Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

techniques used  
(such as video  
feedback), the  
empirical evidence  
base for the  
approach, and  
training  
requirements.

Many chapters  
include illustrative  
case material.

In the last decade,

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

few topics in social and personality psychology have attracted more interest than the application of attachment theory to adult relationships.

Comprehensive and up-to-date, this book

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

integrates the most important theoretical and empirical advances in this growing area of study and suggests new and promising directions for future investigation. Its

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

balanced coverage  
of measurement  
issues, affect  
regulation, and  
clinical

applications makes  
this a valuable  
sourcebook for  
scholars, students,  
and clinicians.

From foremost  
authorities, this

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

comprehensive work is more than just the standard reference on attachment-it has “become indispensable” in the field. Coverage includes the origins and development of attachment theory;

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

biological and  
evolutionary  
perspectives; and  
the role of  
attachment  
processes in  
personality,  
relationships, and  
mental health  
across the  
lifespan.

When

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

developmental  
psychologists set  
forth the theory  
that the roots of  
adult

psychopathology  
could be traced to  
childhood

experience and  
behavior, the idea  
quickly took hold.

Subsequently, as

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

significant  
research in this  
area advanced  
during the past  
decade, more  
sophisticated  
theory, more  
accurate research  
methodologies,  
and improved  
replication of  
empirical findings

Online Library

Applications

behave in different situations and at different stages in the life cycle. Topics include the effects of early experiences on adult relationships; new developments in neuroscience and genetics; attachment orientations and parenting; connections

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

between attachment and psychopathology, as well as health outcomes; and the relationship of attachment theory and processes to clinical interventions. Although workplace design and management are gaining more and

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research And  
Clinical  
Applications

more attention from modern organizations, workplace research is still very fragmented and spread across multiple disciplines in academia. There are several books on the market related to workplaces, facility management (FM),

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory  
Research And  
Clinical  
Applications

and corporate real estate management (CREM) disciplines, but few open up a theoretical and practical discussion across multiple theories from different fields of studies. Therefore, workplace researchers are not aware of all the

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

angles from which workplace management and effects of workplace design on employees has been or could be studied. A lot of knowledge is lost between disciplines, and sadly, many insights do not reach workplace managers in practice.

Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

Therefore, this new book series is started by associate professor Rianne Appel-Meulenbroek (Eindhoven University of Technology, the Netherlands) and postdoc researcher Vitalija Danivska (Aalto University, Finland) as editors,

Online Library  
Handbook Of  
Attachment, Third  
published by  
Routledge. It is titled  
'Transdisciplinary  
Workplace Research  
and Management'  
because it bundles  
important research  
insights from  
different disciplinary  
fields and shows its  
relevance for both  
academic workplace  
research and

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

workplace management in practice. The books will address the complexity of the transdisciplinary angle necessary to solve ongoing workplace-related issues in practice, such as knowledge worker productivity, office use, and more

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical  
Applications

strategic workplace management. In addition, the editors work towards further collaboration and integration of the necessary disciplines for further development of the workplace field in research and in practice. This book series is relevant for

Online Library  
Handbook Of  
Attachment, Third  
Edition: Theory,  
Research, And  
Clinical
