**A Beautiful How to Draw Princess Book for Kids!**

**With Disney Princess: Learn to Draw Favorite Princesses, artists-in-training embark on a thrilling artistic adventure with the Disney princesses! This 128-page book includes drawing projects for all 12 Disney princesses and their friends. Disney Princess celebrates the most magical adventures, each woven around a relatable, empowered heroine who inspires kids (and adults!) to realize their full potential. And you can realize your full artistic potential with Disney Princess: Learn to Draw Favorite Princesses, where you journey to a magic kingdom under the sea to draw the little mermaid Ariel, to an enchanted castle where all the objects come alive to draw Belle, and to China during the Han Dynasty to draw the brave warrior Mulan. This edition also includes the newest princess, Moana! After an introduction to art tools and materials, a series of drawing exercises invites you to warm up and learn a few basic drawing techniques. Then the real fun begins! Find drawing projects for all the Disney princesses: Snow White, Cinderella, Aurora, Ariel, Belle, Jasmine, Pocahontas, Mulan, Tiana, Rapunzel, Merida, and Moana. You can also draw their faithful friends, including Cinderella’s mouse companions Jaq and Gus, Jasmine’s tiger Rajah, Mulan’s guardian spirit Mushu, and more. The easy-to-follow instructions in this book guide you through the drawing process; each step builds upon the last until the character is complete! You just need to grab a pencil, a piece of paper, and your copy of Disney Princess: Learn to Draw Favorite Princesses, and flip to the character you want to draw. Draw the basic shapes shown in step one, and move on to step two, step three, and keep going! The new lines in each step are shown in blue, so you know exactly what to draw. After adding all the details in each step, darken the lines you want to keep and erase the rest. Finally, add color to your Disney princess drawing with felt-tip markers, colored pencils, watercolors, or acrylic paints. Plus, learn some fun facts about the Disney princesses as you learn to draw them. For example, did you know that Aurora from Sleeping Beauty is drawn one thick eyelash? Or that Rapunzel’s chameleon friend Pascal has three toes on each foot? Brief character descriptions and art instruction from professional Disney animators round out this exciting artistic adventure. So grab your drawing pencils and go on an artistic journey with the Disney princesses!**

**Now you can draw your favorite mystical creatures in a snap! Creepy ghosts, eerie ghouls, greedy giants, and scary scarecrows haunt the pages of this fun drawing book for young and budding artists. Step-by-step instructions and illustrations are easy and fun to follow, and children will giggle at fun facts about different monster species. (Did you know the Krungo monster is great at climbing trees, or that the Prootle monster sleeps with its eyes open?) Learn how to draw and color crazy creatures like: Polka-dotted, four-eyed Spindle Angelic-looking Blarp A wicked wizard A spooky ghost And many more! In It’s Fun to Draw Monsters, Ghosts, and Ghouls Mark Bergin gives kids tips and ideas for using watercolors, crayons, pens, and collage to create wacky, imaginative monsters. Even after mastering Bergin’s monster suggestions, kids will love thumbing through this book for inspiration as they go on to draw their very own crazy creatures and frighten some other kids with their own troupe of Halloween characters!**

Storybook characters are easy to draw if you know the right steps to follow. As readers explore each simple series of step-by-step instructions, they learn to draw dragons, unicorns, wizards, fairies, and other fantasy figures. Clear text and drawings of each step allow budding artists to create their own magical worlds filled with creative characters. Readers will also be charmed by the colorful illustrations that can be seen on each page. These drawing projects encourage readers to use their imagination to take what they've learned and illustrate their own stories of princesses, witches, and many other characters.

Many kids spend a lot of time being in a car, and others see them driving around on streets and on TV. This book shows young artists how to draw more detailed cars by breaking them down into basic shapes first. Along with the easy-to-follow instructions, this book includes interesting information about each of the cars they can draw. Kids will learn about eight different cars featured in this book, ranging from the first motor car ever to a modern hot rod. This book also includes colorful spreads and a supportive glossary for expanding vocabularies. Kids will love learning how to draw more detailed cars while also learning cool facts about the vehicles in their artwork.

For little fans of bugs of all kinds, learn how to draw the cutest of creepy-crawlies with this easy-to-follow step-by-step guide. Each spread features bug facts so that kids can learn a little about each creepy-crawly creature as they learn how to draw them all. Start with a simple caterpillar or a smiling snail and work your way up to a fierce scorpion! First draw the creepy-crawlies with crayons and markers and then experiment with paints and tissue paper. With the help of this book, kids will be able to draw their very own: Grasshopper Mosquito Snail Scorpion Dragonfly Wasp And eight more! New lines are always drawn in red so that kids can see how the drawing builds from step to step. These bugs have personality and can be impossibly cute or as scary as can be—it’s up to you! Vibrantly colored final art illustrations go that extra step to inspire budding artists to get creative with their very own bug world.

Children do not become artists overnight. There are a number of different things which help them improve their drawing skills. Without practice, they will not improve. Without dedication, their technique will not develop. And without a simple, step-by-step guide like this one, which is designed to make drawing fun, they will not be passionate. One important thing to remember is that no child will create perfect sketches. When we are younger, it is in our nature to be messy and to experiment as we learn. This means that as a parent or guardian, teaching your children to draw requires a lot of patience. It is likely that your children will want to produce quality drawings straight away and may become frustrated when they cannot do this as well as you can. This is why having a guide such as this one is so important. It teaches kids that learning to draw does not happen at once - much like drawing itself, it is a gradual build up to a final result. Therefore, the instructions in this book will not only teach children important skills and techniques - it will allow them to have fun whilst they learn, so much so that they will improve without really noticing that they are practicing!

Drawing a horse just standing alone on the page is tricky enough, but with the help of this book you'll not only be able to draw as many as you like, but you'll master the art of horses in action!horses rearing up, kicking out, pulling a plow, running through a field, and so much more. You'll learn how to draw rodeo horses and race horses, military horses and farm horses. With easy step-by-step instructions, kids can learn how to draw: A galloping horse A rolling horse A dressage horse A Shetland pony A pony family A pony in a stable And eight more! Each spread features a unique horse or pony illustration with unintimidating and easy-to-follow directions. New lines are always drawn in red so that kids can see how the drawing builds from step to step. Experiment with markers, crayons, scrap paper, paint, and more! Once little artists grow confident in their horse-drawing abilities, they can use the skills they learn from this book to create their own personal masterpieces! And while you learn how to draw horses, you may even discover a few horse facts you didn't know. Perfect for anyone who has fallen in love with horses and wants to explore their artistic side!

This book presents ways to draw beautiful pictures, in an easy and fun way that allows children to enjoy drawing, which makes them more open to books. These methods rely on the use of simple shapes - such as circles, ovals, rectangles and triangles, and how to customize them by adding your cool details. These methods are used to allow children to raise the mental and compulsive decisions of children at an early age, while keeping the childish style of drawing fun, which makes children more accommodating and enjoying. Drawing promotes family bonds, as it is accompanied by parents or siblings and is a good way to stimulate affection and communication. Parents should take advantage of every possible opportunity to draw with their children, who will be very pleased with this participation.

Little learners will let their imaginations run wild with fantastic puzzles, activities, games, mazes, doodles, and more! With colorful pages featuring mermaids, princesses, and fairies, children will have hours of playful fun. And the easy-to-carry format is perfect for kids on the go.Includes colorful pages, entertaining activities, and bright illustrations! Playful activities keep kids engaged and provide hours of fun. Filled with mermaids, fairies, unicorns, and princesses. A perfect summer travel companion!

Princesses and Ballerinas

Updated in 2015 to include Disney's newest princesses, Merida and Rapunzel, Learn to Draw Disney: Favorite Princesses captures the latest art and style of all the Disney princesses, including Snow White, Cinderella, Sleeping Beauty, Belle, Ariel, Jasmine, Mulan, Pocahontas, and Tiana. Whether she comes from a faraway land, a delightful castle, an enchanted wood, or under the sea, each princess featured in Learn to Draw Disney: Favorite Princesses has her own special story about her journey to "happily ever after." Now young princesses-in-training can imagine their own fairy tales while learning to draw their favorite Disney princesses. Also included are several lead characters from the time-cherished Disney movies that made these princesses legendary.

From bestselling author Talia Hibbert comes a story of wicked royals, fake engagements, and the fed-up office worker trapped in the midst of it all.. Cherry Neita is thirty, flirty, and done with men. As far as she can tell, they’re overrated, overpaid, and underperforming – in every area of life. But a girl has needs, and the smoking-hot stranger she just met at the office seems like the perfect one-night stand.. Prince Ruben of Helgmore is reckless, dominant, and famously filthy. The outcast royal is rebuilding his reputation – all for a good cause – but he can’t resist a pretty face. And bossy whirlwind Cherry’s got the face, the body, and the attitude to make Ruben’s convictions crumble. Even better, when she propositions him, she has no idea who he really is. But when paparazzi catch the pair, erm, kissing in an alleyway, Ruben’s anonymity disappears faster

than Cherry's knickers. Now the press is in uproar, the palace is outraged, and Ruben's reputation is back in the gutter. There's only one way to turn this disaster around - and it involves Cherry, some big fat lies, and a flashy diamond ring. On her left hand. Unfortunately, Cherry isn't pleased with Ruben's 'fake engagement' scheme... and neither is the king. The Princess Trap is a steamy, diverse royal romance featuring a take-no-sh\*t heroine and a misunderstood hero fighting to survive life at the palace. There's fake relationship fluff, a healthy dose of angst, and a guaranteed happily-ever-after. Please be aware: this story contains scenes of abuse that could trigger certain audiences.

Provides step-by-step instructions for drawing the princess characters from favorite Disney films, including Snow White, Cinderella, Pocahontas, and Tiana as both a princess and a frog.

Even the most reluctant young artists will love learning how to draw wacky aliens and quirky robots with this fun and simple book! Step-by-step instructions and illustrations are easy and fun to follow, and children will be entertained by fun facts about different robots and aliens. Kids will learn how to draw all types of space creatures, including: Bob the blob, Rover the robot, Martian Mike, Mega-Klank the robot, Whizz-Pop the robot, and eleven more crazy aliens and robots! In It's Fun to Draw Robots and Aliens, Mark Bergin provides easy tips for using watercolors, crayons, pens, and collage to create shiny robots and imaginative aliens. So grab that space-loving kid and start your own Martian/robot colony, right in your own home!
