Now, in her fourth volume, *The Heart of a Woman*, her turbulent life breaks wide open with joy as the singer-dancer enters the razzle-dazzle of fabulous New York City. There, at the Harlem Writers Guild, her love for writing blazes anew. Her compassion and commitment lead her to respond to the fiery times by becoming the northern coordinator of Martin Luther King's history-making quest. A tempestuous, earthy

Filled with unforgettable vignettes of famous characters, from Billie Holiday to Malcolm X, *The Heart of a Woman* sings with Maya Angelou's eloquent prose -- her fondest dreams, deepest disappointments, and her dramatically tender relationship with her rebellious teenage son. They were to live with their grandmother, Momma Henderson, because their parents in California were divorcing. Momma owned a general store in the heart of the black area and sold lunches to workers all over town. During cotton season, the pickers left their lunch sacks at the store to be filled. Marguerite saw how the grueling, low-paid drudgery wore them down. Years later she

Uncle Willie was dropped by a baby-sitter as an infant. This accident left his body twisted and one hand deformed. People tried not to look at him. He wore starched shirts and shined shoes. He tried to stand proud, but was the local scapegoat and butt of jokes. In a world where a strong black man could barely get by, Uncle Willie was resented because his

written in English since 1923. A biblical study of life in the midst of death. A New York Times bestseller. A National Book Awards nominee. One of the essential books produced by our culture. One of the most banned books in America. All of these phrases have been used to describe I Know Why the Caged Bird Sings. The much-loved and oft-feared book is Maya Angelou's autobiography. Within the context of her life story, Angelou dares to examine racism, sexism, familial bonds, feminine strength, religion, sexual violence, and the things we do survive. The story begins when she is three years old and sent with her brother to live with their grandmother in rural Arkansas. It ends with the sense of

empowerment Angelou felt upon giving birth to her son Guy when she was only 17 years old. Maya Angelou is now in her 80s and still revered for her wisdom, independence, and grace. She has managed to achieve great success as a writer, actress, dancer, director, musician, editor, activist, philanthropist, teacher, and mother. She is called doctor and has received countless honors. And yet Angelou never went to college. She was a single teenage mother. She grew up in rural, segregated Arkansas. She was mute for many years. She once lived in a junkyard for a month. When she was just eight years old, she was raped. EXCERPT FROM THE BOOK She didn't want her family to think she was

a bad person, but she felt awful about lying. Mr. Freeman received a light sentence and was released that day. His body was found that evening. Maya blamed herself for Mr. Freeman's death and decided not to talk anymore for fear of hurting others. Not knowing what to do with Maya, the Baxter family sent her and Bailey back to Stamps. Bailey dealt with his devastation by making outlandish stories about St Louis, while Maya continued in her silence. Many of the townsfolk didn't understand and thought she was uppity or simple. Momma and Uncle Willy simply accepted it with understanding. Commentary From today's perspective, it seems almost criminal that the family never took Maya to a therapist.

How could they ever expect a little girl to understand that what had happened to her and subsequently to Mr. Freeman was not her fault? How could they simply send her away when she stopped talking? And yet, in those days people didn't talk about such things. The adults didn't know how to deal with the rape, so how could they know how to deal with the little girl that was raped? They just didn't talk about it and hoped that the experience would fade with time. It obviously didn't. Chapters 15 & 16 Summary Mrs. Bertha Flowers is a wealthy, educated woman and the closest thing the black community in Stamps has to aristocracy. She and Momma have been friends for years. One day Mrs. Flowers comes into the
