

## *Guy Fox New York City Children's Map*

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

"Local Man Murdered at Long Point Lighthouse" headline stunned the residents of the village at the end of Cape Cod. The local police summoned the FBI to work with them on this tragic crime. Inspired by a crime in Provincetown several years ago, the story captures the flavor of this small art colony and fishing village.

A daring, firsthand, and utterly-unscripted account of crisis in America, from Ferguson to Flint to Cliven Bundy's ranch to Donald Trump's unstoppable campaign for President--at every turn, Pulitzer-prize winner and bestselling author of *Detroit: An American Autopsy*, Charlie LeDuff was there In the Fall of 2013, long before any sane person had seriously considered the possibility

of a Trump presidency, Charlie LeDuff sat in the office of then-Fox News CEO Roger Ailes, and made a simple but prophetic claim: The whole country is bankrupt and on high boil. It's a shitshow out there. No one in the bubbles of Washington, DC., New York, or Los Angeles was talking about it--least of all the media. LeDuff wanted to go to the heart of the country to report what was really going on. Ailes balked. Could the hard-living and straight-shooting LeDuff be controlled? But, then, perhaps on a whim, he agreed. And so LeDuff set out to record a TV series called, "The Americans," and, along the way, ended up bearing witness to the ever-quickenning unraveling of The American Dream. For three years, LeDuff travelled the width and breadth of the country with his team of production irregulars, ending up on the Mexican border crossing the Rio Grande on a yellow rubber kayak alongside undocumented immigrants; in the middle of Ferguson as the city burned; and watching the children of Flint get sick from undrinkable water. Racial, political, social, and economic tensions were escalating by the day. The inexorable effects of technological change and globalization were being felt more and more acutely, at the same time as wages stagnated and the price of housing, education, and healthcare went through the roof. The American people felt defeated and abandoned by their politicians, and those politicians seemed

incapable of rising to the occasion. The old way of life was slipping away, replaced only by social media, part-time work, and opioid addiction.

Sh\*tshow! is that true, tragic, and distinctively American story, told from the parts of the country hurting the most. A soul-baring, irreverent, and iconoclastic writer, LeDuff speaks the language of everyday Americans, and is unafraid of getting his hands dirty. He scrambles the tired-old political, social, and racial categories, taking no sides--or prisoners. Old-school, gonzo-style reporting, this is both a necessary confrontation with the darkest parts of the American psyche and a desperately-needed reminder of the country's best instincts.

In *Politics on a Human Scale*, Jeff Taylor examines political decentralization in the United States, including agrarianism, states' rights, the abandonment of the decentralist impulse by the national leadership of the Democratic and Republican parties, and the dissident tradition on the contemporary political scene.

## The American Tradition of Decentralism

### US Guys

From the New York Times bestselling author of *Detroit: An American Autopsy* "Except for a few drinks, nothing is free in Charlie LeDuff's blunt and touching *Work and Other Sins*. The laughter and wisdom are hard won, the lessons are often painful... the sad tales and wit from the bar rail are endless and timeless." --The New York Times Book Review

Charlie LeDuff is that rare breed of news reporter—one who can cover hard-to-get-at stories in a unique and deeply personal style. In *Work and Other Sins*, he gives his incomparable take on New York City and its denizens—the bars, the workingmen, the gamblers, the eccentrics, the lonesome, and the wise. Whether writing about a racetrack gambler, a firefighter with a broken heart, or a pair of bickering brothers and their Coney Island bar, LeDuff takes the reader into the lives of his subjects to explore their fears, faults, and fantasies as well as their own small niches of the globe. The result is an at turns riotous, dirt-

under-the-nails, contemplative, salty, joyous, whiskey-tinged, and utterly unique vision of life in the Big Apple. A national bestseller offering an inside look at the founder and former head of Fox News Roger Ailes is the quintessential man behind the curtain. He more or less invented modern political consulting and helped Richard Nixon, Ronald Reagan, and George H. W. Bush win their races for the White House. Then he reinvented himself as a master of cable television, first as the head of CNBC and, since 1996, as the creator and leader of Fox News, the most influential news network in the country. To liberals, Ailes is an evil genius who helped polarize the country by breaking the mainstream media's long monopoly on what constitutes news. To conservatives, he's a champion of free speech and fair reporting whose values and view of America reflect their own. But no one doubts that Ailes has transformed journalism. Barack Obama once called him "the most powerful man in America"— and given that Fox News has changed the way millions understand the world, it may be

true. Yet for all that fame and infamy, very few people know the real person behind the headlines. Journalist Zev Chafets received unprecedented access to Ailes and his family, friends, and Fox News colleagues. The result is a candid, compelling portrait of a fascinating man. We see Ailes in action at Fox News and hear him reflect on personal matters he has never before discussed publicly. And we discover the heart of his sometimes surprising political beliefs: his profane piety and his unwavering belief in the values of his small-town Ohio boyhood. Ailes loves to fight, but he is a happy warrior who has somehow managed to charm and befriend many of the people he has defeated in political campaigns and television wars. Barbara Walters, Rachel Maddow, Jesse Jackson, the Kennedy clan— all are unexpected Ailes fans. Chafets also gives us an unprecedented look at the inner workings of Fox News and explores Ailes's relationships with Bill O'Reilly, Sean Hannity, Megyn Kelly, Neil Cavuto, Chris Wallace, and the other stars he has nurtured. Ultimately, Ailes is neither villain nor hero but a man full of

contradictions and surprises. As Chafets writes, "What will he do next? What stokes his competitive fires and occasional rages? How to reconcile his acts of exceptional loyalty and private generosity (even to rivals) with his impulse to present himself to the world as a ruthless leg breaker? What makes Roger run—and where, if anywhere, is the finish line? As Ailes himself might say: I report, you decide."

You're smart and cute and fun to be around. So naturally you wonder why you're still single. Well, here's a news flash:

It's Not You, It's Him! This book will make dating fun again—and help you find the love you always dreamed of "Why is this book for single women? Because we think about relationships, and talk about relationships, much more than single men do. And when things go wrong, we're also much more likely to blame ourselves! We ask ourselves, "What's wrong with me?" "What did I do?" "What should I have done differently?" Well, maybe, just maybe you are not the problem. Maybe, just maybe, you'd still be single even if you were perfect. Maybe the men you're meeting have the

problems. Maybe it's not you, it's him! Actually, there's no maybe about it. Your aunt in Florida, your married brother, and your gym friends are wrong—you are not single because you're too picky, too pushy, or a princess. Besides, even if you were, picky, pushy princesses get married every day. And so will you. So let's get real and get you the life you want." --Dr. Georgia Witkin, from... It's Not You, It's Him In her upbeat new "rules" for finding lasting love, Dr. Georgia Witkin shows that the secret to dating without all the pain is to assume that you are perfectly lovable exactly as you are. When a good date goes bad, the problem is never you. It's him! Suddenly dating is so simple. You will never again ask "why didn't he call?" It doesn't matter. You will never ask, "How should I change?" You don't have to. Instead you will do what you want, go where you want, wear what you want, and it will only make you more perfect. You will take everything dates say and do as information about them—not you. You will have zero tolerance when you're getting zero. You will feel happy, in control, and actually enjoy dating

again. And before too long, the new you will fall wildly in love with a man who is just perfect enough to find you irresistible.

Rose Arroya, former NYPD investigator and founder of RAID, the Rosa Arroya International Detectives group, and her agents have been asked to help the CIA solve a stalled cyberterrorist case. A ruthless criminal's attack program threatens to expose classified government data. Worse, he has no compunction about killing anyone who gets in his way. RAID sets out to develop an invader program to kill the terrorist's program. But in an unexpected twist, Rosa discovers that her friend, German spy Ludwig Schmidt, has made contact with the suspected international hacker. Could there be a connection to Ludwig's plan to avenge the murder of his lover? Whatever the reason, Rosa must enlist his help to work with RAID before he spoils their plan to capture the terrorist. As Rosa hones her plan with the CIA, she finds herself an unsuspecting person of interest in a murder, cover-up, and taxi theft. She needs to get some answers from

Ludwig—except he's missing. Rosa's sharp instincts, loyalty to her team, and courage to carry out the plan are paramount in working this case. But untangling herself from suspicion while actively working to bring a ruthless psychopath to justice may be more than she can handle...

Aid Under Fire

Just Tyrus

How the Brilliant, Bombastic Roger Ailes Built Fox News--and

Divided a Country

Off Camera

***Two of the most influential young conservatives in the American media take on the "outrage industry," revealing how the left exploits wedge issues and fake outrage to silence their political opponents.***

***Bonfire Night, observed annually to memorialize the Gunpowder Plot, is one of England's most festive occasions. Why has the memory of this act of treason and terrorism persisted for 400 years? Sharpe unravels the web of religion and politics that gave rise to the plot, and wittily shows how celebration of that night has changed over the centuries.***

*Primal instinct meets the power of choice in this go-to guide to getting the guy. The last time you locked eyes with a gorgeous, manly specimen across the room or took a detour past the object of your affection, fluffing your locks on your way to the powder room, you probably didn't think you were performing an ancient mating dance. Whether the fashion of the day is miniskirts or mammoth hides, the knowing glances, chest puffing, hair tossing, and backside brandishing are all part of a complicated ritual choreographed over epochs and designed for your very survival. Thankfully, evolution has taken care of the hard part, leaving today's woman with the sometimes daunting task of deciphering the intriguing, often infuriating signals of modern man. In this smart, funny, and invaluable book, nationally renowned body language expert Tonya Reiman decodes the complicated dating game. While some of us seem to have been born with a razor-sharp "sexual instinct," the rest of us could use a little practice. Luckily, the formula for dating success is easy to learn. Within these pages, you'll discover how to display the body language necessary for making solid connections with potential mates, uncover the mysteries of man himself, and find handy new tricks for your attraction arsenal. Not only that, *The Body Language of Dating* will teach you how to: Whether you feel like you couldn't attract a fireman with your head ablaze or just want to give your seasoned connection-rejection ratio a boost, Tonya Reiman will help you shave time, effort, and heartbreak from your mating quest. She didn't make the rules, but she sure can teach you how to use them. \* Read a guy's facial expressions, gestures, and posture for clues to his state of mind. \* Tell long-term mates from short-term dates. (Hint: You can often*

*tell just by looking at him!)* \* *Send silent messages that tug on your hottie's heartstrings.* \* *Save yourself from losers like Not-Interested Nate and Stalker Steve and get straight to Mr. Right (or Mr. Right Now).* \* *Wield the science of scent in any social situation. Whether you feel like you couldn't attract a fireman with your head ablaze or just want to give your seasoned connection-rejection ratio a boost, Tonya Reiman will help you shave time, effort, and heartbreak from your mating quest. She didn't make the rules, but she sure can teach you how to use them.*

*From the New York Times bestselling author of Detroit: An American Autopsy "A fearless, clear eyed companion into parts of America that rarely see print."—Entertainment Weekly Charlie LeDuff has made a career out of his extraordinary ability to capture the spirit of the people and places he profiles. US Guys is his odyssey in search of the truth behind the American man, from a jaded homicide detective in Detroit to a two-bit jockey at a racetrack in Miami to a pair of lovers at a gay rodeo. With audacity, humor, and no small amount of physical pain, he captures a broad diversity of voices as they wrestle with an America they love but increasingly fail to understand.*

From New York Times bestselling author Angie Fox Sometimes Verity Long would like to forget that she lives with the ghost of a 1920s gangster. But the reluctant housemates must once again work together when a dead detective blackmails Frankie into helping him solve a Great Gatsby-era cold case. Before she can say “bathtub gin,” Verity is dragged straight into a raging, otherworldly house party. Worse, every guest is hiding something. Meanwhile, Ellis Wydell, Verity’s living, breathing boyfriend needs Verity’s help with a police case of his own. After a dead body is discovered near the pecan orchard, Verity gives her insights, thinking her job is done. But when mysterious pecan pies start arriving at her house, she wonders who might be thanking her...or stalking her. Between hard-living ghosts and sugar-laden desserts, Verity has her work cut out for her. But will she uncover the secrets behind the pecan pies and dead guys? Or has she stumbled upon a recipe for disaster? What Reviewers are saying... 5 Stars! “I could not put this down.” 5 Stars! “The setting was in a fabulous mansion with glamorous characters, the story was complex, and as usual Verity and

Frankie were up to their ears in suspects.” 5 Stars! “I had such a difficult time holding back the tears. It hit me to the core and felt like I was sitting there witnessing it all myself instead of reading about it. I went back and re-read the ending over and over!” 5 Stars! “One of the best series I've ever read.” Rating: Clean and Wholesome Paranormal Cozy Mystery Romance (with a cute pet skunk!)

In many parts of the African Muslim world, slavery still blights the landscape. What are the origins of this terrible institution? Why is it still practiced? How widespread is it and how does it differ from Western chattel slavery? This book tells the story of how the enslavement of Africans by Berbers, Arabs, and other Africans became institutionalized and legitimized throughout Muslim Africa. A classic, pioneering study, first published in 1971 and extensively updated in this revised edition, *Slavery in the History of Black Muslim Africa* provides an expansive portrait of domestic slavery from the tenth to the nineteenth century in the context of the religious, social, and economic conditions of the African Islamic world. Drawing on a host of accounts from contemporary observers such as Leo

Africanus and Ibn Battuta, Fisher and Fisher describe the status and rights of slaves in Africa, and their various roles as currency, goods, eunuchs, soldiers, and statesmen, as well as the jarring historical interruption brought on by slave raiders and traders in West and North Africa.

INSTANT NEW YORK TIMES BESTSELLER A moving account of resilience, hope, fear and mortality, and how these things resonate in our lives, by actor and advocate Michael J. Fox. The entire world knows Michael J. Fox as Marty McFly, the teenage sidekick of Doc Brown in Back to the Future; as Alex P. Keaton in Family Ties; as Mike Flaherty in Spin City; and through numerous other movie roles and guest appearances on shows such as The Good Wife and Curb Your Enthusiasm. Diagnosed at age 29, Michael is equally engaged in Parkinson's advocacy work, raising global awareness of the disease and helping find a cure through The Michael J. Fox Foundation for Parkinson's Research, the world's leading non-profit funder of PD science. His two previous bestselling memoirs, Lucky Man and Always Looking Up, dealt with how he came to terms with the illness, all the while exhibiting his iconic optimism. His new memoir reassesses this

outlook, as events in the past decade presented additional challenges. In *No Time Like the Future: An Optimist Considers Mortality*, Michael shares personal stories and observations about illness and health, aging, the strength of family and friends, and how our perceptions about time affect the way we approach mortality. Thoughtful and moving, but with Fox's trademark sense of humor, his book provides a vehicle for reflection about our lives, our loves, and our losses. Running through the narrative is the drama of the medical madness Fox recently experienced, that included his daily negotiations with the Parkinson's disease he's had since 1991, and a spinal cord issue that necessitated immediate surgery. His challenge to learn how to walk again, only to suffer a devastating fall, nearly caused him to ditch his trademark optimism and "get out of the lemonade business altogether." Does he make it all of the way back? Read the book.

A funny, highly personal, gorgeously written account of what it's like to be a 30-year-old man who is told he has an 80-year-old's disease. "Life is great. Sometimes, though, you just have to put up with a little more crap." --Michael J. Fox In

September 1998, Michael J. Fox stunned the world by announcing he had been diagnosed with Parkinson's disease--a degenerative neurological condition. In fact, he had been secretly fighting it for seven years. The worldwide response was staggering. Fortunately, he had accepted the diagnosis and by the time the public started grieving for him, he had stopped grieving for himself. Now, with the same passion, humor, and energy that Fox has invested in his dozens of performances over the last 18 years, he tells the story of his life, his career, and his campaign to find a cure for Parkinson's. Combining his trademark ironic sensibility and keen sense of the absurd, he recounts his life--from his childhood in a small town in western Canada to his meteoric rise in film and television which made him a worldwide celebrity. Most importantly however, he writes of the last 10 years, during which--with the unswerving support of his wife, family, and friends--he has dealt with his illness. He talks about what Parkinson's has given him: the chance to appreciate a wonderful life and career, and the opportunity to help search for a cure and spread public awareness of the disease. He is a very lucky man, indeed. The Michael J. Fox

Also features is Mooney's niece Libby Titus, wife of Steely Dan Founder Donald Fagen plus an introduction by Stan "The Man" Lee.*

*Pro wrestler and political commentator Tyrus goes deep into his wild but triumphant life story, from his painfully dysfunctional upbringing to bodyguarding for Snoop Dogg, to becoming a wrestling icon and one of the most provocative on-air voices today. The product of a 1970s mixed marriage, George Murdoch learned to fight early in life, fending off both race-baiting bullies and the demons of a dysfunctional home. Couch surfing all through high school and most of college, the quick-witted, sharp-tongued giant played football, ran drugs, and bounced at clubs to try to survive. After a false start with the WWE, he eventually became Snoop Dogg's bodyguard and traveled the world with the hip hop legend, biding his time and honing his rap. When the WWE urged him to return, George became*

*“Brodus Clay” and, for the next several years, reinvented himself numerous times under the watchful mentorship of the legendary Dusty Rhodes, “the American Dream.” He was eventually christened “Tyfus,” and shortly after, a chance social media encounter with Greg Gutfeld at Fox News resulted in Tyfus finding a new skill: sage social commentator. Ferociously funny, blunt, and tenacious, Just Tyfus traces his unlikely and spectacular rise. As always with Tyfus, it’s in-your-face and offers no apologies.*

*This collection of new essays draws attention to the various and complex ways in which scholars and critics have reflected upon and reacted to Charles Dickens’s texts, including his novels, short fiction and journalism. Subsequent to the initial publication of Dickens’s works, writers, visual artists and filmmakers have re-imagined, transposed and transformed them from the mid-nineteenth century to the present. Although Reflections on / of Dickens recognizes the writer’s importance as first and foremost a major figure in literature, it nevertheless offers a uniquely vast array of approaches to his literary output, ranging from intertextual and generic strategies, through gender studies, translation studies and comparative literary studies, to issues connected with reception, popular culture, visual culture and performing arts. The diverse thematic preoccupations present in this highly interdisciplinary volume attest to Dickens’s central position in the British*

*canon and his global appeal, while at the same time narrowing the gap between traditional textual analysis and more contextualised readings of his oeuvre, taking into account the socio-cultural and historical circumstances thanks to which his literary reputation continues to flourish.*

*In between Babe Ruth and Michael Jordan there was Joe Namath, one of the few sports heroes to transcend the game he played. Novelist and former sports-columnist Mark Kriegel's bestselling biography of the iconic quarterback details his journey from steel-town pool halls to the upper reaches of American celebrity—and beyond. The first of his kind, Namath enabled a nation to see sports as show biz. For an entire generation he became a spectacle of booze and broads, a guy who made bachelorhood seem an almost sacred calling, but it was his audacious “guarantee” of victory in Super Bowl III that ensured his legend. This unforgettable portrait brings readers from the gridiron to the go-go nightclubs as Kriegel uncovers the truth behind Broadway Joe and why his legend has meant so much to so many.*

As Rosa becomes more determined to solve the top secret case named "Chameleon", the action gathers steam while she tracks her prey across New England and then to Europe. In the end, Rosa must decide whether to follow the law or her love, as she struggles to capture the one man who has in turn captured her heart.*

*A revelatory journey inside the world of Fox News and Roger Ailes—the brash, sometimes combative network head who helped fuel the rise of Donald Trump* **NEW YORK TIMES BESTSELLER • NOW A SHOWTIME LIMITED SERIES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** *When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996, American politics and media changed forever. With a remarkable level of detail and insight, Vanity Fair magazine reporter Gabriel Sherman puts Ailes's unique genius on display, along with the outsize personalities—Bill O'Reilly, Sean Hannity, Megyn Kelly, Sarah Palin, Karl Rove, Glenn Beck, Mike Huckabee, Gretchen Carlson, Bill Shine, and others—who have helped Fox News play a defining role in the great social and political controversies of the past two decades. From the Clinton-Lewinsky scandal to the Bush-Gore recount, from the war in Iraq to the Tea Party attack on the Obama presidency, Roger Ailes developed an unrivaled power to sway the national*

*agenda. Even more, he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court. How did this man become the master strategist of our political landscape? In revelatory detail, Sherman chronicles the rise of Ailes, a frail kid from an Ohio factory town who, through sheer willpower, the flair of a showman, fierce corporate politicking, and a profound understanding of the priorities of middle America, built the most influential television news empire of our time. Drawing on hundreds of interviews with Fox News insiders past and present, Sherman documents Ailes's tactical acuity as he battled the press, business rivals, and countless real and perceived enemies inside and outside Fox. Sherman takes us inside the morning meetings in which Ailes and other high-level executives strategized Fox's presentation of the news to advance Ailes's political agenda; provides behind-the-scenes details of Ailes's crucial role as finder and shaper of talent, including his sometimes rocky relationships with Fox News stars such as O'Reilly, Hannity, and Carlson; and probes Ailes's fraught partnership with his equally brash and mercurial boss, Rupert Murdoch. Roger Ailes's life is a story worthy of Citizen Kane. Featuring an afterword about Ailes's epic downfall during the extraordinary 2016 election, *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart.*

In the aftermath of World War II, as longstanding empires collapsed and former colonies struggled for independence, the United States employed new diplomatic tools to counter unprecedented challenges to its interests across the globe. Among the most important new foreign policy strategies was development assistance -- the attempt to strengthen alliances by providing technology, financial aid, and administrators to

## Read Online Guy Fox New York City Children's Map

fledgling states in order to disseminate and inculcate American values and practices in local populations. While the US implemented development programs in several nations, nowhere were these policies more significant than in Vietnam. In *Aid Under Fire*, Jessica Elkind examines US nation-building efforts in the fledgling South Vietnamese state during the decade preceding the full-scale ground war. Based on American and Vietnamese archival sources as well as on interviews with numerous aid workers, this study vividly demonstrates how civilians from the official US aid agency as well as several nongovernmental organizations implemented nearly every component of nonmilitary assistance given to South Vietnam during this period, including public and police administration, agricultural development, education, and public health. However, despite the sincerity of American efforts, most Vietnamese citizens understood US-sponsored programs to be little more than a continuation of previous attempts by foreign powers to dominate their homeland. Elkind convincingly argues that, instead of reexamining their core assumptions or altering their approach as the violence in the region escalated, US policymakers and aid

## Read Online Guy Fox New York City Children's Map

workers only strengthened their commitment to nation building, increasingly modifying their development goals to support counterinsurgency efforts. Aid Under Fire highlights the important role played by nonstate actors in advancing US policies and reveals in stark terms the limits of American power and influence during the period widely considered to be the apex of US supremacy in the world.

People Buy Brands, Not Companies provides the novice with a critical advantage in the area of business and personal branding, and is the much-needed booster shot for the marketing professional. The Marketing Doctor moves marketing to the center stage of human activity where it belongs. He vanquishes the bean counters and vindicates marketing's importance for the bottom line. In the process, Tantillo proves that marketing is fundamental to the success of almost any venture, business or personal. People Buy Brands, Not Companies is something that people will want to share with their friends and marketing professionals will want to give to any client who ever doubts the importance of their work. Dr. Tantillo is a popular Fox Forum columnist and a frequent commentator on business and celebrity marketing for both radio and television. A more developed biography may be found at [www.marketingdoctor.tv](http://www.marketingdoctor.tv). What people are saying about The Marketing Doctor: "A marketing genius and visionary." -Bill

New York's Professional Chefs, Restaurateurs, Line Cooks, Street Vendors, and Purveyors Talk About What They Do and Why They Do It

An Optimist Considers Mortality

Work and Other Sins

Arts & Decoration

Journal of the American Medical Association

***An unprecedented behind-the-scenes tour of New York City's dynamic food culture, as told through the voices of the chefs, line cooks, restaurateurs, waiters, and street vendors who have made this industry their lives. In Food and the City, Ina Yalof takes us on an insider's journey into New York's pulsating food scene alongside the men and women who call it home. Dominique Ansel declares what great good fortune led him to make the first cronut. Lenny Berk explains***

*why Woody Allen's mother would allow only him to slice her lox at Zabar's. Ghaya Oliveira, who came to New York as a young Tunisian stockbroker, opens up about her hardscrabble yet swift trajectory from dishwasher to executive pastry chef at Daniel. Restaurateur Eddie Schoenfeld describes his journey from Nice Jewish Boy from Brooklyn to New York's Indisputable Chinese Food Maven. From old-schoolers such as David Fox, third-generation owner of Fox's U-bet syrup, and the outspoken Upper West Side butcher "Schatzie," to new kids on the block including Patrick Collins, sous chef at The Dutch, and Brooklyn artisan Lauren Clark of Sucre Mort Pralines, Food and the City is a fascinating oral history with an unforgettable gallery of New Yorkers who embody the heart and soul of a culinary metropolis.*

*Ditch the storybook wedding, banish Bridezilla, and walk down the aisle in truth and in style: You are a Stone Fox Bride and this is your bridal guide. Molly Rosen Guy founded the brand Stone Fox Bride as an alternative to outdated, plastic-princess wedding culture. Her stylish and subversive approach is being embraced by creative, modern brides who believe in love and romance, but have no interest in running off into the sunset. In an inspiring mix of intimate storytelling, gorgeous visuals, and candid advice, with an aesthetic that channels Bianca Jagger in a white tux rather than Cinderella in*

*a frilly gown, Molly Rosen Guy—your cool, hippie chic guide through the wilds of wedding planning—encourages brides-to-be, and their ladies in tow, to say no to all things phony, frilly, and silly. Featuring personal essays that explore the nuances of the process, including a raw, unairbrushed look at the realities of the early days of marriage, she tells us that a Stone Fox Bride should never sacrifice her style, her story, or her sanity to please others; she reassures us that weddings don't have to be free of confusion, shades of gray, or cellulite; and reminds us that marriage, like love, is equal parts complicated and beautiful. Praise for Molly Rosen Guy and the Stone Fox Bride phenomenon “The current wedding-wear darling of the jammin’ and Instagrammin’ set [offers] an insouciant, antiestablishment approach to weddings.”—The New York Times “[Molly Rosen Guy is] making waves in the bridal industry thanks to her eclectic eye and refusal to conform to clichéd traditions.”—W “Molly Rosen Guy built a business filling the needs of women who long for something more than your run-of-the-mill, princess-y flou for their big day.”—Vogue*

*This upbeat memoir is full of the edgy humor Patti Ann Browne’s fans love. She takes an honest look at the highs and lows of her life, both on and off the air. She provides insights into the turbulent world of television news and weaves in advice for aspiring*

*journalists, parents of preemies, working moms, and anyone trying to stay grounded in a world that increasingly values superficiality. In this entertaining and intimate memoir, the woman known by fans as "The Notorious P.A.B." reveals why she walked away from her TV news career after three decades. Patti Ann Browne also shares funny and poignant stories of her life off camera—from how she met her husband four years after turning down a blind date with him, to her son's near death shortly after his premature birth and how it changed her perspective on life. She chronicles life as an "Irish triplet," and tells the dramatic story of her twin sister secretly placing a baby for adoption and being reunited with him decades later. While many books declare that you can "have it all," Patti Ann dares to say no one can...but with flexibility and gratitude, you can come close. From local cable to MSNBC and then Fox, the #1 cable news network in America, Patti Ann describes her determination to write her own story. She resists the pressures of climbing to the top and the sacrifices that entails, ultimately choosing faith and family. From her humble upbringing in Queens to rubbing elbows daily with the world's movers and shakers in Manhattan, Patti Ann explains how she found a way to enjoy the perks of the glamorous life of an anchor while (mostly) avoiding the pitfalls. Fiercely protective of her middle-class lifestyle, Patti Ann believes simple pleasures are*

*life's greatest joys. Her uplifting story is one of following your heart, owning your mistakes, living with integrity, and leaving the rest to God. Rooted in faith and optimism, it's a redemptive tale of humility and serendipity. Patti Ann demonstrates that with hard work and a willingness to change course, we can all write a life story with a happy ending.*
