

Il Regno Cremisi Baltimore: Baltimore Vol 8: Il Regno Cremisi

Locas in Love presents the first collection of this ongoing series, highlighting the best moments from the first four issues.

A secret sect of the Catholic Church, armed with an ancient book of the undead called The Gospel of Shadows, has been slowly destroying vampires for centuries. Now the book has been stolen, and the sect races to retrieve it before their purpose is discovered: a final purge of all vampires. As the line between saints and shadows grows ominously faint, private eye Peter Octavian is drawn into the search. And he'll do anything to find the book ... for Peter Octavian is also a vampire. Ostracized by his kindred for refusing to take part in the 'blood song', he cannot stand by and watch while they are destroyed. In a deadly game with a driven, sadistic assassin, the trail leads to Venice at the time of carnival, where the Defiant Ones, as the vampires are known, are engaged in a savage battle for their lives. Filled with plot twists, mystery, sex and violent death, *Of Saints and Shadows* is a spine-tingling thriller which opens the door to the world of The Shadow Saga.

Ruben is an unconventional superhero who gets his powers through the consumption of alcohol and illicit drugs. On one fateful day, facing a world-ending threat, Reuben drank so much that he blacked out. He saved the world...but he has no idea how or why. Now, he's in recovery, trying to get sober and piece together not only the events of the night in question, but the broken parts of his life as an alcoholic and an addict. Now back in print from Image Comics, **BUZZKILL** is a critically acclaimed miniseries from the creative team that brought you **GOD COUNTRY** and **The Paybacks**, and the writer of **REDNECK**, **Babyteeth**, **Ghost Fleet**, and more. Collects **BUZZKILL #1-4**

The marriage in 1589 of Grand Duke Ferdinando de' Medici and the French princess Christine of Lorraine was a landmark event in Renaissance art and architecture, theater, music, and political ceremonial. Celebrated by a month of elaborate pageantry that required a full year of preparations, the wedding mobilized the combined artistic, intellectual, and administrative forces of Tuscany at the zenith of its wealth, power, and cultural prestige. This book combines art and social history to present the first comprehensive reconstruction of the Medici wedding and in the process provides a fascinating narrative of Florentine culture during the Renaissance. James Saslow draws on a rich trove of visual and archival sources to describe the jousts, plays, musical-dramatic intermedi, processions, and tournaments that celebrated the wedding; the artists, musicians, and architects who created and organized the events; and the bureaucratic administration that sustained this Renaissance "theater of the world." His sources include producers' daily logbooks and detailed records of the design process, staff, payments, and logistics, as well as eighty-eight set and costume drawings, paintings, and prints, which appear in a catalogue included in the book. Saslow's study will be of interest to practitioners and historians of theater, dance, music, and the visual arts, as well as to students of political and economic history and cultural studies.

The official novel of Naughty Dog’s award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the “antiquities acquisition business.” Victor Sullivan needs Drake’s help. Sully’s old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man’s daughter, Jada Hzujak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada’s father killed. It appears that a fourth labyrinth was built in another land and another culture—and within it lies a key to unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell. Welcome to The Fourth Labyrinth.

Most contemporary poets wear their cultural and artistic influences on their sleeve. Picking up a book in an English language bookstore, it is easy to see where the poet is coming from, either geographically, or culturally (ironic and formal; confessional and free etc). This may seem reductive until you read a book like the one you have in your hands. Put simply, Mia Lecomte is a quietly dazzling poet on her own terms. She is fed by multiple cultures, she is widely read, but her writing is unique and absolutely genuine. You won't have read anything like this.

Collecting Deadpool: Assassin #1-6. Cullen Bunn, master of the Deadpool limited series, joins comics legend Mark Bagley to set the sassin assassin against his own kind! The Assassins Guild, that is! This is the first comprehensive study of the remarkably rich tradition of women's writing that flourished in Italy between the fifteenth and early seventeenth centuries. Virginia Cox documents this tradition and both explains its character and scope and offers a new hypothesis on the reasons for its emergence and decline. Cox combines fresh scholarship with a revisionist argument that overturns existing historical paradigms for the chronology of early modern Italian women's writing and questions the historiographical commonplace that the tradition was brought to an end by the Counter Reformation. Using a comparative analysis of women's activities as artists, musicians, composers, and actresses, Cox locates women's writing in its broader contexts and considers how gender reflects and reinvents conventional narratives of literary change.

From the world of the Eisner-award winning Black Hammer series comes a gripping World War II action adventure tale! "Forty years after disaster left Lower Manhattan submerged in thirty feet of water, the Drowning City has taken a turn for the weird and Joe Golem is there to investigate. A mysterious and terrifying creature has been snatching children and pulling them into the depths of the canals, and the those that drowned in the floods are coming back to the surface--alive"--

Women move through the world differently from men. The constraints and perils, the perceptions and complex emotions women journey with are different. For many women, the inner landscape is as important as the outer. This does not mean that the woman traveller is not politically aware, historically astute or in touch with the customs and language of the place, but it does mean that a woman cannot travel and not be aware of her body and the limitations her sex presents. This illustrated edition of The Virago Book of Women Travellers captures 300 years of wanderlust. Some of the women are observers of the world in which they wander and others are more active. Often they are storytellers, weaving tales about the people they encounter. Whether it is curiosity about the world or escape from personal tragedy, these women approached their journeys with wit, intelligence, compassion and empathy for the lives of others.

In this chilling new collection from Bram Stoker Award-winner Christopher Golden, the author takes you on a tour of his darkest nightmares. The Ghosts of Who You Were is Golden's finest collection yet.

Young Hellboy runs away from the Bureau for Paranormal Research and Defence, only to stumble upon a strange and fantastical circus that may or may not have come from Hell.

RESURRECTION! The hungry dead have risen. They shamble down the street. They hide in back yards, car lots, shopping malls. They devour neighbors, dogs and police officers. And they are here to stay. The real question is, what are you going to do about it? How will you survive? HOW WILL THE WORLD CHANGE WHEN THE DEAD BEGIN TO RISE? Stoker-award-winning author Christopher Golden has assembled an original anthology of never-before-published zombie stories from an eclectic array of today's hottest writers. Inside there are stories about military might in the wake of an outbreak, survival in a wasted wasteland, the ardor of falling in love with a zombie, and a family outing at the circus. Here is a collection of new views on death and resurrection. With stories from Joe Hill, John Connolly, Max Brooks, Kelley Armstrong, Tad Williams, David Wellington, David Liss, Aimee Bender, Jonathan Maberry, and many others, this is a wildly diverse and entertaining collection...the Last Word on the New Dead.

Black Americans Who Shook Up the World

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndefeated.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndefeated.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

Women, Gender, and Diasporic Lives is an interdisciplinary collection on women and gender in Greek diaspora communities. Using a variety of methodologies, including archival research, ethnography, participant observation, and quantitative analysis, the eleven contributors present in-depth and highly nuanced feminist analyses of diverse aspects of Greek diasporic experiences. The volume's geographical scope spans four continents (North America, Europe, Australia, Africa) and seven countries (USA, Canada, Germany, Greece, Australia,

Egypt, Ethiopia), and touches on both contemporary and historical diasporic experiences. Using the broad themes of women's labor, community activity, and identity as their organizing concept, the contributors intersect these issues with the concerns of ethnicity, class, generation, and masculinity. The country-specific case studies reveal women's intentionality and agency in labor, in building community institutions, and in negotiating and re-defining their identities. The broad range of contributor backgrounds make this book a valuable resource for anyone interested in gender, diaspora, labor, or modern Greek studies.

The Hellboy saga begins—with over 300 pages drawn by Mignola! For the first time, Hellboy's complete story is presented in chronological order for the ultimate reading experience. The story jumps from Hellboy's mysterious World War II origin to his 1994 confrontation with the man who summoned him to earth, and the earliest signs of the plague of frogs. Avoiding his supposed fate as the herald of the end of the world, Hellboy continues with the Bureau for Paranormal Research and Defense, fighting alongside Abe Sapien, Liz Sherman, and drafting Roger Homunculus into his own ill-fated service with the B.P.R.D. The four volume Hellboy Omnibus series along with the two volumes of The Complete Short Stories collect all of Mignola's award-winning Hellboy stories in chronological order for a definitive reading experience. This 368-page volume covers Hellboy's adventures from 1994 to 1997, reprinting Seed of Destruction, Wake the Devil, and "Wolves of St August," "The Chained Coffin," and "Almost Colossus," from The Chained Coffin and The Right Hand of Doom.

After a devastating plague ends World War I, Europe is suddenly flooded with vampires. Lord Henry Baltimore, a soldier determined to wipe out the monsters, fights his way through bloody battlefields, ruined plague ships, exploding zeppelins, and submarine graveyards on the hunt for the creature who's become his obsession.

Bram Stoker Award Winner for Superior Achievement in a Novel "An extremely gripping story, with echoes of John Carpenter's The Thing...It's a creepy, chilling book." –Scott Smith, New York Times bestselling author of The Ruins and A Simple Plan "Part psychological horror, part supernatural thriller, Ararat is a masterclass in supernatural suspense. Don't read it before bed!" –Sarah Pinborough, New York Times bestselling author of Behind Her Eyes "Ararat is a rollicking and horrifying adventure...as relentless as it is addictive." –Paul Tremblay, author of A Head Full of Ghosts and Disappearance at Devil's Rock New York Times bestselling author Christopher Golden's Ararat is a supernatural thriller about a mountain adventure that quickly turns into a horrific nightmare of biblical proportions. Ararat is the heart-pounding tale of an adventure that goes wrong...on a biblical scale. When an earthquake reveals a secret cave hidden inside Mount Ararat in Turkey, a daring newly engaged couple are determined to be the first ones inside...and what they discover will change everything. The cave is actually a buried ancient ship that many quickly come to believe is Noah's Ark. When a team of scholars, archaeologists, and filmmakers make it inside the ark, they discover an elaborate coffin in its recesses. Inside the coffin they find something hideous. Shock and fear turn to horror when a massive blizzard blows in, trapping them thousands of meters up the side of a remote mountain. All they can do is pray for safety. But something wicked is listening to their prayers...and it wants to answer.

Michael and Jillian Dansky seemed to have it all—a happy marriage, two successful careers, a bright future. But late one October evening, all that changed. Driving home from a Halloween masquerade, Michael momentarily nods off behind the wheel—and wakes to find nothing is the same. Standing by his car is the little girl he came within a breath of running down. She leads Michael to her “home,” an empty house haunted by whispers, and sends him away with a haunting whisper of her own: “come find me.” But in the weeks to follow, it's clear that someone—or some thing—doesn't want Michael to find her: ominous figures in grey coats with misshapen faces are following him everywhere. And then Jillian wakes one morning replaced by a cold, cruel, vindictive woman Michael hardly recognizes as his wife. Michael must now search not only for the lost girl, but for a way to find the Jillian he's always loved, and to do so he must return to where the nightmare began. Down an isolated lane where he'll find them, or die trying. From the Trade Paperback edition.

After a fight with Hellboy, Frankenstein's monster escapes the terrible Mexican laboratory where he was imprisoned and discovers strange creatures beneath the desert, where he'll learn some of the greatest secrets of the mystical world in the strangest Hellboy spinoff yet! "It's intimidating as hell to take on an icon like the Frankenstein monster. I'm trying to do something that's true to the origin Mary Shelley created for the creature but also captures a bit of the feel that Boris Karloff brought to the role in the classic Universal films. At the same time I'm throwing the monster into an entirely new environment, so I think the result will be something new. It's an odd one, but ultimately will add an important new wrinkle to the Hellboy/B.P.R.D. world." -- Mike Mignola
