

### Just Bulldog Puppies 2018 Wall Calendar (Dog Breed Calendar)

**Breed Predispositions to Disease in Dogs and Cats, Third Edition provides a comprehensive exploration of current knowledge of breed predispositions based on rigorous examination of primary research. Incorporates the latest research, new testing methods, and newly-discovered predispositions and diseases Provides expanded information on genetics, epidemiology, and longevity Includes key characteristics of diseases, including pathogenesis, genetics, risks, and common presentations Indexes dogs and cats by breed, with listings of common inherited and predisposed disorders organized by body system Includes absolute and relative frequency/occurrence data for conditions, along with references to further information**
**From Connie Willis, winner of multiple Hugo and Nebula Awards, comes a comedic romp through an unpredictable world of mystery, love, and time travel . . . Ned Henry is badly in need of a rest. He’s been shuttling between the 21st century and the 1940s searching for a Victorian atrocity called the bishop’s bird stump. It’s part of a project to restore the famed Coventry Cathedral, destroyed in a Nazi air raid over a hundred years earlier. But then Verity Kindle, a fellow time traveler, inadvertently brings back something from the past. Now Ned must jump back to the Victorian era to help Verity put things right—not only to save the project but to prevent altering history itself.**

**In what promises to become an "Omnivore’s Dilemma" for dog lovers—breed devotees and adoption advocates alike—The Dog Merchants is the first book to explain the complex and often surprisingly similar business practices that extend from the American Kennel Club to local shelters, from Westminster champions to dog auctions.Without judging dog lovers of any stripe, The Dog Merchants makes it clear that money spent among these dog merchants has real-world effects on people and canines. Kavin reveals how dog merchants create markets for dogs, often in defiance of the usual rules of supply and demand. She takes an investigative approach and meets breeders and rescuers at all levels, shedding much-needed light on an industry that most people don’t even realize is an industry.Kavin’s goal is to advance the conversation about how all dogs are treated, from puppy mills to high-kill shelters. She shows that a great deal can be improved by understanding the business practices behind selling dogs of all kinds. Instead of pitting rescue and purebred people against each other, The Dog Merchants shows how all dog lovers can come together, with one voice as consumers, on behalf of all our beloved companions.**

**Everything you need to know about the American Bulldog - from American Bulldog Puppies through to the adult American Bulldog, this is the definitive American Bulldog Book! This Bulldogs in Magical Land Coloring Book the perfect way to relieve stress and aid relaxation while enjoying beautiful and highly detailed images. Product Details: Printed single sided on bright white paper Premium matte cover finish Large format 8.5" x 11.0" pages

With a camera and a bucket of treats, Shaina Fishman set herself up in a photo studio and watched puppies and their parents at play. The result is a wealth of delightful, irresistibly cute images: dogs laughing, playing, sneezing, yawning, and finally cuddling and going to bed. The lush, vivid photographs inside this book show a side of puppies that we ’ re usually not privy too—what they do when it ’ s just themselves and their parents. The images include dogs from a wealth of breeds, including golden retrievers, pugs, French bulldogs, dalmatians, and more! The dogs are big and small, young and old—some traditionally cute and a handful with a face that “ only a mother could love ” (and as you ’ ll see, she does!). And, as a bonus for readers, Fishman has included a model roster in the back of the book that reveals the names and ages of the puppies and their parents, and some of their favorite treats and activities, so readers can get to know them. There ’ s also a foreword from Shaina revealing her photography process and insider information on getting a finicky pet to smile. All photos inside are clear, crisp, and inviting—and without exception smile inducing. This is the perfect pick-me-up book: a treat for oneself as well as a gift destined to be cherished and returned to for a good laugh again and again

The Game-Changing Guide to Understanding Your Dog's Behavior

Underwater Dogs

Great Dog

*From the award-winning radio and TV personality and beloved two-time New York Times bestselling author Bobby Bones, Stanley the Dog: The First Day of School is a hilarious and heartfelt new picture book about a bulldog pup named Stanley and his adventures on the first day of school. Today is Stanley’s first day of school—and he really doesn’t want to go. Stanley would rather dawdle in bed and dither over which collar to wear than get on the school bus. With his stomach turning into tighter knots by the minute, Stanley’s worried whether a bulldog like him will ever fit in with the other pups at school. For one thing, Stanley doesn’t know any of the school rules. He rolls when he’s supposed to sit. Barks when he’s supposed to stay. And worst of all, he doesn’t know how to make friends. But when disaster strikes, maybe all Stanley needs to do is be himself in order save the day? Illustrated with hilariously loving detail by Stephanie Laberis and inspired by Bobby Bones’s own real-life bulldog puppy, Stanley the Dog: The First Day of School will remind every reader about the challenges of trying new things and the value of staying true to yourself.*

*The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water’s surface, it’s a simple exercise: a dog’s leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog’s distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In Underwater Dogs, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.*

*French Bulldogs - The Owners Guide from Puppy to Old Age is a must-have book for any responsible Frenchie owner. Expert dog whisperer, trainer and owner, Alex Seymour, writes in a fun and entertaining way about French Bulldogs while packing the book full of useful hints and tips. In addition, many top breeders make contributions, including a Westminster dog show best of breed winner, who writes a special bonus chapter about showing Frenchies. Just some of the subjects covered include: origins and history of the French Bulldog, different types and colors, buying a dog or puppy, male or female, pros and cons, rescue, adoption, breeders, personality, socialization, spaying, neutering, house/potty training, bringing your puppy home, grooming, combing, bathing, shows, health, vaccinations, training, understanding your Frenchie, play and toys, what food and nutrition, old age and what to expect, and much more... "Entertaining book, I especially liked the guest contributions from breed experts. Added to the fun style of writing and good, solid info." - Adam Swanton "The best French Bulldog book I have read and I tend to buy every one I can, as I love and adore these dogs. Fun and comprehensive." - Alana Wright*

*Every dog owner knows that along with the joy can come the stress and frustration of behavioral problems, which are expensive to diagnose and treat. Enter Kim Brophey, award-winning canine behavior consultant. Using cutting-edge research, Brophey has developed a groundbreaking system that allows owners to identify what their dog is struggling with, why, and how they can fix it. Brophey’s approach is unlike anything that has been published before and will give dog owners a new understanding of what motivates and affects their dog’s behavior. Brophey’s innovative technique rethinks the way we categorize dogs, and distills information from over twenty scientific disciplines into four comprehensive elements: learning, environment, genetics, and self. With revolutionary tips for specific dog breeds, this book will change the life of every dog owner and lead to happier human-canine relationships.*

*Here’s Exactly How to Train Your Miature Schnauzer*

*with audio recording*

*Dog Shaming*

*A Guide for Veterinary Students, Residents, Clinicians, Pathologists, and Biological Researchers*

*Miniature Schnauzer Dog Training Think Like a Dog But Don’t Eat Your Poop!*

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on ho essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot of slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:
• How you can get your dog to come when called by acting less like a primate and more like a dog
• Why the advice to “get dominance” over your dog can cause problems
• Why “rough and tumbling primate play” can lead to trouble—and how to

How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, The Other End of the Leash is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The perfect gift for dog lovers of all sizes: a new irresistibly cute photo book featuring tiny dogs and giant dogs side by side, from the bestselling photographer behind Underwater Dogs and Underwater Puppies. A collection of stunning photographs, each featuring two dogs: one big, one small. These unexpected pairs are utterly adorable, making this book the perfect coffee-table book for anyone who loves cute pups.

A revised edition of the best-selling reference on canine psychology incorporates the latest scientific findings and interviews with top breeders and trainers to enable dog lovers to evaluate a pet’s intelligence, read dog body language, and adapt a training program suited to an animal’s specific needs. By the author of How Dogs Think. Original. 10,000 first printing. The age-old question of “what will I be when I grow up” gets a hilarious twist in this stylish and clever story. A pup and his father contemplate his grand future while looking at other Great Dogs in their family. Will he be a marathon runner like Uncle Tibor, the fastest dog in the family? Will he be an astronaut like Aunt Yuki, who reached for the stars? Or maybe a te

father, he will be a GREAT dog! Davide Call’s tongue-in-check writing and Miguel Tanco’s unique and funny illustrations bring these great dogs to life and will have readers giggling from start to finish. With gatefolds that show the real story behind the characters and a surprise twist at the end, Great Dog is a winner for kids and parents alike!

Shelter Dogs in a Photo Booth

Zelda Wisdom

***Celebrated pet photographer Serena Hodson's silly, drooly, whimsical, and fun Upside-Down Dogs is sure to bring a smile to every dog lover's face. Her unique perspective brings these sweet, full color photos to life on the page. Hodson takes beautiful color photographs of man's best friend...but her furry subjects are always upside down. The results are stunning, charming, and laugh out loud adorable. No matter the breed, no matter the background, Hodson is able to capture the sweet personality of each dog she works with. There's no better book to help someone turn their frown upside down.***

***Wonderfully expressive portraits show the adorable delight of puppies--from newborns to one-year-olds--in this irresistible photography gift book.***

***Often seen as sad, rejected, and behind cold metal bars, it's no wonder people would avoid images of shelter dogs awaiting forever homes. From talented photographer (and now public figure and adoption champion) Guinnivere Shuster comes Shelter Dogs in a Photo Booth, a guaranteed-to-make-you-smile photo book featuring shelter dogs in a brand-new light. Get ready to see the cutest canine portraits you’ve ever seen! Guinnevere’s fantastic photos went viral and have been featured on websites, in magazines, and on television programs all over the world: Good Morning America, NBC, ABC, MSNBC, The Huffington Post, Time, The Daily Mail . . . even celebrities have gotten in on the action: Amy Poehler, Cesar Millan, and Zooy Deschanel have made statements and posts declaring their love of Guinnevere’s work. After the adorable and up-for-adoption photos of these furry friends were seen and enjoyed by millions, adoption rates at Utah’s Humane Society skyrocketed. The book features 100 dog photo booth style photographs, each accompanied by a short story about the dog’s personality, how the dog ended up in the shelter, and the adoption date. A follow-up will conclude the book, with photos of some of them with their new families. A portion of the proceeds of this book will benefit the Humane Society of Utah and Best Friends Animal Society.***

***A New York Times Bestseller Doug the Pug is the king of pop culture. More than seven million adoring fans on Facebook, Instagram, Twitter, and Snapchat can’t get enough of him. Doug spreads love everywhere he goes, and now with his literary debut, he’s coming to living rooms around the world. It’s hard to find a more well-connected pup than Doug. He’s homies with the hottest stars out there: Justin Bieber, Steven Tyler, Ed Sheeran, John Legend, and Chrissy Teigen, to name just a few. Did you catch him in Fall Out Boy’s latest music video? Doug can ball with the best of them. He’s a rising star and everyone’s favorite squishy face. Doug has made appearances at music festivals including Lollapalooza and the Billboard Hot 100 Music Fest, but he doesn’t let fame go to his head. Doug is a humble pug, but the people have asked for more, so he’s obliged with this awesome New York Times bestselling collection of photos. Doug is a fashion icon, a culinary gourmand, a music enthusiast, and an all-around happenin’ guy. This book is just a sneak peek at some of his greatest adventures so far. From his furry heart to yours, enjoy!***

**Bullmina the Courageous Bulldog Comes Home is the final book in Lita Eitner-Englands Bulldog trilogy. Readers dont need to read the first two books in order to enjoy this last installment. More than 130 years have passed since Trevor Sheffield, Lisette St. Germaine, Matthew Connors, and their friends said goodbye to the duke of Chathamworthshires first Bullmina in London and embarked on new adventures. We are now in Redwood City, California, home to Carey Evers and her dysfunctional parents. The family of Careys grandparents has a history of raising bulldogs, but Careys abusive father, Hank, refuses to let Carey adopt even a rescue dog. Careys grandmother, the indefatigable Nonna Beppa, is the only person keeping Carey sane until Bobbi Weinberg and her family move in with a station wagon full of champion and rescue English bulldogs. Carey and Bobbi become fast friends, bonding over the dogs. Even Careys mentally ill mother, Liz, finds new motivation to live while helping Bobbis mother, Lyndsey, take care of the new litters and tend to the rescue bulldogs. Unfortunately, tragedy strikes twice. Liz comes down with a catastrophic illness, and Hank is convicted of felony vehicular manslaughter. With the help of Bobbis father, Dr. Josh Weinberg, and both Lyndsey and Bobbi, Carey must navigate these uncertain waters and build a new future. She discovers that her life and Bobbis are more intricately tied together than she could ever have imagined, bringing new conflicts that threaten to tear both families apart until the unconditional love of an abandoned rescue bulldog saves the day, and Bullminas legacy lives on for more generations to come. This book also includes a bonus short story about an irresistible Siberian husky named Payasito (little clown). Proceeds from all book sales are being donated to animal rescue organizations around the country.**

**A bulldog and a poodle learn that family is about love, not appearances in this adorable doggy tale from New York Times bestselling author Kelly DiPucchio and illustrator Christian Robinson. This is the story of four puppies: Fi-Fi, Foo-Foo, Ooh-La-La, and Gaston. Gaston works the hardest at his lessons on how to be a proper pooch. He sips—never slobbers! He yips—never yaps! And he walks with grace—never races! Gaston fits right in with his poodle sisters. But a chance encounter with a bulldog family in the park—Rocky, Ricky, Bruno, and Antoinette—reveals there’s been a mix-up, and so Gaston and Antoinette switch places. The new families look right...but they don’t feel right. Can these puppies follow their noses—and their hearts—to find where they belong?**

**A Guide to the Thoughts, Emotions, and Inner Lives of Our Canine Companions**

Based on his popular Instagram feed @Manny\_the\_Frenchie and Facebook profile, this is an illustrated and humorous guide to living a happy and fulfilling life by “the most famous French bulldog in the world...who’s downright amazing” (Buzzfeed.com). In 2011, Manny was the runt of the litter and on his way to a shelter. But when his parents scooped him up, named him after the world famous boxer, Manny Pacquiao, and began posting photos of him sleeping in their sink accompanied by humorous, optimistic captions, Manny went viral. Whether he’s wearing sunglasses, hitting up music festivals, or sleeping in adorable costumes, this little Frenchie always encourages a positive, do-gooder outlook to his followers. Packed with cheeky humor, witty wisdom, and charming anecdotes, Manny the Frenchie’s Art of Happiness will satisfy dog lovers of all breeds.

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America’s most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar’s Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar’s formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You’ll learn: • What your dog really needs may not be what you’re giving him • Why a dog’s natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no “problem breeds,” just problem owners • How to choose a dog who’s right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar’s longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you’ll need to forge a stronger, more rewarding connection with your four-legged companion.

Learn about the care and behavior of French bulldogs.

Based on the runaway web phenomenon (dogshamingdotcom), Dog Shaming features the most hilarious, most shameful, and never-before-seen doggie misdeeds. Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Dog owners everywhere have found their outlet in Dog Shaming, where they can confess their dogs' biggest (and often grossest!) sins, which turn out to be recognizably universal—complete with snapshots of ridiculously cute but shamed pups who don't seem capable of humping humans, pooping on pillows, or snagging steak straight from a grill. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.

Zelda, a seven-year-old bulldog, is the most unlikely of supermodels, who happens to star in the Zelda Wisdom greeting card line and other licensed products. This kit includes a 32-page booklet from her book, Zelda Wisdom, and a canine cut-out that stands up and can be dressed in three ravishing cling-made outfits. The combination is a howl!

We love our dogs, and they love us back. Right? Read How Dogs Think, the new Special Edition from the editors of TIME, and discover the rich inner lives of canines--and what they really think about their human friends. How Dogs Think explores what goes on in the brains of canines and reveals how we can forge meaningful bonds with our pets. The latest research and scientific evidence is here to answer your questions: How does a pack work? What are the best ways to train a dog? How do dogs help combat veterans recover? How can you care for an aging or neurotic pet? There's even a hall of fame of top dogs, plus a photographic essay on extreme dogs--the biggest, the fastest, the smartest, and more. Everyone who loves dogs will be amazed and intrigued by this revealing look at our best friends.

"This is Claude. He's five years old, the youngest of five brothers. He also loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess.When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes."--

"His legs are too short!" "His head is too big!" Soren the French Bulldog is an unlikely champion in the athletic sport of dog agility, or so many people think. But Soren has something his critics can't readily see: belief in himself. With that, and the support of his friend Deb, Soren sets out to prove that champions come in all shapes and sizes. The inspiring true story of a little dog with a big dream and an even bigger heart. "Soaring Soren helps teach children that with a little hard work, if they can dream it, they can achieve it. A wonderful message and a delightful book." Feathered Quill THIS SECOND ANNIVERSARY EDITION CONTAINS PHOTOS OF THE REAL SOREN!

The Mayor Bulldog Gunny is the story of Ryan Lawrence, an eleven-yearold boy who is crippled by polio, and his reclusive mentor, Captain Jeffery Turner. The novel, set in 1952, is about the struggles caused by polio, but more importantly, the success he achieves over his disease. All the nicknames he has are bestowed by the community farmers in his small town in response to his undauntable spirit and the example he sets for them. Captain Turner, who has lost his childless wife in an auto accident in the 1930s, is enamored of the boy who becomes the grandchild he never had. He teaches the boy about saving his money, about stocks and investing, about race relations, and the basic goodness in all people but more succinctly about being an able and responsible human being. In doing so, the captain takes the boy on a two-week long journey to Mena, Arkansas, to meet a fifty-threeyear- old sergeant who had served under the captain during World War I. Bulldog loved it because his dad had been killed at the end of World War II. Sergeant Grimes, who lost both legs and one arm and who later receives the Medal of Honor that he gives to the boy, is the captain’s way of showing the boy the horrors of war and of showing Bulldog that his handicap is actually minor in the larger human scenario. An unsettling segment of the novel has the captain dying while sitting next to his wife’s grave, which is on the captain’s farm, to be found by the Bulldog. "No vampires, werewolves, or zombies-just a story for adults and children with an end that will restore your faith in mankind."

The first modern scholarly synthesis of animal domestication Across the globe and at different times in the past millennia, the evolutionary history of domesticated animals has been greatly affected by the myriad, complex, and diverse interactions humans have had with the animals closest to them. The Process of Animal Domestication presents a broad synthesis of this subject, from the rich history behind the initial stages of domestication to how the creation of breeds reflects cultural and societal transformations that have impacted the biosphere. Marcelo S á nchez-Villagra draws from a wide range of fields, including evolutionary biology, zooarchaeology, ethnology, genetics, developmental biology, and evolutionary morphology to provide a fresh perspective to this classic topic. Relying on various conceptual and technical tools, he examines the natural history of phenotypes and their developmental origins. He presents case studies involving mammals, birds, fish, and insect species, and he highlights the importance of domestication for the comprehension of evolution, anatomy, ontogeny, and dozens of fundamental biological processes. Bringing together the most current developments, The Process of Animal Domestication will interest a wide range of readers, from evolutionary biologists, developmental biologists, and geneticists to anthropologists and archaeologists.

*Diagnostic MRI in Dogs and Cats makes the vast and increasingly complex topic of clinical MRI in small animals accessible to all veterinarians. With the increasing availability of MRI technology, there is also a pressing need for expertise in interpreting these images. This is the first reference textbook to provide a well-illustrated and comprehensive overview of the current knowledge, focusing on imaging appearance rather than on clinical signs or treatment. With chapters on MRI physics and technology as well as sections on specific anatomical regions, the book functions as a stand-alone reference for the reader, whether they be a radiology/neurology resident in training or a practitioner with a need to learn about veterinary clinical MRI. Includes both evidenced-based material and the authors' personal experience, providing an excellent overview of current knowledge in the field. Contributors are international leaders in the field. Bullet points format and table summaries throughout the book keep the concepts concise and organized. Richly illustrated with over 650 annotated images showcasing the main features of the disease processes. Images are obtained at all magnet field strengths, so as to reflect the current reality of veterinary MRI, which uses low-, mid- and high-field magnets. The chapters on physics and MRI technology are concise and accessible, using many visual aids and diagrams, and avoiding abstract concepts and equations whenever possible. Within each anatomical section, each chapter focuses on a disease category of that body region. When it is important to understand the imaging appearance, the pathophysiology is reviewed and imaging features of prognostic relevance are detailed. This practical yet thoroughly comprehensive book is primarily an evidence-based learning resource for trainees, but will also aid practising veterinarians who have less MRI experience.*

*The first title in the exciting new Kennel Club Classics series is French Bulldog, an elaborate photographic celebration of one of the dog world's most beloved breeds. Written and compiled by Just Frenchies editor Muriel P. Lee, this 200-page hardcover volume features articles on the breed's history by Anne M. Hier, breed health by Janice Grebe, judging by Virginia Rowland, the breed in England and France by Penny Rankine-Parsons, the breed in Australia and New Zealand by Michael Rosser, and working dogs by Bette and Manda Kaplan. No Frenchie lover will live without this volume on their coffee table!*
