

Just For Him: A Cerasino Family Novella (Cerasino Family Novellas Book 2)

I'm a total mess. My boyfriend dumped me - get this - because I diet too much. Not because I'm fat, mind you. Of course, this spurs me into the diet-fitness-revenge-plan of the century, which leads me to the gym and a scorching hot personal trainer. I even manage to make some cool new friends, including a millionaire if you can believe it. Things are looking up! Naturally, that's the moment my ex decides he wants me back, the personal trainer asks me out, and my millionaire male buddy decides to throw his hat in the ring. But that's not enough drama. No, not for me. Because I've also lost my job and decided to start my own business. Just call me Ms. Drama. Warning: Bad language, bumpy roads, and embarrassing moments ahead. But there's also more than a bit of romance and even, if we're lucky, love. Fingers crossed. Not endorsed by or affiliated with any brand of tequila.

Derrick Wolfe has found his niche. As the reclusive owner of Wolfe Island, one of the most coveted vacation locales for the wealthy, he is exactly where he wants to be. Rich. Single. Successful. Alpha to his pack. What more could a Were want? When Angelica Xanthopoulos visits his island, he finds himself drawn to her in ways he never imagined. He tries to stay away, but something about her keeps him coming back for more. She's so different. So intoxicating. So intriguing. Yet she does nothing to warrant his infatuation. In fact, to everyone outside of his pack, it's almost like she's invisible. When tragedy strikes, Derrick finds himself with a dilemma. With Weres disappearing and an inexplicable need for a woman he barely knows, Derrick sees a change on the horizon. One that will ultimately claim him and tilt his carefully built world on its axis.

Forty years old and starting over. And not sure where home was going to be. Chief Master Sergeant Cameron Freeland had a few job prospects but nothing that sparked much interest. And now? his flight was grounded, and he was stranded in an airport. At least, he could kill time in the USO. A chance meeting there altered his decision, and he boarded his plane to Hope City with an interview for the job of his dreams. Single mom, Mercy Cahill faced life and death struggles every day to protect herself and her daughter. Now hiding under a bridge in a homeless community, she needed was a break, a job, and a home somewhere her ex couldn't reach them. Cam's new job as a special investigator took him to the cardboard cottages, where he met Destiny, the little girl with the big green eyes and her mother. Involving himself deeper with the mother and daughter was a mistake but leaving them in that place was impossible. If only Mercy would trust him, he'd give her shattered heart a home.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... (6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

Fiction: Tyed is a New Adult book.

Hard to kill. Even harder to love. Army Ranger Seth O'Rourke is more than just a man. Inside him lives a beast who knows he can trust no one but himself to survive, and that it is his duty to protect those weaker than himself. When a selfless act of heroism leaves him dependent upon others, his world crumbles around him. The only spark of light in a world of darkness and pain is the woman who foolishly refuses to give up on him. Quinn Brennan is more than just a woman. She has a rare and special gift: she can heal through touch. She knows she can trust no one with her secret because many will misunderstand and fear her powers. Seth is the exception. She's willing to risk everything for him, because the same ancient ancestry that provided her gift insists that he is the other half of her soul. When a tragic

mishap puts her in the hospital, Quinn is forced to return to the only place she's ever felt accepted. Will her absence be the catalyst Seth needs to bring himself back into the light and save them both?

He makes the rules. She breaks them all. A new start. It's the only thing keeping Allie Harper going, when she packs up her life and moves across the country to Woodshill, Oregon. She's about to start college, desperate to leave the ghosts of her past behind her. Even if that means never talking to her parents again. Now the hard part - finding an apartment before classes start. Just when it seems she'll have to live out of her car, Allie visits one more place. It's beautiful. With one exception: can she stand being roommates with campus bad boy Kaden White? Sure, Kaden is sexy with his tattoos and careless attitude, but he's also an arrogant jerk. With nowhere else to go, Allie moves in. The first thing Kaden does is make a set of rules. Either Allie obeys, or she's out: 1. Don't talk about your girl problems. 2. Keep your mouth shut if I bring someone home. 3. We will NEVER hook up. Easy enough, thinks Allie. Who would want to get involved with a brute like Kaden? But the more she gets to know him, the more she sees beyond his gruff facade. He, too, is harboring some painful secrets. For Kaden and Allie, it gets harder and harder to ignore the sparks between them. And the lines between the rules start to blur ... Begin Again is a beautiful romance that shows us just how possible it is to start over. To find freedom in heartbreak and love in the most unlikely places. Tyed

It takes a village... to ruin a perfectly good love story. Former SEAL Brian “Mad Dog” Sheppard might look like a gentle giant to some, but there's a very good reason for his call name. Threaten someone he cares about and he'll stop at nothing to protect them. That includes his new team of fellow SEALs. They're all about creating a safe haven for vets trying to readjust to civilian life. Everyone agrees it's a great idea, but there are those who would much rather they take their good deeds somewhere else—preferably far away from the sleepy mountain town of Sumneyville.

Kate Handelmann is friendly and down-to-earth with very strong ties to the community. While she's not a fan of gossip and firmly believes that actions speak louder than words, it's impossible to ignore all the rumors surrounding the mysterious and potentially dangerous group of men settling in just outside of town. When Mad Dog shows up at her dad's hardware store, the instant and powerful attraction is undeniable, but Kate's family already has other ideas—and he is definitely not part of their plan. As tensions escalate between the men of Sanctuary and local residents, hard lines are drawn. With their chemistry off the charts, will Kate choose her family? Or will she sacrifice everything to be with the man she loves? Shadow of Doubt is a small town, contemporary romance featuring former military heroes and light suspense.

In the past decade, from Brighton Beach to Moscow, Toronto to Hong Kong, the Russian mob has become the world's fastest-growing criminal superpower. Trafficking in prostitutes, heroin, and missiles, the mafiya poses an enormous threat to global stability and safety. Today, the mafiya controls over 80 percent of Russia's banks and has siphoned off billions of dollars in Western loans and aid, almost certainly derailing the chance for a stable democracy there. But that is just the beginning, for the mafiya is now in every corner of the United States and has infiltrated some of the banks and brokerage firms that handle your money. And American law enforcement is just waking up to this staggering problem. No journalist in the world knows more about the mafiya than Friedman, who has covered the Russian mob for Details, Vanity Fair, and New York. At great peril to himself, Friedman interviewed many of the top mobsters, who were stunningly candid about their activities. In their depravity, ruthlessness, and brutality, Russian gangsters make the traditional Mafia look like choirboys. Red Mafiya will appeal to anyone interested in the Mob.

Written for the lake user, this third edition testifies to the success and the leadership of EPA's Clean Lakes Program.

This text examines the impact of climate change on freshwater ecosystems, past, present and future. It especially considers the interactions between climate change and other drivers of change including hydromorphological modification, nutrient loading, acid deposition and contamination by toxic substances using evidence from palaeolimnology, time-series analysis, space-for-time substitution, laboratory and field experiments and process modelling. The book evaluates these processes in relation to extreme events, seasonal changes in ecosystems, trends over decadal-scale time periods, mitigation strategies and ecosystem recovery. The book is also concerned with how aspects of hydrophysical, hydrochemical and ecological change can be used as early indicators of climate change in aquatic ecosystems and it addresses the implications of future climate change for freshwater ecosystem management at the catchment scale. This is an ideal book for the scientific research community, but is also accessible to Masters and senior undergraduate students.

The gods of Olympus aren't gone. They're just more discreet than they used to be. On the outside, there is nothing remarkable about Ellie Cavannaugh. Of average height, average looks, she is sensible and wholly competent. But inside, she has the soul of a goddess. Nik Deimos is a god. The son of Ares and Aphrodite, his duplicitous nature often has mortals cowering in fear or writhing in lust. Except for his personal assistant, that

is. She seems wholly unaffected. It intrigues him. The more he learns about Ellie, the more he is convinced she was meant to be his. There is only one problem: Ellie has already bound herself to another.

They call him the Iceman. The eldest of seven brothers, he is the biggest. The coldest. The meanest. No one has been able to break through the icy shield Kane Callaghan has built around himself. No one except the tiny, stubborn woman willing to sacrifice herself for him. She haunts his dreams, but he has no idea who she is. Where she is. Or if he'll ever see her again. Rebecca Harrison spent the last twelve years with humanitarian relief organizations, travelling to some of the hardest hit areas of the world, but none has ever affected her as much as that tiny village in Africa. Because of him. Fierce and beautiful and terrible, she can't get him out of her mind. Kane. The avenging archangel who appeared out of nowhere, saving her from a fate worse than death. The one she was forced to leave behind. Worlds apart, they are bound by the events of that one horrible night, though the chances of ever meeting again are too small to dare even hope. Of course, neither one realizes just how clever Fate can be...

The role doors and windows play in shaping the life and structure of Roman private dwellings has been underestimated; they are structures that connect not only rooms but houses to the outside world, and they relate to privacy, security, and light in domestic spaces. This volume analyses these structures as an essential part of daily life.

He lost everything once. He's not going to let it happen again. Matt Winston led a charmed life. Great family, great friends, and a girl he'd do anything for. Then tragedy struck. He lost everything, including his way. He dealt with it the only way he knew how-by becoming the best damn SEAL team leader he could be. Now he's out of the service, stronger, wiser, and with a new purpose: turning his burnt-out family legacy into a place where he can help fellow vets find their way back into civilian society. Nothing will bring back what he lost—except possibly the small town corruption that brings her back to into his life. When Hayley Freed left town suddenly all those years ago amidst rumors and scandal, the hardest part had been walking away from the only boy she'd ever loved. He'd been her knight in shining armor then. In her heart, he still was. Now she's back, and she's not alone. She's bringing justice, vengeance, and karma with her. This US Deputy Marshal is on a mission, and it's as personal as it gets. And maybe, just maybe, she'll get a second chance to do right by her knight in the process. As Matt and Hayley work together to rid their sleepy little mountain town of the rampant greed and corruption that threatens to destroy it, will they re-discover the magic that will give them the happily ever after they deserve? Prodigal Son is the final, exciting conclusion to the Sanctuary series, contemporary romantic suspense featuring former military heroes and the women who always have their six.

Home is no longer the place he left... but it's all he's got. John Roster is flying to his childhood home in Maine after a medical discharge from the Army. No one will be there to welcome him home other than his cranky grandfather... a personality trait the two men share. No job. No friends. And with a storm canceling all flights at the moment, no plane to catch. Killing time at the USO in the airport, he bonded with a few fellow servicemen also waiting out the storm, as well as the irrepressible hostess who offered a suggestion... find a purpose by thanking someone who'd helped while he was stationed overseas. Lucy Carrington's special project for her history class has come to an end. The letters they had written to a fellow-Maine soldier had stopped now that he was leaving the military. Staring at the picture of the handsome soldier with the haunted eyes, she wished they could meet in person. One day, in the middle of their lesson, he appeared. He's much more gorgeous in person... and just as haunted. John expected a matronly teacher to greet him, not the bright-eyed, friendly-smile, knock-out that made up the whole package of Lucy. Sparks fly, but he's got a long way to go to have more to offer than a beat-up former soldier, so he'll settle for friendship. A new job offer with a prestigious security firm might lead him to the future he wants. A threat against her thrusts him into the role of protector. Keeping her safe is his mission... earning her love is his goal. And a soldier never quits.

CaptainCharlotte ;Charlie; O'Brien, a doctor in the United States Navy, returns to her home in North Salem, Massachusetts to visit her family and make an important decision about her future. Mother Nature has other plans when a hurricane strikes, flooding the town and throwing Jake Sherbrooke in Charlie's path. Initially she believes Jake is nothing more than a rich playboy, but quickly, she learns that he is so much more. Jake Sherbrooke has never been one to follow the path laid out by his parents. That is why he

started the Falmouth Foundation, a non-profit disaster relief organization rather than enter politics. When he learns of the destruction in North Salem, he immediately travels there to offer aid and meets Charlie O'Brien. Charlie is unlike any woman he has ever meet and he can not help but be drawn to her. But will his reputation as a billionaire playboy damage their budding romance?

Franny's always enjoyed competing with her brothers, and this is their new bet: Can she find a good match in just one month? The only problem is she knows nobody who is suitable. All of a sudden, her brothers' best friend, Brett, comes to visit. He was her first love, and he's still a handsome man. To her confusion, he invites her on a date--little does she know he's trying to help her win the bet...

Retired US Navy SEAL Commander Gabriel Michaels has finally found peace after decades of active duty and two failed marriages. No tangoes, no red tape, no women - just his rifle, his fishing pole, and his loyal coon hound on a pristine piece of lakefront heaven. But when the Assistant Director of Homeland Security asks for his help, he can't say no. Not only is it a case of national security, it's finally a chance for Gabe to avenge his fallen teammates. As for the irritating woman who slips his dog cookies and is so willing to help? She's a great source of inside information... and unexpected temptation. But can she be trusted? Virginia Miller is used to working quietly from the shadows as a personal assistant to one of the wealthiest men in the free world. That all changes when her boss suddenly goes missing and she's thrust into a world of deception and international terrorism. To further complicate things, the compelling former SEAL with incredible green eyes thinks she's the key to unravelling the mystery. The most ironic thing of all is... he's right. And he could ruin everything. SEAL Out of Water is a stand-alone military romantic suspense with slow-burn romance and plenty of twists and turns to a happy ending you'll never see coming. Ben We met five years ago when I was her family's bodyguard. Our time together was a secret. Her touch was different... addictive. I fell hard and fast and then I left. I've thought about her every day since. As I sit here at a wedding watching her with her new boyfriend..... I have regrets. Regrets for the past things I've done. But I won't regret what I'm about to do. She's telling me no but her body's telling me yes. I need her beneath me. I'm having her tonight. Bridget. It's the little things I remember about Ben. His smile and the icing sugar he had on his pancakes. What started out as private jokes between us soon turned into private visits. The quiet man at the back of the crowd. His dry wit made me laugh. His dominant body ruined me forever. He never told me he loved me, until he was leaving. That was five years ago. Things are looking up for me. I met someone, someone special. But Ben is back. I find myself thinking about him more than I should. No matter how hard my heart is freefalling from my chest. I will never go back there. You only get to break my heart once. This is a stand alone, Contemporary romance.

Home is where the heart is... but what if there's nothing to go home to? When Jaxson Adams is forced out of the service on a medical discharge, he returns to his hometown to find that very little has changed. The problem is, he has. He's no longer the carefree, wild child he'd once been. He's seen and done things most people couldn't imagine. Not in their dreams... and not in their worst nightmares. Even worse, he's lost his sense of purpose. He doesn't belong anymore. And no one understands. Then he finds the letters. Letters that change everything he thought he knew about his family and provide a new mission—to discover the truth and right decades-old wrongs in the process. Penny Hoffmeier is a romantic at heart, even if the only romance she sees is the stuff she makes herself. She takes great pleasure in creating the perfect bouquets for every occasion from her family's florist shop in Sunneyville, PA. She's a lover, not a fighter, but she likes scuttlebutt as much as the next girl, and the hot, former SEALs who set up a place for returning service men and women nearby are providing plenty of fodder these days. So far, she's managed to stay neutral in the escalating tensions between some locals and the Sanctuary guys. However, when the brooding, sexy stranger comes to town with a shocking secret about one of their own, remaining quietly on the sidelines proves impossible. Will Jaxson be able to achieve his objective and move on with a clear conscience? Or will he make Penny his next mission?

In this captivating novel in the #1 New York Times bestselling series, a wounded warrior and a woman on the run find salvation, passion and unimaginable danger in the ghostly darkness of the Carpathian Mountains... Monk. Bounty hunter. Vampire slayer. Andre Boroi has spent centuries battling the undead, holding out against the dark with honor. But now, gravely wounded by master vampire Costin Popescu, Andre will be easy to track. His only chance is to disappear into the gray mist of the Carpathians. To wait. To hope. In the mountains in search of a precious crystal, geologist Teagan Joanes suddenly finds herself hunted by those she once trusted. Then she comes across the warrior—wounded, wanting and irresistible. Andre has been craving her for an eternity: his lifemate. Her warmth envelops him. Her scent pulsates. And with every beat of her heart, Teagan surrenders to a passion she can't possibly comprehend...

Every ancient legend begins with a grain of truth. Ceri always knew she was different. Seeing people's auras and being able to change the weather with her moods just isn't normal, nor does she understand why simply being around others saps her of her strength. There's no one

she can turn to; who she is and where she comes from are the biggest mysteries of all. Settled into a small college town, she immerses herself in studies of the supernatural and lives a solitary existence. Until he crosses her path and comes to her rescue. After earning his master's in criminal justice, there's no plausible reason for Edan to stick around campus. There's only a feeling. A feeling of destiny and purpose that calls to his ancient Highland ancestry and keeps him right where he is. When he meets her, his purpose becomes clear. He can't explain it, but she needs him, and he'll go to great lengths to protect her. In their search for answers, Ceri and Edan learn there's a lot more to the world than either of them ever imagined. The lines between reality and myth blur as they discover ancient magic, hidden realms, and the truth about who – and what – they really are: pawns in a game that's been played for millennia. Will Ceri and Edan embrace the destinies that have already been written for them? Or will they sacrifice everything to be together? More Than Mortal is a stand-alone, Fae-based paranormal romance that will change everything you think you know about faeries.

*From New York Times and USA Today bestselling author Susan Stoker comes a new story in her SEAL of Protection: Legacy Series... Over the years, Storm North has witnessed two teams of Navy SEALs under his command find true love. He doesn't expect the same for himself. He's too old. Too jaded. Too set in his ways. Until a woman who's been right in front of him for years manages to impress Storm in a way very few women—or men—ever have. Jane Hamilton knows it's ridiculous to have a crush on the charismatic and handsome admiral. She's the divorced mother of a twenty-six-year-old daughter. Too old for crushes. Too old for a lot of things. There's no chance she'll ever catch the eye of a man like Storm North. Until someone delivers a bomb to the base. As the civilian contractor in charge of the mail room, Jane finds herself in the direct line of fire, enduring a series of events that leads to a budding relationship with the very man she's been longing for. She couldn't be happier, and Storm feels the same. The only one unhappy, in fact, is the thwarted bomber. Unhappy enough to do something drastic. Now Storm and Jane have to work together to save innocent sailors—and themselves—from an explosive situation threatening their happily ever after. **Securing Jane is the 7th and final book in the SEAL of Protection: Legacy Series and a part of the 1001 Dark Nights collection. Each book is a stand-alone, with no cliffhanger endings. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.** Reviews for Securing Jane: “Ms.Stoker has saved the best till last. A FORBIDDEN LOVE SET IN THE EXPLOSIVE WORLD OF THE NBA... Think you know what it's like being a baller's girl? You don't. My fairy tale is upside down. A happily never after. I kissed the prince and he turned into a fraud. I was a fool, and his love - fool's gold. Now there's a new player in the game, August West. One of the NBA's brightest stars. Fine. Forbidden. He wants me. I want him. But my past, my fraudulent prince, just won't let me go.

A time when deception leads to truth, and victory comes from surrender... The life of a rogue isn't always easy, especially for a woman. But Brighid isn't just any woman. She's intelligent, agile, and spirited – and determined to discover the secrets of her questionable past. Her only clue is a pendant in the shape of a black and silver dragon; the same design worn by the King's Guard. She's convinced her answer lies in the heart of the kingdom, and she's willing to do whatever it takes to get there. Even if it means chopping off her raven locks and binding her curvy, petite figure to refashion herself as a scruffy lad to join their ranks. Knight Roran McShane's search for new recruits brings him to the far reaches of the kingdom. Only a select few prove worthy, but the pluck and determination of one particularly small but feisty lad moves Roran to do something he has never done before – take on a squire. The mute lad proves to be resourceful and skilled, even if he is rather odd and shunned by the others. Roran is forced to second-guess his decision when he begins to feel unnaturally protective of the boy. When his squire's deception is revealed, he is both relieved and appalled by the knowledge that he is really a she, and far from a child. Honor and ethics require that he sever all ties, but Roran soon learns that is easier said than done. The lass is no sheltered lady waiting to be rescued and before she's done, she'll surprise Roran, the knights-in-training, even the king himself. For a warrior's heart knows no bounds.

She is the kingdom's only hope... and the king's one chance at love. When a royal black dragon falls under enemy fire, only the wild Northern Ice Dragon and his unlikely female rider can save him. Half wild, like the baby Ice Dragon she calls friend, Lana is a rare and powerful dragon healer. She saves the life of the royal black, only to learn this most sacred of dragons is half-man, able to shift from one form to the other at will. Roland is king of all dragons and humans in his land, but he's far from home, mortally wounded, and his only refuge is the incredible woman who has saved his life and her young wild dragon friend. Lana is the purest form of magic to him, heaven to his senses in both dragon and human form. He knows almost from the first moment that he wants her for his very own. But a warlord plots in the north, seeking to kill the dragons, who protect the northern border, and overrun Roland's peaceful kingdom. Lana and her incredibly skilled Ice Dragon friend are the only ray of hope for the knights and fighting dragons of the Northern Lair. Just as Lana is the only love Roland will ever know. He

can reunite her with her lost family, but can he win her heart and make her his queen? Note: This book may feature an Ice Dragon, but the hero is smoking hot in either of his forms.
