

## Kid Presidents: True Tales Of Childhood From America's Presidents (Kid Legends)

What's so weird about U.S. presidents? Plenty! Did you know that Abraham Lincoln was a great wrestler? That Ulysses S. Grant got a speeding ticket riding his horse - twice! Or that Benjamin Harrison was afraid of electricity? And let's not forget that President McKinley had a pet parrot that whistled "Yankee Doodle Dandy" duets with him! In this new single-subject Weird But True book, you'll have a blast learning that there's a lot of substance - and weirdness - in every president's past. From the Trade Paperback edition. P.K. Subban has always stood out in the world of hockey. Whether it's his flashy personal style, his incredible charity work, or the fact that he's a black player in a mostly white sport, Subban turns heads wherever he goes. This exciting book gives readers an in-depth look into everything that makes Subban a star, from his childhood in Canada to the trade that sent shockwaves through the hockey world. Every sports franchise has its face-the star of the show, the player fans can't take their eyes off of, the one whose talent determines the fate of the entire operation. The Franchise series explores these athletes' stories, taking readers into the players' lives on and off the field of play. Learn about your favorite athletes' early days, the challenges they've overcome to reach the top, and the qualities that make them truly incomparable.

Chronicles the childhood of EdNah New Rider Weber as she is moved from her Pawnee home to live with her father on a Navajo reservation and then is again uprooted and placed in the Phoenix Indian School.

In paperback for the 2012 election, this sophisticated and playful look at U.S. presidents includes a new portrait of President Obama. See America's presidents as never before—made of objects! Using everything from blue jeans to boxing gloves, Hanoch Piven “builds” the characters of eighteen of our nation's leaders. Revealing anecdotes accompany the creative collages and lend insight to the charismatic personalities of prominent presidents from George Washington to Barack Obama, resulting in an irresistible resource that transcends party lines.

True Tales of Childhood from America's Presidents

**Hilarious childhood biographies and full-color illustrations show how Tiger Woods, Gabby Douglas, Bruce Lee, Billie Jean King, and other budding sports champions faced kid-sized challenges growing up. Forget the gold medals, the championships, and the undefeated seasons. When all-star athletes were growing up, they had regular-kid problems just like you. Baseball legend Babe Ruth was such a troublemaker, his family sent him to reform school. Race car champion Danica Patrick fended off bullies who told her “girls can't drive.” And football superstar Peyton Manning was forced to dance the tango in his school play. Kid Athletes tells all of their stories and more with**

full-color cartoon illustrations on every page. Other subjects include Billie Jean King, Jackie Robinson, Yao Ming, Gabby Douglas, Tiger Woods, Julie Krone, Bruce Lee, Muhammad Ali, Bobby Orr, Lionel Messi, and more!

In 1831, young adventurer and nature enthusiast Charles Darwin set sail on a remarkable five-year voyage that changed the study of biology forever. Award-winning author Ruth Ashby shares the story of Darwin's famous journey aboard the British navy ship, the *Beagle*, which led to the development of his theories of evolution and natural selection. This lively account follows the naturalist's exciting trip around the world—through seasickness, a life-threatening illness, and even an earthquake—as he explores South America, the Cape Verde Islands, Tahiti, and the Galapagos Islands. During his travels, Darwin meets Indigenous peoples and carefully collects and catalogs plants, fossils, birds, mammals, and insects. Darwin's observations of the distribution and diversity of plant and animal life ultimately leads to the development of his theories on evolution. Readers will be inspired by Darwin's transformation from talented but mediocre schoolboy into a remarkable scientist as they read about the revolutionary voyage that forever changed the world of biology.

Just in time for election season, Dan Gutman's hugely popular *THE KID WHO RAN FOR PRESIDENT* is back. Humor, adventure, and excitement will draw kids into the world of elections and politics. "Hi! My name is Judson Moon. I'm 12 years old and I'm running for President of the YOU-nited States." So begins this fast-paced, funny, and surprising account of a boy's run for the Oval Office in the year 2000. Under the tutelage of Lane, his brainy friend and self-appointed campaign manager, the affable sixth-grader from Madison, Wisconsin, takes on the Democrats and Republicans as a Third Party candidate who can make waves. "Grown-ups have had the last one thousand years to mess up the world," Judd tells a reporter. "Now it's our turn."

An inspiring and informative book for kids about the past and future of America's presidents. Who will be the NEXT president? Could it be you? When George Washington became the first president of the United States, there were nine future presidents already alive in America, doing things like practicing law or studying medicine. When JFK became the thirty-fifth president, there were 10 future presidents already alive in America, doing things like hosting TV shows and learning the saxophone. And right now—today!—there are at least 10 future presidents alive in America. They could be playing basketball, like Barack Obama, or helping in the garden, like Dwight D. Eisenhower. They could be solving math problems or reading books. They could be making art—or already making change. • A breezy, kid-friendly survey of American history and American presidents • Great for teachers, librarians, and other educators • Kate Messner's nonfiction picture books have been lauded by critics and received a variety of awards. For young readers and students who loved *The New Big Book of Presidents*, *Lincoln and Kennedy: A Pair to Compare*, and *Kid Presidents: True Tales of Childhood from America's Presidents*. A helpful addition to curriculums of 5th- to 8th-grade students studying U.S. History and civics and the federal government. • For readers ages 8–12 • S. history for kids • Students, librarians, teachers • 5th–8th-grade kids From award-winning author Kate Messner and New York Times bestselling artist Adam Rex comes a timely and compelling compendium about the U.S. presidents—before they were presidents. Kate Messner is an award-winning author whose many books for kids have been selected as Best Books by the New York Times, Junior Library Guild, IndieBound, and Bank Street College of Education. She lives on Lake Champlain with her family. Adam Rex is the author and illustrator of many beloved picture books and novels, including *Nothing Rhymes with Orange* and the New York Times bestseller *Frankenstein Makes a Sandwich*. He has worked with the likes of

*Flying cars are real! This book, the only one on the subject for young readers, combines history, biography, technology, and humor in a breezy survey of hybrid vehicles and the dream of flight that kept inventors at work despite many failures and the dictates of common sense.*

*Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot.*

*Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.*

*Shares wacky and engaging facts about many of our nation's leaders, traces the history and powers of the presidency, and offers insight into the job's daily routines, benefits, and challenges.*

*Michael Bond never intended to be a children's writer. Though an avid reader, he was by no means a model student and quit school at 14. He repaired rooftop radio transmitters during the bombing of Britain in World War II and later joined the army. He wrote about the war and more, selling stories here and there. One day, while searching for inspiration at his typewriter, hoping for a big story that would allow him to write full time, a stuffed bear on top of the shelf—a Christmas present for his wife—suddenly caught his eye. Bond poured his personal feelings about the events of his era—the refugee children his family had hosted in the countryside, a war-torn country in recovery, the bustling immigrant neighborhood where he lived—into the story of a little bear from Peru who tries very, very hard to do things right. The result was A Bear Called Paddington. An incredible true tale, More than Marmalade: Michael Bond and the Story of Paddington Bear is the first biography about the writer behind the beloved series. Author Rosanne Tolin reveals how world history, Bond's life, and 1950s immigrant culture were embedded into Paddington's creation, bringing middle-grade readers a delightful, informative, and engaging book with a timely message of acceptance.*

Year--Audible's Best Books of 2015--Texas Observer's Five Books We Loved in 2015--Chicago Public Library's Best Nonfiction Books of 2015 From a small town in Mexico to the boardrooms of Big Pharma to main streets nationwide, an explosive and shocking account of addiction in the heartland of America. In 1929, in the blue-collar city of Portsmouth, Ohio, a company built a swimming pool the size of a football field; named Dreamland, it became the vital center of the community. Now, addiction has devastated Portsmouth, as it has hundreds of small rural towns and suburbs across America--addiction like no other the country has ever faced. How that happened is the riveting story of Dreamland. With a great reporter's narrative skill and the storytelling ability of a novelist, acclaimed journalist Sam Quinones weaves together two classic tales of capitalism run amok whose unintentional collision has been catastrophic. The unfettered prescribing of pain medications during the 1990s reached its peak in Purdue Pharma's campaign to market OxyContin, its new, expensive--extremely addictive--miracle painkiller. Meanwhile, a massive influx of black tar heroin--cheap, potent, and originating from one small county on Mexico's west coast, independent of any drug cartel--assaulted small town and mid-sized cities across the country, driven by a brilliant, almost unbeatable marketing and distribution system. Together these phenomena continue to lay waste to communities from Tennessee to Oregon, Indiana to New Mexico. Introducing a memorable cast of characters--pharma pioneers, young Mexican entrepreneurs, narcotics investigators, survivors, and parents--Quinones shows how these tales fit together. Dreamland is a revelatory account of the corrosive threat facing America and its heartland.

Explore the lives of America's 45 presidents, as well as notable first ladies, famous speeches, and major constitutional events, with The Presidents Visual Encyclopedia. From George Washington to the new leader taking office in January 2017, this visual reference guide presents a unique insight into life in the White House. More than 150 easy-to-read entries cover the presidents, first ladies such as Eleanor Roosevelt, the Louisiana Purchase, the Gettysburg Address, and more, and over 200 fascinating photographs add to kids' knowledge of these leaders and the key moments that defined their time in office. The Presidents Visual Encyclopedia is the perfect one-stop reference guide, teaching kids all they need to know about the history of the United States and the remarkable impact our country has had on the rest of the world.

**NATIONAL BESTSELLER** • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

A biography of the man known as "father of America's national parks" and an influential conservationist, told in the first person, using Muir's own words.

**In an age of "slacktivism" and fleeting social media fame, She Takes a Stand offers a realistic look at the game-changing decisions, high stakes, and bold actions of women and girls around the world working to improve their personal situations and the lives of others. This inspiring collection of short biographies features the stories of extraordinary figures past and present who have dedicated their lives to fighting for human rights, civil rights, workers' rights, reproductive rights, and world peace. Budding activists will be inspired by antilynching crusader and writer Ida B. Wells, birth control educator and activist Margaret Sanger, girls-education activist Malala Yousafzai, Gulabi Gang founder Sampat Pal Devi, who fights violence against Indian women, Dana Edell, who works against the sexualization of women and girls in the media, and many others. Including related sidebars, a bibliography, source notes, and a list of activist organizations readers can explore in person or online, She Takes a Stand is an essential resource for classroom reports or for any young person passionate about making a difference.**

**Funny and totally true childhood biographies and full-color illustrations tell tales from the challenging yet defining growing-up years of Albert Einstein, Jane Goodall, Marie Curie, and 12 other brilliant scientists. Every great scientist started out as a kid. Before their experiments, inventions, and discoveries that changed the world, the world's most celebrated scientists had regular-kid problems just like you. Stephen Hawking hated school, and preferred to spend his free time building model airplanes, inventing board games, and even building his own computer. Jane Goodall got in trouble for bringing worms and snails into her house. And Neil deGrasse Tyson had to start a dog-walking business to save up money to buy a telescope. Kid Scientists tells the stories of a diverse and inclusive**

group—also including Temple Grandin, Nikola Tesla, Ada Lovelace, Benjamin Franklin, Isaac Newton, Rosalind Franklin, Sally Ride, Rachel Carson, George Washington Carver, and Vera Rubin—through kid-friendly texts and full-color cartoon illustrations on nearly every page.

Today everyone knows the name of John Wilkes Booth, the notorious zealot who assassinated Abraham Lincoln. But in his lifetime, the killer was an actor who was well-known among fans of the theater--well-known but less famous and less admired than his brother Edwin. In the 1860s, Edwin Booth ranked among the greatest and most-respected stars of the stage. He lived in New York and sympathized with the Union cause, while his younger brother stomped the streets of Washington, D.C., and raged as the Civil War turned in favor of the North. John fantasized about kidnapping the president, but after the defeat of the Confederacy, he sought deadly vengeance. The night Lincoln attended a performance at Ford's Theatre, Edwin was far away, knowing nothing of the plot unfolding in the nation's capital.

Every president started out as a kid! Forget the legends, tall tales, and historic achievements -- before they were presidents, the future leaders of the United States had regular-kid problems just like you. John F. Kennedy hated his big brother. Lyndon Johnson pulled pranks in class. Barack Obama was bothered by bullies. And Bill Clinton was crazy clumsy (he once broke his leg jumping rope). Kid Presidents tells all of their stories and more in these hilarious biographies. History has never been this much fun!

***It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.***

*Manchurian Candidate and The Spy Who Came in from the Cold seem like Hardy Boy mysteries.”—The New York Times The Jackal. A tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown to any secret service in the world. An assassin with a contract to kill the world's most heavily guarded man. One man with a rifle who can change the course of history. One man whose mission is so secretive not even his employers know his name. And as the minutes count down to the final act of execution, it seems that there is no power on earth that can stop the Jackal.*

**NEW YORK TIMES BESTSELLER** *The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.*

*Hilarious childhood biographies and full-color illustrations reveal how Leonardo da Vinci, Beatrix Potter, Keith Haring, and other great artists in history coped with regular-kid problems. Every great artist started out as a kid. Forget the awards, the sold-out museum exhibitions, and the timeless masterpieces. When the world's most celebrated artists were growing up, they had regular-kid problems just like you. Jackson Pollock's family moved constantly—he lived in eight different cities before he was sixteen years old. Georgia O'Keeffe lived in the shadow of her “perfect” older brother Francis. And Jean-Michel Basquiat triumphed over poverty to become one of the world's most influential artists. Kid Artists tells their stories and more with full-color cartoon illustrations on nearly every page. Other subjects include Claude Monet, Jacob Lawrence, Leonardo da Vinci, Vincent van Gogh, Pablo Picasso, Frida Kahlo, Beatrix Potter, Yoko Ono, Dr. Seuss, Emily Carr, Keith Haring, Charles Schulz, and Louise Nevelson.*

Hilarious childhood biographies and full-color illustrations show how George Washington, Abraham Lincoln, Teddy Roosevelt, Barack Obama, and other presidents-to-be faced kid-sized problems growing up in America. Every president started out as a kid! Forget the legends, tall tales, and historic achievements—before they were presidents, the future leaders of the United States had regular-kid problems just like you. John F. Kennedy hated his big brother. Lyndon Johnson pulled pranks in class. Barack Obama was bothered by bullies. And Bill Clinton was crazy clumsy (he once broke his leg jumping rope). Kid Presidents tells all of their stories and more with full-color cartoon illustrations on every page. History has never been this much fun!

Everyone knows Benjamin Franklin was an important statesman, inventor, and a signer of the Declaration of Independence. But did you know he started the first public library in America? Ben Franklin was always a "bookish" boy. The first book he read was the Bible at age five, and then he read every printed word in his father's small home library. Ben wanted to read more, but books were expensive. He wanted to go to school and learn, but his family needed him to work. Despite this, Ben Franklin had lots of ideas about how to turn his love of reading and learning into something more. First, he worked as a printer's apprentice, then he set up his own printing business. Later, he became the first bookseller in Philadelphia, started a newspaper, published Poor Richard's Almanac, and in 1731, with the help of his friends, organized the first subscription lending library, the Library Company. Ruth Ashby's fast-paced biography takes young readers through Franklin's life from his spirited, rebellious youth through his successful career as an inventor and politician and finally to the last years of his life, surrounded by his personal collection of books.

Moving, funny, and totally true childhood biographies of Bill Gates, Madam C. J. Walker, Hedy Lamarr, Walt Disney, and 12 other international innovators. Throughout history people have experimented, invented, and created new ways of doing things. Kid Innovators tells the stories of a diverse group of brilliant thinkers in fields like technology, education, business, science, art, and entertainment, reminding us that every innovator started out as a kid. Florence Nightingale rescued baby mice. Alan Turing was a daydreamer with terrible handwriting. And Alvin Ailey felt like a failure at sports. Featuring kid-friendly text and full-color illustrations, readers will learn about the young lives of people like Grace Hopper, Steve Jobs, Reshma Saujani, Jacques Cousteau, the Wright Brothers, William Kamkwamba, Elon Musk, Jonas Salk, and Maria Montessori.

Funny and totally true childhood biographies and full-color illustrations tell the tales from the challenging yet defining growing-up years of great writers, artists, athletes, and presidents.

This title introduces readers to the political career of Ilhan Omar. Concise text, thought-provoking discussion questions, and compelling photos give the reader an insightful look at the impacts Omar has had on the urgent issues of today.

Investigative journalist Lee Smith uses his unprecedented access to Congressman Devin Nunes, former head of the House Intelligence Committee, to expose the deep state operation against the president -- and the American people. Investigative journalist Lee Smith's *The Plot Against the President* tells the story of how Congressman Devin Nunes uncovered a deep state operation to bring down the commander-in-chief. While popular opinion holds that Russia subverted democratic processes during the 2016 elections, the real damage was done by a coterie of the American elite, the "deep state," targeting not only the president, but the rest of the country. The plot officially began July 31, 2016 with the counterintelligence investigation that the FBI opened to probe Russian infiltration of Donald Trump's presidential campaign. But the bureau never followed any Russians. In fact, it was an operation to sabotage Trump, the candidate, then president-elect, and finally the president. The conspirators included political operatives, law enforcement and intelligence officials, and the press. The plot was uncovered by Nunes, chairman of the House Intelligence Committee, and his investigative team. They understood that the target of the operation wasn't just Trump, but rather the institutions that sustain our republic. A country where operatives use the intelligence and security services to protect their privileges by spying on Americans, coordinating with the press, and using extra-constitutional means to undermine an election, then undo a presidency is more like the third world than the republic envisioned by the founding fathers. Without Nunes and his team, the plot against the president -- and against the country -- never would have been revealed. Told from the perspective of Nunes and his crack investigators -- men and women who banded together to do the right thing at a critical moment for our democracy -- the story of the biggest political scandal in a generation, told like a great detective novel, feels like a classic cowboy movie. The congressman from the capital of California really did fight corruption in Washington. Devin Nunes took on the "deep state."
