

## Frank: Fighting Back

*Frank Fighting Back Random House*

*Frank Shamrock may be the toughest man alive. The veteran cage fighter—his “extreme fighting” style involves aspects of boxing, kickboxing, wrestling, karate, Brazilian jujitsu, and even Southeast Asian Muay Thai—is the only person to win a title in all three major North American fight promotions. As Ultimate Fighting Champion he was widely regarded as the best pound-for-pound fighter in the world. But Shamrock has led a life of profound, even Dickensian, difficulty. Born Frank Alicia Juarez III, he suffered through a childhood of abuse, neglect, and molestation before sliding into juvenile delinquency and petty crime. After finding some refuge in the penal system, he was eventually taken in by Bob Shamrock, a Northern California man who had fostered hundreds of lost boys—among them Frank's adoptive older brother, Ken, also a champion MMA fighter. An early marriage followed, and an unplanned pregnancy. When Frank couldn't afford to support his family, he turned to burglary and wound up in state prison—a fact he has never, until now, discussed publicly. But when he was released, Frank joined Ken in training as a cage fighter. For the next two decades he dominated the entire sport. This riveting book tells his whole story. Shamrock gives vivid accounts of his fights, both in and out of the ring. He explains his losses and discloses what enabled him to become a champion. He credits the fighters who taught and inspired him and points out the weaknesses of many who didn't. He details his beef with the UFC and the reasons behind his retirement. He tells all about the violence, the injuries, the booze—and how he overcame them all to become a champion in every sense of the word.*

*Are you part of the 70% of Americans that stressed and sick of it?! The American Psychological Association found that stress is a leading cause of many chronic diseases including high blood pressure and cardiovascular diseases. While stress is a part of most American's lives, being caused by work, money, relationships, family, and health, only 30% of Americans believe they are effectively managing stress. Imagine... \* Knowing how to manage a stressful event so you can keep calm and move on.\* Reducing your stress without taking medications or paying for costly doctors visits. \* Reducing your blood pressure and risk for cardiovascular disease.\* Finally getting amazing restful sleep and waking up refreshed and alert.\* Taking your health and wellbeing into your own hands and WINNING!!!! In Stress the Silent Killer, you will learn: \* What stress is.\* The two types of stress.\* The health impact of stress.\* 5 stress management*

*techniques you can do NOW at home\* A week by week plan for implementing those techniques. Rachel Frank is a Board Certified Holistic Health Coach with advanced certification in medical meditation and stress management. She holds a Master of Science in Psychology and is a PhD candidate in Health Psychology. She has applied these techniques in both her her own life and her clients' lives being called a touchstone for those around her. Join Rachel and her clients in taking control of stress and fight back today using the 5 week training program in Stress the Silent Killer.*

*The raw and as-insane-as-anticipated first novel from Frank Bill, author of Crimes in Southern Indiana The Donnybrook is a three-day bare-knuckle tournament held on a thousand-acre plot out in the sticks of southern Indiana. Twenty fighters. One wire-fence ring. Fight until only one man is left standing while a rowdy festival of onlookers—drunk and high on whatever's on offer—bet on the fighters. Jarhead is a desperate man who'd do just about anything to feed his children. He's also the toughest fighter in southeastern Kentucky, and he's convinced that his ticket to a better life is one last fight with a cash prize so big it'll solve all his problems. Meanwhile, there's Chainsaw Angus—an undefeated master fighter who isn't too keen on getting his face punched anymore, so he and his sister, Liz, have started cooking meth. And they get in deep. So deep that Liz wants it all for herself, and she might just be ready to kill her brother for it. One more showdown to take place at the Donnybrook. As we travel through the backwoods to get to the Donnybrook, we meet a cast of nasty, ruined characters driven to all sorts of evil, all in the name of getting their fix—drugs, violence, sex, money, honor. Donnybrook is exactly the fearless, explosive, amphetamine-fueled journey you'd expect from Frank Bill's first novel . . . and then some.*

Fight Girls*

*The Daily Show (The Book)*

*Hundreds of Real-World Lessons for Success and Happiness*

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testaments to this determined

young woman's extraordinary genius and to the persistent strength of the creative spirit. June, 1863. Confederate troops invade Pennsylvania intent on winning their 2nd War of Independence. Jake must choose: fight for southern freedom and earn the love of his Virginia belle, or defend his home and fight to end slavery? His decision puts him front and center at several pivotal events in the Gettysburg Campaign, where he discovers his ultimate call is to an even higher duty. Like "The Killer Angels," "The Unfinished Work" features vivid, eyewitness accounts of participants on both sides of the battle lines. As in "Gone with the Wind," Eliza, a pampered southern belle, must cope with the life-changing consequences of the war, watch her lover go off to join the fight, and deal with the most unexpected rival for his affections - her sister, Kathleen. "Skillfully interweaving history and fiction in well-constructed, flowing prose, the author engages the reader from the beginning of The Unfinished Work and holds that attention as the story unfolds. The appeal of the work is far reaching: In-depth historical detail, character interaction with authentic Civil War-era individuals, and the eyewitness accounts from several battles will appeal to readers of both history and historical fiction. And the fast-paced action, lively and believable characters, and engrossing storylines will attract readers of general fiction." Greenleaf Book Group "Frank has a firm grasp of the events, but what struck me most was the development of his fictional characters. Buy this book, you will surely be as enthralled as I was." Michael Noiro, BattlefieldPortraits.com "I loved the book. It isn't often that I get to say that. I'm glad that you didn't sugarcoat the ending or other parts of the novel. I think it's necessary to describe the toll of war on society. Yet the love story gives the novel a lighter tone." Jess Krout, The Evening Sun, Hanover, PA

Fighting Back is the story of a different kind of boxing superstar--a hero for winning his battles outside as well as inside the ring. When he outpointed Wladimir Klitschko, on one of the greatest nights in British boxing history, Tyson Fury sat on top of the world. But "The Gypsy King" soon discovered that being heavyweight champion wasn't all he had imagined. His own demons would prove harder to conquer than Klitschko. In the following months, Tyson drank and ate to excess, took drugs and contemplated suicide. He seemed destined for an early grave. But, with the help of his family, Fury dealt with his issues and launched a boxing comeback--after shedding an incredible 140 pounds! Fury eased back with a couple of straightforward wins. Then, in what appeared a foolhardy, if very brave, move, he challenged unbeaten KO specialist Deontay Wilder for the WBC heavyweight championship in Los Angeles. The humor-laden, heart-wrenching, inspirational story of a boxer who conquered the world, lost everything--and then got it back.

The story of Jackson C. Frank is tragic. The victim of a school fire in his youth, struggling with homelessness and mental illness throughout his life, half-blinded in old age before his death in 1999, Frank met continuous obstacles. And yet, he enjoyed a shining moment with the release of Jackson C. Frank on Columbia Records in 1965. The album would go on to be seen as one of the greatest folk albums of the decade - maybe of all time - and "Blues Run The Game," the song, has become a standard covered by hundreds. Jim Abbott's book is the result of research that took years, piecing together evidence, relations and apocryphal stories from Frank's life. It is also part memoir, as Abbott cared for Frank through the final decade of his life. Their friendship was fraught with difficulties, which Abbott portrays with the honesty of a journalist. In doing so, he draws a portrait of a uniquely gifted songwriter, blessed with talent and besotted by demons. At 250 pages, Jim's memoir shows a flawed and caring individual whose struggle was best depicted in his songs.

## The Tyson Fury Files

Let Me Be Frank is the new book from one of the world's sporting greats. In this deeply personal story, Bruno shares his battle with mental illness, his time inside a mental facility, the impact his illness has had on his family and his career--and his long road back to stability. Now ready to talk about the condition that devastated his world--Frank's story offers his own unique perspective on living with bipolar disorder. His fears, his triumphs and the great affection he feels for the legion of fans he has to this day. His aim is to give others hope and inspiration. "Depression comes from nowhere. From the shadows. How can you defend yourself from a punch you can't see?" --Frank Bruno

In an overpopulated world seeking living room in the jungles, the International Ecological Organization was systematically exterminating the voracious insects which made these areas uninhabitable. Using deadly foamal bombs and newly developed vibration weapons, men like Joao Martinho and his co-workers fought to clear the green hell of the Mato Grosso. But somehow those areas which had been completely cleared were becoming reinfested, despite the impenetrable vibration barriers. And tales came out of the jungles . . . of insects mutated to incredible sizes . . . of creatures who seemed to be men, but whose eyes gleamed with the chitinous sheen of insects. . . . A fascinating examination of the fragile balance between consciousness, man and insect from one of the best-loved science fiction creators of all time. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk.

Collects Punisher (2000) #1-12. Frank Castle, the one-man army known as the Punisher, is forever redefined in the latest volume of our series of graphic novels handpicked by Marvel Editorial to showcase pivotal storylines written and drawn by some of Marvel ' s most acclaimed creators! Garth Ennis and Steve Dillon made the Punisher a force to be reckoned with once again, delivering a wild ride of innovative chaos! But not everyone is happy about Frank ' s return. Two unlucky cops have him, while the ruthless mobster Ma Gnucci and her gang will stop at nothing to see him dead! The Punisher must also contend with a colorful crew of nosy neighbors and the arrival of three copycats — the Holy, Elite and Mr. Payback — who want him to join their crime-cleansing force. Welcome back, Frank!

The Chris Nilan Story

The Jaguar Smile

A Memoir of World War II

Offers advice on reestablishing a work ethic, building a winning team, sharpening communication skills, and developing quality

The concept of animal resistance is now reaching a wide audience across the social media landscape. *Animal Resistance in the Global Capitalist Era* offers an overview of how animals resist human orderings in the context of capitalism, domestication, and colonization. Exploring this understudied phenomenon, this book is attentive to both the standpoints of animal resisters and the ways they are represented in human society. Together, these lenses provide insight into how animals' resistance disrupts the dominant paradigm of human exceptionalism and the distancing strategies of enterprises that exploit animals for profit. Animals have been relegated to the margins by human spatial and ideological orderings, but they are also the subjects of their own struggle, located at the center of their liberation movement. Well-researched and accessible, with over fifty images that aid in understanding both the experiences of and responses to animals who resist, *Animal Resistance in the Global Capitalist Era* is an important contribution to scholarship on animals and society. The text will appeal to a broad audience interested in the relationships between humans and the other animals with whom we share this planet.

What are life's most important lessons? It's time to get booksmart! Frank Sonnenberg, one of America's "Top Thought Leaders" and influential small-business experts, reveals his best strategies for unleashing your full potential and achieving success and happiness in life. Where the Salmon Run

Welcome Back, Frank Marvel Select

Fighting the Odds

Whales begin sinking ships. Toxic, eyeless crabs poison Long Island's water supply. The North Sea shelf collapses, killing thousands in Europe. Around the world, countries are beginning to feel the effects of the ocean's revenge as the seas and their inhabitants begin a violent revolution against mankind. At stake is the survival of the Earth's fragile ecology—and ultimately, the survival of the human race itself. The apocalyptic catastrophes of The Day After Tomorrow meet the watery menace of The Abyss in this gripping, scientifically realistic, and utterly imaginative thriller.

THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

While fighting with his best friend and college roommate over a girl, Jake says something he regrets, then begins communicating only through notes and letters, but when he wants to tell the girl how he really feels about her, his silence and penchant for puns get in the way.

Interspersed is the gripping tale of the 1976 presidential campaign when Church, the "late, late candidate," upset frontrunner Jimmy Carter in several key primaries.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—*The New York Times Book Review* In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office

building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Billy Frank Jr. was an early participant in the fight for tribal fishing rights during the 1960s. Roughed up, belittled, and handcuffed on the riverbank, he emerged as one of the most influential Northwest Indians in modern history. His efforts helped bring about the 1974 ruling by Federal Judge George H. Boldt affirming Northwest tribal fishing rights and allocating half the harvestable catch to them. Today, he continues to support Indian country and people by working to protect salmon and restore the environment. Where the Salmon Run tells the life story of Billy Frank Jr., from his father's influential tales, through the difficult and contentious days of the Fish Wars, to today. Based on extensive interviews with Billy, his family, close advisors, as well as political allies and former foes, and the holdings of Washington State's cultural institutions, we learn about the man behind the legend, and the people who helped him along the way.

***At the age of eleven Frank Bruno was sent to reform school. At thirty-three he was crowned undisputed heavyweight champion of the world. At forty-one he was committed to Goodmayes Psychiatric Hospital. Now, for the first time, Frank Bruno tells his real story: how the tearaway kid became one of Britain's best-loved sports stars; how he was written off, but came back to win the world championship - at the fourth attempt; his descent into mental illness; and his painful journey back to health. This is a story that Frank has to tell - it is part biography, part therapy. He wants to show how mental illness can swat down the strongest man or woman. He wants people to know what he went through, and how, with the help of his family, he's now recovering. Frank Bruno is a man who has been right to the top and right to the very bottom. He is a great athlete and a national treasure. Everyone knows him. At least, everyone thinks they do. Because the story he reveals here will make you change your mind. Painfully honest, moving, at times shocking, this is the book no one should be without.***

***The devastating effects of work, adultery, rebellion, and selfdeception slowly destroy the once successful marriage of Frank and April Wheeler, a suburban American couple. Reprint. 12,500 first printing.***

"Tells the story of Anne Frank, the young Jewish girl who documented her life while hiding from the Nazis during World War II."--Provided by publisher.

The woke have taken over every major institution in this country—the schools and universities, corporate America, the media, and the government. It's time to fight back. *Actively Unwoke* will show you how. For the last several years, we've watched as woke political activists have staged destructive protests, destroyed businesses, hurled accusations of racism and white supremacy around as if those terms mean nothing, and publicly bullied and canceled anyone who disagrees with them. These authoritarians claim to represent social justice, but they are about one thing: power. Their goal is nothing short of cultural revolution. So what do we do about it? *Actively Unwoke* explains what's going on and decodes the language the woke are using so that you can understand what we're up against. To inspire you and explore actionable strategies you can take, Karlyn Borysenko looks at ways real people have fought back in the real world. This includes fighting back in the schools, knowing how to act when the woke come to work, taking a stand with your elected leaders, and even a few subversive strategies just for fun. This book also reveals how to survive cancelation (yes, it's possible) and how to take care of yourself as you join a ragtag group of misfits to do battle with the greatest existential threat of our time. If you ever wondered what you would have done during the Civil Rights movement or in 1930s Germany, the answer to that question lies in what you are doing now. This fight isn't about left or right, Democrat or Republican. It's not about liberal values or conservative values. It's about protecting American values. This book will give you everything you need to join the unwoke army. It's not

enough to just be unwoke anymore—it's time to be actively unwoke. Every child knows about Santa Claus, the jolly man who brings gifts to all on Christmas. There are many stories that tell of his life, but the delightful version relayed in *The Life and Adventures of Santa Claus* is by far the most charming and original of all. Only L. Frank Baum, the man who created the wonderful land of Oz, could have told Santa's tale in such rich and imaginative detail.

The intrepid Texas jungle adventurer Frank Buck spent his life capturing alive every kind of animal, and enthralled generations of readers with the stories of danger and daring collected here.

***In the raucous and action-packed follow-up to Donnybrook, mayhem is still the order of the day—only more so. Frank Bill's America has always been stark and violent. In his new novel, he takes things one step further: the dollar has failed; the grid is wiped out. Van Dorn is eighteen and running solo, dodging the bloodthirsty hordes and militias that have emerged since the country went haywire. His dead father's voice rings in his head as Van Dorn sets his sights not just on survival but also on an old-fashioned sense of justice. Meanwhile, a leader has risen among the gangs—and around him swirls the cast of brawlers from Donnybrook, with their own brutal sense of right and wrong, of loyalty and justice through strength. So, this is not the distant postapocalyptic future—this is tomorrow, in a world Bill has already introduced us to. Now he raises the stakes and turns his shotgun prose on our addiction to technology, the values and skills we've lost in the process, and what happens when the last systems of morality and society collapse. The Savage presents a bone-chilling vision of America where power is the only currency and nothing guarantees survival. And it presents Bill at his most ambitious, most eloquent, most powerful.***

***For those who loved Stephen E. Ambrose's Band of Brothers and E.B. Sledge's With the Old Breed. Drawing on toughness and skills forged in hardscrabble Depression-era North Carolina, Bronze Star recipient and expert B.A.R. rifleman Harold Frank invades Normandy, fights Germans, and endures a grueling stint in a German POW camp where he witnesses the fire-bombing of Dresden. From D-Day to Dresden with a Crack Shot B.A.R. Rifleman D-Day 1944: twenty-year-old PFC Harold Frank had moved as one with his battalion onto the shores of Utah Beach, pushing into France to cut off and blockade the pivotal Nazi-occupied deep-water port of Cherbourg. As a recognized crack shot with WW II's iconic American automatic rifle, Frank fought bravely across the bloody hedgerows of the Cotentin Peninsula. During the most intense fighting, Frank was ambushed and wounded in a deadly, nine-hour firefight with***

***Germans. Taken prisoner and with a bullet lodged under one arm, Frank found himself dumped first in a brutal Nazi POW concentration camp, then shipped to a grueling work camp on the outskirts of Dresden, Germany, where the young PFC was exposed to the vengeance of a crumbling Nazi regime, the menace of a rapidly advancing Russian military—and the danger of thousands of Allied bombers screaming overhead during the firebombing of Dresden. Historian Mark Hager builds on hundreds of hours of interviews with Harold Frank, sharing the intimate and heart-pounding account of Frank’s journey as a child of the Great Depression to the bloody shores of the D-Day invasion, into the bowels of Nazi Germany, and back to the U.S. where as a young man Harold would spend years resolutely dealing with the lingering effects of starvation rations while determinedly building a new life—a life always mindful of the legacy of his POW experience and his faithful service in America’s hard-fought war against Nazi aggression.***

***This book is about the historic relationship between two great revolutionary struggles: the struggle for Black Liberation and the struggle for socialism in the United States. Published by Freedom Road Socialist Organization - frso.org. In 2019, Frank published his first book, a memoir entitled *The Damned Don't Cry: Pages from the Life of a Black Prisoner and Organizer*.***

***Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare’s Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children’s school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being***

***disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.***

Chris Nilan, who grew up in the tough and gritty Irish enclave in Boston, was a feared enforcer for the Montreal Canadiens, the Boston Bruins, and the New York Rangers and a Stanley Cup champion never afraid to go into the corners or take off his gloves. He was a valued teammate whose very presence on the ice affected the way the game was played. As an enforcer and as a teammate, Nilan ranks among the greatest of all time; when the cheering stopped, however, Chris Nilan did not do well. The same qualities—his aggressiveness and high-emotion style—that proved so valuable on the ice did not serve him well when his career ended. Nilan turned to drugs and alcohol to dull his pain and nearly died from an overdose. His story is a fascinating and troubling expos é of the booze, bills, and drugs that destroy so many athletes after their careers are over. But it's also a story of triumph, as Nilan has been the victor in his fight against his demons.

Frank Blaichman was sixteen years old when the war broke out. In 1942, the killings began in Poland. With his family and friends decimated by the roundups, Blaichman decided that he would rather die fighting; he set off for the forest to find the underground bunkers of Jews who had already escaped. Together they formed a partisan force dedicated to fighting the Germans. This is a harrowing, utterly moving memoir of a young Polish Jew who chose not to go quietly and defied the mighty German war machine during World War II.

An Instant New York Times Bestseller and #1 Indie Bestseller! A William C. Morris YA Debut Award Finalist An Asian Pacific American Librarians Association Honor Book Two friends. One fake dating scheme. What could possibly go wrong? Frank Li has two names. There's Frank Li, his American name. Then there's Sung-Min Li, his Korean name. No one uses his Korean name, not even his parents. Frank barely speaks any Korean. He was born and raised in Southern California. Even so, his parents still expect him to end up with a nice Korean girl--which is a problem, since Frank is finally dating the girl of his dreams: Brit Means. Brit, who is funny and nerdy just like him. Brit, who makes him laugh like no one else. Brit . . . who is white. As Frank falls in love for the very first time, he's forced to confront the fact that while his parents sacrificed everything to raise him in the land of opportunity, their traditional expectations don't leave a lot of room for him to be a regular American teen. Desperate to be

with Brit without his parents finding out, Frank turns to family friend Joy Song, who is in a similar bind. Together, they come up with a plan to help each other and keep their parents off their backs. Frank thinks he's found the solution to all his problems, but when life throws him a curveball, he's left wondering whether he ever really knew anything about love—or himself—at all. In this moving debut novel—featuring striking blue stained edges and beautiful original endpaper art by the author—David Yoon takes on the question of who am I? with a result that is humorous, heartfelt, and ultimately unforgettable.

Heroes of Olympus: The Son of Neptune

Don't Fire Them, Fire Them Up
