Kawaii is a word that originated in 1970s Japan when schoolgirls adopted the term to describe everything cute. This word is now understood world-wide and identifies a particular trend of visual aesthetics (Hello Kitty being the most famous). Kawaii is a recognizable art form practiced by artists all over the world and covers the visual gamut from commercial art (stickers, clothing, calendars, pens, pencils, erasers, video games) to high-brow contemporary art (e.g. Takashi Murakami and Yoshitomo Nara). Presented primarily through full page images, Charuca (a Kawaii artist herself) has curated an international collection of the most popular adorable, hilarious, and sometimes dark Kawaii art being made today. Charuca begins each chapter with a small description of the artist and her feelings towards his or her work, creating an artistic dialogue spoken mainly through the loud, brightly full-colored images that flood each page. Some of the artists she selected include: Aranzi Aronzo Bubi Au Yeung Bukubuku Charuca Devil Robots Hiroko Yokoyama Itokin Park Marichan Meomi Paul Shih Ryoko Takidoki Yukiko Yokoo

Ana'ole Polynesian tattoo is a modern interpretation of traditional Polynesian tattoo. This book includes over 140 illustrations and definitions of symbols used in Polynesian tattoo. This is intended as an artist's reference but can be enjoyed by anyone interested in the Polynesian culture or the art of tattoo. Written and illustrated by a working tattoo artist that lives on the Big Island of Hawaii, this fascinating book delves into the history and concepts behind the Ana'ole style tattoo. A departure from traditional, 2-dimensional Polynesian tattoo art, Ana'ole uses high detail, 3-dimensional imagery and unique mathematical formulas such as The Golden Ratio and Fibonacci Sequences, to create tattoos which can reflect a person's story or history.

Today's Inspired Latina is a book of inspiration and hope, a poignant collection of personal stories that will activate your passion. These are success stories that need to be told, to motivate our

community and generations to come. By overcoming language barriers, self-doubts and other obstacles in their way, these strong Latinas are a great example of how inspiration and perseverance can lead you to happiness and success in business and life. It's a positive, empowering read for anyone sitting on a dream and thinking it can't come true. Today's Inspired Latina shows that it can! Introduction Sometimes in life you have an experience that is so amazing, you just have to share it! When I published my first book, my life changed. Six books later, not a day goes by that I don't receive a text or email from someone who tells me how my story has helped or inspired them. I am humbled by their accolades. I have also had the pleasure of meeting a number of young Latinas, once like me, setting forth in the world full of promise and dreams. Often times they don't have a role model or mentor to guide them in the right direction towards success; they experience financial difficulties or lack of support. It was witnessing these challenges that inspired me to start The Fig Factor Foundation to help them "unleash the amazing." In addition, through my company, JJR Marketing, I have met many strong, inspiring Latinas who came from a similar place, yet persevered through language barriers, cultural and educational obstacles as well as their own self-limiting beliefs to rise to positions of authority and success. One day I realized that theirs were the stories that needed to be told. Their stories will provide hope and inspiration to the next generation of Latinas that need to believe they could achieve their own success. I am proud to be a catalyst to capture the beauty and essence of these incredible Hispanic women while creating an emotional touchstone for their younger Hispanic sisters. For while I believe everyone has a story to tell, the reality is that becoming a book author can be an intimidating prospect. I completely understand that the expense, time commitment and process of authorship can be completely discouraging. That's why "Today's Inspired Latina" is such an important project. As contributors, these wonderful Latinas are able to impart their story, grow their dreams and activate the next generation and every individual reader. These authors have crossed more than borders to create a place of contentment in the world. I'm confident everyone can learn from their experiences, whether or not you are Latina. The thrilling world of DreamWorks Animation's Spirit Riding Free is brought to life in award-winning author Suzanne Selfors's original novel! Twelve-year-old Lucky Prescott craves adventure, but as a young lady of society she's only been allowed to experience adventure through books. That is, until one fateful day when Lucky, her father, and her aunt leave their neat-and-tidy city life and travel to their new home out west-the Wild West. At first Lucky is excited, but during the long train ride to her new hometown of Miradero, she begins to worry. What if she doesn't make any new friends? Everyone in the West rides horses, but she's never been allowed to even sit on one. How can she possibly fit in? Anxious about the future, Lucky looks out the train window and sees a majestic wild stallion. When their eyes meet, she senses a connection. But when the stallion is caught by wranglers, Lucky's heart breaks. And when she next sees the stallion, he's tied to a post, refusing to be "broken in." Spirit Riding Free: The Adventure Begins is the story of a girl and a wild horse, equally out of place in a strange, new world, but equally fierce and brave. With each other to lean on, will these two free spirits be able to find a home together? DreamWorks Spirit Riding Free © 2017 DreamWorks Animation LLC. All Rights Reserved.
