"Aware of the racial tumult in the years after the passage of the Chinese Exclusion Act, Mei tries to remain blissfully focused on her job, her close friendship with the camp foreman's daughter, and telling stories about Paul Bunyan--reinvented as Po Pan Yin (Auntie Po), an elderly Chinese matriarch"--

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts The Great Gatsby and The Bonfire of the Vanities ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper’s Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama’s inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York’s Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden’s world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden’s, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, The Golden House also marks Salman Rushdie’s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Color of Dragons

Is your tween prepared for what's ahead? It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is now girls ages 8-12. This book provides a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format that includes sidebars, quizzes, games, exploded quotes, and graphics to help them along. Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate, Bible-based curriculum between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities. They are more likely to value themselves and value appropriately. "It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts." This is the heart of the book. It shows tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with True Girl Mom-Daughter Devotion as a resource for walking through this formative time with their tween girl.

Penny joins her rock-star boyfriend on the road in Europe in this entertaining sequel to the instant New York Times bestseller, Girl Online, “a compelling and satisfying coming-of-age tale in the digital age” (Booklist) by the award-winning Yoella as Zoella. When Noah invites Penny on his first-ever European tour, she can't wait to spend the summer with her rock-god-tastic boyfriend. But, between Noah's jam-packed schedule, less-than-welcoming band mates, and threatening messages from jealous fans, Penny wonders whether she's really cut out for life on tour. She can't help but miss her family, her best friend Elliot, and her blog, “Girl Online.” Can Penny learn to balance life and love on the road, or will she lose everything in pursuit of the perfect summer? An original, compelling, and visually stunning treatment of a common childhood predicament: overcoming a fear of the water. Lottie goes to swim lessons every Saturday, but she never gets in the water. That’s because she is convinced that her mother wants to eat her and only her. But then Walter appears. Walter likes singing and reading books and bubble baths, and his favorite food is fish sticks, just like Lottie. When Saturday rolls around again, Lottie is no more ready to jump in the water. Sometimes it just takes a special friend to find the courage that was inside you all along.

At approximately 09.00hrs on the 15th June 1996, an unassuming white lorry was parked on Corporation Street in the city centre of Manchester, England; it contained over 3000 pounds of high explosive. At 11.15hrs the same day, Manchester was the largest device on the British mainland since the second World War ... The Irish Republican Army claimed responsibility for the attack. Based around actual events, LETTERBOX tells the story of Liam Connor, an ordinary boy brought up in Manchester in an ordinary family. He goes to the local school, loves football and has a best friend called Sean ... an ordinary life! Unbeknownn to Liam, his father, Michael Connor, harbors a dark historic secret, following a life a lot less ordinary ... as a furtive, member of the IRA. As a result of extraordinary circumstances, Liam's innocent and carefree world is shattered when he is exposed to the truth about his family's heritage and then learns about the tragic death of his father at the hands of the SAS. He is determined to seek retribution, Liam is taken to Ireland where he is intensively trained to become a highly skilled and efficient soldier within the Irish Republican Army ... He is 16 years old! Some years later, following the drug-induced death of his beloved brother, Liam has the opportunity to exact his revenge on those he believed should truly be blamed for the tragedies in his life ... The British Government! Thus, on the 15th June 1996, it was Liam's responsibility to drive the bomb laden lorry into the unsuspecting heart of Manchester. The voice of the IRA be clearly heard ... And listened to!!

Sam Hendry is not looking forward to starting at her new school. Things go from bad to worse as the day of truth arrives and all of her fears come true... and then some.When Sam meets a different group of people who immediately accept her as a friend, she begins to feel more positive. With her new friends and interests, will Sam finally feel able to face the bully who taunts her, and to summon up the courage to perform on stage? A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I’m Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I’m Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

She's All That meets What If It's Us in this New York Times bestselling hate-to-love YA romantic comedy from the coauthor of Five Feet Apart Rachael Lippincott and debut writer Alyson Derrick. Alex Blackwood is a little bit headstrong, with a dash of chaos and a whole lot of flirt. She knows how to get the girl. Keeping her on the other hand...not so much. Molly Parker has everything in her life totally in control, except for her complete awkwardness with just about anyone besides her mom. She knows she's in love with the impossibly cool Cora Myers. She just...hasn't actually talked to her yet. Alex and Molly don't belong on the same planet, let alone the same college campus. But when Alex, fresh off a bad (but hopefully not permanent) breakup, discovers Molly's hidden crush as their paths cross the night before classes start, they realize they might have a common interest after all. Because maybe if Alex volunteers to help Molly learn how to get her dream girl to fall for her, she can prove to her ex that she's not a selfish flirt. That she's ready for an actual commitment. And while Alex is the last person Molly would ever think she could trust, she can't deny Alex knows what she's doing with girls, unlike her. As the two embark on their five-step plans to get their girls to fall for them, though, they both begin to wonder if maybe they're the ones falling...for each other.

Desperate to escape an arranged marriage and the life her high-ranking government official father planned for her, Cat Hunter does the unthinkable. She runs away from her homeland Tellus, disguises herself as a boy, and stows away on an air ship. She's ready for life in a new land where the general population isn't poverty stricken and at the mercy of the cruel officials. What she isn't quite ready for is meeting Fox, a crew member aboard the Stormdancer—which turns out to be a smuggler's ship. So begins an epic adventure that spans both land and sea. This explosive debut starts a unique six-book series. Each novel will be set in a different land within the Tellus world, with repeating characters and related, nonlinear storylines that combine to create a one-of-a-kind, addictive reading experience.

"Lottie Brooks is back for spring term at secondary school and ready to face anything. No more trying to impress mean girl Amber. And absolutely no more being nicknamed Cucumber Girl. A lead role in the spring musical gives Lottie a chance to dazzle her mega-crush Daniel with her talent as a singing crab but it's not all singing and dancing at Kingswood High. Lottie's friendship with Molly and Jess seems to be falling apart no matter how hard she tries to keep her BFFs together. Is Lottie on track for another epic friendship fail?"--Publisher's description.

Laureth Peak's father has taught her to look for recurring events, patterns, and numbers—a skill at which she's remarkably talented. Her secret: She is blind. But when her father goes missing, Laureth and her 7-year-old brother Benjamin are thrust into a mystery that takes them to New York City where surviving will take all her skill at spotting the amazing, shocking, and sometimes dangerous connections in a world full of darkness. Marcus Sedgwick's She Is Not Invisible is an intricate puzzle of a novel that sheds a light on the delicate ties that bind people to each other. This title has Common Core connections.

"That Girl From the Dummy Line" is a first person account of growing up in severe poverty in the delta farm region of northeastern Arkansas in 50s and 60s in a tar-papereed shack built on a dirt road known as the dummy line. The dummy line girl was the third of ten children born to an illiterate farmer and his wife, who didn't understand their daughter's love of education or her desire to go to college as she excelled in school. Indeed, they actively attempted to prevent her from leaving home to seek a college degree. The dummy line girl spent much of her childhood working in the cotton fields. Farm work and other chores took a toll on the dummy line girl's ability to stay on track with her studies and goals. Further complicating her life was a dysfunctional relationship with her parents and an abusive older sister. The local public school system became her refuge and provided her with the hope she needed in order to plan a better future for herself. This is a story about a girl who refused to accept the path given her by accident of birth - a girl who wanted more and believed she deserved more and was willing to work for it.

The Second Novel by Zoella

A reconstruction of the major Abstract Expressionist's life includes coverage of her debutante years in the Midwest, her marriage to Barney Rosset, Jr. and her pioneering achievements as a woman in male-dominated artistic circles. By the author of Shadows, Fire, Snow.

When a young girl who has lived in Africa and been home-schooled moves to New York, she must enter a public high school. Survival of the fittest takes on a whole new meaning when she falls for the ex-boyfriend of the most popular girl in school.

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to have a perfect life. Fame, fortune, and a celebrity marriage... but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband’s family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an important aspect of the story. \_\_\_\_\_ Four out of four stars! - Official Review, Online Book Club

From award-winning YouTube sensation Zoe Sugg, popularly known as Zoella, comes her New York Times bestselling debut young adult novel, which perfectly captures what it means to grow up and fall in love in today ’s digital world. I have this dream that, secretly, all teenage girls feel exactly like me. And maybe one day, when we realize that we all feel the same, we can all stop pretending we ’ re something we ’ re not... But until that day, I ’ m going to keep it real on this blog and keep it unreal in real life. Penny has a secret. Under the alias GirlOnline, Penny blogs her hidden feelings about friendship, boys, high school drama, her crazy family, and the panic attacks that have begun to take over her life. When things go from bad to worse at school, her parents accept an opportunity to whisk the family away for Christmas at the Waldorf Astoria in New York City. There, Penny meets Noah, a gorgeous, guitar-strumming American. Suddenly she is falling in love—and capturing every moment she spends with "Brooklyn Boy" on her blog. But Noah has a secret, too, one that threatens to ruin Penny ’ s cover—and her closest friendship—forever.

Powerhouse adult fantasy author R. A. Salvatore and Erika Lewis deliver a sweeping, action-packed, romantic pre-Arthurian tale of the origins of magic (and Merlin), perfect for fans of *Falling Kingdoms* and *Seraphina*. Magic needs a spark. And Maggie's powers are especially fickle. With no one to help her learn to control her magic, the life debt that she owes stretches eternally over her head, with no way to repay it. Until she meets Griffin, the king's champion, infamous for hunting down the draignochs that plague their kingdom. Neither has any idea of the destiny that they both carry, or that their meeting will set off a chain of events that will alter every aspect of the life they know—and all of history thereafter. This epic, romantic tale will enchant readers and draw them into a thrilling world of star-crossed lovers, magic, destiny, and the paths we choose.

A troubled and unhappy home life leads young Erica into a secret relationship with an older man. She meets with her lover but later wakes to find herself covered in blood on board her father's yacht and the prime suspect in a murder scene.

Luckily she has two allies in the form of best friend Sophia and new neighbor Ethan who over the course of the next few days move heaven and earth to help her clear her name. As they investigate they become immersed in the dark and dangerous world of the illegal gold trade and people trafficking.

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

*Lottie & Walter*

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

THE STORY: Over the course of 30 years, the lives of Kayleen and Doug intersect at the most bizarre intervals, leading the two childhood friends to compare scars and the physical calamities that keep drawing them together.
