***Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Duisburg-Essen (Anglophone), language: English, abstract: It has not been a surprise that over the last years the novel of a boy with a scar and magic abilities has inspired children and adults. People cannot stop reading the story of a young boy who goes to a wizard school named Hogwarts. But have they thought why readers are attracted to this book series? And how it has influenced them in different ways? These are questions, this paper tries to answer. Furthermore, the main goal will be to answer the question in what way does symbolism appear into the novel? What is the meaning of the symbols in this novel? These questions will be answered by both: analysing the context in which they appear and their possible meaning in the novel. The answer would be simple: Due to many stylistic and rhetorical devices, J. K. Rowling enlightens the world of the and gives us the possibility to discover it. However, a big part of this input comes from symbolism she uses as an author to catch attention in a better way. An entire generation has been influenced of how the author J. K. Rowling turns the world of a book into a living one. Therefore, it is no surprise that this piece of fantasy***

***literature has become an important object of various studies. The novel itself can be investigated in several ways. This means Harry Potter as a fantasy novel is a masterpiece of literary and stylistic devices. It can also be approached as a good example of how an author could with use of symbolism write a good novel. In this term paper, the author would therefore like to limit the field of study to the meaning of the symbols we can find in Harry Potter. Furthermore, there will be a short definition to give an overview about what are core aspects in Heroic fantasy? This should help to get an impression of what is important in this genre and how it is presented. The term paper will be structured with a theoretical framework, the analysis and a conclusion to summarise all important results and with a look in the future concerning symbolism. There are a lot of traditional symbols with different origins and meanings. In this term paper the author is describing only the most common symbols like e.g. good versus evil, magic, names and spells and other important symbols which she considers as nameable. She will be working with the hypothesis that patterns can be found in the manner of symbolism in many various ways. A special new edition in celebration of the 20th anniversary of the***

And it's haunting Harry Potter's dreams. Why else would he be waking in the middle of the night, screaming in terror? It's not just the upcoming O.W.L. exams; a new teacher with a personality like poisoned honey; a venomous, disgruntled house-elf; or even the growing threat of He-Who-Must-Not-Be-Named. Now Harry Potter is faced with the unreliability of the very government of the magical world and the impotence of the authorities at Hogwarts. Despite this (or perhaps because of it), he finds depth and strength in his friends, beyond what even he knew; boundless loyalty; and unbearable sacrifice. *J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, VERY GOOD LIVES presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.*

*'Harry Potter e a Pedra Filosofal' conta a história de um menino que dorme embaixo de uma escada na casa dos tios. Quando ainda bebê, Harry teve sua casa invadida por um terrível bruxo responsável pelo assassinato de seus pais e é o único sobrevivente. Porém, Harry não sabe disso, e acha que é apenas um garoto normal que às vezes parece fazer coisas estranhas acontecerem. Entretanto, no dia de seu aniversário de 11 anos, Harry recebe uma visita inesperada e descobre que é um bruxo, assim como seus pais foram, e que está convidado a ingressar na*

This will, due to space restrictions, be achieved through an exemplary analysis of the three genres that were amongst the most frequently mentioned in connection with the Harry Potter books: Fantasy, the folktale, and the school story. Before taking a closer look at the three major genres of Harry Potter, the following chapter will first of all briefly define the concept of genre in general, give a short explanation of how genres can be used in terms of marketing strategies and of how they can influence the reader. The main emphasis of the essay will be on the following three chapters that are more or less constructed equally and contain in each case one of the above-*

*mentioned genres. In the first part of each chapter, the genre will be defined and examined according to its origins, followed by an analysis of the main characteristics that constitute each genre. Subsequently, the characteristics of each genre will be analysed within Harry Potter and the Philosopher's Stone, to show that Rowling's book series actually incorporates the different genres. Finally, it will be illustrated, how the three different genres affect the reader, leading to the fascination of the novels. As the fantasy genre influences all the others, this genre will be presented first and the most extensive, followed by the folktale and ultimately the school story. In the tradition of the great classic children's series, including Winnie the Pooh and Paddington Bear, the first Harry Potter book is now available in Latin. Translated with wit, sensitivity and panache, the translation is both accurate and fluent. Of huge interest to all those who are studying Latin, whether at school or at a higher level, this is the perfect gift for the Harry fan who has everything.
