An original new series, with heart-pounding suspense and surprising twists. Meet Louie Thorne. They didn't kill her--and they'll soon regret it. When DEA agent Jack Thorne's house is stormed by vengeful drug lords, both he and his wife are shot dead. Only his daughter Louie survives--by using a terrifying power that defies reason. Piecing together a life in his absence, Louie embraces her gift and her rage under the force of a single need: revenge. She will destroy the men that took her family. No matter the cost, no matter how many bullets, she will stop until justice has been well and truly served. Praise for Shadows in the Water ????? "An amazing book with a unique premise!" ????? "Dark and suspenseful, Shadows in the Water sends tingles down your spine!" ????? "The main character is a serial killer, but it's cool. She only kills the bad guys." ????? "This book is well done. It grabs you and doesn't want to let go no matter how tired you are and need to sleep." ???? "Something really different in the supernatural/power type of story. I thoroughly enjoyed this book with plenty of suspense, well-drawn characters, and a really unusual premise." ????? "Such a great book! I can't wait to read the next one!" ????? "Taut, well written, and absorbing!" ????? "One of the best supernatural thrillers." ????? "I really liked this book." ????? "From the moment Lou disappears in the bath, I was hooked!" Don't miss any of Kory M. Shrum's gripping Louie Thorne thrillers: SHADOWS IN THE WATER \* UNDER THE BONES \* DANSE MACABRE \* CARNIVAL \* DEVIL'S LUCK

#1 New York Times bestselling author Charlaïne Harris returns with ‘a gripping, twisty-turny, thrill ride of a read (Karin Slaughter) in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job. She is tasked with transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straightforward job turns into a massacre as the crate is stolen. Up against a wall in Dixie, where social norms have stepped back into the last century, Lizbeth has to go undercover with an old friend to retrieve the crate as what's inside can spark a rebellion, if she can get it back in time. “Another winning series from a sure-bet author” (Booklist) Charlaïne Harris (Sookie Stackhouse mysteries and Midnight, Texas trilogy) is at her best here building the world of this alternate history of the United States, where magic is an acknowledged but despised power.

Rogan's dedicated his life to protecting the Seven Planes. So when an ancient evil rises, he doesn't hesitate to volunteer his team. But immediately, things start to go wrong. Their intel is leaked to a gang hunting creatures of the Myth. Emma, the woman they grab is the wrong twin and worse, she's protected by the gods. Drawn into an intricate game where one wrong move means the annihilation of the Seven Planes, Rogan can't afford to be distracted by the soft lips of his captive. Especially since Emma's very existence is a crime. But when her life is required for the success of the mission, Rogan finds that he'll chance everything to save her. Within a few hours, Emma's safe, little life crashes down around her. Driven off a bridge and drowned in a world of nightmares, Emma instinctively clings to the man that saves her. But when she wakes chained to a bed and interrogated over facts she doesn't know, she realizes that her sexy savior might not have her best interests at heart after all. Forced to stay by his side, Emma is dragged into a terrifying reality where her twin sister stars as a mass murderer and Emma herself is wanted for being a descendant - a forbidden child of the gods. With so much at stake, does she dare trust the the man sent to imprison her?

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They’re told by people who have answered an ad for a writer’s retreat and unwittingly joined a “Survivor”-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you’ll ever read, one that could only come from the mind of Chuck Palahniuk.

5th and Final Installment by USA Today Bestselling author. Love is infinite. Hate is absolute. Book 1: Eternally Bound Over the centuries, anything Ronan once found pleasure in has been replaced by blood and death. Every morning, he wonders if that will be the day he succumbs to the savage side of his vampire nature. As a born hunter, Kadence has never stepped beyond the walls of her home. She's not happy with her life, but she accepted it long ago... just as she's accepted her impending marriage to a man the elders chose for her. However, when a vampire murders her father, Kadence is determined to escape the walls that have kept her caged.
Book 2: Bound by Vengeance After her ex-boyfriend's betrayal, revenge propels Vicky to find and destroy the man who sold her into captivity. The minute she gets the chance to search for Duke alone, she seizes the opportunity. When her hunt leads her to cross paths with Nathan, she finds herself secretly aligning with the one man she's vowed to avoid.
Book 3: Bound by Darkness Determined to rescue Simone from the vampires who took her, Killean must become the thing he's spent his life fighting—a Savage. As he sinks further into a world filled with death, Killean struggles against his growing bloodlust as he vows to do whatever it takes to save Simone from becoming a monster like him. However, even if Killean can save her from the vampires hunting them, can she save him from the darkness devouring his soul?

A TIME 100 Must-Read Book of 2021 A New York Times Best Science Fiction and Fantasy Book of 2021 The Stonewall Book Award winner of 2022 Named a Best Book of 2021 by NPR, The New York Public Library, Publishers Weekly and more! A triumphant, genre-bending breakout novel from one of the boldest new voices in contemporary fiction. Vern—seven months pregnant and desperate to escape the strict religious compound where she was raised—flees for the shelter of the woods. There, she gives birth to twins, and plans to raise them far from the influence of the outside world. But even in the forest, Vern is a hunted woman. Forced to fight back against the community that refuses to let her go, she unleashes incredible brutality far beyond what a person should be capable of, her body wracked by inexplicable and uncanny changes. To understand her metamorphosis and to protect her small family, Vern has to face the past, and more troublingly, the future—outside the woods. Finding the truth will mean uncovering the secrets of the compound she fled but also the violent history in America that produced it. Rivers Solomon’s Sorrowland is a genre-bending work of Gothic fiction. Here, monsters aren't just individuals, but entire nations. It is a searing, seminal book that marks the arrival of a bold, unignorable voice in American fiction.

A USA Today Bestseller. THE URBAN FANTASY SERIES THAT HAS CAPTIVATED READERS FOR MORE THAN A DECADE. A young woman is thrust into a new life after receiving the gift of immortality. Or was it a curse? Zoë Merrick led an unremarkable life until the night she was brutally attacked. She narrowly escapes death, rescued by Adam, an ex-soldier who offers her friendship and shelter. But something isn't right. A powerful energy is now coursing through her body—one she's unable to control. Justus De Gradi is handsome, arrogant, and not entirely human. After a chance meeting with a young woman who is dumbfounded by her Mage gifts, he offers himself as her mentor. Their world is treacherous, and if she doesn't master her power, others will. Torn between two choices, Zoe can either hide in the human world or embrace her new gifts and live as a Mage. Justus has sworn an oath to guard her life, but can he protect her from the one man who has a right to claim it? Zoë learns the price of freedom...and the value of loyalty. Albert Einstein said: We are using only 10% of our mental potential. Dianetics tells you how you can free a significantly larger part of your potential. Self confidence, harmonic relationships and a positive attitude towards life can absolutely be achieved. It makes Positive Thinking a reality. You can achieve your goals with more certainty if you are able to find the cause of upsets, unwanted reactions or emotions. The human mind is not a mysterious puzzle - impossible to resolve. Read and work with Dianetics, see how it works for you and make up your own mind. The book gives a clear description of what is happening in the mind and explains a practical method, enabling you to explore your own subconscious, and rid yourself of what holds you down, resulting in increased IQ and well-being. Watching the DVD called 'How to Use Dianetics' along with the book is recommended to have a visual illustration of the concepts and the practical application.

The Raven Academy could save my life... if it doesn't kill me first. Waitressing might pay my bills, but it's my cage fighting at night that really cranks my gears. Until some weird hidden power helped me win a fight. Now everyone is too scared to step in the ring with me. And my life is going from weird to worse. The same night a werewolf tried to tear out my throat, a guy shows up telling me magic exists AND goes on to prove it. And, oh yeah, my life is in danger now that my abilities have started to show. Apparently the answer is for me to follow this hottie professor to some Raven Academy and learn magic. School was never my jam, but at least this one comes with a hot demon who's helping me train and a sexy fellow student who seems to be interested in more than just study hall. Throw in Professor Sexy Pants tutoring me privately to improve my magic, and it's every girl's dream. Until I find out I'm part of some save-the-world prophecy, and the fate of all supernatural creatures rests on my shoulders. Great. If my sexy consorts and I can't pummel my magic into shape soon, we're all doomed... Magic Misfit is the first book in the Raven Academy series, a reverse harem romance with a university-age heroine having all the fun. Get this book if you like kick-ass heroines, steamy heroes, and smexy scenes so hot they'll steam up your e-reader... All characters are 18+.

MAGIC IS A DRUG. CAREFUL HOW YOU USE IT. The Magical Enforcement Agency keeps dirty magic off the streets, but there's a new blend out there that's as deadly as it is elusive. When patrol cop Kate Prospero shoots the lead snitch in this crucial case, she's brought in to explain herself. But the more she learns about the investigation, the more she realizes she must secure a spot on the MEA task force. Especially when she discovers that their lead suspect is the man she walked away from ten years earlier - on the same day she swore she'd given up dirty magic for good. Kate Prospero's about to learn the hard way that crossing a wizard will always get you burned, and that when it comes to magic, you should never say never.

A NEW YORK TIMES BESTSELLER • "A memoir in essays about so many things—growing up in an abusive cult, coming of age as a lesbian in the military, forced out by homophobia, living on the margins as a working class woman and what it's like to grow into the person you are meant to be. Hough's writing will break your heart." —Roxane Gay, author of Bad Feminist Searing and extremely personal essays, shot through with the darkest elements America can manifest, while discovering light and humor in unexpected corners. As an adult, Lauren Hough has had many identities: an airman in the U.S. Air Force, a cable guy, a bouncer at a gay club. As a child, however, she had none. Growing up as a member of the infamous cult The Children of God, Hough had her own self robbed from her. The cult took her all over the globe—to Germany, Japan, Texas, Chile—but it wasn't until she finally left for good that Lauren understood she could have a life beyond "The Family." Along the way, she's loaded up her car and started over, trading one life for the next. She's taken pilgrimages to the sights of her youth, been kept in solitary confinement, dated a lot of women, dabbled in drugs, and eventually found herself as what she always wanted to be: a writer. Here, as she sweeps through the underbelly of America—relying on friends, family, and strangers alike—she begins to excavate a new identity even as her past continues to trail her and color her world, relationships, and perceptions of self. At once razor-sharp, profoundly brave, and often very, very funny, the essays in Leaving Isn't the Hardest Thing interrogate our notions of ecstasy, queerness, and what it means to live freely. Each piece is a reckoning: of survival, identity, and how to reclaim one's past when carving out a future. A VINTAGE ORIGINAL

Introduction to Mineralogy and Petrology, second edition, presents the essentials of both disciplines through an approach accessible to industry professionals, academic researchers, and students alike. This new edition emphasizes the relationship between rocks and minerals, right from the structures created during rock formation through the economics of mineral deposits. While petrology is classified on the lines of geological evolution and rock formation, mineralogy speaks to the physical and chemical properties, uses, and global occurrences for each mineral, emphasizing the need for the growth of human development. The primary goal is for the reader to identify minerals in all respects, including host-rocks, and mineral deposits, with additional knowledge of mineral-exploration, resource, extraction, process, and ultimate use. To help provide a comprehensive analysis across ethical and socio-economic dimensions, a separate chapter describes the hazards associated with minerals, rocks, and mineral industries, and the consequences to humanity along with remedies and case studies. New to the second edition: includes coverage of minerals and petrology in extra-terrestrial environments as well as case studies on the hazards of the mining industry. Addresses the full scope of core concepts of mineralogy and petrology, including crystal structure, formation and grouping of minerals and soils, definition, origin, structure and classification of igneous, sedimentary and metamorphic rocks Features more than 250 figures, illustrations and color photographs to vividly explore the fundamental principles of mineralogy and petrology Offers a holistic approach to both subjects, beginning with the formation of geologic structures that is followed by the hosting of mineral deposits and the exploration and extraction of lucrative, usable products that improve the health of global economies Includes new content on minerals and petrology in extraterrestrial environments and case studies on hazards in the mining industry

Raven Black risks it all for loyalty and love in this stunning continuation in the USA Today bestselling Crossbreed series. Raven returns to her childhood home to rebuild her severed relationship with her father. After a long year of capturing violent criminals and thwarting assassination plots, she could use a vacation. But trouble is brewing on the home front. When Raven discovers her father is in financial peril, she's determined to set things right even if it means sacrificing her heart in the process. Meanwhile, her relationship with Christian is on shaky ground when a skeleton falls out of his closet. Will they be able to leave the past behind, or is the trust between them dead and buried? When the bonds of love are put to the test, only the courageous will prevail. "ALL MEN ARE CAPABLE OF REDEMPTION; FEW MEN SEEK IT." Book 2 in the Black Arrowhead series will leave you on the edge of your seat. Hope is a young woman on the brink of a successful career as a jeweler. The last thing she needs right now is trouble, but trouble finds her when she 's caught trespassing on private property. Bad luck is following her like a menacing cloud, and the only way to survive the storm is to walk through it. Tak is a fish out of water in the city, but settling unfinished business with an old friend means leaving tribal land and traveling to Austin. Things heat up after a chance meeting with a captivating woman who commands his attention. Hope is intelligent, unpredictable, and knee-deep in trouble. Instead of burying the hatchet with his old friend, Tak risks everything to protect a woman he barely knows. Two Shifters are on a collision course with destiny, but will the sins of their past prevent them from having a future? Love takes courage. + Cliffhanger-free + HEA Keywords: Shifters, wolves, werewolves, shapeshifters, magic, paranormal romance, urban fantasy, action, thriller, mages, supernatural wolf, alpha, vampires, mystery, brotherhood, native american, interracial, suspense, series, friends to lovers, ghosts, bounty hunter, tracker, villains, sleuth, romantic comedy, humor, steamy, hunters, chemistry, sweethearts, prisoner, feisty woman, southern, oklahoma, texas, fantasy, new adult, pack, danger, multicultural, friendship keywords:

This insightful book explores the relationship between theater and digital culture. The authors show that the marriage of traditional performance with new technologies leads to an upheaval of the implicit " live " quality of theatre by introducing media interfaces and Internet protocols, all the while blurring the barriers between theater-makers and their audience.

From the bestselling author of the acclaimed Chaos and Genius comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa ' s talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live.
