Two families are fated to come together. Emerald and Sybil, two sisters, run an offbeat coffee shop in New York. Emerald has a small child to raise alone. She can't seem to move on after having lost her husband in a freak accident three years earlier. Sybil, somewhat of a clairvoyant, saw the accident in a dream. What she can't see is her own fate. John, a doctor, has what most would consider the perfect life: a wife, two children, a nice house, and a successful medical practice. But he is at the point in his life where he is questioning everything, and so is his wife, Allison. Then, there is Mark, Allison's younger brother, a struggling musician with a stream of failed relationships and the complete opposite of his OCD sister. It is color and cold that lead them on a world of discovery from New York to Amsterdam and back.

Returning to duty after a nine-month recuperation from being stabbed in the abdomen by a murder suspect, Detective Sergeant Logan McRae of the Aberdeen CID immediately becomes involved in the ritualistic murder of a three-year-old boy, whose body is found months after being reported missing, a case complicated by the disappearance of another child. Lucifer's Son

There are arch angels, and there are fallen ones. One managed to have human like children that served special purposes. The book is a thriller for me, and a crime novel to others. The effects of this book depends on the reader's level and maturity.

Nevertheless, events of those days are accurate.

One is driven from failure to success. The other is willing to let his friends die to chase his dream. Brothers Drake and Cade Flint are baseball players. It is in their blood. From an early age, Drake has had superior talent and secures himself a place in professional baseball at the age of eighteen. But after three long years in the minors and a recent fastball gone awry, he is beginning to question his ability and even his love for the game. Will anything be able to help him refocus and recapture his place in the sport he loves? Cade Flint, on the other hand, has a belief in himself that's unparalleled. The brash teenager can do no wrong—at least in his own mind. That is, until he finds himself in a precarious position with an intriguing young woman, who turns out to be more of a stalker than your average fan. She forces Cade to take action, leading to the untimely death of a teammate and to his life spiraling out of control. Will it ultimately lead to his own demise? Can these brothers make it out on top? Or will chasing their dreams cost them more than it's worth?

Ollie left it all behind: a new home, friends who saw her as something more than a fragile shadow walker and a budding relationship with Kane. It was all in an effort to shield Asher, who should never have been able to escape the Shadowlands. Now her money is gone, her hopes of saving other shadow walkers has slipped through her fingers, and Kane won't speak to her. She's been abducted by leprechauns, who think she committed an unspeakable crime. The vampires want her dead and there's a crawler blowing up End of the Rainbows. Kane might not want to work with her, but he's going to have to because all hell is breaking loose in Boston.
