

Hell On Earth Trilogy: The Complete Apocalyptic Saga

"From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's Inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death.

Book 2 in the hit zombie series readers have described as, "Stephen King's 'The Stand' meets 'The Walking Dead'."In the weeks after a virus decimated humanity and left less than 5,000 people alive in the U.S., a diverse group of survivors struggles to stay alive. Farmer, Wim Wagner has abandoned the safety of his farm in hopes of finding Ramey, the mysterious girl who flitted in and out of life in the midst of the outbreak. But, Ramey is on the road searching for her father and trying to locate the mysterious X on a map that promises safety. Meanwhile, survivors like Jorge and Bundy find themselves lost on the road, trying to locate other human beings and fighting off hordes of zombies. Some rescue missions end in success, but others in tragedy. Teenager, Mitch is trapped in a secret, underground bunker along with his mother and thousands of the undead. Mina has escaped the hospital after killing her father when he turned into a zombie. Grady desperately attempts to protect his autistic son after the boy died and returned as one of the undead. They're only a few of the men and women fighting survival in a world where the dead have returned to life and overtaken the country. Will they find each other on the road or are they destined to life and die alone?**A post-apocalyptic, dystopian***

horror story, "Road of the Damned" is book 2 of the "Life of the Dead" saga. It tells the story of multiple men and women from all walks of life, dealing with a zombie apocalypse. Wim - a 30 year old farmer. Ramey - a high school drop out. Mead - a washed up line cook. Bundy - a 500 pound prisoner. Jorge - an army medic. Emory - a 80 year old millionaire. Juli - a lonely but resourceful suburbanite. Grady - father to an autistic son. Mitch - the spoiled son to a US Senator. Mina - a housekeeper caring for her abusive father. Solomon - a violent and cunning businessman. Aben - a homeless war veteran. What readers are saying: "I f***g love this book, man!" Nathan "It's Stephen King's The Stand meets The Walking Dead! Graphic and well written with fully developed characters. Read it in a few hours. Can't wait for the next book!!" Audrey S. "One of the best I've read in a long time." Bill H. "Disgusting, poignant and fun." Rachel S. "Loved this book! There are a lot of characters to meet and I can't wait to see if any of them cross paths in the series. It's a quick and easy read with a lot of action and some intense scenes! Looking forward to the next one." Amazon Customer "Holy Nutballs - This was Amazing" Amazon Reviewer "Just loving this story, can't wait for the next part. The characters are good and I like the authors style of writing and structure." Book Demon "4.5 stars. A good/solid zombie story with plenty of diverse characters." Dave "I really could not put this read down until it was done. The beginnings of all the characters were great and I can't wait to read what's in store for the next sequel. Thank you for a great, great read!!" KennG "The characters, in my opinion, were excellently written and developed. A very good book to read to occupy your time." Marcus**

"Guy Granger is a Coast Guard captain in search of his kids. Mina Magar is a photojournalist taking pictures of horror she had never imagined. Rick Bastion is a fading popstar with his head in a bottle and little care about survival. Tony Cross is stuck on the Iraq-Syria Border, but fighting insurgents is no longer a priority. There's much worse threat to world peace now. Follow them all as they try to stay alive" -- back cover.

River Thirteen years have passed since the war started, bombs fell, and the central states became a thing of the past. When the war ended, the government erected a wall to divide the surviving states from the destroyed ones. I never expected to leave my town, but unlike those who volunteered to go, I wasn't given a choice. With a dim knowledge of my strange abilities,

the soldiers came for me. They took me beyond the wall, where I learned the truth is far more terrifying than I imagined. Alone, with humans and demons eager to see what I can do, I find myself irresistibly drawn to the one man I should avoid most—a man who isn't even really a man. Kobal I've spent my entire life with one mission... reclaim my throne from Lucifer and fix what the angels tore apart when they cast him from Heaven. Not even when the humans tore open the gates, and unleashed Hell on Earth, did I waver from my goal. I've never been closer to my throne, yet I find myself risking everything because I can't stay away from her... the woman who might be the key to destroying Lucifer. *** Due to sexual content, violence, and language, this book is recommended for readers 18+ years of age. B.P.R.D.: Hell on Earth Volume 1 - New World

Suburban Hell

Major Lewis Cayce will need to use every weapon in his arsenal to keep his stranded men alive on a deadly alternate Earth in this gripping new adventure set in the world of the New York Times bestselling Destroyermen series. It is 1847, and almost a full year after being shipwrecked on another, far stranger and more dangerous Earth on their way to fight Santa Anna in the Mexican-American War, Lewis Cayce and his small group of artillerymen, infantrymen, and dragoons have made friends in the Yucatán, helped build an army, and repulsed the first efforts of the blood-drenched Holy Dominion to wipe their new friends out. As an even more radical cult of Blood Priests arises and begins to pursue its own path to power, the Dominion can't let its defeat stand. It must crush the heretics and expel them from the land it has claimed. Fortunately, Lewis Cayce is a professional. He understands defense can only result in a stalemate at best, and a stalemate with the more populous Dominion will only lead to defeat in the end. The lucky few will be enslaved. The rest will be sacrificed in the most horrific way imaginable. The only hope his new allies have is to win—and to do that, his little army must attack the most powerful and diabolical enemy on the planet in its own territory. Achieving victory will take all Lewis's imagination, the courage and trust of his soldiers—and all the round shot and canister his tiny band of artillerymen can slam out.

When he's 'gifted' a state-of-the-art companion that he can't send back, Peyton is far from pleased. She's sentient. She's sexy. She's everything he doesn't want complicating his life. He calls her Hell. She calls him a lot of inappropriate things, at least in her mind. Because there are rules to a relationship like theirs. Master and Slave. She's supposed to obey him in all things. But if that's true, why can't she stop meddling in his life? She's a mystery that Peyton needs to solve. But time is running out for Hell. The deadly truth of her origins is about to catch up with her ...and change the course of human civilization forever.

WrenIt's been fourteen years since the gateway to Hell opened and life as I knew it ceased to exist. Taken in by a group of humans, I've managed to survive in the Wilds. Now I have a chance to do more than survive while building a better life for all Wilders. Unfortunately, it means doing the one thing I never believed I would do-joining with the demons I've always considered my enemies. Working with demons wouldn't be a horrible prospect except it means dealing with Corson. The irritating demon who manages to get under my skin until I'm not sure if I'd rather kill him or kiss him. The closer I get to him, the more memories of my long-buried past slip free, leaving me uncertain of what's real and what's not...or even of who I am. CorsonI'd thought joining with the Wilders to hunt down the creatures that escaped Hell was a job I'd enjoy. Not only do I get to kill my enemies, but I also have a chance to get closer to Wren. I wasn't expecting the stubborn woman to go out of her way to avoid me. Cut off from our allies, Wren has no choice but to work with me. However, the more time we spend together, the more I realize that though she would prefer me dead, there's nothing I won't do to keep her safe. When a lethal new threat rises, I begin to fear keeping Wren alive may be impossible. ***The Hell on Earth series is a spin-off of the Road to Hell series. Bale Dreams of the darkness have haunted me since childhood. I always assumed one day I would uncover the answer to what the darkness hid... and that those answers would destroy me. However, after learning who my mate is, I know it won't be the darkness that kills me... it will be him. No matter what happens, I plan to take Wrath with me when I die. Wrath I wasn't prepared to discover my Chosen in the tempting, red-haired paliton, but now that I've found her, I'm not letting her go... even if she'd prefer to see me dead. Determined to make Bale bow to my will, I wasn't expecting the turn of events that thrusts us into a situation far deadlier than any I've ever encountered. Nor was I expecting to fall for the infuriating beauty. She may want to kill me, but she will be mine... unless the answers to what lay within the darkness destroy us both first. A new novel in the beloved New York Times bestselling Longmire series. What if you woke up lying in the middle of the street in the infamous town of Fort Pratt, Montana, where thirty young Native boys perished in a tragic 1896 boarding-school fire? What if every person you encountered in that endless night was dead? What if you were covered in blood and missing a bullet from the gun holstered on your hip? What if there was something out there in the yellowed skies, along with the deceased and the smell of ash and dust, something the Northern Cheyenne refer to as the Éveohtsé-heóm?se, the Wandering Without, the Taker of Souls? What if the only way you know who you are is because your name is printed in the leather sweatband of your cowboy hat, and what if it says your name is Walt Longmire . . . but you don't remember him? In Hell and Back, the eighteenth installment of the Longmire series, author Craig Johnson takes the beloved sheriff to the very limits of his sanity to do battle with the most dangerous adversary he's ever faced: himself.

What happens when a single moment changes everything? For seventeen-year-old Cheney, life on earth exists only in history books. He and more than one thousand other people have known life only aboard the Plexus spacecraft: self-contained, systematic, and serene. But that was before the radiation wave. Now Plexus has suddenly turned on them, becoming a terrifying and unrecognizable force. As the crew dwindles under attack, Cheney and his friends need to fight back before the ship that's nurtured them for so long becomes responsible for their destruction.

Author Kylie Chan has a boldly, brazenly unique take on urban fantasy—she combines it with Kung Fu. In Earth to Hell, Chan launches the characters from her Dark Heavens trilogy (White Tiger, Red Phoenix, Blue Dragon) on a new adventure that will take them from the teeming streets of Hong Kong through the portals of Hell to set free a friend—as demons and devils rise up to challenge them in life-or-death battle, forcing Emma Donahoe Chen, wife of God of the Northern Heavens, to seek the help of a sworn foe, the fearsome Demon King. An irresistible blend of Chinese mythology, martial arts action, and ingenious invention, Earth to Hell is a treat for Kung Fu movie fans; for readers of Lilith Saintcrow, Liz Williams, Karen Chance, Devon Monk, and Ilona Andrews; and for anyone who desires a different kind of fantasy.

She must find out what evil plans Lucifer and his minions have in store and stop them, using any means necessary. Adding trouble and temptation to Mel's job is Luce Iblis, the damnably hot CEO, who has set his smouldering eyes on the new office angel and he's determined to claim her, body and soul. Can ultimate evil and angelic perfection escape a limbo of desire and find a paradise of their own? A tiny taste of what's in store: "Do you know how long you've made me wait?" Luce lifted his chin. "Close the door." Mel turned and kicked the door shut with the sole of one shoe. The click of it closing coincided with her eyes meeting Luce's once more. "Now strip and get your arse on the desk," Luce instructed. Mel stared at him. He couldn't be

serious, could he? "Every other girl in this building knows how to do as she's told. Do you know how many girls I've had on this desk? You should consider yourself lucky. The last one I had in here was so quick getting undressed that I managed to give her a full fifteen minutes of my time. At this rate, you'll be lucky to have five." Mel became transfixed by the timber desktop. "Did you wipe it clean afterwards?" "What?" Luce's face reddened. The New York Times and USA Today bestselling series They dive so humanity survives ... More than two centuries after World War III poisoned the planet, the final bastion of humanity lives on massive airships circling the globe in search of a habitable area to call home. Aging and outdated, most of the ships plummeted back to earth long ago. The only thing keeping the two surviving lifeboats in the sky are Hell Divers—men and women who risk their lives by skydiving to the surface to scavenge for parts the ships desperately need. When one of the remaining airships is damaged in an electrical storm, a Hell Diver team is deployed to a hostile zone called Hades. But there's something down there far worse than the mutated creatures discovered on dives in the past—something that threatens the fragile future of humanity.

*River, When I find myself face to face with Lucifer, I realize that what he wants from me could destroy Hell and the world. There isn't anything I wouldn't do for those I love, but I'm not sure I can do what is necessary to stop Lucifer's plans... even if I'm the only one who can. Koba, As the battle for Hell rages, the line between enemies and allies blurs. To protect River, I will do whatever it takes to destroy Lucifer and reclaim my throne. With Hell torn apart, I know two things for certain, many will perish, and nothing will ever be the same again. WELCOME TO SAFE HAVEN, POPULATION 907... Nestled in the woods of Wisconsin, Safe Haven is miles from everything. With one road in and out, this is a town so peaceful it has never needed a full-time police force. Until now... A helicopter has crashed on the outskirts of town and something terrible has been unleashed. A classified secret weapon programmed to kill anything that stands in its way. Now it's headed for the nearest lights to do what it does best. Isolate. Terrorize. Annihilate. Soon all phone lines are dead and the road is blocked. Safe Haven's only chance for survival rests on the shoulders of an aging county sheriff. And as the body count rises, the sheriff realizes something even more terrifying - maybe death hasn't come to his little town by accident... WELCOME TO SAFE HAVEN, POPULATION 907... 906... 905...
