INSTANT NEW YORK TIMES BESTSELLER *"My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist."* —Melissa Febos, *The New York Times Book Review* A **"MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE** A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

The Wedding Plot, USA Today bestselling author Paula Munier's fourth Mercy Carr mystery, finds Mercy and Elvis at a deadly Vermont wedding. Love never dies a natural death... When Mercy's grandmother Patience marries her longtime beau Claude Renault at the five-star Lady's Slipper Inn, it promises to be the destination wedding of the year. Just as the four-day extravaganza is due to begin, the inn's spa director Bodhi St. George disappears—and Mercy's mother Grace sends Mercy and Elvis to find him. But what they discover instead is a stranger skewered by a pitchfork in the barn on the goat farm where St. George lived. As Mercy tries to figure out who the victim is and where St. George is hiding, the bride and groom's estranged relations gather for the first of the pre-wedding festivities. Long-buried rivalries and resentments surface—and Mercy realizes that they're all keeping secrets that could tear both families apart. When Elvis interrupts the escalating melodrama to alert Mercy to an intruder on the estate, she finds a wounded St. George in the cottage where she and Troy are staying. St. George is not who he says he is—but when he escapes from the hospital and disappears again, Mercy thinks he's gone for good. With the wedding imminent and the families at each other's throats, she decides finding St. George will have to wait. The big day arrives—but the danger is far from over. With the families and the festivities still under threat, it's up to Mercy and Elvis together with Troy and Susie Bear to stop the killer and save the bride and groom—before death do they part.

This Guest Book will fit perfectly with your celestial-themed bridal shower, wedding or baby shower. Chic matte cover 100 pages in premium cream paper Lined, with space for 250 guests and their compliments Blank facing pages for ease of use and legibility

In this book Dale Spender brings together the views of some remarkable women writers in challenging and provocative insights. The social revolution that has taken place over the last 30 years in relation to weddings and wives from biblical texts to New Age ceremonies is discussed.

Contributors include Nadia Wheatley, Susan Mitchell, Kate Grenville and Kaz Cooke.

Ask a Manager*

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

My Body

*A GOOD MORNING AMERICA BOOK CLUB PICK Shortlisted for the 2020 Women's Prize for Fiction "Through a novel with so much depth, beauty, and grace, we, like Ana, are forever changed."
–Jacqueline Woodson, Vanity Fair "Gorgeous writing, gorgeous story." –Sandra Cisneros Fifteen-year-old Ana Cancion never dreamed of moving to America, the way the girls she grew up with in the Dominican countryside did. But when Juan Ruiz proposes and promises to take her to New York City, she has to say yes. It doesn't matter that he is twice her age, that there is no love between them. Their marriage is an opportunity for her entire close-knit family to eventually immigrate. So on New Year's Day, 1965, Ana leaves behind everything she knows and becomes Ana Ruiz, a wife confined to a cold six-floor walk-up in Washington Heights. Lonely and miserable, Ana hatches a reckless plan to escape. But at the bus terminal, she is stopped by Cesar, Juan's free-spirited younger brother, who convinces her to stay. As the Dominican Republic slides into political turmoil, Juan returns to protect his family's assets, leaving Cesar to take care of Ana. Suddenly, Ana is free to take English lessons at a local church, lie on the beach at Coney Island, see a movie at Radio City Music Hall, go dancing with Cesar, and imagine the possibility of a different kind of life in America. When Juan returns, Ana must decide once again between her heart and her duty to her family. In bright, musical prose that reflects the energy of New York City, Angie Cruz's *Dominicana* is a vital portrait of the immigrant experience and the timeless coming-of-age story of a young woman finding her voice in the world.*

Instant #1 New York Times Bestseller AARP The Magazine – Recommended Summer Reading CNN – A Most Anticipated Book of August Bustle – A Most Anticipated Book of August Chief Inspector Armand Gamache returns to Three Pines in #1 New York Times bestseller Louise Penny's latest spellbinding novel You're a coward. Time and again, as the New Year approaches, that charge is leveled against Armand Gamache. It starts innocently enough. While the residents of the Québec village of Three Pines take advantage of the deep snow to ski and toboggan, to drink hot chocolate in the bistro and share meals together, the Chief Inspector finds his holiday with his family interrupted by a simple request. He's asked to provide security for what promises

to be a non-event. A visiting Professor of Statistics will be giving a lecture at the nearby university. While he is perplexed as to why the head of homicide for the Sûreté du Québec would be assigned this task, it sounds easy enough. That is until Gamache starts looking into Professor Abigail Robinson and discovers an agenda so repulsive he begs the university to cancel the lecture. They refuse, citing academic freedom, and accuse Gamache of censorship and intellectual cowardice. Before long, Professor Robinson's views start seeping into conversations. Spreading and infecting. So that truth and fact, reality and delusion are so confused it's near impossible to tell them apart. Discussions become debates, debates become arguments, which turn into fights. As sides are declared, a madness takes hold. Abigail Robinson promises that, if they follow her, ça va bien aller. All will be well. But not, Gamache and his team know, for everyone. When a murder is committed it falls to Armand Gamache, his second-in-command Jean-Guy Beauvoir, and their team to investigate the crime as well as this extraordinary popular delusion. And the madness of crowds.

The Silent Patient

-wedding guest book for a Gatsby style or 1920s theme wedding -wedding guest register sections include Name / Relation / Memories / Comments

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....
