A Book About Good Sportsmanship. "But I HATE losing! GEEEEZE!" Wendell HAS to win at everything, and if he doesn't, he whines about it. When Wendell has one of those days where nothing seems to go his way, his mom helps him understand that everything in life doesn't have to make you a loser. In fact, it can make you stronger! She also points out that although it feels great to celebrate a win, winning isn't everything, and whining about things just makes it worse. "Whiners aren't winners, and winners never whine. You can't win at everything all of the time."
very challenging topics: winning and whining.

Make Room for More Joy, Greater Confidence, and New Levels of Influence

Release the negative thoughts and feelings that are weighing you down and make room for the good things you should have in your life with #1 New York Times bestselling author Joel Osteen. You were created to be filled with joy, peace, confidence, and creativity. But it's easy to go through life holding on to things that weigh you down--guilt, resentment, doubt, worry. When you give space to these negative emotions, they take up space that you need for the good things that move you toward your destiny.

How much room are you giving to shame, to regret, to being against yourself? Whatever it is, it's too much. Life is too short for you to live bitter and discouraged, letting your circumstances hold you back. Every morning you have to empty out anything negative from the day before and put on a fresh new attitude. Power up and get your mind going in the right direction, and you'll step into all the new things God has in store for you.

A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you ' ll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you ' ll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you ' ll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

A perfect picture book to share with children starting school or those riding the school bus for the first time. It ' s the first day of school for Tess, and it ' s also her very first ride on a school bus. Waiting at the bus stop with her older friend Gus, Tess eagerly asks, " Is this the bus for us, Gus? " as each vehicle passes by. Award-winning author and illustrator Suzanne Bloom introduces young readers to a diverse cast of characters and a variety of vehicles in this charming book that makes a great gift for any child about to start school.

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback! Perfect for fans of Mo Willems's Don't Let the Pigeon Drive the Bus! and Jon Klassen's I Want My Hat Back! Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives--a wolf who HATES eating frogs--our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels--I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers--or it might just make them giggle."--Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."--Kirkus "This amusing story ends with a laugh and a much more content frog."--School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."--Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."--iWall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction--for both the green hero and the many fans he'll make with this book."--Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."--The Bulletin of the Center for Children's Books

*"Here's a delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving. Just think of all the little buckets this book will fill with love and encouragement." —Dr. Kevin Leman, author of Have a New Kid by Friday*

*The day you were born was a very happy day. You are a special gift. Everyone was so happy to see you. But, there was one part of you that they could not see. It was your bucket, your invisible bucket. While using a simple metaphor of a bucket full of hearts and stars, authors Carol McCloud and Katherine Martin, M.A. illustrate, in the sweetest of ways, that we are all born with an invisible bucket and that our bucket holds all of our good thoughts and feelings. This book highlights the many ways that families and caregivers use to fill the buckets of children but also gives young children simple ideas on how to BE a bucket filler as well. This 24-page picture book is perfect for children, parents, grandparents, teachers and people that want to teach empathy, nurture kindness and create a positive environment in their home, classroom, workplace and community. A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In The Food Lab, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.

In this Caldecott Honor–winning picture book, The Twilight Zone comes to the carrot patch as a rabbit fears his favorite treats are out to get him. Includes audio! Jasper Rabbit loves carrots—especially Crackenhopper Field carrots. He eats them on the way to school. He eats them going to Little League. He eats them walking home. Until the day the carrots start following him...or are they? Celebrated artist Peter Brown’s stylish illustrations pair perfectly with Aaron Reynold’s text in this hilarious picture book that shows it’s all fun and games...until you get too greedy.

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

**An illustrated adaptation of the long-running bestseller How Full Is Your Bucket? (more than 400,000 copies sold) for kids — told through the story of a boy who learns a valuable “bucket filling” metaphor and watches it come to life as the day unfolds. Every moment matters. Each of us has an invisible bucket. When our bucket is full, we feel great. When it’s empty, we feel awful. Yet most children (and many adults) don’t realize the importance of having a full bucket throughout the day. In How Full Is Your Bucket? For Kids, Felix begins to see how every interaction in a day either fills or empties his bucket. Felix then realizes that everything he says or does to other people fills or empties their buckets as well. Follow along with Felix as he learns how easy it can be to fill the buckets of his classmates, teachers and family members. Before the day is over, you’ll see how Felix learns to be a great bucket filler, and in the process, discovers that filling someone else’s bucket also fills his own.**

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and

glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. This ebook includes audio narration. A deliciously imaginative story about friendship—from the author / illustrator of The Scrambled States of America. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. "Good-bye!" Arnie yelled to each doughnut. "Have a good trip!" "This is so exciting!" Arnie beamed. "I wonder who will choose ME?" At first glance, Arnie looks like an average doughnut—round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts—or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself. This title has Common Core connections Arnie, the Doughnut is a 2004 Bank Street - Best Children's Book of the Year.
