Genuine Japanese Origami, Book 2: 34 Mathematical Models Based Upon (the Square Root Of) 2 (Dover Origami Papercraft)

These beautiful Japanese papers will inspire you to create dozens of origami masterpieces. With instructions included for folding a crane and a masu box (a square box for measuring rice), you'll be hooked on this popular hobby in no time. In addition to 250 sheets of colorful papers in 16 traditional patterns, there are black-and-white patterned papers to color and fold. Book includes: - More than 250 sheets of beautiful origami paper in 16 traditional Japanese patterns - Basic folding instructions, hints, and illustrated instructions for folding a crane and a masu box

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

Jenny was left by her parents at a stanger's door. She goes from home to home hoping to find the home that will keep her and love her . But every home gets ripped from her fingers . The only stable thing in her unstable life is the social worker at the State Child Protection Office, Mary . Maybe with Mary, Jenny will find her way through the maze of life.

This unique book by an origami master uses geometric and mathematical principles as well as rectangular paper to create a wide range of insects, plants, trees, animals, and fantastic creatures. Original models include hummingbirds, dragonflies, peacocks, rabbits, toads, fish, maple leaves, the golden beetle, a praying mantis, a tortoise, and more.

My Soul Immortal

This endearing tale is a unique work of historical fiction for cat lovers. It follows the life of a Japanese farm boy named Isao, who befriends a remarkable cat. Together, they experience Japan's transformative Meiji period. The journey begins in the peaceful farmlands at the foot of Mount Fuji, and then takes the reader through upheavals of war and cultural revolution. Isao comes to know great adventure, great love and great loss. Like Japan, he is transformed, his life taking a new turn with each of the nine incarnations of his dear companion.

(Color Version) Crow, the King of Sumo tells the story of Koji, a young boy who befriends one of the cooks on a U.S. Navy ship. As the unlikely pair connects, they become great friends, and Crow goes on to challenge the sumo champion of Japan. Along the way, they learn a lot from each other. Set in Japan during the Edo period of Japanese history, the tale has a fun and heartwarming connection to the modern world.

Clearly, the "normal" way of life is the opposite of genuine sustainability, and it has an expiration date. Any way of life that is fully in balance with the family of life must be genuinely sustainable, a healthy path with a future. At present, too few really comprehend this concept. It would be wise to learn, and Sustainable or Bust is a useful tool for the job.Seven-point-something billion people can't switch to sustainable living this afternoon, because it's temporarily impossible. But the collapse of industrial civilization is now in its early stages, and when it's done, the human sphere will be much smaller, slower, and simpler. Decades down the road, many new options will become possible, including genuine sustainability. We could help our descendants find a more direct path to health and balance by learning about sustainability now, and sharing this wisdom with the young ones. There's never been a better time to hit the books and feed our minds before the lights go out. Nothing can change until ideas change. My first book, What Is Sustainable, presented an introduction to genuine sustainability, with an emphasis on food. Sustainable or Bust is a collection of 64 book reviews, and 16 rants. It's a gallery of thinkers, scholars, and ideas that might make "normal" minds itch and squirm. This book is for pilgrims who are awake, alive, and weary of normal minds hungry for outside-the-box ideas. I don't expect to see the end of the collapse. What the survivors, if any, choose to do is entirely beyond my control. I am not responsible for the decisions they make, but I am responsible for doing what I can to help them understand their history, predicament, and options. Who are we? Where are we from? How did we get here?

Unique and wildly creative, this mathematical and geometricapproach to origami contains 40 models of cubes, towers, andgeometric shapes as well as puzzles and models of everyday items all folded from rectangular paper. This is the first publicationoutside Japan of these original figures, offering intermediate leveland serious origamists an intriguingblend of art and science.Dover (2012) English translation andnew selection of models from GenuineOrigami Ã2, Japan Publications TradingCo. Ltd., Japan, 2009.

92 Colorful Folding Papers and 12 Original Origami Projects for Hours of Creative Fun! [Origami Book with 12 projects]

The Ylem

Meditative Coloring

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

The ancient art of origami originated in Japan, where it is steeped in traditional values. This new version includes 16 origami models totally different from previous versions! There's a more playful side to origami as well: the stylized paper sumo wrestler with realistic moves has entertained Japanese children for centuries, and the paper samurai hat is a favorite of kids. In addition, you'll discover: Classic and contemporary Models—Try your hand at recognizable models like lion and sparrow, as well as original designs like mouse and camel. Tips and techniques—Pay attention to tips that help you select the right paper, work through tough steps, and add your own creative twist. Symbol glossary—Find a comprehensive guide to standard origami symbols, as well as helpful info on how to read origami diagrams. And much, much more! Origami is an ideal activity for children since paper folding develops dexterity and creativity. Origami is also a craft based on a few fundamental 3D folding techniques. This book is a useful starting point for fans of all ages and abilities. Although this book is aimed at origami beginners, it contains projects suitable for origami fans of all ages and abilities and is the perfect book for all those who enjoy making things with their hands!

Adult coloring for relaxation, stress reduction, meditation, spiritual connection, prayer, centering, healing, and coming into your deep, true self. Ages 9 to 109. The drawings of Ancient Symbols: Meditative Coloring Book 3 feature timeless shapes and forms used by every culture on earth to remind us of the sacred. These drawings serve to inspire deeply meaningful, meditative, or prayerful experiences through coloring. Ancient and indigenous sacred images speak deeply to us, to our bones and bellies, to our cellular memory and wisdom, to our souls' yearnings. Native peoples throughout time and place see the sacred in all of life. For them, holiness IS life. Life is the manifestation of the holy in all things. Step out of the busy world and into calm and peace. Focus on an affirmation while you color, or on a wish or a prayer. Ask for understanding or wisdom. Allow expansion into more of what you are meant to be. Or simply color with an attitude of gentle, graceful willingness. This book includes 32 different original drawings, information about ancient symbols, suggestions for how to use this book, a guided meditation, introduction to the artist, and open pages inviting you to record your own impressions. Five Volumes of Meditative Coloring Books: Angels, Crosses, Ancient Symbols, Hearts, and Labyrinths.

Make traditional, simple, and fun papercraft models with this easy origami book! The ancient art of origami originated in Japan, where it is steeped in traditional values. The Gospels and Acts are composed of writings from St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts. The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today.

This collection of projects by the "father of modern origami" contains detailed instructions for 60 of the master's original works. Master origami artist Akira Yoshizawa was a true innovator who played a seminal role in the rebirth of origami in the modern world. He served as a bridge between past and present—between the ancient traditional craft and the development of origami as a modern practice—in terms of inventing new techniques and in preserving the traditional Japanese forms. In fact, the notational system of diagrams widely used today to indicate how models are folded was largely invented by him. Above all, Yoshizawa was responsible for elevating origami to the status of an art form. This beautiful origami book is the first comprehensive survey of the extraordinary work of Akira Yoshizawa. In addition to 60 models from his private collection, it features over 1,000 original drawings by the artist, and English translations of his writings in Japanese on origami, all of which are published here for the very first time. Origami projects include: The Koinobori and the Helmet Butterflies of Every Kind Fairy Tale Crowns and Caps The Lion Mask The Tengu Masks and many more! Akira Yoshizawa also contains an explanation of the Master's personal philosophy of origami by Yoshizawa's widow, Kiyo Yoshizawa and an insightful introduction from Robert Lang, a leading artist and exponent of origami art in the West.

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

Create 37 figures with clear, step-by-step instructions and helpful diagrams. Simple to advanced objects include rocket, mouse, elephant, violinist, Viking ship, and many more.

Estrella 5x8

Time Lost

Renowned origami artist Peter Engel first astounded origami enthusiasts and the lay person alike with his popular Origami from Angelfish to Zen. Since that book, published in 1989, Engel has gone through a personal change in his philosophy of origami design, honed through decades of elevating what is often viewed as simple paper folding into a fine art. In Origami Odyssey, Engel takes paper crafters on a journey to the edge of paper folding, providing instruction for exquisite and original origami designs, including several that have been shown in galleries and museums throughout the world. Experienced folders will delight in the chance to grow as artists as they master the projects in this book, and new comers to origami will find the author's journey so inspiring that they'll be ready to begin an odyssey of their own. This unique do-it-yourself paper craft book includes: Full-colored photos and step-by-step instructions and diagrams 21 fun-to-do projects like the Green Horned Owl, Gingko Leaf, Stingray and many more! Downloadable instructional video with easy-to-follow tutorials

Two survivors of a global catastrophe disguise themselves as corpses to survive in a land of the walking dead! From the mind of Mike Richardson, creator of The Mask and The Secret, comes this hilariously frightening tale of Straw and Whip who have lived through a plague that's left the world with seven billion brain-hungry zombies. Soon the two friends save a lovely young gun-crazy woman named Betty, who becomes a source of rivalry between them. With hundreds of zombies out for a snack, the three try their best to blend in so as not become the next item on the menu.

Small print edition 5x8Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings.Meredith Coleman McGee, Publisher/Acquisition EditorMeredith Etc., a small pressJackson, Mississippi, USAwww.meredithetc.com

25 Original, Winter Snowflake Designs to Color

Choose a colored pencil, pen, or marker and start coloring the kaleidoscope patterns of these unique ice crystal snowflakes! These 25 original designs are detailed and somewhat complex, drawn with fine lines, and each has its own unique look and feel. These aren't your common white snowflakes - they want COLOR! Each design was hand-drawn with a stylus and a drawing tablet, and was inspired by creative impulses and a love of snowflakes and winter. Some designs are large, single snowflakes, others are patterns or interesting groupings, and they are all printed one-sided. Coloring is fun no matter what your age. It's also a wonderful way to relax and release stress. You can color these snowflakes anytime - over the winter holidays, or in the middle of summer when the weather is too hot!

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world.Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb.While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

S. P. Kumar's second novel will not disappoint readers who enjoyed Cave of Mystic Dreams. In Rain of Blood, the second book in The Champions of Zairon trilogy, Kumar continues to weave magical and creative plots that traverse parallel worlds. As the young protagonists navigate an even more complex challenge than their first, we are immediately drawn back into their mystical reality. Middle-school readers and fantasy fans of all ages will delight in watching Claire, Jason, and Zac navigate a new quest-one that draws on their intelligence, determination, and wit. Kumar continues to explore themes of friendship and morality, as her characters encounter dilemmas and tasks that require even more grit and resilience than those they encountered in the first book of the trilogy. Kumar's carefully wrought sentences and powerful dialogue draw us into her story and help connect us to the intricacies of the plot. The main characters are more mature, and so is Kumar's writing. While her natural storytelling ability was established with her first book, she solidifies it with Rain of Blood.

The Story of Electricity

Sam lives with his Mum, Dad, sister and the family dog, Patch. It's the school holidays, and Sam's Mum buys him a toy bubble making gun and encourages him to try it out in the backyard. Read along as the biggest bubble Sam has ever seen takes him on the ride of his life! Sam and the Biggest Bubble is a 30 page illustrated children's book written by Brendon Blade and illustrated by Christine Gibson.

One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zemelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

Book 1 of Fated Eternals An endless love, for an endless price. Jack's immortality is exposed when he prevents a liquor store heist, forcing him to flee to protect his secret—a secret not even he understands. But when he meets Leah Winters—a mirror image of his decades-lost love, Lydia—his very soul is laid bare. He begins to question his sanity. Is she real, and if so, what does that mean for Jack and his secret? Jack's not the only mystery man in town. A stranger named Artagan hints at knowledge Jack is desperate to possess. But can he trust Artagan, or does the dark newcomer harbor deadly secrets of his own? As Jack's bond with Leah grows, so does the danger to her life. Jack must discover just how much he is willing to risk in order to save the woman he already lost once. Keywords: Paranormal, Romance, Immortal, Love

Dry Heat is the debut novel by indie author Steven Eggleton. A dirty, angry, and often painfully funny read, Dry Heat explores the angst and confusion people in their early twenties frequently feel. Written in Eggleton's skeptical, sardonic, and bluntly frank narrative voice, the book chronicles a little over a year in the life of Vincente Vasquez, a disillusioned grocery-store clerk living in Tucson, Arizona. Chiefly concerned with escaping the drudgery of work, social equality, and the pursuit of sex; Dry Heat is a visceral and raw novel that's sure to leave an impression.

Live as a man. Die as a man. Become a man. Yamatodamashii is roughly translated as Samurai Spirit or old spirit of Japan and has become synonymous with Enson Inoue. He was given this nickname by the Japanese people because of the way he carries himself inside and outside of the ring. This philosophy permeates throughout Enson's experiences, helping him gain a different perspective on life with every new challenge that has come his way. He is the first World Shooto Heavyweight Champion, UFC fighter, Pride fighter, and pioneer of modern MMA. He gives an in-depth account of his philosophical insights and thrilling adventures both inside and outside the ring.
