

Hidden Goddess (Shadows Of The Immortals Book 4)

In a study of the dark side of the human soul, two psychotherapists draw on Jungian psychology to explain how to work with this darkness to revitalize one's life

The Hidden Goddess delves into the Bible to uncover the goddesses that have been buried within it. As well as discussing familiar figures such as Eve and Mary, the book also features Asherah, Sophia, Lilith, and others, exploring their histories, their roles in early Judaic Christian belief and their subsequent suppression. '...a readable and accessible antidote to the stereotype that the divine feminine is absent in the biblical traditions. A great resource for women and men seeking the Goddess in unlikely places. Professor Mary Ann Beavis, Ph.D., St. Thomas More College

From Pauline J. Alama comes a stirring fantasy tale of three vagabonds in a dying world and their terrifying quest into the heart of darkness... The Eye Of Night It is a magical world on the verge of collapse. In the North the Troubles rage. Cities

and kings are being annihilated; the very earth is in upheaval, waking even the dead from their graves. All notions of time and space, of day and night, of seasonal change seem fractured beyond repair. But as the chaos moves slowly south, engulfing land after land, three unlikely heroes--an ex-priest, a battered serving girl, and an exquisitely beautiful, refined lady--journey bravely to the dying regions, their only weapon an enchanted stone of enigmatic power and ancient origin. Jereth, disillusioned with his faith in the Rising God and robbed of his family after a deadly shipwreck, struggles to find meaning in his blighted life, searching the devastated land without direction--until he meets two extraordinary women. Each has her own secrets to keep; both are on a quest to save the world. But they must first save themselves, conquering their demons and rousing their well-disguised strengths. Only then will it be revealed how three penniless, unarmed wanderers can light a darkening world. For one is a prophet, one is a fool, and one's life is now in their hands. Llewellyn is pleased to present a new Scott Cunningham

book—a long-lost Book of Shadows. Discovered in a battered manila envelope, this previously unpublished manuscript was penned by Scott in the early 1980s. This rare book includes original spells, rituals, invocations, and an herbal grimoire. Featured in the design are Scott's actual hand-drawn signs, symbols, and runes. More than twenty years after his passing, Scott Cunningham is still an iconic and highly regarded figure in the magical community. His books on Wicca are considered classics, and his writings continue to inspire and inform those new to the Craft.

Embracing Shadow and Light on the Goddess Path to Wholeness

Transform Your Life with Astrology, Magick, and the Sacred Feminine

What treasures does the Hidden Path hold for you? Insights into the

ancient wisdom of your craft- a beautiful way to align with mystical realms and magical energies- a powerful tool for receiving guidance about the possibilities ahead on your life's path? The gifts that await are as unique as each person who embarks on the journey. Multi-faceted and magical, The Hidden Path can be used by those on a nature-based spiritual path for divination, pathworking, celebrating seasonal rites, creating ritual experiences, and accessing the hidden Mysteries of the Craft. Bestselling Wiccan author Raven Grimassi and High Priestess Stephanie Taylor have collaborated once again with award-winning Pagan artist Mickie Mueller to create these transformative cards that can be used alone or as a complement to their popular Well Worn Path kit. The Hidden Path kit contains 40 cards, a 216-page guidebook, and a black organdy bag. "Can be used alone for insightful readings, pathworking, or ritual creation . . . this deck provides a complete tradition for the solitary practitioner . . . A great teaching tool!" --New Age Retailer

Since Phyllis Currot first published Book of Shadows, the story of her spiritual journey and initiation as a High Priestess in the Wiccan community, Witchcraft has captured America's imagination as a

theme for fiction, television shows, and films. Now America's highest-profile Witch returns to dispel more myths and misrepresentations of her faith, and to share a practical guide to the beautiful spiritual rituals and philosophies behind Wiccan tradition. Rich with enchanting stories from Currot's own experiences and detailed advice for creating potions, working with Nature, and finding the Divine within, Witch Crafting is much more than just another superficial recipe book. Currott's unique guidebook integrates the inspiration of religious wisdom with sound, practical information. Witch Crafting reveals how to: incorporate Wiccan practices into your daily life; master the secret arts of effective spell casting; create sacred space and personal rituals; perform divinations for insight and success; and tap the magical power of altered states, such as dreaming meditation, prayer, and trance. Perfect for beginners or seasoned practitioners, Witch Crafting is the ideal handbook for anyone seeking to unlock the divine power that makes real magic happen, and to experience the power and gifts of the universe more fully.

courage to change it? Dreyu Nattaya-Hayabusa has abilities beyond the norm, even for his extraordinary kin. Read his story and embrace a world that could have been..

Everything you know about the gods of Ancient Greece is a lie. Zeus. Hades. Poseidon. They do not exist as you've been told. For centuries, Persephone, the true Ruler of the Underworld, has watched humanity destroy themselves and the world around them. Known for centuries as her alter ego, Hades, she has guarded the souls under her care, her only interaction outside of her realm as C.E.O. of the largest financial company in the world, Cerberus Financial. She is content with this, except a soul has called to her and her alone for thousands of years. One that she finds herself bound to in more ways than one. Devon Aideonous was murdered, his killer unknown, his past as a mercenary haunting him in the afterlife. He is sent to the Underworld, but not as a soul meant to live out eternity there. He is something far more powerful, and the more he learns about his new power, the more secrets are uncovered from his past.

The Twelve Faces of the Goddess

Winner of the 2017 Nautilus Gold Book Award! The wisdom of the Mahavidyas, the ten wisdom goddesses who represent the interconnected darkness and light within all of us, has been steeped in esoteric and mystical descriptions that made them seem irrelevant to ordinary life. But with this book, written by a respected cardiologist who found herself on a spiritual search for the highest truth, you're invited to explore this ancient knowledge and learn how it can be applied to daily struggles and triumphs—and how it can help you find unreserved self-love and acceptance. The pursuit of contentment is an innate part of the human experience, arising from a fundamental sense of lack or inadequacy—all the things we believe to be wrong with us when we compare or judge ourselves. In our search for peace and happiness, we may find ourselves fighting the shadows within us, trying to repress or disown certain qualities, especially our anger, violence, discomfort, craving, and disappointment. But in order to stop this fight, we must expand our understanding beyond the dualities of good versus bad, right versus

wrong, and beautiful versus ugly, and accept the parts of ourselves we've tried to deny. Pulling from Eastern traditions including tantra and yoga, and focusing on the feminine principle of divine energy also known as Shakti, this book bridges the divide between dualistic concepts and non-dual philosophy. By exploring the symbolism of the Mahavidyas (Kali, Tara, Tripurasundari, Bhuvaneshwari, Tripura Bhairavi, Chinnamasta, Dhumavati, Baglamukhi, Matangi, and Kamalatmika)—each with a veiled face representing a destructive quality that perpetuates ignorance and suffering, and a true face representing the wisdom that stimulates profound transformation and liberation—you'll learn to embrace and incorporate every aspect of who you are. With practices, self-inquiry prompts, and stories from the author's own spiritual seeking, this exploration of the divine feminine will gently reveal the source of your fear, pain, and suffering, showing you that when you allow those parts of yourself to arise and simply be, you can finally begin to heal, overcome your limitations, and open to the light and beauty of your true nature. Providing a scholar's salute to a teacher, colleague, and friend, the contributors of this new volume honor the memory of Thorkild Jacobsen with essays on Mesopotamian history, culture, literature, and religion. Contributors include: Tzvi Abusch, John Huehnergard, Bendt Alster, Jeremy

Black, Miguel Civil, Jerrold S. Cooper, M. J. Geller, Stephen A. Geller, Samuel Greengus, William W. Hallo, Wolfgang Heimpel, Jacob Klein, W. G. Lambert, Jack M. Sasson, Ake W. Sjoberg, Piotr Steinkeller, H. L. J. Vanstiphout, and Claus Wilcke.

Lexi didn't set out to steal a god's ring, but when a magic artifact starts trying to talk to you, what's a girl supposed to do? She's always had the ability to talk to animals, but this new development amps up the crazy. Now she's afraid her power is out of control and she's losing her mind. The only person who could possibly reassure her that she's not going mad is her mother, who has always refused to discuss the source of Lexi's strange ability. Now that the jewellery is getting chatty, maybe she'll finally spill the beans. Unfortunately, going home means a trip back to the human territories, and Lexi only just made it out of there alive last time. She's hoping for a quick visit, but with a god hellbent on retrieving the ring and a fireshaper she might have accidentally betrayed on her tail, life is about to get horribly complicated--for her and everyone she cares about.

Cold. Rich. Dangerous. Billionaire Hades hides a terrible secret behind his wealth. A painful past left him battered and scarred. He ' s living on borrowed time until sheltered Persephone enters his life. He knows what it is to hurt. But the worst pain is to need. Persephone is only supposed to be a pawn in his game. A bargaining chip. But from the moment he lays eyes on her, he knows she ' ll be the one to break him. He won ' t give her up, even if it costs Persephone her heart. Even if it costs him his life.

A guide for solitaries, eclectics, and non-traditional Witches. It features lessons that contain meditations based on the Underworld journey teachings, as well as an advanced discussion of some facet of magick or witchcraft.

Discover the real sources of many of the traditions, beliefs, and techniques of modern Witchcraft! And what author Raven Grimassi reveals in Hereditary Witchcraft is the

Read Free Hidden Goddess (Shadows Of The Immortals Book 4)

documented ancient roots of the Old Religion. One-by-one, Grimassi goes through the tenets of Witchcraft and shows their ancient sources. The association of the pentagram with Witchcraft goes back at least 2,500 years. The idea of the four elements goes back to a philosopher named Empedocles of Sicily in around 475 B.C.E. The practice of many covens today of having a Priestess, Priest, and Maiden can be traced back over 2,000 years to ancient Pompeii. This book is filled with history, myth, and folklore. But it is also filled with rituals and techniques that you can do. On these pages you will learn how to prepare and banish a magic circle. You'll learn rituals you can do by yourself, including those for the Solstices, Diana's Day, and Cornucopia. With this information you can become a follower of the Old Ways! Of course, one of the most famous aspects of Witchcraft is magick. Grimassi doesn't disappoint here, either. You'll learn runic magick and divination; you'll learn about doing magick with the Moon and stars; you'll learn secret symbols and the powers of herbs. If you are a Witch - or you're thinking about becoming a Witch - this is one of the most important books you could possibly have. You'll find the documentation to support the antiquity of your beliefs and the way Witchcraft is practiced today. This book is both a guide for everyday life and a resource to discover Wiccan origins. If you don't have a copy of this book, get one today. You'll use it for the rest of your life.

Those interested in the history of myth and religion may be interested in this examination of the roots of the modern patriarchal religions. It claims they often lie in the older myths of multi-faceted pagan gods.

Riches Hidden in Secret Places

Talk about out of the frying pan and into the fire. Jake, the man of Lexi's dreams, is trapped in the underworld. Only Hades can free him, but Hades is missing, presumably a captive of the shadow shapers. Lexi wants nothing more than to free both of them, but the shadow shapers have hidden their tracks well. She has no idea where to start looking for the missing Lord of the Underworld until a visit to Death himself reveals vital information. Finally Lexi has a target, but this will be no ordinary rescue mission. In a faraway city, she must face the

shadow shapers on their home turf. She is the only hope for Jake and Hades, but there are too many gaping holes in her memory, too many things she doesn't know. And some of them are about to come back to bite her big time.

A sacred feminine initiation of self-love and soul care rituals, tools, and exercises. Spiritual teacher, intuitive coach, and award-winning author, Abiola Abrams invites you to activate African goddess magic to transmute your fears and limiting beliefs, so that you can create more happiness, abundance, and self-acceptance. Africa is a continent of 54+ countries, and her children are global. There is no one African spiritual tradition. Our ancestors who were trafficked in "The New World" hid the secrets of our orishas, abosom, Iwas, álúsí, and god/desses behind saints, angels, and legendary characters. From South Africa to Egypt, Brazil to Haiti, Guyana to Louisiana, goddess wisdom still empowers us. Writes Abiola, "Spirit told me, "We choose who shows up." And if you are holding this book, then this sacred medicine is meant for you. In this book, you will meet ancient goddesses and divine feminine energy ancestors,

legendary queens, and mystical spirits. As you complete their powerful rituals, and ascend through their temples, you will: . Awaken generational healing in the Temple of Ancestors; . Manifest your miracles in the Temple of Conjurers; . Release the struggle in the Temple of Warriors; . Embrace your dark goddess self in the Temple of Shadows; . Heal your primal wounds in the Temple of Lovers; . Liberate your voice in the Temple of Griots; . Open your third eye intuition in the Temple of Queens; and . Surrender, meditate, and rise in the Temple of High Priestesses. Welcome to your goddess circle!

Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the

Underworld? Don't miss any of the explosive action in the final thrilling instalment of the Kane Chronicles Trilogy.

The Hidden Power of Darkness on the Path

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

I do not seek to follow in the footsteps of the men of old; I seek the things they

Read Free Hidden Goddess (Shadows Of The Immortals Book 4)

sought. Basho In every tradition, saints and poets speak of the souls search for the beloved, the seekers yearning for the divine. This holy longing is a secret feeling with many disguises, leading us to pursue a higher union in spiritual practice, religious discipleship, even romantic embrace. It guides us to timeless wisdom and transcendent experiences. But it also can go awry when we misplace it onto food, alcohol, drugs, or sex. Or when we project it onto an authoritarian teacher, priest, guru, or roshi who abuses power. Whether the abuse is sexual, financial, or emotional coercion, we feel the shock of betrayal, our innocence lost, our faith shaken. This book tells the stories of renowned teachers Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena whose lives unfolded as they followed their longing. And it tells the tales of contemporary teachers of Buddhism, Hinduism, and Catholicism, who acted out their shadows in destructive ways, leaving their followers traumatized and lost. Both faithful seekers who feel hopeful and inspired and disillusioned seekers who feel hopeless and disoriented will find wise counsel here and will retrace the narrow path through the darkness toward the light.

Discover the Guiding Goddesses in Your Birth Chart and Ignite Your Authenticity, Passion, and Purpose Did you know that astrology and magick are woven from the same threads? The more you learn about one, the more you'll intuitively

Seven Ages of the Goddess

The Hidden Goddess

Cunningham's Book of Shadows

A Novel About the History of Philosophy

Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

Every good reference book is both a product and a reflection of its time. The Dictionary of Magic & Mystery is not just another compendium or dictionary of occultism: it is a jumping-off point for further research. Here, the reader will find the ancient and modern interpretation for magical and mystical terms, together with explanations for the differences between the varied (and often conflicting) approaches to magic.

With contributions from best-selling authors such as Morgan Daimler, Elen Sentier and

Read Free Hidden Goddess (Shadows Of The Immortals Book 4)

Jhenah Telyndru, as well as a new generation of up-coming writers, *Seven Ages of the Goddess* uncovers the history of the Goddess, from prehistoric origins through to the present day and beyond. Edited by Trevor Greenfield, publisher of Moon Books and editor of *Naming the Goddess* and *Goddess in America*.

Sixteen-year-old Jack thinks he's a failure. Living with aches and nausea, hearing voices and disconnected from his friends, he wonders if crystal meth might take the pain away. But when his mother ends up in a coma, and his father can't cope, Jack runs from home with his younger sister Emily. As the siblings shelter from a violent storm, goddess Freyja appears. She says they must travel to the realm of Sylvaheim to defeat the malevolent Lord Batu Glass and his partner Morgana. Growing in power, they now threaten all the realms. But the ultimate challenge lies within: Can Jack and Emily conquer their deepest fears to stop druglord Batu Glass and his henchmen, the traitorous ravens, before Jack's soul is lost too? *Shadows of Sylvaheim* is not just a coming-of-age mythic fantasy novel, it also acts as a Jungian guide to life. "It is a worthy undertaking to introduce young people to Jungian psychology and I applaud Toulas efforts and dedication. I wish her great success!" Dr Murray Stein Jungian Analyst, Author, Lecturer

Author Bio Dr Toulas Gordillo was born in Brisbane, Australia. She grew up travelling the country with a nature-loving father narrating stories, songs and poetry, and a mother who taught her music and distance education. The family eventually settled on the Great

Read Free Hidden Goddess (Shadows Of The Immortals Book 4)

Dividing Range: a city called Toowoomba. Toula's own life, in many ways, is as diverse as the protagonists in this book. Like Jack and Emily who also 'lived' west of the Range, Dr Gordillo followed a dream, escaping to an alternate reality through fantasy to cope with adversity during the teen years. At seventeen, Toula and her mother moved to Katherine in the Northern Territory. Here, Toula attended Katherine State High School and was exposed to the storytelling method of the Territory's First Nation's population. In one of the most remote regions of Australia, living and working in a predominantly indigenous community, combined with her father's passion for storytelling, Toula came to appreciate the value of using ancient 'fantastical' stories and images to pass on important information and knowledge. As a young undergraduate psychology student, Toula was briefly introduced to the work of Carl Jung. Years later, studying a Doctor of Creative Arts (Creative Writing) at the University of the Sunshine Coast, she understood Jung's premise. That is, conscious awareness of myth-based fantasy can not only help to explain 'reality', [1] but it is vital for health and healing. Dr Gordillo witnessed the curative power of combining mythic fantasy with reality firsthand in her varied careers as a teacher, Guidance Officer Intensive Behaviour Support (GOIBS) and Acting Head of Student Services in some of the largest state high schools in Australia. Assigned to only the most difficult cases, principals called Toula 'the pointy end of the stick'. For her, the 'stick' was a wand: a suite of fantasy-based stories and images that she used to transform young

Read Free Hidden Goddess (Shadows Of The Immortals Book 4)

people's lives. Today, as a practicing Clinical psychologist and Jungian psychotherapist specialising in children and youth, Dr Gordillo continues to develop innovative ancient stories and images as part of her Universal Psychology and Story Image Therapy(R) (SIT) method. She has dedicated the rest of her life to helping to improve young people's physical, mental, emotional and spiritual health through mythic fantasy. For more information, see www.toulagordillo.com. [1] As in one's perception of reality, rather than reality as an absolute construct.

Hindu and Greek mythologies teem with stories of women and men who are doubled.

This text recounts and compares a range of these. The comparisons show that differences in gender are more significant than differences in culture.

Time is running out for Zeus, who is trapped in the wires and slowly disintegrating into nothingness. Without him, Lexi's war against the shadow shapers is doomed to fail. To regain his physical form, Zeus needs his lightning bolt back, so all Lexi has to do is find its missing pieces and her troubles should be over, right? Wrong. She knows Poseidon has one of the missing pieces but, with no memories of her previous existence, Lexi doesn't even know where to start looking for him. And when the shadow shapers strike again, threatening everything Lexi holds most dear, it's clear that Zeus isn't the only one running short of time. Luckily Lexi isn't the type to turn her back on a challenge, because the fate of the gods themselves rests on her shoulders.

In a brilliant mix of magic, history, and romance, M. K. Hobson moves her feisty young Witch, Emily Edwards, from the Old West of 1876 to turn-of-the-nineteenth-century New York City, whose polished surfaces conceal as much danger as anything west of the Rockies. Like it or not, Emily has fallen in love with Dreadnought Stanton, a New York Warlock as irresistible as he is insufferable. Newly engaged, she now must brave Dreadnought's family and the magical elite of the nation's wealthiest city. Not everyone

is pleased with the impending nuptials, especially Emily's future mother-in-law, a sociopathic socialite. But there are greater challenges still: confining couture, sinister Russian scientists, and a deathless Aztec goddess who dreams of plunging the world into apocalypse. With all they must confront, do Emily and Dreadnought have any hope of a happily-ever-after?
