**“Death’s Sweet Embrace is a compelling read. I can’t wait to read more about the Brethren.” —New York Times bestselling author Keri Arthur “Tracey O’Hara writes in a voice full of passion and power.” —Nalini Singh** An exciting new star in contemporary urban fantasy, Tracey O’Hara returns with *Death’s Sweet Embrace*, the second book in her *Dark Brethren* series. In the bestselling vein of J.R. Ward and Patricia Briggs, O’Hara follows up her sensational debut, *Night’s Cold Kiss*, with a sizzling supernatural take on the Romeo and Juliet story, as two forbidden young lovers from rival shapeshifter tribes must join forces with Aeternus vampires to thwart a fiendish serial killer. Gripping, dark, and sensual, *Death’s Sweet Embrace* is an exceptional supernatural adventure that will appeal equally to discriminating fantasy fans and lovers of paranormal romance.

**These lion-shifters really know how to make a woman purr...First in the funny, sexy series from the New York Times- bestselling author! Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male—with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good—make that spectacular—in a suit. And even better out of it... NYPD cop Desiree "Dez" MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle... Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl—even one who runs with a Pack—can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion-shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go... “Shelly Laurenston’s shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud.” —The Philadelphia Inquirer** A destiny that leads the English to the Dutch is strange enough; but one that leads from Epsom into Pennsylvania, and thence into the hills that shut in Altamont over the proud coral cry of the cock, and the soft stone smile of an angel, is touched by that dark miracle of chance which makes new magic in a dusty world.

**Savannah's most unconventional tattoo artist, Riley Poe, lives on the edge. Now she's put over the edge when her younger brother is taken by a sinister cult led by vampires. Her only ally is the hot-tempered vampire Eli Dupre, attracted to Riley's beauty and rare blood type. To save her brother from certain un-death, Riley faces dangers she's never dreamed of, ruthless bloodthirsty enemies, and an evil of endless hunger that wants to devour it all...**

The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.**

**In this thrilling and suspenseful fantasy set in the world of the New York Times bestselling Others series, an inn owner and her shape-shifting lodger find themselves enmeshed in danger and dark secrets. Human laws do not apply in the territory controlled by the Others--vampires, shape-shifters, and even deadlier paranormal beings. And this is a fact that humans should never, ever forget.... After her divorce, Vicki DeVine took over a rustic resort near Lake Silence, in a human town that is not human controlled. Towns such as Vicki's don't have any distance from the Others, the dominant predators who rule most of the land and all of the water throughout the world. And when a place has no boundaries, you never really know what is out there watching you. Vicki was hoping to find a new career and a new life. But when her lodger, Aggie Crowe--one of the shape-shifting Others--discovers a murdered man, Vicki finds trouble instead. The detectives want to pin the death on her, despite the evidence that nothing human could have killed the victim. As Vicki and her friends search for answers, ancient forces are roused by the disturbance in their domain. They have rules that must not be broken--and all the destructive powers of nature at their command.**

**Carol Milford is an exuberant, liberal-hearted woman who marries a man from a small town. After they marry they settle in his home-town, Gopher Prairie, which Carol finds narrow and ugly. She throws herself into reforming the town, but is met only with derision by her own class. She decides to leave, but finds that the world outside is just as flawed as Gopher Prairie. She remains uncowed, however, declaring "I do not admit that dish-washing is enough to satisfy all women!" A new historical fantasy novel from Wall Street Journal bestselling author Charlie N. **to save her siblings from poverty, a young woman discovers magic fueled by gold . . . and a love for the man who wields it. Abandoned by their father for the gold rush, Gentry and her siblings labor to survive alone in the inhospitable west. When bizarre natural disasters begin wreaking havoc on the land, Gentry discovers a world of magic. Desperate for help, she accepts aid from a mysterious stranger. Winn not only sees the magic, but controls its hunger by feeding it gold—the very thing Gentry’s father left to acquire. But the earth’s unrest only grows worse, and Gentry’s fear leads her to a terrible choice: marry a wealthy man she does not love, or trust in Winn’s unpredictable power to save her family. **When her father places her entire family in danger, honey badger shape shifter, Charlie Taylor-MacKilligan, tries to protect her sisters and grudgingly accepts the help of a grizzly bear shifter, Berg Dunn.**

**The “hot and humorous” debut of the action-packed shapeshifter series from the New York Times bestselling author of the Pride novels (USAToday.com). It’s not every day that a beautiful naked woman falls out of the sky and lands face-first on grizzly shifter Berg Dunn’s hotel balcony. Definitely they don’t usually hop up and demand his best gun. Berg gives the lady a grizzly-sized t-shirt and his cell phone, too, just on style points. And then she’s gone, taking his XXXL heart with her. By the time he figures out she’s a honey badger shifter, it’s too late. Honey badgers are survivors. Brutal, vicious, ill-tempered survivors. Or maybe Charlie Taylor-MacKilligan is just pissed that her useless father is trying to get them all killed again—and won’t even tell her how. Protecting her little sisters has always been her job, and she’s not about to let some pesky giant grizzly protection specialist with a network of every shifter in Manhattan get in her way. Wait. He’s trying to help? Why would he want to do that? He’s cute enough that she just might let him tag along—that is, if he can keep up . . . Heading a group of paranormal investigators for the government, Jackson Crow uses his link to the realm of spirits to help solve the mysterious death of a senator's wife with the help of intuitive police officer Angela Hawkins.

Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—earning what he calls the “red badge of courage.” Praised for its psychological insight and its intense and unprecedented realism in portraying the experience of men under fire, *The Red Badge of Courage* has been a beloved bestseller for more than a century.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*. From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change — for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the

children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's *Adventures in Wonderland*. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unremitting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

In this USA Today bestselling novel, a woman with power over fire and illusion and the enslaved son of a chieftain battle a corrupt empire in this powerful and deeply emotional romantic fantasy. Every year, each village is required to send a young woman to the Empire's capital--her fate to be burned alive for the entertainment of the masses. For the last five years, one small village's tithe has been the same woman. Gilene's sacrifice protects all the other young women of her village, and her secret to staying alive lies with the magic only she possesses. But this year is different. Azarion, the Empire's most famous gladiator, has somehow seen through her illusion--and is set on blackmailing Gilene into using her abilities to help him escape his life of slavery. Unknown to Gilene, he also wants to reclaim the birthright of his clan. To protect her family and village, she will abandon everything to return to the Empire--and burn once more.

A comedic paranormal romance about a vampire concierge, set in Molly Harper's popular world of Half-Moon Hollow. Iris Scanlon, Half-Moon Hollow's only daytime vampire concierge, knows more about the undead than she'd like. Running their daylight errands—from letting in the plumber to picking up some chilled Faux Type O—gives her a look at the not-so-glamorous side of vamps. Her rules are strict; relationships are purely business, not friendship—and certainly not anything more. Then she finds her newest client, Cal, poisoned on his kitchen floor, and her quiet life turns upside down. Cal—who would be devastatingly sexy, if Iris thought vampires were sexy—offers Iris a hefty fee for hiding him at her place. And even though he's imperious, unfriendly, and doesn't seem to understand the difference between “ employee ” and “ servant, ” she agrees. But as they search for who wants him permanently dead, Iris is breaking more and more of her own rules...particularly those about nudity. Could it be that what she really needs is some intrigue and romance—and her very own stray vampire?

When the prophesy about a blacksmith ascending to the throne of the Black Hills proves true, Keeley must protect her younger sister from the enraged sons of the Old King with the help of the Amichai, kilt-wearing mountain warriors.

Stargirl

A wolf shifter romance like you've never seen before—cowboys by day, wolf shifters by night, this clan of secret wolves lies just beyond the mountains. A world filled with intrigue and possibility is closer than you think. For centuries, the shifters that roam Big Sky country have honored a pact to keep the peace. Even bad-boy rancher Wes Calhoun, former leader of a renegade pack, has given up his violent ways and sworn loyalty to the Grey Wolves. But his dark past keeps catching up with him... Human rancher Naomi Evans only cares about saving the land that was her father's legacy. Until the day she finds an injured wolf on her ranch and discovers a whole new world—a supernatural world on the verge of war—and Naomi, her ranch, and the sexy cowboy wolf stealing her heart are right in the middle of it.

Lose yourself in Growl, the sinfully sexy paranormal shape-shifting romance anthology, headlined by New York Times bestselling author Eve Langlais! A brand new, never before published novella! In Legal Wolf's Mate, taking on a pro bono murder case isn't a problem for a lawyer who enjoys a challenge. Discovering his new client is his mate? A tad more complicated. Gavin has no intention of settling down, especially not with a woman accused of murder, but once he sets eyes on Megan, his fate is sealed. Previously published in the 2-in-1 e-original (title) and in print for the first time! In The Alpha's Woman, Kira Radney is all delicious curves and strong will and has no desire to be a subservient mate. When a member of her father's pack attempts to make her his mate by force, Kira has no choice but to flee. The last thing she wants is to submit to any male and their pack. But when her escape attempt leads her straight into the arms of an alpha wolf—a sexy, dangerous, protective alpha—Kira must fight against her need to be free, and her secret desire to be controlled... In Feral Passions, what better place for an adventurous woman to explore her wild side than a luxurious resort in northern California's beautiful Trinity Alps? Especially when that resort is run by sexy werewolves looking for mates—Feral Passions Resort, where fantasies come true.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
