A compilation of poetry that will make you think, rejoice, and contemplate about life and the world around us.

This significant new book of poetry covers a wide area of life's challenges, victories and joys. It does not fail to recognize God in all His Glory. Grandpa Moses Baird, the author, spares no punches in describing events and situations that are sometimes painful to discuss. He does so without embarrassment, as he calls upon his own experiences in a full life of tremendous variety. He credits his wife, Honey, for her interest and encouragement toward his work. He deeply appreciates this support; as it has taken many hours of his time, lost in the composition of "Volume of Poetry -Number 79." As one indulges in the subjects the author has chosen to commit to his rhyme and verse, one can be transported to another time. A time when one likely encountered similar experiences to those that unfold in his poetry. While the volume may not contain poems that will be learned and recited precisely, they will leave a lasting impression on the minds and character of many. Grandpa Moses invites you to travel with him through this patchwork of living..... really living!

This bio will be a favorite among your readers. From the beginning of his career, country music legend Johnny Cash, "The Man in Black," was seen as a rebel, a perception solidified when he took the stage for his famous concert at Folsom State Prison in 1968. Born in Arkansas during the Great Depression, as a child Cash endured poverty, the death of his older brother, and a difficult relationship with his father. He turned to gospel and country music to express his pain, and eventually his songs of hardship and hope reached the ears of those waiting for an artist who represented them, ordinary people fighting to survive, just as he fought to survive his own lifelong battle with addiction. Over the decades, his career soared and floundered, and then, very late in life, soared again, as he found a whole new audience of young people who responded to the hard, gritty truths he poured into every song: a true rebel with a cause.

In *Bending to Beauty*, Dian Zirilli-Mares uses powerful words and metaphors to craft poems that express universal truths. This is why, as the poet examines the loves and losses of life - she writes of our lives as well. We see clearly that we share dreams, joys, fears. Readers of a certain age will relish poems of childhood memories, as Ms. Zirilli-Mares captures a precious time and place, now long-gone. They will identify with her wry poems of shock and disbelief in growing older. But no matter the focus, the poet "pares close to the bone," exploring, yet never shrinking from, the truth. The reward, as revealed in the title poem, is a "bending to beauty" that makes one stronger.
