Hell Breaker *(Shadow Detective* *Book 9)*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have

nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love.

Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Detective Morgan Rook. Until a malevolent force arrives, a force darker than anything he's ever known. When a new wave of ritual murders hits the city, Morgan thinks he's finally found his sworn enemy; the witch who cursed and killed the woman he loved. The witch he means to destroy by any means necessary. But as corpses appear inscribed with strange occult symbols, and rigged with paranormal traps, Morgan realizes he's facing a terrifying new evil. And that the only way of stopping the killer is to confront his own past by entering a terrifying labyrinth of shadows. Dark City is a fast paced urban fantasy supernatural thriller brimming with magic, spine-chilling horror and otherworldly monsters.

When Nora Kane discovers her best friend murdered and her boyfriend the

apparent killer, she is caught up in a web of secret societies and conspirators, all searching for a device purported to allow direct communication with God.

In the still shadows of the confessional, the penitent kneels and makes a bone-chilling disclosure: 'Bless me, Father, for I will sin.' Slowly, tauntingly, the man describes his murderous past - how he stalked his victim, worked his way into her life, and then took that life in a violent rage - and his plan to kill again. Only this time, he has raised the stakes in his twisted game, daring authorities to catch him if they can. This time, he has revealed the name of his next intended victim. 'I'm a heartbreaker. And I do so love a challenge.' Agent Nick Buchanan has come face-to-face with society's worst monsters and depraved minds in his work for one of

the FBI's most elite units. He's about to take a much-needed vacation from his high-stress job, when he's called on to stop the killer who has mockingly confessed to the deadly crime he's going to commit. Nick can't refuse - for this time the threat has hit close to home. The intended victim is his best friend's sister. Soon he is caught up in an intricate chase with one of the most devious psychopaths of his career - in a case that suddenly, unexpectedly, pulls him in like no other.

In this provocative, classic metaphysical thriller, a group of suburban amateur actors plagued by personal demons and terrors explore the pathways to heaven and hell. Certain inhabitants of Battle Hill, a small community on the outskirts of

London, are preparing to mount a new play by the neighborhood's most illustrious resident, the writer Peter Stanhope. Each actor struggles with self-absorption, doubt, fear, and sin. But "the Hill" is not like other places. Here the past and present intermingle, ghosts walk among the living, and reality is often clouded by dreams and the dark fantastic. For young Pauline Anstruther, who is caring for an aging grandmother and frightened by the specter of a doppelgänger who gets closer with each visitation, the prospect of heaven exists in the renowned playwright's willingness to bear the burden of

her terror. For eminent historian Lawrence Wentworth, the rejection of his desire pulls him deeper inside himself, leaving him vulnerable to the lure of the succubus and opening wide the entrance to hell. A brilliant theological thriller, *Descent into Hell* is an extraordinary fictional meditation on sin and personal salvation by one of the twentieth century's most original and provocative literary artists. Charles Williams, a member of the Inklings alongside fellow Oxfordians C. S. Lewis, J. R. R. Micheline Helsing is a tetrachromat -- a girl who sees the auras of the undead in a prismatic spectrum. As one of the last descendants of the Van Helsing lineage, she has trained since childhood to destroy monsters both corporeal and spiritual: the corporeal undead go down by the bullet, the spiritual undead by the lens. With an analog SLR camera as her best

My name is Mike Raven. I hunt nightmares. Demons murdered my parents when I was eight. Turns out my folks were paranormal investigators and Hell always settles its scores. Naturally I decided to join the family business. For two decades I've studied the occult and traveled the world fighting monsters. Vampires. Shifters. Demons. Ghosts. I've faced them all. But my biggest challenge lay ahead... From the moment Celeste stepped into my

office, I knew she was in trouble. Black magic trouble. Her father had promised her soul to a powerful demon on the day she was born. Now, twenty-one years later, the forces of darkness were gathering to collect their long-awaited prize. Guess who's about to pick a fight with the Devil himself...

A modern but classically styled spy novel in the spirit of John Le Carré and Chris Pavone, *A Shadow Intelligence* follows a mercurial MI6 agent, Elliot Kane, as he goes off script to find his lover, who went missing while embroiled in a dangerous scheme in

James Byrne's The Gatekeeper

introduces Dez Limerick in the most

anticipated new thriller in years. A

highly trained team of mercenaries

launches a well-planned, coordinated

attack on a well-guarded military

contractor - but they didn't count on

one thing, the right man being in the

wrong place at the right time.

Desmond Aloysius Limerick ("Dez" to

all) is a retired mercenary, and

enthusiastic amateur musician, currently in Southern California, enjoying the sun and sitting in on the occasional gig, when the hotel he's at falls under attack. A skilled team attempts to kidnap the Chief legal counsel of Triton Expeditors, a major military contractor – in fact, Petra Alexandris is the daughter of the CEO – but their meticulously-planned, seamlessly executed scheme runs into the figurative 'spanner-in-the-works,' Dez himself. After foiling the attack, and with nothing better to do, Dez agrees to help Alexandris with another problem she's having – someone has embezzled more than a billion dollars from her company and left very few tracks behind. But Dez is a gatekeeper – one who opens doors

and keeps them open – and this is just a door of another kind. And the door he opens leads to a dangerous conspiracy involving media manipulation, militias, an armed coup, and an attempt to fracture the United States themselves. There's only one obstacle between the conspirators and success – and that is Dez, The Gatekeeper.

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in

Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo

journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

I've just been abducted from the streets of my city. When I wake up, I find myself on a deserted island with other captives. We've been stripped of all our possessions and humanity. As for my captors? They're werewolves. Brutal, territorial, wild men who want to claim me. I still can't believe it.

They declare I'm the one who will save their species. They want to break me. They want me to bow. All I want is to get off this island alive. Whether these ruthless men plan to hunt me or force me to submit as their mate, I can't say. My only chance of survival seems to dwell with five devastatingly handsome men who are stranded with me. We must rely on each other and an unexpected ally who claims I'm his soulmate to figure out how to escape the island. If we can't, we'll succumb to the call of the moon. We will never see the human world or each other again. Discover a world with dangerously hot shifters and morally ambiguous men who will do anything for their woman. This heart-pounding survival story will linger for days. Get

Desperate to find a case to justify the team's existence, with budget cuts and a police strike on the horizon, Quill thinks he's struck gold when a cabinet minister is murdered by an assailant who wasn't seen getting in or out of his limo. A second murder, that of the Commissioner of the Metropolitan Police, presents a crime scene with a message...identical to that left by the original Jack the Ripper. The new Ripper seems to have changed the MO of the old completely: he's only killing rich white men. The inquiry into just what this supernatural menace is takes Quill and his team into the corridors of power at Whitehall, to meetings with MI5, or 'the funny

people' as the Met call them, and into the London occult underworld. They go undercover to a pub with a regular evening that caters to that clientele, and to an auction of objects of power at the Tate Modern. Meanwhile, in Paul Cornell's *The Severed Streets*, the Ripper keeps on killing and finally the pattern of those killings gives Quill's team clues towards who's really doing this....
