answers to three basic questions of existence, which have remained as the unknown secrets of the universe that have been always wondered by the humanity. The discovery of

Download Free Fresh Fruits Ediz Illustrata

the right answers in these areas has been possible not only with the use of the mind/intellect which is incapable of reaching to the truth on its own but rather with the common guidance

of divine revelation and the mind. Nevertheless, the answers to the questions that were asked have been discovered solely with rational inferences and logical evidences. These

three questions are: “Where did this universe and those within it come from? Where will they go? And Why are they here, what is their mission? That is to ask “What are we doing here?”

**Nature, Epistle of
Resurrection, first eight
Words and some other
epistles are included in our

and concepts are explained in the footnotes and the explanatory texts are provided afterwards. In addition, occasionally, as the need arises, explanatory texts are included within

Download Free Fresh Fruits Ediz Illustrata

the text of the book in the form of an intermediary note. The first part of our book, which consists of two main sections is entitled as “Discovering the Value of the Treasure of Faith.” In

Download Free Fresh Fruits Ediz Illustrata

this section, the following is presented: the meaning and the importance of the faith and worship, which are proposed by the Religion to the man; how the hidden secret of the universe is

beauty of faith and how the
true value of man comes to
light with faith, and the
levels of Qur'an and
philosophy in terms of

**the Universe. Finally, we
are trying to look closely at
the great good news and
the remedy for death
brought by the religion
through prophets and we
are looking for the answer**

Download Free Fresh Fruits Ediz Illustrata

to this question: “What are the characteristics of true faith that will enable us to earn the eternal life?” We can regard this first part as the understanding of how great and precious a

Download Free Fresh Fruits Ediz Illustrata

treasure is. The second part of the book is entitled as " Proving the Existence of the Treasure of Faith with Evidences". In this section, six pillars of faith are proved with detailed

Download Free Fresh Fruits Ediz Illustrata

evidences. In other words, in the second section, the existence of the treasure sought to be achieved, whose value is understood/appreciated in the first section, is proved;

Download Free Fresh Fruits Ediz Illustrata

**its place is discovered, and
this great and magnificent
treasure is acquired.**

**Primarily understanding
that faith is such a great
blessing and a treasure with
a great value would**

determine the importance that we would give to that treasure and its evidences. Nevertheless, you will also observe that in the first part, a serious effort has also been made to search

Once you complete the
book, you will have
completed an important
reading that could be

questions related to the fact that "Qadar" does not give anybody any discomfort or strain, on the contrary it provides a perfect ease of mind and convenience and to the reconciliation of the ugliness of the troubles/evils that we see in the world with the fact

that "everything coming from Qadar is good" are answered with such a proficiency that has not been witnessed in the history of Islam. In this book, you will see the explanations in relation to the essence of Qadar and Free Will; how they could be reconciled, the

meaning of the belief in Qadar for human life, and the evidences of the existence of Qadar. Moreover, you will witness the harmonious friendship of a persuasive, crystal clear and fluent style with the logical inferences satisfying both mind and the heart. This work is

part of our source book "Journey of Discovery for an Extraordinary Treasure: Risale-i Nur Training Program", over which our "Journeys of Discovery Risale-i Nur Training Program" is based and it is "The Truth of Divine Determining and Free Will", which

sincerely: although we did not

astonished by the resultant texts and realized that we had never understood these issues this clear before. While controlling the texts, we had great joy and pleasure and we were reading the texts as if they were written by someone else. The writings were

Download Free Fresh Fruits Ediz Illustrata

*helping us, in an unexpected way,
in overcoming our greatest
distresses, giving us a strong
state of faith. Because, what we
were writing was talking about
eternal truths of faith and Quran
and they were having such
qualities which were having much*

more different than a work presented with the individual proficiency and capability of a person. Therefore, the beauty and the excellence of these truths must have been reflected in our word as well. For sure, we were pursuing an immensely difficult

Download Free Fresh Fruits Ediz Illustrata

and tedious effort; sometimes it was taking 3-5 hour to complete 1-2 pages of explanatory notes. We were spending an equal amount of time for footnotes and the glossary of concepts. But, the feeling of joy, happiness and spiritual satisfaction were

Download Free Fresh Fruits Ediz Illustrata

exceedingly worth this effort. At this stage, we realized and felt the reason behind Bediüzzaman's saying: "I am also a student of Risale-i Nur. I am your classmate in learning the Teachings of Quran, I am also in need of Risale-i Nur." And we understood that he

Download Free Fresh Fruits Ediz Illustrata

was not trying to be humble while saying this. Although we had an humble purpose of “conducting to a higher level of our comprehension than the reader could get on his or her own, we achieved better results than our expectations. All praise is due to

Download Free Fresh Fruits Ediz Illustrata

Allah, so we praise him. In deed our share is only that of praising. Now if you look at our personality, you may not see much value. This is normal, because neither could we see any. What we see is just this: our weakness in our distressed search, our needs, our

Download Free Fresh Fruits Ediz Illustrata

sincere wishes and our actual prayers (prayers supported with actions). As a requirement of being a human, we wanted to share what we had found and felt, with those who had the same needs and who were in the same search. This is what we mean

Download Free Fresh Fruits Ediz Illustrata

when we say that we are not like a teacher who makes you sit before her and starts teaching you. Maybe rather we are like a guest who himself is entreated a dining table as he is as hungry and needy as everybody, and he is sincerely inviting you to this

BOOK PRESENTATION: “The Solution
for Death” Visual/Interactive Book Risale-
i Nur (Treatise of Light) Training Program
We are inviting you for an utterly different

Download Free Fresh Fruits Ediz Illustrata

experience, an interactive book full of incredible discoveries, where you will come to an impressive visual journey. **READING THE BOOK OF UNIVERSE AND RISALE-I NUR HAS NEVER BEEN SO PLEASANT.** In total, there are 116 visuals and 10 videos utilized (rate of visuality is 50%) in this enormous study,

Download Free Fresh Fruits Ediz Illustrata

where interactive visuals are also used. It is a first attempt in its area worldwide. This book, which is an explanatory work based on 2nd Matter of Risale-i Nur's Treatise of Fruit and Second Station of 13th Word of Risale-i Nur is written to look at death and life in the light of a different perspective. When you complete

Download Free Fresh Fruits Ediz Illustrata

the book, you will witness that the cure of the death, greatest matter for a man, has been found, and that the method for finding an immortal life and an everlasting happiness have been shown. Firstly we are trying to look closely at the fact that the cure given by the Religion for death is a tremendous harbinger brought by the

Download Free Fresh Fruits Ediz Illustrata

Religion by the hands of Prophets. Later, a very important truth is explained with a striking example describing the proposals of the two different groups in the face of death, one inviting us to the eternal life while the other inviting us to the ephemeral world. And later, with an impressive style, it is determined that the

Download Free Fresh Fruits Ediz Illustrata

great importance, for the human being, of the cure/remedy for escaping from the execution of the death and the true meaning of everything could only be found with the recognition, by everybody, that he/she is like a convict waiting for his or her turn for hanging. At the next stop:
The reasons of the profound difference

Download Free Fresh Fruits Ediz Illustrata

between a Muslim and a non-believer or somebody believing in other monotheistic religions and the effects of this difference on social life are evaluated. In addition, it is stated that everything that has been existing in the name of humanitarian values and civilization, was first introduced by the prophets and with the

Download Free Fresh Fruits Ediz Illustrata

support given for/adaptation of these invaluable moral treasures by others, these values have become universal. And later, the question "how could a non-believer, with such a disbelief, enjoy the life and continue living?" are replied with stunning answers. Moreover, the situation of those people, who, on appearance, seem to

Download Free Fresh Fruits Ediz Illustrata

believe despite being not interested in the high truths declared and the responsibility of worship brought by the religion, is put under investigation. And ultimately, "Saving One's faith", an important concept that is not adequately known in this country, whose population is 99% Muslim, is dealt with. It is determined

Download Free Fresh Fruits Ediz Illustrata

that, the expression that "At least I am a believer and even if I am sent to hell, I'll get out of there and go to Heaven", unfortunately does not reflect the reality of the situation we are in and that believing does not necessarily mean that that faith will come to grave together with you and an answer to the following question is

Download Free Fresh Fruits Ediz Illustrata

looked for: "We wonder what are the characteristics of a faith that will give us happiness in the eternal life with 99% certainty?" We would like you to accompany us in this imaginary and mental journey of discovery. There is only one fixed price for a ticket of the Journey: A strong sense of wonder in the search for

truth. This work is a part of our basic/source book called “A Journey of Discovery for an Extraordinary Treasure: Risale-i Nur (The Treatise of Light) Training Program” upon which our “Journeys of Discovery, Risale-i Nur Training Program” is constructed and it is “The Solution for Death”, which is the

fourth discovery of the five discovery, dealt with in the first main part of that book, which is called “Discovering the Value of the Treasure of Faith”. We strongly suggest and present this book to those who regularly read Risale-i Nur as well as to those who want to get some information for the first time. The

epilogue of our book which is entitled “Your Journey Just Begins Now!” is also included in this work as it contains emotional, striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale-i Nur and attendance to the Risale-i Nur Lectures. WHY A

Download Free Fresh Fruits Ediz Illustrata

VISUAL/INTERACTIVE BOOK Reading and watching the written truths in a verbal and visual format (with additional explanations not provided in our book) enables you to better understand and feel them. In this way, you are following the most fruitful method in understanding the knowledge of faith, which cannot be

Download Free Fresh Fruits Ediz Illustrata

understood just with intellect but rather are “felt truths”, and in opening the door for new perspectives for them. We keenly believe that with this method of reinforcement (Allah willing) highest level of benefit will be realized in terms of understanding Risale-i Nur and the universe. When you open Pdf document

on your computer with Adobe Reader you can read it better by choosing “two pages” option and zooming in. Since full-screen mode of the “Microsoft Word” changes the places of the visuals, you should read it in page format by zooming in. We would rather prefer if you would download it in Pdf format and read it with

Download Free Fresh Fruits Ediz Illustrata

Adobe Acrobat due to both its small size and readability it in this way. It is possible to click links and open the word and Pdf files and videos within this interactive book in your computers and cell phones. (In your cell phone use Wps Office for Word and Adobe Acrobat Reader for Pdf files. Wps Office is a useful program

which opens the footnotes when clicked upon but it can't open the links in this way. For this reason, we suggest that you use Adobe Acrobat Reader in order to benefit from the interactive features of the book.) Starting a new business requires a wide

range of activities and skills: you will need to analyze the market and competition, define your target market, formulate your value proposition, and make appropriate choices about production, promotion and distribution. In addition-even if you are not an accounting expert-you must also understand the consequences of all your

choices on your company's financial results, as well as be able to estimate the financial value of your project. This book provides a framework within which to frame start-up activities, providing a number of strategic and operational tools for setting up an entrepreneurial project, whether it is a new venture or a new

initiative within an existing enterprise. For years I've taught business planning in universities and mentored entrepreneurial groups in incubators and innovation centres, and this book is the fruit of that experience. Compared to many other texts on business start-ups, this book aims to combine methodological rigor with a very

archipelago, which lies in
the west of the Indian

comprises 115 granitic and
coral islands fringed by
white sandy beaches lapped

by crystal-clear waters,
making it a tropical
paradise with breathtaking
anchorage. Its islands are
also famed for their vast
and unique variety of
endemic flora and fauna,

including numerous rare protected species. The guide's introductory section provides useful general information on the islands, and also covers entry and cruising

formalities, yacht facilities, climate and weather. Its cruising itineraries have been divided into two groups: Inner Islands and Outer Islands. Each is clearly

Download Free Fresh Fruits Ediz Illustrata

presented and provides comprehensive pilotage notes on navigation, approaches, anchorages and harbours, plus weather notes on each location and site. This pilot guide is

designed for cruising yachtsmen but is ideal for anyone wishing to discover the archipelago, which boasts two UNESCO World Heritage sites. The Seychelles also attracts

fishing enthusiasts and
scuba-divers, who flock

PRESENTATION: In order to
feel the existence of
eternal life in a
different way, that has
never been possible
before... In order to

Download Free Fresh Fruits Ediz Illustrata

understand, enjoy and read
with spiritual pleasure
the Tenth Word of Risale-i
Nur, which proves the
existence of Hereafter
with certainty, at such a
high level that you have

Download Free Fresh Fruits Ediz Illustrata

never reached before... What would you do, if you know, of a certainty, that eternal life exists? How would your perspective on life change if you know that you will live

Download Free Fresh Fruits Ediz Illustrata

forever? Then what would change in your life if you know that your happiness in this eternal life will depend on your behaviors in this temporary life at such a certainty as you

Download Free Fresh Fruits Ediz Illustrata

are sure of the coming of
night after day and of
spring after winter or as
you know two plus two
equals four? Would not you
get excited if we told you
that you can get such

Download Free Fresh Fruits Ediz Illustrata

invaluable information
just by reading this book
that you are holding in
your hand? Tenth World
that you are about to read
is such an excellent book
of a lifetime, promising

Download Free Fresh Fruits Ediz Illustrata

you this and much more. In other words, it is such a lively book that it can be read repeatedly without getting bored and the passion to read it never subsides. Even Avicenna

Download Free Fresh Fruits Ediz Illustrata

(Ibn-i Sina) who is
considered as one of the
greatest geniuses admitted
his
helplessness/incompetence
in understanding the
resurrection by once

Download Free Fresh Fruits Ediz Illustrata

stating that “The
Intellect cannot find a
way to it”. And now, we
are curiously stepping
into the Treatise of
Resurrection, which
explains/declares the

Download Free Fresh Fruits Ediz Illustrata

truths of the issue of resurrection, which even this noted scholar, cannot catch up with his genius, to everybody, even to the kids, and which gives us the key opening the gate

Download Free Fresh Fruits Ediz Illustrata

of the second one of the two biggest amulets of the cosmos. In this book, which is an explanatory work based on 10th Word of Risale-i Nur Collection, the resurrection after the

Download Free Fresh Fruits Ediz Illustrata

Doomsday is proved so certainly that the Author of Risale-i Nur tells the following on this subject: "If you want to be as certain about the occurrence of the

Download Free Fresh Fruits Ediz Illustrata

resurrection of the dead
as you are about the
arrival of next spring,
study the Tenth and Twenty-
Ninth Words carefully,
which are about this, and
you will see! If you do

Download Free Fresh Fruits Ediz Illustrata

not then believe that it will occur as you believe the coming of spring, come and stick your finger in my eye!" Once you finish reading this book, you will witness that it is

Download Free Fresh Fruits Ediz Illustrata

proved with logical
evidence and in a
brilliant way that the
coming of the eternal life
is as certain as the
existence of this world
and there is no

Download Free Fresh Fruits Ediz Illustrata

possibility of not the
realization of the
resurrection after death.
This work is a part of our
basic/source book called
"A Journey of Discovery
for an Extraordinary

Download Free Fresh Fruits Ediz Illustrata

Treasure: Risale-i Nur
(The Treatise of Light)
Explanatory Notes” upon
which our “Journeys of
Discovery, Risale-i Nur
Training Program” is
constructed and it is the

Download Free Fresh Fruits Ediz Illustrata

proof of the Existence of
Resurrection and the
Eternal Life, which is the
Fifth Truth of the Six
Truths, dealt with in the
second main part of that
book, which is called

Download Free Fresh Fruits Ediz Illustrata

“Proving the Existence of the Treasure of Faith with Evidence”. We have to state and admit about this Book, that is, Explanatory Text for Tenth Word, the following sincerely:

Download Free Fresh Fruits Ediz Illustrata

although we did not have any idea about what to write before explanatory notes came into the being, (every time without any exception), we were astonished by the

Download Free Fresh Fruits Ediz Illustrata

resultant texts and realized that we had never understood these issues that clear before. While controlling the texts, we had great joy and pleasure and we were reading them

Download Free Fresh Fruits Ediz Illustrata

as if they were written by someone else. The writings were helping us, in an unexpected way, in overcoming our greatest distresses, giving us a strong state of faith.

Download Free Fresh Fruits Ediz Illustrata

Because what we were
writing was talking about
eternal truths of faith
and Quran and they were
having such qualities
which were having much
more different than a work

Download Free Fresh Fruits Ediz Illustrata

presented with the individual proficiency and capability of a person. Therefore, the beauty and the excellence of these truths must have been reflected in our word as

Download Free Fresh Fruits Ediz Illustrata

well. For sure, we were pursuing an immensely difficult and tedious effort; sometimes it was taking 3-5 hours to complete 1-2 pages of explanatory notes. We were

Download Free Fresh Fruits Ediz Illustrata

spending an equal amount of time for footnotes and the glossary of concepts. But, the feeling of joy, happiness and spiritual satisfaction were exceedingly worth this

Download Free Fresh Fruits Ediz Illustrata

effort. At this stage, we realized and felt the reason behind

Bediüzzaman's saying: "I am also a student of Risale-i Nur. I am your classmate in learning the

Download Free Fresh Fruits Ediz Illustrata

Teachings of Quran; I am also in need of Risale-i Nur." And we understood that he was not trying to be humble while saying this. As a requirement of being human, we wanted to

Download Free Fresh Fruits Ediz Illustrata

share what we had found
and felt, with those who
had the same needs and who
were in the same search.
This is what we mean when
we say that we are not
like a teacher who makes

Download Free Fresh Fruits Ediz Illustrata

you sit before her and
starts teaching you. Maybe
rather we are like a guest
who himself is entreated a
dining table as he is as
hungry and needy as
everybody, and he is

Download Free Fresh Fruits Ediz Illustrata

sincerely inviting you to
this dining table. Or
maybe we are like a
curious kid, who has found
the key to a magnificent
and inexhaustible
treasure, and who wants to

Download Free Fresh Fruits Ediz Illustrata

inform others of its
existence and share it
with them. We have made a
great effort in order to
prepare this work which we
share with great
enthusiasm. But we admit

Download Free Fresh Fruits Ediz Illustrata

that this work has been the result of Allah's special treatment, which is way beyond our personal capabilities and power. We believe wholeheartedly that every believer and

Download Free Fresh Fruits Ediz Illustrata

everyone who has set his heart on Risale-i Nur, and in fact everybody will read this book enthusiastically and with a compassion which is stronger than the need for

Download Free Fresh Fruits Ediz Illustrata

water of a person who has been dehydrated for a while. The epilogue of our book which is entitled "Your Journey Just Begins Now!" is also included in this work as it contains

Download Free Fresh Fruits Ediz Illustrata

emotional, striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale-i Nur and attendance to the Risale-i Nur Lectures.

Risale-i Nur, the issue of "how to
differentiate between the Divine
Determining and free will" is
addressed; and the evidences as

are dealt with. In addition, the questions related to the fact that "Qadar" does not give anybody any discomfort or strain, on the contrary it provides a perfect ease of mind and convenience and to the reconciliation of the

Download Free Fresh Fruits Ediz Illustrata

ugliness of the troubles/evils that we see in the world with the fact that "everything coming from Qadar is good" are answered with such a proficiency that has not been witnessed in the history of Islam. In this book, you will see

“truths” in that Book’s the second part called “Proving the Treasury of Faith with Evidences” We strongly suggest and present this book to those who regularly read Risale-i Nur as well as to those who want to get some information

for the first time. The epilogue of our book which is entitled "Your Journey Just Begins Now!" is also included in this work as it contains emotional, striking and impressive points coming sincerely from the deepest parts

Download Free Fresh Fruits Ediz Illustrata

of our hearts about the reading of Risale-i Nur and attendance to the Risale-i Nur Lectures. We have to state and admit the following sincerely: although we did not have any idea about what to write before explanatory notes

Download Free Fresh Fruits Ediz Illustrata

came into the being, (every time without any exception) , we were astonished by the resultant texts and realized that we had never understood these issues this clear before. While controlling the texts, we had great joy and

Download Free Fresh Fruits Ediz Illustrata

pleasure and we were reading the texts as if they were written by someone else. The writings were helping us, in an unexpected way, in overcoming our greatest distresses, giving us a strong state of faith. Because,

Download Free Fresh Fruits Ediz Illustrata

what we were writing was talking about eternal truths of faith and Quran and they were having such qualities which were having much more different than a work presented with the individual proficiency and capability of a

Download Free Fresh Fruits Ediz Illustrata

person. Therefore, the beauty and the excellence of these truths must have been reflected in our word as well. For sure, we were pursuing an immensely difficult and tedious effort; sometimes it was taking 3-5 hour to complete

Download Free Fresh Fruits Ediz Illustrata

*1-2 pages of explanatory notes.
We were spending an equal
amount of time for footnotes and
the glossary of concepts. But, the
feeling of joy, happiness and
spiritual satisfaction were
exceedingly worth this effort. At*

Download Free Fresh Fruits Ediz Illustrata

*this stage, we realized and felt
the reason behind
Bediüzzaman's saying: "I am also
a student of Risale-i Nur. I am
your classmate in learning the
Teachings of Quran, I am also in
need of Risale-i Nur." And we*

Download Free Fresh Fruits Ediz Illustrata

understood that he was not trying to be humble while saying this. Although we had an humble purpose of “conducting to a higher level of our comprehension than the reader could get on his or her own, we achieved better results

Download Free Fresh Fruits Ediz Illustrata

than our expectations. All praise is due to Allah, so we praise him. In deed our share is only that of praising. Now if you look at our personality, you may not see much value. This is normal, because neither could we see

Download Free Fresh Fruits Ediz Illustrata

any. What we see is just this: our weakness in our distressed search, our needs, our sincere wishes and our actual prayers (prayers supported with actions). As a requirement of being a human, we wanted to share what

Download Free Fresh Fruits Ediz Illustrata

we had found and felt, with those who had the same needs and who were in the same search. This is what we mean when we say that we are not like a teacher who makes you sit before her and starts teaching you. Maybe

Download Free Fresh Fruits Ediz Illustrata

rather we are like a guest who himself is entreated a dining table as he is as hungry and needy as everybody, and he is sincerely inviting you to this dining table. Or maybe we are like a curious kid, who has found the key of a
