wild Appaloosa mustangs running free in the Idaho wilderness lives Blue, a spirited filly the color of rain. Surrounded by her family, including her gentle sister Doe, and protected by her father, the band stallion, Blue lives a life both harsh and beautiful in the rugged terrain of an undiscovered habitat. That all changes, though, when Blue and Doe are captured by rogue cowboys, setting in motion a chain of events that threatens the very survival of their hidden, secret herd.

Wild Horse Spring

A perfect Journal and activity book for horse mad boys and girls.

Thirteen-year-old Emily and her fellow campers at Webster's Country Horse Camp fear that the owner plans to sell his land to a real estate developer, so they stretch the truth a bit in trying to convince the developer of imaginary hazards on the property.

For once Stephanie and Diana want the same thing. That's the problem. Diana and Stephanie are still trying to decide if they like each other when their blended family goes to the Outer Banks of North Carolina for spring break. They're headed in opposite directions—Diana is crazy about the wild horses and Stephanie is crazy about the boys—until one guy catches both their interests. Soon they're butting heads—again. But when their crush is accused of committing a crime against the horses, can the stepsisters band together to prove his innocence?

Insects that look like leaves, snakes that play dead, fish that fly, and toads with poisonous skin—these creatures are among many that defend themselves in fascinating ways. Animal Defenses presents the wide variety of physical and behavioral adaptations used by animals and insects in their struggle to survive and shows how scientists continue to make new discoveries about the age-old maneuvering between predator and prey.

Inspiring Tales of Friendship and Fun

Colorists and horse lovers of all ages will treasure this splendid tribute to horses of the world. Illustrator John Green, a specialist in realistic depictions of animals, excels at drawing horses. This collection of his best equine images features draft animals as well as sporting creatures – thoroughbreds, mavericks, coach horses, show horses, polo ponies, and many other magnificent steeds. Informative captions offer accurate background information on each image.

A treasure trove of fun for every horse-loving girl! Horse Play! is packed with great activities and projects, from crafting a mini barn and pasture to designing your dream horse, sewing a pony pillow, making a shelf for model horses, and coloring a pull-out poster. Quizzes, checklists, and fill-in-the-blanks invite you to test your knowledge of horses, breeds, riding, and horse care. And this kit-in-a-book also includes stickers, a stencil, pop-out cards, and complete plans for a Horsing-Around party with games, invitations, a horse pinata, party grub, and must-watch horse movies!

When Carole Hanson learns that the newly elected president of a Middle Eastern country will be visiting Washington with his horse-crazy daughter, it seems only natural to write the girl a letter inviting her to come for a ride at Pine Hollow. Carole thinks she might get a reply with an interesting stamp on it. Instead of a stamp, however, Carole gets men with dark suits and sunglasses who walk around Pine Hollow talking into their lapels, looking for spies in the hayloft, and asking for security clearance for horses. Isn't this a little extreme? Especially since the four girls only wanted to go on a trail ride! But when a real spy turns up at Pine Hollow, The Saddle Club rides to the rescue to protect national horse safety!

The Exciting Conclusion to the Dragonslayer Trilogy Long laid plans finally bear fruit, but will it prove as sweet as hoped for? With the king on his deathbed, the power Amaury has sought for so long is finally in his grasp. As opposition gathers from unexpected places, dragonkind fights for survival and a long-awaited reckoning grows close. Soléne masters her magic, but questions the demands the world will make of her. Unable to say no when the call of duty comes, Gill realizes that the life he had given up on has not given up on him. Once a servant of the crown, ever a servant of the crown... The Dragonslayer Trilogy: 1. Dragonslayer 2. Knight of the Silver Circle 3. Servant of the Crown At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An educational delight, combining real horse knowledge with games, crafts, and activities for kids ages 6-10. When a horse or pony is still in the future and not in the barn outside, learning about how to ride and care for him is the next best thing! Horse Fun is for all horse-crazy kids, whether they ride "now" or "not yet," combining real horse knowledge with super-fun games, quizzes, crafts, and activities. Readers go to "riding school" and learn the basics of horse care and equitation. They can test themselves and their friends with equine trivia. Easy-to-follow instructions show how to make tote bags, picture frames, dream catchers, jewelry, and hobby horses to compete in hobby horse shows! Plus, kids can follow along with Maxi, a horse-crazy kid just like them, who shares her thoughts in a journal throughout the book. Includes hundreds of color photos and illustrations by renowned Manga artist Anika Hage. Having horses in your life is joyful, enriching, exciting...and FUN. That's why Horse Fun is the perfect book for both those who love to saddle up.

A Horse of Her Own

Everything Horse Lovers Need to Know

Horse Crazy!

A collection of writings and photographs that explore the unique relationships between a rider and their horses.

A rare insider's look at the life of a professional sportsman as he tries to reconcile the passion that drives him with livelihood, family, and aging. Three-time Olympian Jim Wofford grew up with horses, beginning with his childhood on a Kansas farm in the forties. The son of an Olympic show jumper, Wofford and his siblings all found themselves pursuing a “riding life”—one of reward and growth, of challenge and disappointment, but mostly of learning to understand and work with a complex animal as an athletic partner and friend. Over the years Wofford developed as an international competitor, successful coach, and sought-after commentator. Known for his wit, irreverence, and whip-smart observations on the sport and its participants, as well as the state of the “outside” world, his magazine columns were soon as legendary as his performances in the saddle. Now Wofford brings his immense talent for telling tales—all of them (mostly) true—to the page in a lively and absorbing look back through time spent in and out of the saddle. With lessons in horsemanship both simple and profound interwoven with fascinating stories from his many diverse adventures around the world, readers enjoy a peek inside the wild ride that can be the life of an international equestrian while pondering weighty questions, such as how to make decisions for the good of the horse and how to find a soulful connection with him. Although these questions may never be fully answered, readers discover something about themselves as they see how philosophical investigation contributed to Wofford's own evolution over time. An honest, funny, poignant read certain to entertain and educate every horse person.

A girl who longs for her own horse is given the chance to care for a troubled, damaged horse, who needs her as much as she needs him. Fourteen-year-old Jane Ryan has always dreamed of having a horse of her own—but so long as she gets to ride her favorite school horse, Beau, at Sunny Acres farm, she's content. And this is the summer she means to try out for the advanced riding class. But just as camp begins, Jane receives heartbreaking news about Beau. She loses, not just her favorite horse, but also her chance to ride in the end-of-summer competition. When her trainer asks for her help with an out-of-control chestnut warmblood, Lancelot, a newcomer to the barn, she has no choice but to say yes. There's another new addition to the farm: Ben Reyes, the grandson of the barn's manager. As Jane struggles to go on without Beau, and to make Lancelot the great horse she believes him to be, her feelings for Ben, her relationships with the privileged group of girls she rides with, and her painful, joyous road to self-discovery all lead to a heart-pounding conclusion that is truly a new beginning. Only Jane's faith in Lancelot, and her own rediscovered skill and strength, can see her through the hard journey toward a horse of her own.

During summer vacation in rural Whale Bay, Australia, best friends Bonnie and Sam are taking care of two horses and helping with sheep shearing when they stumble upon a crime at Skull Rock. Original.

Introduces deer, describing their physical characteristics, habitat, life cycle, feeding habits, and the conservation efforts being made to protect them.

This I Can Read story is perfect for beginning readers and pony lovers alike! In this charming story, the Pony Scouts are helping throw a pony party for a little girl's birthday. But when the birthday girl isn't having fun, it's up to the Meg, Jill, and Annie to save the day. Like all I Can Read books, Pony Scouts: Pony Party is designed to encourage a love of reading. It is a Level 2 book, geared for kids who read on their own but still need a little help.

ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin Nir is one of them: she began riding horses when she was just two years old and hasn't stopped since. Horse Crazy is a fascinating, funny, and moving love letter to these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname "the man who listens to horses," and his pet deer; George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's harrowing tale of surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truant as an auxiliary mounted patrol officer. And she speaks candidly of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a horse Nir has loved, Horse Crazy is an unforgettable blend of beautifully written memoir and first-rate reporting. Horse Crazy explores the meaning behind the love between girls and horses. Jean O'Malley Halley, a self-professed "horse girl," contends that this relationship and its cultural signifiers influence the manner in which young girls define their identity when it comes to gender. Halley examines how popular culture, including the "pony book" genre, uses horses to encourage conformity to gender norms but also insists that the loving relationship between a girl and a horse fundamentally challenges sexist and mainstream ideas of girlhood. Horse Crazy looks at the relationships between girls and horses through the frameworks of Michel Foucault's concepts of normalization and biopower, drawing conclusions about the way girls' agency is both normalized and resistant to normalization. Segments of Halley's own experiences with horses as a young girl, as well as experiences from the perspective of other girls, are sources for examination. "Horse girls," as she calls them, are girls who find a way to defy the expectations given to them by society-thinness, obsession with makeup and beauty, frailty-and gain the possibility of freedom in the process. Drawing on Nicole Shukin's uses of animal capital theories, Halley also explores the varied treatment of horses themselves as an example of the biopolitical use of nonhuman animals and the manipulation and exploitation of horse life. In so doing she engages with common ways we think and feel about animals and with the technologies of speciesism.

Through his intense devotion to the colt Flicka, a young boy living on a Wyoming ranch begins to learn about responsibility and gain a better understanding of his brusque father.

"To be a great soccer player, you must be in love with the game." - Mia Hamm Do you love lacing up your cleats for the first game of the season—and do you love it even more when they're caked with mud after the game? Are there many nights when you dream about kicking the ball, and watching as it soars through the air toward the goal? Would your perfect day include hours on the soccer field? Do you love to watch people play, soaking up everything you can from other soccer-crazy players? Have you ever felt like your soccer team is a second family? Then you're definitely soccer-crazy . . . and this book is definitely for you! From training techniques formations and strategies—this book has it all!

The Ultimate Guide to Caring for and Riding Horses for Kids

A novel

If It Didn't Happen This Way, It Should Have

Saddle up for a ride through the world of horses! What animal is the most fasci-neigh-ting? A horse, of course! Horse Life: The Ultimate Guide to Caring for and Riding Horses for Kids teaches kids 8 to 12 all the basics of equine care—from anatomy to housing to bathing to feeding. You'll find plenty of knowledge to harness, whether you're just starting out or already have a horse of your own! Brush up on grooming techniques and learn about all the necessary gear, from halters to horseshoes. The illustrations in this essential book of horses for kids will teach you horse hair care, show you the differences between gait, and much more. You'll even find out all about equestrian activities and events featuring horses for kids. In Horse Life: The Ultimate Guide to Caring for and Riding Horses for Kids, you'll find: Safety first—This standout book on horses for kids demonstrates the best practices to keep you—and your horse—safe during handling, riding, grooming, bathing, and more. Breeds and steeds—Pick out the qualities you'll want most in a horse, and find your dream breed in this colorful guide about horses for kids. How to speak horse—Communicate the equine way with an illustrated guide to horse body language and a helpful glossary of horse terms. Next time you hit the trail, trot out your new skills from Horse Life: The Ultimate Guide to Caring for and Riding Horses for Kids! The natural world experts at National Geographic present the ultimate reference book on reptiles, designed just for kids. Crawling with fascinating facts, lively text, and tons of cool, colorful, images of the weirdest and wackiest reptiles on planet Earth, it is sure to be their coveted, #1 reference. Snakey, slimey, scaly, and sensational! Welcome to the amazing world of the most popular reptiles on Earth. With colorful photographs and fun facts, this easy-to-use encyclopedia profiles snakes, lizards, amphibians, turtles and tortoises, crocodilians, and tuatara. Profiles are accompanied by Did You Know? details and fast facts including scientific name, size, diet, and habitat.

A rebellious ponygirl. A jockey tested by tragedy. A rejected racehorse. A three million dollar race.Teagan Sullivan is a golden disappointment in the show ring. To make matters worse, her family are big deal Olympic equestrians, so she skulks off to pony Thoroughbreds at a rundown racetrack. But while she excels at equine relations, she sucks at human ones—just ask her sexy blacksmith/sleepover buddy Screaming Wolf. And if she hadn't gone and rescued that stupid jockey wannabe Anne Simmons, she wouldn't be saddled with a new roommate, a broken down racehorse and a chance to prove herself to her family at last.Born two months premature to an anorexic mother, Anne was a longshot just to survive. Now eighteen, she arrives on the backstretch with nothing but a duffel bag and Derby dreams. But the horsemen don't trust the naive newcomer, so she's stuck ponying horses instead of riding races. She is still chasing their respect when a near-fatal accident shatters her body—and her spirit. As Anne struggles to find the courage to ride again, Teagan wrestles with her feelings for Screaming Wolf. Horse racing's richest race, the Breeder's Cup Classic, offers them both a chance at redemption. Will Teagan and Anne conquer their fears in time to claim the things that they love most?

Presents information and stories about horses, including breed portraits, photographs, and vital statistics, and covering early horses, native ponies, working horses, horses on show, and sport horses.

"Horse Crazy!" is a jam-packed treasure chest of a book that will keep horse-obsessed kids ages eight and up busy for hours on end. It offers practical information about horses, from anatomy and history to the details of training, grooming, and showing. It also has lots of great ideas for horse-related projects, such as writing horse stories and drawing or photographing horses. There are books to read, movies to see, unusual ways to have fun with a horse, tips on how to choose a horse camp, information on horse-loving careers, and much more.
