Mindfulness Diary for Children - Notebooks for Children and the whole Family When we grant ourselves and our actions more mindfulness, we take a big step towards a more worry-free and positive life. Mindfulness should be on the agenda for children exactly for this reason. With a mindfulness diary, the little ones learn new things every week and can write down their successes and immediately document their moments of happiness. A mindfulness diary is much more than a simple notebook. It is an activity book for more happiness and self-esteem. With all the fun exercises and tasks, entertainment is not in short supply. The individual activity fields are varied and skillfully appeal to the motivation and the zest for action of the children. But the activity book is not just a diary for children. It is also a coloring book and a notebook for the whole family. The tasks are best completed together with a family member. As a result, the book intensifies the relationship between parent and child, as well as the togetherness of the family. The Mindfulness Diary for Children is an ideal gift for your own offspring or that of friends and acquaintances.
