Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

A CARP FOR KIMIKO is the story of a young girl's struggle against the strong current of tradition. Every year on Children's Day in Japan a kite in the shape of a carp is flown for each boy in the family. Kimiko is a little girl who desperately wants an orange, black, and white calico carp kite of her own to fly on this holiday. Kimiko's parents remind her that there is a holiday just for girls? Doll's Festival Day, but this does not stop Kimiko from dreaming about and wishing for her very own carp. The magical ending achieves the impossible? Kimiko gets what she longs for without breaking tradition. Katherine Roundtree's beautiful illustrations evoke the wonder and excitement of childhood, which will charm readers of all cultures.

This book tells the awe-inspiring stories of bonsai and penjing trees in the collection of the National Arboretum in Washington D.C. It details their valuable role in international diplomacy and as instruments of American presidential influence. It also describes their inclusion in world's fair exhibitions, in Asian-inspired gardens around the country, and as a window onto the extensive cultivation of bonsai in North America today. An extensive first-hand account by Dr. John L. Creech is

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

included about the first extraordinary gift of 53 bonsai from Japan to the U.S. in 1976 which prompted the founding of the National Bonsai & Penjing Museum. Bonsai & Penjing, Ambassadors of Beauty and Peace describes how Chinese penjing and North American bonsai were later added to the Museum, making its collection the most comprehensive in the world. Stories of individual trees and forest plantings are featured, as are the roles played by the skilled and talented creators of these living art forms—people such as John Naka, Saburo Kato, Yuji Yoshimura, Harry Hirao, and Dr. Yee-Sun Wu. Armchair travelers can experience what a visit to the Museum is like, including the discovery of its remarkable viewing stones. Bonsai & Penjing, Ambassadors of Beauty and Peace will delight anyone intrigued by these living works of art and curious about the stories they bring to life.

****Chosen for 2020 NCTE Notable Poetry Books and Verse Novels List** **Winner of 2020 Northern Lights Book Award for Poetry** **Winner of 2019 Skipping Stones Honor Awards** My First Book of Haiku Poems introduces children to inspirational works of poetry and art that speak of our connection to the natural world, and that enhance their ability to see an entire universe in the tiniest parts of it. Each of these 20 classic poems by Issa, Shiki, Basho, and other great haiku masters is paired with a stunning original painting that opens a door to the world of a child's imagination. A fully bilingual children's book, My First Book of Haiku Poems includes the original versions of the Japanese poems (in Japanese script and Romanized form) on each page*

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

alongside the English translation to form a complete cultural experience. Each haiku poem is accompanied by a "dreamscape" painting by award-winning artist Tracy Gallup that will be admired by children and adults alike. Commentaries offer parents and teachers ready-made "food for thought" to share with young readers and stimulate a conversation about each work."

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their basic function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with plentiful practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese

collection holds appeal for anyone interested in the country and would be a wonderful addition to an international-themed story time."--School Library Journal This delightful collection of beloved Japanese nursery rhymes, Japanese and English Nursery Rhymes is the perfect introduction to Japanese language and culture for young readers ages 4 to 8. This beautifully illustrated bilingual children's book features songs and rhymes in both English and Japanese. An audio CD is included and contains recordings of all the rhymes by native Japanese speakers. It's impossible not to sing along! The popular Japanese songs and rhymes include: My Hometown Bubbles The Rabbit Dance The Cradle Lullaby And many more! "Did You Know" notes about Japanese culture are included throughout the book, with an introduction to Japanese for parents, teachers, and librarians at the back.

This collection of projects by the "father of modern origami" contains detailed instructions for 60 of the master's original works. Master origami artist Akira Yoshizawa was a true innovator who played a seminal role in the rebirth of origami in the modern world. He served as a bridge between past and present—between the ancient traditional craft and the development of origami as a modern practice—in terms of inventing new techniques and in preserving the traditional Japanese forms. In fact, the notational system of diagrams widely used today to indicate how models are folded was largely invented by him.

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese, English; Includes Audio CD)

Above all, Yoshizawa was responsible for elevating origami to the status of an art form. This beautiful origami book is the first comprehensive survey of the extraordinary work of Akira Yoshizawa. In addition to 60 models from his private collection, it features over 1,000 original drawings by the artist, and English translations of his writings in Japanese on origami, all of which are published here for the very first time. Origami projects include: The Koinobori and the Helmet Butterflies of Every Kind Fairy Tale Crowns and Caps The Lion Mask The Tengu Masks and many more! Akira Yoshizawa also contains an explanation of the Master's personal philosophy of origami by Yoshizawa's widow, Kiyo Yoshizawa and an insightful introduction from Robert Lang, a leading artist and exponent of origami art in the West.

My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

*****WINNER OF THE INTERNATIONAL 2013-2014 MORNING CALM MEDAL** This multicultural children's book presents a heartwarming Korean fairy tale about a little girl and a fortunate encounter. Poverty is all Maya has ever known, but she doesn't allow it to stop her from caring for her father, and others, as best she can. Kind and gentle, she is a lovely young girl who always puts others first. One day, she finds a little turtle and takes him home, raising and loving him, never knowing that he will play an instrumental part in her destiny. Similar to The Korean Cinderella, Maya and the Turtle, is an original Korean fairy tale by authors John Stickler and Soma Han that teaches children that the road to greatness lies in selflessness and that the loving kindness of a pure heart can awaken great love and power in another. Beautifully illustrated by Han, this book contains fascinating bits of information about Korean culture and is a poignant tale about the rewards of kindness, patience and courage.***

A Children's Book Inspired by Hokusai

Ganbatte (gan-ba-tay) is a Japanese philosophy focused on doing the best you can with what you have. Though there is no direct translation, "keep going," and "give it your all," embody the sentiments behind the word. Just as wabi sabi shows the beauty of imperfection in life, ganbatte teaches you how to get past obstacles and be motivated to keep moving forward. In Ganbatte! author Albert Liebermann provides an inspirational, yet practical guide to becoming more resilient the Japanese way. In 50 short chapters, some deeper and some more playful, Liebermann guides you through ways you can adopt the ganbatte approach to achieve a happier, more fulfilling life—and a happier, more fulfilled self. These include: Separating "difficult" from "impossible" Making use of failure Cultivating patience Working mindfully with a sense of awareness Continually improving Practicing meditation Pushing through a crisis Taking the slow route Sprinkled throughout the book are "Ganbatte Rules"—short, actionable steps you can take to move forward in a part of your life where you may be stuck (whether it's fitness, love or starting a business). A foreword by Hector Garcia, author of the bestselling Ikigai: The Japanese Secret to a Long and Happy Life, introduces the concept of ganbatte and how he learned of its existence from one of Japan's centenarians. While many aspects of life are beyond our control, how we deal with setbacks and difficulties is as much of a choice as how we approach everyday tasks. This book helps you tap into your

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

own ability to persevere and encourages you to stay motivated and hopeful in difficult times. If you apply the tenacity and resilience of the Japanese in your daily life, difficult becomes easy, and impossible becomes possible.

Japanese Color Harmony Dictionary: Traditional Colors

Children's Picture Book English-Igbo (Bilingual Edition)

Learn Japanese and enjoy folktales at the same time with this whimsically illustrated multicultural children's book! This bilingual edition of *A Treasury of Japanese Folktales*—presented in both English and Japanese—contains 12 of the best Japanese legends and fairy tales, told to generation after generation of Japanese children. Originally written in English by Yuri Yasuda, based on her interpretations of traditional Japanese tales, these charming stories of rich imagination are now accompanied by Japanese text by Yumi Matsunari and Yumi Yamaguchi. The Japanese text includes basic kanji accompanied by furigana to help beginning learners to recognize and learn the characters. Adventures carry us, on turtle-back, to the splendors of the underwater palace of the dragon princess, to the beautiful hills where Kintaro plays with his animal friends, and to a temple where we discover a "tea kettle" that is really a cunning badger in disguise. The 98 color illustrations, executed with great skill and imagination, bring to life the charming characters of these heart-warming tales of old Japan, which include: Shitakiri Suzume, the Tongue-Cut Sparrow Kintaro, the Strong Boy Kaguya Hime, the Luminous Princess Momotaro, the Peach Boy Bunbuku Chagama, the Lucky Cauldron

My First Book of Tagalog Words is a beautifully illustrated book that introduces young children to Filipino language and culture through everyday words. The words profiled in this book are all commonly used in the Filipino language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Tagalog Words are multiple: to familiarize children with the sounds and structure of the Tagalog language; to introduce core elements of Filipino culture; to illustrate the ways in which languages differ in their treatment of everyday sounds; and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural references and appreciate how the book is organized in a familiar ABC structure. With the help of this book, we hope more children (and adults) will soon be a part of the 22 million people worldwide that speak Tagalog!

A charming collection of fourteen well-loved rhymes, Korean Nursery Rhymes is the perfect introduction to Korean language and culture for young readers. This beautifully illustrated book features songs and rhymes perfect for children who are interested in learning the Korean language or about its culture. Presented in both English and Korean, this multicultural children's book also includes an audio CD with recordings of kids singing in both languages — songs so lively and sweet, you soon find yourself singing along! Many accompany everyday play activities like jum rope and hand clap games. Others speak to a child's view of nature, and a love of home. Favorite rhymes and songs include: Little One Monkey's Bottom Twirling Round Spring in My Hometown And more! For preschoolers and beyond, this book will be a joy to the mind, the eye, the ear and the heart.

In a new edition of this special book, 22 nursery rhymes from Iran to Iceland and Samoa to Switzerland have been carefully chosen and beautifully illustrated by Mique Moriuchi. A

Ambassadors of Peace & Beauty

A Carp for Kimiko

This book focuses on the pronunciation and reading of the Kanji presented in Remembering the Kanji V. 1. The Kanji in this volume are organized into groups based on the building blocks of the characters to facilitate their study. Like children everywhere, Miyuki's imagination peaks at bedtime, when she remembers all the things she has to do before she can possibly go to bed: she needs to water the vegetables, gather snails, and prepare for the arrival of the Dragonfly Queen. Her patient grandfather follows along on her adventures, gently encouraging her to go to sleep. In this beautiful story about family, nature, and love, young children and their parents find a welcome companion for their own bedtime journey.

Here, beautifully illustrated and presented in both English and Japanese, are 12 of the best Japanese folktales—shared with generation after generation of Japanese children. These charming tales engage your imagination as you're carried on turtle-back rides, brought

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

to the underwater palace of the dragon princess, and discover a temple with a "tea kettle" that is really a cunning badger in disguise. Stories include: The Tongue-Cut Sparrow The Strong Boy The Marriage of a Mouse The Fisherman and the Tortoise The Luminous Princess The Peach Boy The Kachi Kachi Mountain The Old Men With Wens The Old Man Who Made Trees Blossom The One-Inch Boy The Lucky Cauldron The Monkey and Crab Fight These stories are all richly illustrated, with 98 color illustrations by two of Japan's foremost children's books illustrators. Executed with great skill and imagination, they bring to life the charming characters of these heartwarming tales of old Japan. The tales were originally written in English by author Yuri Yasuda based on her interpretations of traditional Japanese stories. Here they are fully bilingual—each one accompanied by Japanese text. The Japanese versions of each tale include simple kanji with furigana pronunciations to help learners recognize the characters. Japanese Myths, Legends & Folktales is accessible to both English and Japanese-speaking children, as well as to older language learners who wish to enhance their reading ability. This multicultural children's book will entertain, inspire, and educate in equal measure.

Volume 2 (4th ed.) updated to include the 196 kanja approved in 2010 for general use.

Readers will learn how to construct each of these structures, as well as how to design bridges and stepping-stones.

The American Girl's Handy Book was one of the earliest works written primarily for girls' amusement and enjoyment. It introduced original and novel ideas to open new routes for enterprise and entertainment for girls. The main goal was to engrave upon the girls' minds that they all have talent and the ability to achieve more than what they think is possible.

Get Free Japanese Nursery Rhymes: Carp Streamers, Falling Rain And Other Traditional Favorites (Share And Sing In Japanese English; Includes Audio CD)

During the time of this book's publication, it was unusual to promote girls to be inventive. But the writer desired to awaken this creative side in them by giving detailed methods of new tasks and amusements, to put them on the road they could travel and explore alone. Anyone curious about knowing the initiatives taken for girls' empowerment in the olden days will find this work beneficial.
