

How To Make Partner And Still Have A Life: The Smart Way To Get To And Stay At The Top

Becoming a partner in a professional services firm is for many ambitious fee-earners the ultimate goal. But in this challenging industry, with long hours, high pressure and even higher expectations, how do you stand out from the crowd? How do you build the most effective relationships? And how do you find the time to do all of this and still have a fulfilling personal life? Now in its third edition, How to Make Partner and Still Have a Life equips individuals at the start of their career through to partner with the skills needed to reach and succeed at the leadership level. How to Make Partner and Still Have a Life details the expectations and realities of being a partner and outlines how you can continue to achieve once you have obtained the much-coveted role. This edition is updated with guidance on developing the right mindset for success and the importance of mentoring and sponsorship. There is a specific focus on women and BAME professionals and the challenges faced by individuals coming from non-traditional or under-represented backgrounds. Heather Townsend and Jo Lartie provide a guide to help you tackle common obstacles and work smarter - not harder - to reach the top. Start your journey to partnership and start the time for a life outside work.

The burning question on every ambitious fee-earner's lips is: 'how do I make partner at this firm?' This book is your route map to making it to the top in a professional services firm. It shows you how to stand out, be in the right place at the right time and build your kitbag of skills to overcome the many hurdles and reach the Holy Grail of becoming partner. This book reveals what it really takes to make it, and what it will involve once you're there. It helps you make an informed decision on whether or not this is the right step for you, and guides you on how to become a partner and still have a life of your own. Heather Townsend and Jo Lartie show you the rules of the game, laying bare exactly what you need to do to take the ultimate step.

We don't have all the answers—but we can help you choose a partner. Choosing a romantic partner is one of contemporary life's biggest adventures. But other aspects of modern living—being globally more mobile, a fall in religious belief, social liberalization, and more job opportunities (but longer working hours)—mean relationships have rarely been so challenging, and so important. In How to Choose a Partner, Susan Quilliam guides us through the process of finding the right partner for us as individuals. The real challenge is that we grow. Drawing upon rich cultural material, psychology, and her background in relationship therapy, Susan presents partner choice as a journey toward self-development, driving us to learn more about ourselves, about other people, and about life and the way we want to live.

"What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. Wired for Love is a complete insider's guide to understanding a partner's brain and promoting triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

How the Best Marriages Work

Weekly Notes of Cases Argued and Determined in the Supreme Court of Pennsylvania, the County Courts of Philadelphia, and the United States District and Circuit Courts for the Eastern District of Pennsylvania

Partners in Excellence Making a Difference

Building Successful Partner Channels

Drawing on groundbreaking research into the dynamics of healthy relationships, a study of the basic principles that make up a happy, long-lasting marriage shares easy-to-understand, helpful advice on how to cope with such issues as work, children, money, sex, and stress. 35,000 first printing. Tour.

"After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now..."—Carol Dweck, author of Mindset: The New Psychology of Success Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the "traditional" to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discover, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try "lovehacks." This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

Ingrid's life is full of firsts. A first-generation Chinese American, the first lawyer in her family, she's about to collect the holy grail of "firsts" and become the first minority woman to make partner at the venerable old Wall Street law firm Parsons Valentine & Hunt. Ingrid has perfected the art of "passing" and seamlessly blends into the old-boy corporate culture. She gamely banters in the corporate cafeteria, plays in the firm softball league, and earnestly racks up her billable hours. But when an offensive incident at the summer outing threatens the firm's reputation, Ingrid's outsider status is suddenly thrown into sharp relief. Scrambling to do damage control, Parsons Valentine announces a new Diversity and Inclusion Initiative, commanding Ingrid to spearhead the effort. Only she's about to close an enormous transaction that was to be her final step in securing partnership. For the first time, Ingrid must question her place in the firm. Pitted against her colleagues, including her golden-boy boyfriend, Ingrid begins to wonder whether the prestige of partnership is worth breaching her ethics. But in The Partner Track by Helen Wan, can Ingrid risk throwing away the American dream that is finally within her reach?

"Building Successful Partner Channels" is a book laying out the roadmap for achieving global market leadership through independent channel partners in the software industry. When Microsoft acquired Navision in 2002 there is no doubt that the price they paid was heavily influenced by the value of our channel partner eco-system. I can think of no one better suited than Hans Peter to write a book with the title Building Successful Partner Channels. Preben Damgaard, Co-founder and CEO of Navision Predictable growth and market leadership through independent channel partners are on every software industry CEO and sales executives' mind. However, it is rarely achieved. With "Building Successful Partner Channels" Hans Peter Bech provides a great tactical approach toward reaching this goal. Torulf Nilsson, Product Executive, Visma Retail, Oslo, Norway Hans Peter Bech has been at the forefront developing indirect channels in the software industry for more than three decades and his track record is impressive. I'd highly recommend this book to anyone searching for the route to global market leadership in the software industry. Yusuf Soner, School of Management at the Sabanci University, Istanbul, Turkey Building Successful Partner Channels provides a powerful, practical approach to building a strong network of independent channel partners, so as to optimize sales and marketing activities. The book helps senior sales and marketing executives understand how to work in concert to achieve global market leadership through the indirect-channel approach. Toke Kruse, Founder and CEO at Billy, San Francisco, USA

This book is a practical guide to using the science of attachment and relationships to find the right life partner. If you were brought up in the Western world, you've been trained on fairy tales of love and relationships that are misleading at best, and at worst have you making mistake after mistake in starting relationships with the wrong kinds of people who will waste your time and keep you from finding a loyal partner. Science has the answer! Or at least a guide to save you the time and effort of discovering for yourself how many wrong types of romantic partners there are. Reading this book will help you recognize the signs of some of the syndromes that prevent people from being good partners. We'll go through those syndromes and point out some of the signs. Those little red flags you sometimes notice when you are getting to know someone? Often they speak loud and clear once you understand the types, and you can decide immediately to run away or approach with caution those who show them. If you're young and just starting to look for a partner, good news-the world is swarming with well-adjusted, charming matches for you, if you know how to recognize them. The bad news: you are inexperienced and you may not recognize the right type of person when you date them. Many people expect to experience an immediate sense of excitement, an overwhelming rush of attraction, and to fall in love rapidly and equally with someone who feels the same. This rarely happens, and when it does it usually ends badly! And expecting it will cause you to let go of people who are steady, loving, and attentive, if you had given them a chance. So once you've identified someone who makes you laugh, answers your messages, and is there for you when you want them, don't make the mistake of tossing them aside for the merely good-looking, sexy, or intriguing stranger. If you're older, bad news: while you were spending time and effort on relationships you were hoping would turn out better, or even happily nestled in a good relationship or two, most of the secure, reliable, sane people in your age group got paired off. They're married or happily enfamilied, and most of the people your age in the dating pool are tragically unable to form a good long-term relationship. You should always ask yourself, "why is this one still available?"-there may be a good answer (recently widowed or left a long-term relationship), or it may be that this person has just been extraordinarily unlucky in having over twenty short relationships in twenty years (to cite one case!) But it's far more likely you have met someone with a problematic attachment style. As you age past 40, the percentage of the dating pool that is able to form a secure, stable relationship drops to less than 30%!]; and since it can take months of dating to understand why Mr. or Ms. SeemsNice is really the future ex-partner from Hell, being able to recognize the difficult types will help you recognize them faster and move on to the next. This book outlines the basics (which might be all you need), and points you toward more resources if you want to understand more about your problem partner. If you're wondering if the guy or girl you've been hanging out with might not be quite right, this is the place to match those little red flags you've noticed with known bad types. And by getting out fast, you can avoid emotional damage and wasted time, and get going on finding someone who's really right for you. Study all of the of the bad types and you'll detect them before even getting involved. Or you could be one of the few people who recognizes their own problems in one of these types. There are study materials and plans of action for you, too. If you've had lots of relationships and they all seem to go wrong, the common factor is you! Your task is to make yourself into a better partner - a goal that even the most evolved of us can always work toward.

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman s proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

How Dual-Career Couples Can Thrive in Love and Work

Wired for Love

Treating of the Nature, Formation, Operation and Dissolution of the Partnership with the Forms Used Therein, and a Comparative Consideration of the Partnership and the Corporation

Includes the decisions of the Supreme Courts of Massachusetts, Ohio, Indiana, and Illinois, and Court of Appeals of New York; May/July 1891-Mar./Apr. 1936, Appellate Court of Indiana; Dec. 1926/Feb. 1927-Mar./Apr. 1936, Courts of Appeals of Ohio.

Vols. 65-96 include "Central Law Journal's international law list."

Finding fulfillment in both love and work isn't easy—but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In Couples That Work, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives—together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms—and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries—from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, Couples That Work will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

When Depression Hurts Your Relationship

The Southeastern Reporter

The National Digest

This concise resource offers useful, practical advice about establishing goals, fitting into the firm culture, getting recognized, focusing on client relations, marketing one's abilities and the firm's expertise, and other innovative ways to succeed in making partner. Any law firm associate or law student interested in learning what it takes to become a partner will find this newly revised guidebook invaluable. Ambitious young lawyers will turn to this insightful resource to help them formulate a step-by-step plan and be their guide for personal decisions and actions within their firm.

When you are feeling depressed, having a loving, supportive relationship with your partner can help you in your path towards healing and creating a happier life. But often depression interferes with your relationship, distancing you from your partner during your time of need. If you are in the midst of depression, you may worry that you aren't good enough for your partner, or become irritable around them. You may even push them away when you feel like your emotions are beyond your control. In addition, your sense of intimacy may diminish, and your sex life may fizzle as a result of fatigue, medications and feeling disconnected from your partner. The hard truth is that feelings of isolation, worthlessness, and tiredness can all take a hefty toll on your love life. But you don't have to let depression be the demise of your relationship. Using an integrative approach based in mindfulness, interpersonal psychotherapy (IPT), acceptance and commitment therapy (ACT), and cognitive behavioral therapy (CBT), When Depression Hurts Your Relationship offers practical skills to help readers with depression reignite intimacy with their partners. If you suffer from depression, this book is a must-read to help keep your romantic relationship healthy, exciting, and rewarding for you both.

THIS BOOK IS WRITTEN TO BOTH WOMEN AND MEN AND FOR ANY AGE GROUP Why do so many people seem not to be able to find the person they really desire? Most people are very sincere in trying to find their perfect partner. Yet they settle for less while they could have had more, or they give up and don't date at all. So often, people give up too easily. Maybe they're not sure what they want, or they don't know how to be the best they can be to attract someone really great. And sometimes they just didn't have a good roadmap to show them how to get there. In his book, Michael Moore is going to show you how. He will coach you to success in attracting and discovering your best partner. You probably have heard of the 80/20 rule: Most people spend 80% of their time trying to get 20% results. That's backwards from how it should be! This rule works in every area of life including dating. The author will show you how to spend 20% of your time to get 80% results. Who wouldn't want this kind of success? The principles shared in this book have been tried and used and Michael is 100% sure it will transform your love life just as it has transformed many others' for the better... In the many years that Michael has worked with individuals and couples, there are many things he has learned that are highly valuable to the person who honestly wants to find their ideal partner. He is sharing with you valuable resources in this book to help you become one of the GREAT SUCCESS STORIES in your RELATIONSHIP AND LIFE. Research has shown that most women have a strong desire to get married, to find that incredible special one they can love and be loved by, and to build a family. Many women have a natural instinct within them to build the nest, to get things cozy and right and enjoy a secure family atmosphere. Even the majority of most men want to get married, although men are waiting much later these days. Marriage is a wonderful thing that brings with it a sense of belonging, of ownership, and of exclusivity with your husband or wife. After all, life is enjoyed most with someone that you love and that loves you... touching, smiling, laughing, and even doing simple things together. **HERE IS WHAT YOU WILL LEARN-AND BECOME AN EXPERT IN-FROM READING THIS BOOK: It will show you HOW TO WORK ON YOURSELF to become the BEST YOU that you can be. It covers many areas that will help you develop an INCREDIBLE SELF-CONFIDENCE and be at your peak You'll learn the 5 major LAWS OF ATTRACTION including sexual attraction Discover the POWER OF EYE CONTACT and how to speak with your eyes Learn the PSYCHOLOGY OF ACHIEVEMENT and the POWER OF DESIRE How to become a truly Charming Man or Charming Woman What are the SECRET HOT BUTTONS within both men and women BECOME IRRESISTIBLE to the men and women you meet and date If you're ready to take control of your life, take control of your relationships, and take control of your future, you can start now. If you desire to have the perfect person to spend holidays with, plan a family and a future with, then you can start being coached RIGHT NOW. When the winds of chance blow, they won't affect you. Because you take control, you choose your own destiny, and you choose the person you will be with forever.**
