From the invention of the wheel, which was adapted over thousands of years to power the powerful modern engines of the modern age, learn how simple steps in science led to giant leaps for mankind.

Three cakes in one, this is every cake-lovers dream! Composed of just eggs, sugar, flour, butter and milk, and with a super simple preparation method, at first glance these recipes look just like any other cake recipe. But the magic in these cakes is in the cooking. Baked at a low temperature, the cake mixture divides itself into three layers, each with a distinct texture and taste: a dense, moist cake base; a delicate cream filling; and a light and fluffy sponge to top it off. The result is a cake like you've never tasted before - an explosion of textures and flavours in a moreish cake you just can't have one bite of! With chapters covering the Basics; Tutti-Frutti; Special and Occasion Cakes; and Savoury, there are a host of flavours at your fingertips, from the simple vanilla cake of chocolate hazelnut, to more exotic flavour combinations of raspberry and Matcha green tea. Take the magic cake to a whole new level with the occasion cakes - try the Valentine mango passion cake or the intense chocolate Easter cake. More than just cakes, there are recipes for cupcakes, pies, cheesecakes and brownies - all with the special 'magic' touch. So what are you waiting for? Discover the magic for yourself! Prepare for the unfamiliar When every bit of human magic disappears suddenly from Vastia, it falls on the familiars—Aldwyn the telekinetic cat, Skylar the know-it-all blue jay, and Gilbert the gullible tree frog—to find the Crown of the Snow Leopard, an ancient relic that can reverse the curse. They learn that the only way to do this is by following in the paw prints of Aldwyn's missing father, who went searching for the Crown several years earlier. This magical spirit trail extends into the Beyond, where our heroes encounter new enemies and danger, while Aldwyn learns about his mysterious past. Full of high-flying adventure and heartwarming friendships, Secrets of the Crown will make readers want to get even more familiar with The Familiars!

August 15, 1839. Messina, Italy. In the home of Marshall don Peppino Padellani di Opiri, preparations for the feast of the Ascension are underway, but for Agata, the Marshall's daughter, there are more important matters at hand. She and the wealthy Giacomo Lepre have fallen in love. Her mother, however, is determined that the two young people will not marry. When, one month later, Marshall don Peppino dies, Agata's mother decides to ferry her daughter away from Messina, to Naples, where she hopes to garner a stipend from the king and keep her daughter far from trouble's reach. They travel to Naples on a boat captained by the young Englishman, James Garson. Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. Through letters she stays in contact with Garson, reading all the books he sends her, and follows the news of the various factions struggling to bring unity to Italy. Though she didn't choose to enter a convent and is divided between her yearnings for purity and religiosity and her desire to be part of the world, something about the cloistered life reverberates within her. Agata is increasingly torn when she realizes that her feelings for Garson, though he is only a distant presence in her life, have eclipsed those for Lepre. A Mediterranean sister to the heroines of Jane Austen and Emily Brontë, Agata fully inhabits her own time yet in Agnello Hornby's rich characterization, she also embodies strength of will and a spiritual fortitude that is timeless.

This non-fiction short-form eBook features content which is adapted from the audiobook Harry Potter: A History of Magic - inspired by the British Library exhibition of the same name. If you've gazed into the crystal ball you'll have seen that you are about to enter a place of prediction and fortune-telling that makes up the subject of Divination in the real and wizarding world. From the use of bones and shells thousands of years ago, to peering into teacups in the parlours of Victorian England, for millennia people have strived to see what fate and fortune holds. Trying to read our destinies, the study of the night sky has fascinated people for centuries, from the star atlases of ancient China to the celestial globes of 17th-century Venice. Astronomy holds a special place in the wizarding world as a source of inspiration and identity for Harry Potter's life at Hogwarts, and beyond. This eBook short examines the colourful characters and curious incidents of the real history of magic, and how they relate to the Hogwarts lesson subjects of Divination and Astronomy. The history of magic is as long as time and as wide as the world. In every culture, in every age, in every place and, probably, in every

heart, there is magic.

This non-fiction short-form eBook features content which is adapted from the audiobook **Harry Potter: A History of Magic** - inspired by the British Library exhibition of the same name. Potions have been made for thousands of years - associated with bubbling pots and mysterious ingredients, they have been brewed to make medicines, drugs and poisons. Harry Potter became much better at Potions with a little help from the Half-Blood Prince. Plants have also been important components of medicines as much as myth-making and magic. A source of danger as well as a means of overcoming obstacles, Herbology was a subject which had a major bearing on Harry's key decisions and mistakes in the wizarding world. This eBook short examines the colourful characters and curious

Life in Sunrise Valley is tranquil, but beyond its borders lies certain death. A dangerous black fog looms outside the village, but its inhabitants are kept safe by an ingenious machine known as the dam. Pig's father built the dam and taught him how to maintain it. And then this brilliant inventor did the unthinkable: he walked into the fog and was never seen again. Now Pig is the dam keeper. Except for his best friend, Fox, and the town bully, Hippo, few are aware of his tireless efforts. But a new threat is on the horizon—a tidal wave of black fog is descending on Sunrise Valley. Now Pig, Fox, and Hippo must face the greatest danger imaginable: the world on the other side of the dam. Based on the Oscar-nominated animated short film of the same name, *The Dam Keeper* is a lush, vibrantly drawn graphic novel by Tonko House cofounders Robert Kondo and Dice Tsutsumi.

The Tale of a Little Cat with a Big Heart

The definitive biography of a legendary athlete. The Shrug. The Shot. The Flu Game.

Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball -- hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: he's a ruthless competitor and a lover of high stakes.

There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court -- until now. Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. *Michael Jordan: The Life* explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: the player,

the icon, and the man.

Nell Mulcahy grew up on the island - playing in the shallows and fishing with her father in his old red boat in the harbour. So when the stone cottage by the sea comes up for sale, the decision to move back from Dublin is easy. And where better to hold her upcoming wedding to Tim than on the island, surrounded by family and friends? But when Nell decides to rent out her cottage for the summer to help finance the wedding, she sets in motion an unexpected series of events. One thing's for sure, it's a summer on the island that nobody will ever forget.

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said

that the boatman has as much to do with catching trout in a loch as the angler. Well, we don't deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

NEW YORK TIMES BESTSELLER BONUS: This edition contains an excerpt from Jon Katz's *Going Home*. In his previous books, New York Times bestselling author Jon Katz introduced us to the delightful menagerie at Bedlam Farm, including Izzy, the unforgettable border collie rescue. Now, in *Izzy & Lenore*, Katz delves deeper into his connection with the beautiful, once-abandoned dog, learning yet again about the unexpected places animals can take us.

Affectionate and intuitive, Izzy is unlike any dog Katz has encountered, and the two undertake a journey Katz could not have imagined without the arrival of a new companion: a spirited, bright-eyed black Labrador puppy named Lenore. As trained hospice volunteers visiting homes and nursing facilities in upstate New York, Katz and Izzy bring comfort and canine companionship to people who most need it. An eighty-year-old Alzheimer's patient smiles for the first time in months when she feels Izzy's soft fur. A retired logger joyfully remembers his own beloved dog when he sees Izzy. As Izzy bonds with patients and Katz focuses on their families, the author begins to come to terms with his own life, discovering dark realities he has never confronted. Meanwhile, Lenore—quickly dubbed the Hound of Love—arrives at Bedlam. Her genial personality and boundless capacity for affection steer Katz out of the shadows, rekindle his love of working with dogs, and restore his connection to the farm and the animals and people around him. Humorous and deeply moving, *Izzy & Lenore* is a story of a man confronting his past, embracing the blessings of his current life, and rediscovering the meaning of friendship, family, and faith. Katz shares an uplifting tale of love, compassion, and the rich and complex

relationships between dogs and their humans.

This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and 0 (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

What would you do if you discovered your whole life to be a lie? Daniel Henstock thinks he 's an ordinary schoolboy but on his sixteenth birthday his world is turned upside down. He is the world 's first one-hundred percent genetically-engineered human - assigned the codename Tiberius - and Gregory Dryden, the man responsible, wants him back so that he can continue his deadly experiments. Running for his life, Daniel flees to New York and is forced to go ' off-grid ' . In this near-future America, where the security-obsessed authorities require citizens to carry DNA cards, Daniel meets the feisty and beautiful Eleanor. But by falling for her, Daniel also puts her in terrible danger. Daniel pursues the facts about his origins but is hunted by an agent sent by Dryden to bring him to heel. Can Daniel find out the truth whilst trying to evade those who think they own him? As his enemies close in Daniel must draw on resources he never knew he had to win his freedom - but in doing so he may be walking into a deadly trap ... TIBERIUS FOUND is the first instalment in a thrilling series - The Emperor Initiative - that introduces an engaging new hero that will appeal to fans of Alex Rider and Jason Bourne.

YOUR CREATIVE POWER How to Use Imagination BY ALEX OSBORNSf CHARLES SCRIMERS SOWS, MEW YORK CHARLES SCWBNERS SONS, Ltd., LONDON 1948

This book is dedicated to BRUCE BARTON in appreciation of our 30 years as partners and friends . . . A. F. O. ABOUT THE AUTHOR . . . by Samuel Hopkins Adams Hamilton College graduates have the habit of keeping an attentive eye

upon their fellow alumni. Thus, although he graduated eighteen years after me, I knew of Alex Osborn long before he had any inkling of my interest. There was another Alex in that able class of 1909, Alex antler Woollcott, whom I had sponsored into a newspaper job upon his graduation. Only a few years thereafter he was a notable in the newspaper and theatre worlds. About the time of his early success, we met at the home of Laurette Taylor, where one met everybody. Aleck buttonholed me What do you know about my classmate Alex Osborn Nothing I answered. Weil, youd better. Why What am I supposed to do about this Osborn Nothing, Nobody has to do anything about him. Hell do it, himself AH right I said. Tm open to conviction. What is he doing Aleck was a bit vague about that. His friend and class mate had been teacher, reporter, had taken a shot at maga zine writing, had touched upon banking and a few other lines, and was something in factory management. It isnt what hes doing its what he fe Woollcott insisted. When the subject next came up between us, Alex Osborn was well on his way to becoming head of the great advertis ing firm of Batten, Barton, Durstine and Osbom, and I had come to know and admire him personally as one of the most versatile, vigorous, and provocative minds among my wide range of acquaintances, His classmate recalled tome our conversation of years before. What clo you think of Osbom now he demanded with rather the air of having patented, or, at least, invented him. You were right 1 admitted, I am always right, said Aleck Woollcott blandly ix ABOUT THE BOOK . . . hy Alex Osborn Ten years ago, the editor of a leading magazine invited me to lunch. I had been one of his contributors, but we had never met. lie broke the ice by asking, What is your hobby, Mr. Osbom Imagination, I replied. He paused, then wrote on the back of an envelope, u Mv HOBBY Is IMAGINATION. Mr. Osborn, he said, you must do a book on that. Its a job that has been waiting to be done all these years. There is no subject of greater importance. You must give it the time and energy and thoroughness it deserves. That remark started this book. Although I earned my masters degree in practical psy chology and have devotee most of my life to the psychology of advertising, I cannot claim to be a psychologist. Nor have I tried to write as a psychologist, I have felt free to take figurative liberties with academic concepts. For instance, I realize that imagination is an integral part of mans mind fxxly function and yet, for the sake of clarity and read ability, I refer to imagination as if it were an entity of itself. My frequent use of the term brainstorm may bother the reader at first. Although Chapter 33 will fully explain, an inkling of its meaning may be helpful here Brainstorm is used mainly to label the kind of conference where a few people sit clown together for an hour or so solely to use their creative imaginations solely to suggest ideas on a specific . subject right then and there. During the past ton years, in quest of material andinsight, -I have interviewed hundreds of people and have read hun dreds of books, speeches and articles, I am indebted to all who talked with me and to all whose writings I read. English in Europe charts the English invasion of Europe since 1945.

Sixteen distinguished European scholars report on the English words and phrases that have become integral parts of their languages. Each describes the effect of English on the host language, and shows how the process of incorporation often modifies pronunciation and spelling and frequently transforms meaning and use. The languages surveyed are Icelandic, Dutch, French, Spanish, Norwegian, German, Italian, Romanian, Polish, Croatian, Finnish, Albanian, Russian, Bulgarian, Hungarian, and Greek. The book is designed as a companion to A Dictionary of European Anglicisms but may be read as an independent work. This is the first systematic survey of a phenomenon that is fascinating, alarming, and apparently unstoppable.

20 transformative stories and sexual healing practices from international pioneers in the sexual shamanism movement • Reveals intimate details about how each sex shaman overcame personal struggles with heartache, jealousy, mental illness, or social shame to realize their calling as a sacred sexual healer • Includes 20 in-depth embodiment exercises such as soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling • Includes contributions from 20 diverse voices in the sexual shamanism community, all part of the mystery school ISTA: International School of Temple Arts Drawing on traditional and modern practices, a sex shaman uses the power of erotic energy as a healing medicine. They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each

story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Underlying these exercises is the belief that the body is a temple that opens with pleasurable worship so spirit may dwell more fully within. The 20 contributors include Baba Dez Nichols, Bruce Lyon, Crystal Dawn Morris, Dawn Cherie, Deborah Taj Anapol, Ellie Wilde, Janine Ma-Ree, KamalaDevi McClure, Komala Lyra, Laurie Handlers, Lin Holmquist, Matooka Moonbear, Mia Mor, Ohad Pele Ezrahi, Patrik Olterman, Raffaello Manacorda, Ria Bloom, Sean O'Faolain, Stephanie Phillips, and Stephen SouLove.

Elmore Leonard, New York Times bestselling author and "the hippest, funniest national treasure in sight" (Washington Post), brings his trademark wit and inimitable style to this twisting, gripping—and sometimes playful—tale of modern-day piracy. Dara Barr, documentary filmmaker, is at the top of her game. She's covered the rape of Bosnian women, neo-Nazi white supremacists, and post-Katrina New Orleans, and has won awards for all three. Now, looking for a bigger challenge, Dara and her right-hand-man, Xavier LeBo, a six-foot-six, seventy-two-year-old African American seafarer, head to Djibouti, on the Horn of Africa, to film modern-day pirates hijacking merchant ships. They learn soon enough that almost no one in the Middle East is who he seems to be. The most successful pirate, driving his Mercedes around Djibouti, appears to be a good guy, but his pal, a cultured Saudi diplomat, has dubious connections. Billy Wynn, a Texas billionaire, plays mysterious roles as the mood strikes him. He's promised his girlfriend, Helene, a nifty fashion model, that he'll marry her if she doesn't become seasick or bored while circling the world on his yacht. And there's Jama Raisuli, a black al Qaeda terrorist from Miami, who's vowed to blow up something big. What Dara and Xavier have to decide, besides the best way to stay alive: Should they shoot the action as a documentary or turn it into a Hollywood feature film?

Doesn't every girl dream of getting . . . something from Tiffany's? 'The kind of book that you can't

put down' - Sunday Independent It's Christmas Eve. And on 5th Avenue in New York City, two very different men are shopping for gifts for the women they love. Gary is buying his girlfriend Rachel a charm bracelet. Partly to thank her for paying for their holiday-of-a-lifetime to New York. But mainly because he's left his Christmas shopping far too late. Whereas Ethan's looking for something a little more special - an engagement ring for the first woman to have made him happy since he lost the love of his life. But when the two men's shopping bags get confused, and Rachel somehow ends up with Ethan's ring, the couples' lives become intertwined. And, as Ethan tries to reunite the ring with the woman it was actually intended for, he finds it trickier than expected. Does fate have other ideas for the couples? Or is there simply a bit of Tiffany's magic in the air . . .
