When the challenges you've faced threaten to destroy your life, how do you find your way back to the truths you thought you believed? I Am Restored tells the untold story of how Lecrae's past nearly ruined his future--until he learned that the wounds we carry can have the potential to be unlikely guides to healing and freedom for ourselves and others. Throughout I Am Restored, Lecrae documents the shattering yet hopeful story of how he faced the scars of his past--sexual abuse, physical trauma, addiction, and depression--and emerged more fully human than ever before. With remarkable transparency and vulnerability, Lecrae reveals that at the height of his professional success, his life was spinning out of control, driven by a past that he had never confronted and a religious perspective that was incapable of meeting the challenge. I Am Restored takes an unflinching look at the personal and public spaces that are too often at the societal core of our pain and heartache--culture, politics, family, church, and more--and teaches us that forgiveness can be the birthplace of the life that God has created for us. Throughout this powerful, deeply personal account, Lecrae shares the life lessons he's learned about: Confronting the pain and trauma that has shaped your story Breaking the cycle of sin and shame and embracing joy and authenticity Finding hope and healing in the midst of chaos The simple practices that can change your mental, emotional, and spiritual health Leading a life that's bursting with creativity and true freedom I Am Restored is a hopeful, inspiring charge to start your journey to lasting healing today. No matter what your past has held, God is near you, he hears you, and he's not done writing your story.

In FOR AS I THINK IN MY HEART - SO I AM, Edward D. Andrews offers practical and biblical insights on a host of Christian spiritual growth struggles, from the challenge of forgiveness to eating disorders, anger, alcoholism, depression, anxiety, pornography, masturbation, same-sex attraction, and many others. Based on Proverbs 23:7 (NKJV): "For as he thinks in his heart, so is he," Andrews' text works from the position that if we can change the way that we think, we can alter the way we feel, which will modify the way we behave. FOR AS I THINK IN MY HEART - SO I AM offers far more than self-help to dozens of spiritual struggles, personal difficulties, and mental disorders. It will benefit Christian and non-Christian alike. The Scriptural advice and

counsel coupled with cognitive behavioral therapy will be helpful even if every chapter is not one of your struggles. For As I Think in My Heart enables readers to examine the lies and half-truths they tell themselves repeatedly; lies, which as one argues, contribute to mental distress and a broad range of issues in their lives. In this text, Andrews seeks to wash those lies with biblical truth by combining biblical counseling with cognitive-behavioral therapy "to better understand our human condition" and give readers tools to overcome these challenges. This second edition has added five chapters, added material to several other chapters while keeping the page count down by dropping the font size.

The book you are about to read has been a subject of debate for some time; it is a book written to shed light on the topic of hell, with an understanding that was made clear through the Old and New Testament. It was written that we might have a clear understanding of God's love toward us, that we might know from what we were saved. It will give us a clear view of hell and what it will be like for those of us who, I hope, will not end up in its belly. And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. And in their mouth was found no guile: for they are without fault before the throne of God. And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. (Rev. 14:1-11)

empowerment book In today's knowledge society Economic growth of a Nation is dependent on the quality of Education system. International Research found out that if two average eight year old students were given different teachers - one of them a high performer; the other a low performer - their performance diverge by more than 50 percentile points within three years. So, a teacher makes all the difference. But in spite of these realities Teachers are a relatively underserved community in terms of support, training, resources and products. As primary agents of change, teachers—more than anyone else—need to be equipped with best-in-class resources and knowledge to enable better education. If youre still single and you have looked for love in many faces or have wondered what you have done wrong and find it difficult to maintain hope while your situation is shrieking with despair, then author Mia Montgomery has the perfect book for you. Its My Business Why I Am Still

*Single* discusses various reasons why many women remain single and unfulfilled. Through this insightful book, she shares her own experiences with the hope that other women will learn from them. Follow her journey from living loneliness to loving singleness as she laces it with poetry reflecting her candid, honest emotions. What Readers Think About This Book "I was so compelled by your honesty and realness. The poetry was beautiful. Wow, what a gift!!! I also think that the questions were a very wise choice. Thank you for being brave enough to share your life through this book. Know that you have impacted me in a great way. You have confirmed and reiterated my position about relationships. This book was right on time. I will be re-reading it. I now understand the importance of knowing, loving, and understanding me!!!!" --D. Johnson, Florida "This book wasnt about feeling pity over singleness. It is a book that makes a woman look inside and assess who she really is." --M. Edwards, Florida "I am a married woman and still this book made me re-look the way that I sometimes treat my husband and the things that I have expected from him. The poetry alone brings insight and triumph to your spirit!" --J. Murrell, Florida "Though I have read many books, I really enjoyed reading this book by Mia Montgomery. I felt that the author really paid attention to some of the main reasons and the points as to why many women who are single. She dealt with issues that need to be corrected and addressed (reversing what mama told you) and how to function within a relationship without losing yourself. The author used evidence of her life and the lives of her friends in order to make her points clear. Her evidence was convincing because I felt as if I were walking in her shoes, but mostly I felt as if, the pages were answering questions to topics I wanted answers to but didn't know how or who to ask." "There are many books in bookstores that talk about being single, but I've yet to read a book where the author totally puts themselves, their experiences, and their reputation on the pages, in hopes that you will learn from their mistakes and not repeat them. The information is unique and it offers fresh insight to single women that will help to empower us and build us up. I think the author was very successful in carrying out the purpose of the book. This is a book that will uplift and build women, during their season of being single." --L. Heriscar, Orlando, FL

**Quebec author Antane Kapesh's two books, *Je suis une maudite sauvagesse* (1976) and *Qu'as-tu fait de mon pays?* (1979), are among the foregrounding works by Indigenous women in Canada. This English translation of these works, each page presented facing the revised Innu text, makes them available for the first time to a broader readership. In *I Am a Damn Savage*, Antane Kapesh wrote to preserve and share her culture, experience, and knowledge, all of which, she felt, were disappearing at an alarming rate because many Elders – like herself – were aged or dying. She wanted to publicly denounce the conditions in which she and the Innu were made to live, and to address the changes she was witnessing due to land dispossession and loss of hunting territory, police brutality, and the effects of the residential school system. *What Have You Done to My Country?* is a fictional account by a young boy of the arrival of les Polichinelles (referring to White settlers) and their subsequent assault on the land and on native language and culture. Through these stories Antane Kapesh asserts that settler society will eventually have to take responsibility and recognize its faults, and accept that the Innu – as well as all the other nations – are not going anywhere, that they are not a problem settlers can make disappear.**

**The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." ***In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. God, Take Over; I Am Finished is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. God, Take Over; I Am Finished can restore hope and improve your relationships with God and man.***

For more than one hundred years, there has been no significant improvement in the way cancer patients are treated by the

medical establishment--by the medical doctors and the healthcare industry. The approved cancer treatment which is: Surgery, Radiation Therapy, and Chemotherapy does not cure cancer. Any form of treatment that is not approved by the Federal Drug Administration (FDA) is illegal, so medical doctors are prohibited to use any other treatment of cancer except Surgery, Radiation Therapy, and Chemotherapy. Research shows that strengthening of the Immune System plays an important role in letting the body heal itself. But for some reason, the government does not go out of its way to approve any other form of treatment or support any research in this regard. Enlightened cancer patients want to seek alternative treatments given by alternative and integrative medical professionals, who are holistic health practitioners. But because their services are not recognized by the government and by the conventional medical profession, therefore medicare and supplemental insurance do not pay for these services, most cancer patients cannot avail of these services, because they are expensive. This book is the story of 3 wives of a medical doctor who in spite of sixty years in the medical profession felt helpless while his wives were suffering from this devastating disease. He realized the inadequate approved treatment of cancer, was enlightened after five years of research about the causes of chronic diseases including cancer and found the truth about Conventional and Alternative Treatment of Cancer. He wrote this book with the hope that people will learn and be enlightened about their longevity, and the government realizes that the approved Cancer Treatment: Surgery, Radiation Therapy, and Chemotherapy do not cure cancer. He believes that the cure of cancer lies mainly in strengthening the immune system, and hopes that the government authorities recognize the holistic practitioners and support the research to strengthen the immune system to help the body heal itself.

Since the beginning of time, women have gone to great lengths to groom their most prized asset: their hair. Shannon Callahan, whose flaxen hair transformed into an unruly mop during puberty, was left to fend for herself during an era when girls dutifully mimicked the Farrah Fawcett hairstyle in order to receive much-needed acceptance in the halls of school. Callahan begins by sharing how she embarked on a battle against the forces of a wild mane, beginning with adolescence when she avoided mirrors like the plague, bent her frizzy locks into submission with a blow dryer, and faked confidence in front of boys. As she matured and bypassed the blow dryer for rollers, Callahan provides a glimpse into the insecurities that accompanied her foray into womanhood that included comparing her body with famous models and attempting communication with the opposite sex. But as Callahan poignantly describes, it was only after a series of challenging events that she was finally led to a Jewish hair stylist and a new beginning. My Hair Stylist Is Jewish, I Am a Shiksa, and We Are Sisters shares the touching yet amusing story of a woman's struggle with her hair through a lifetime of styling challenges as she transforms from an insecure girl to a confident woman who happily accepts herself just as she is.

Forgiveness and Healing

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen-books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering. First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through

deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God-without having to figure it all out-is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles-others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God-Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archpriest Lawrence Margitich.)

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

Born to Love - Taught to Loathe In this powerful and controversial debut book, acclaimed blogger turned author, Baye McNeil (a.k.a. Loco), vividly illustrates with unflinching introspection and candor the birth and evolution of a racist and in doing so makes the persuasive argument that the only way to cure this social virus is by first engaging one's own susceptibility. Loco takes us on a scintillating journey from the streets of Brooklyn, where a child's first playground was the front lines of the Pan-African Nationalist and Black Power movements of the 70s, to a period of black militancy, military service, interracial romance and corporate bigotry in the 80s and 90s. Following the earth-shattering events of 9/11/2001, Loco journeys to Japan where he learns the hard way why the old adage: you can't hide from yourself, has hung around so long. He finds the woman he was born to love; only she's a member of a race he has come to loathe! In the name of this love, Loco confronts his dark stowaway with deep roots even as the world is literally falling apart around him, in the form of the Tohoku disaster of 3/11/2011. A book that is both a memoir and an impassioned call to arms, Hi! My Name is Loco and I am a Racist tells us in no uncertain terms that while racism continues to be demonized as a dark aberration that only "evil people," ignorant fools, or people lacking compassion and common decency are subject to, then it will remain at large - hiding in plain sight, in our schools, offices, carpools, living rooms and sometimes even in the mirror.

A Strictly Biblical Perspective Ministries Inc. has strategically designed a biblical cognitive character-based training curriculum. It is designed to equip pastors, chaplains, and faith-based instructors with insight for preparing reentry volunteers as mentors to be matched with returning citizens upon their release from prison or while incarcerated. The curriculum is designed with six modules to assist faith-based volunteers in developing a biblical perspective into God's fourfold purpose for their lives: relationships, character development, service, and reproduction. The fifth module is designed to address the spiritual warfare that ministry leaders and faith-based volunteers will encounter in mentoring the "returning citizen population." The final module is designed to assist ministry leaders and faith-based volunteers in understanding how to assist returning citizens in overcoming the effects of alcohol and drug addiction. This course will build the capacity of members within the faith-based community to minister to returning citizens in restoration from crime and addiction. The curriculum is designed to enhance the quality of care to the "ex offender population" by producing spiritually mature mentors walking in close fellowship with God. The curriculum is extremely comprehensive and highly interactive and will assist volunteers in developing a functional understanding of their roles in mentoring returning citizens through the use of scriptures, a series of individual and small group exercises.

I Am

How I Lost My Religion but Found My Faith

***FOR AS I THINK IN MY HEART SO I AM***

The Scriptures say, "In the beginning was the Word, and the word was with God. And the Word was God. He was with God in the beginning" (John 1:1). John's gospel calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to know Him more and more. Our Lord said, "Before Abraham was born, I Am," which means that Abraham is a creature of God, just as Adam and Eve; and Jesus Christ is the Creator; He is the beginning and the end, the first and the last, the Mediator and the Messiah, predicted by the Old Testament prophets long before Abraham was born. Jesus Christ is the manifestation of God's wisdom, righteousness, sanctification and redemption. Jesus Christ is the Lamb of God that was slain before the foundation of the universe. "He is before all things, and in him all things hold together" (Colossian 1:17). God will show His love for you in an active way, in a big way, in a way that you cannot imagine or think, or comprehend. At the present time, your most holy duty and task is to draw close to the Lord and continue in faithful obedience to His commandments, to His Word and to the control and direction of the Holy Spirit. Gain a deeper understanding of Jesus Christ and grow in knowledge, strength and truth through this uplifting read. *I Am* helps women end the barrage of negative self-talk and replace it with an empowering new narrative. You'll exchange lies for truth, insecurity for a rock-solid identity, and break free from the distorted messages that have held you hostage for too long. From the moment a woman wakes until she falls, exhausted, on her pillow, one question plagues her at every turn: Am I enough? The pressure to do more, be more has never been more intense. Online marketing. Self-help books. Movies, magazines, and gym memberships. Even church attendance and social media streams have become a means of comparing ourselves to impossible standards. Am I pretty enough? Hip enough? Spiritual enough? We fear the answer is "No." When a brutal bout with cancer changed how she looked, talked, and lived, Michele Cushatt embarked on a soul-deep journey to rediscover herself. The typical self-esteem strategies and positivity plans weren't enough. Instead, she needed a new foundation, one that wouldn't prove flimsy when faced with the onslaught of day-to-day life. With raw personal stories, profound biblical teaching, and radical truths on which to rebuild your life, *I Am* will help you: Refuse to ride the rollercoaster of others' opinions and start believing what God says about you. Stop agonizing over past regrets and failures and make peace with God's sovereign plan for your life. Leave insecurity behind as you exchange temporary fixes for an identity established on God's unchanging affection. *I Am* reminds us that our value isn't found in our talents, achievements, relationships, or appearance. It is instead found in a God who chose us, sent us, and promised to be with us--forever.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

It's time to leave the leadership obsession behind. It's never been about leading. "Leadership" has become a runaway obsession for those who are called to equip the body of Christ for service in the Kingdom of God. The concept of "followership" is all but lost in the wake of this leadership fetish, a near hypnotic obsession. Jesus' clear call, and the pattern of New Testament leadership, are actually found in a pattern of followership. We've been told otherwise but when it comes to a movement in our churches, our families, or the workplace, everything rises or falls on followership. Sweetproposes an intentional shift from leadership cults to followership cultures. He critiques the issue of leadership obsession but focuses onreigniting a passion for the "follow me" theme found throughout the gospels and the entire New Testament. Building on a set of metaphors/images, hestirs the imagination by showing what it means to be a follower of Christ and explainsthe vital cog that followership and the first follower play in helping others enter into the Kingdom of God. I Am A Follower moves readers: from leaders that are over to followers that are among from sages and gurus to scouts and guides from Saul's armor to David's sling from having the right answers to asking the right questions from architects to gardeners

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes,

and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

" Growing up, no one taught me how to deal with " me. " In this book, I will reveal to you how I learned to deal with my " inner me. " If God can choose a little black nappy headed girl who grew up in a dysfunctional, broken, single parent home in the projects on the North side of Hope, Arkansas to tell you everything is possible, the possibilities are endless! Don't let situation and circumstance that are designed to keep you enslaved have control of your life. Claim God's promise!
