

## La Ballata Del Vecchio Marinaio Kubla Khan Testo Inglese A Fronte

Containing almost 600 entries, this impressive 2-volume reference presents detailed and authoritative treatment of the field of Italian literature, with attention both to the work and influence of individual writers of all genres and to movements, styles, and critical approaches.

In *The Expanding Art of Comics: Ten Modern Masterpieces*, prominent scholar Thierry Groensteen offers a distinct perspective on important evolutions in comics since the 1960s through close readings of ten seminal works. He covers over half a century of comics production, sampling a single work from the sixties (*Ballad of the Salt Sea* by Hugo Pratt), seventies (*The Airtight Garage* of Jerry Cornelius by Moebius), eighties (*Watchmen* by Alan Moore and Dave Gibbons), and nineties (*Epileptic* by David B.). Then this remarkable critic, scholar, and author of *The System of Comics and Comics and Narration* delves into recent masterpieces, such as *Building Stories* by Chris Ware. Each of these books created an opening, achieved a breakthrough, offered a new narrative model, or took up an emerging tendency and perfected it. Groensteen recaptures the impact with which these works, each in its own way, broke with what had gone before. He regards comics as an expanding art, not only because groundbreaking works such as these are increasing in number, but also because it is an art that has only gradually become aware of its considerable potential and is unceasingly opening up new expressive terrain.

The Rime of the Ancient Mariner

*Il capitano Lander, discendente di uno dei marinai ammutinati del Bounty, si è lasciato alle spalle un passato difficile e da tempo ha scelto di vivere sulla terraferma in una baracca in riva al mare. Qui costruisce modellini di navi gloriose e intreccia la sua solitaria esistenza con quella di una giovane ballerina di tango, aspirante suicida. Finché un giorno non riceve la visita di Sampedro, un vecchio amico con cui ha condiviso l'amore per una bella infermiera dagli occhi verdi e la persecuzione da parte del regime: alcuni fili del loro comune passato stanno per riannodarsi e per i tre sono in arrivo sconvolgenti rivelazioni... Con questo romanzo ironico e originale, che combina la suspense di un thriller con la riflessione politica sulle dittature sudamericane, l'autore di La ballata di Johnny Sosa torna alla sua essenza narrativa: l'amore, l'amicizia, il silenzio, la solitudine, lo sradicamento pervadono le vite dei protagonisti e le atmosfere di un libro capace di raccontare gli eventi più drammatici e dirompenti della Storia a partire da una serata passata al bar Euskalduna, davanti a un boccale di*

*birra.*

*In this landmark book, leading international scholars from North America, Europe and the UK offer a sustained critical attention to the concept of silence in Joyce's writing. Examining Joyce's major works, including Ulysses, Portrait of the Artist as a Young Man and Finnegans Wake, the critics present intertextual and comparative interpretations of Joyce's deployment of silence as a complex overarching narratological strategy. Exploring the many dimensions of what is revealed in the absences that fill his writing, and the different roles – aesthetic, rhetorical, textual and linguistic – that silence plays in Joyce's texts, James Joyce's Silences opens up important new avenues of scholarship on the great modernist writer. This volume is of particular interests to all academics and students involved in Joyce and Irish studies, modernism, comparative literature, poetics, cultural studies and translation studies.*

most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes, genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

A collection of research on the European reception of Samuel Taylor Coleridge (1772-1834), the major Romantic poet and author of *The Ancient Mariner* one of the best known poems in British literature.

Quaderno di traduzioni and created an entirely new Italian literary genre, the "translation notebook." The quaderni were the work of some of Italy's foremost poets, and their translation anthologies proved fundamental for their aesthetic and cultural development. *Modern Italian Poets* shows how the new genre shaped the poetic practice of the poet-translators who worked within it, including Giorgio Caproni, Giovanni Giudici, Edoardo Sanguineti, Franco Buffoni, and Nobel Prize-winner Eugenio Montale, displaying how the poet-translators used the quaderni to hone their poetic techniques, experiment with new poetic metres, and develop new theories of poetics. In addition to detailed analyses of the work of these five authors, the book covers the development of the quaderno di traduzioni and its relationship to Western theories of translation, such as those of Walter Benjamin and Benedetto Croce. In an appendix, *Modern Italian Poets* also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet-translators. A practical and comprehensive reference work, the *Oxford Handbook* provides the best single-volume source of original scholarship on all aspects of Coleridge's diverse writings. Thirty-seven chapters, bringing together the wisdom of experts from across the world, present an authoritative, in-depth, and up-to-date assessment of a major author of British Romanticism. The book is divided into sections on Biography, Prose Works, Poetic Works, Sources and Influences, and Reception. The Coleridge scholar today has ready access to a range of materials previously available only in library archives on both sides of the Atlantic. The Bollingen edition, of the

Collected Works of Samuel Taylor Coleridge, forty years in production was completed in 2002. The Coleridge Notebooks (1957-2002) were also produced during this same period, five volumes of text with an additional five companion volumes of notes. The Clarendon Press of Oxford published the letters in six volumes (1956-1971). To take full advantage of the convenient access and new insight provided by these volumes, the Oxford Handbook examines the entire range and complexity of Coleridge's career. It analyzes the many aspects of Coleridge's literary, critical, philosophical, and theological pursuits, and it furnishes both students and advanced scholars with the proper tools for assimilating and illuminating Coleridge's rich and varied accomplishments, as well as offering an authoritative guide to the most up-to-date thinking about his achievements.

*After almost seven centuries, Dante endures and even seems to haunt the present. *Metamorphosing Dante* explores what so many authors, artists and thinkers from varied backgrounds have found in Dante's oeuvre, and the ways in which they have engaged with it through rewritings, dialogues, and transpositions. By establishing trans-disciplinary routes, the volume shows that, along with a corpus of multiple linguistic and narrative structures, characters, and stories, Dante has provided a field of tensions in which to mirror and investigate one's own time. Authors explored include Samuel Beckett, Walter Benjamin, André Gide, Derek Jarman, LeRoi Jones/Amiri Baraka, James Joyce, Wolfgang Koeppen, Jacques Lacan, Thomas Mann, James Merrill, Eugenio Montale, Pier Paolo Pasolini, Cesare Pavese, Giorgio Pressburger, Robert Rauschenberg, Vittorio Sereni, Virginia Woolf.*

*Primo Levi, Translation and the Transmission of Holocaust  
Testimony*

*One of twentieth-century Italy's  
greatest thinkers, Primo Levi  
(1919-1987) started reflecting on the  
Holocaust almost immediately after his  
return home from the year he survived  
in Auschwitz. Levi's powerful Holocaust  
testimonials reveal his preoccupation  
with processes of translation, in the  
form of both embedded and book-length  
renderings of texts relevant to  
Holocaust survival. In Arduous Tasks,  
Lina N. Insana demonstrates how  
translation functions as a metaphor for  
the transmission of Holocaust testimony  
and broadens the parameters of survivor  
testimony. The first book to study Levi  
and translation, Arduous Tasks  
overcomes the conventional views of the  
separation between his own personal  
memoirs and his translations by  
stressing the centrality of translation  
in Levi's entire corpus. Examining not  
only the testimonial nature of his  
work, Insana also discusses the*

*onirica, discesa negli abissi dell'animo e dell'inconscio, sostenuta dalla lucida consapevolezza dei procedimenti stilistici. «Come una nave, dopo aver oltrepassato la linea dell'Equatore, fu sospinta dalle tempeste nella Regione del freddo verso il Polo Sud; e come da lì fece rotta verso le latitudini tropicali del Grande Oceano Pacifico, e delle straordinarie cose che accaddero; e in qual modo il vecchio marinaio fece infine ritorno alla propria terra.» Samuel Taylor Coleridge (1772-1834) studiò a Cambridge, senza tuttavia conseguire la laurea. Irrequieto ed errabondo, precoce poeta, fu coautore, con William Wordsworth, delle Lyrical Ballads (1798), considerate il "manifesto" del romanticismo inglese. Fu in Germania, a Malta e in Italia, e nel 1816 si trasferì a Londra, dove svolse attività di critico e conferenziere. Le sue celebri conferenze su Shakespeare, Milton e Dante sono state pubblicate postume. The Oxford Handbook of Samuel Taylor Coleridge*

Arduous Tasks

Tradition and Translation in the 20th Century

Poesie e racconti marinari. Ouverture  
«La ballata del vecchio marinaio» di  
Samuel T. Coleridge

***This collection of essays explores the reception of classics and translation from modern languages as two different, yet synergic, ways of engaging with literary canons and established traditions in 20th-century Italy. These two areas complement each other and equally contribute to shape several kinds of identities: authorial, literary, national and cultural. Foregrounding the transnational aspects of key concepts such as poetics, literary voice, canon and tradition, the book is intended for scholars and students of Italian literature and culture, classical reception and translation studies. With its two shifting focuses, on forms of classical tradition and forms of literary translation, the volume brings to the fore new configurations of 20th-century literature, culture and thought.***

***The past few years have witnessed a growing academic interest in Italian Studies and an increasing number of symposia and scholarly activities. This volume originates from the Society for Italian Studies Postgraduate Colloquia that took place at the University of Leicester and Cambridge in June 2004 and April 2005 respectively. It gathers together articles by young researchers working on various aspects of Italian Studies. It well illustrates current trends in both typical areas of research, like literature and 'high culture',***

*and in those which have gained momentum in recent years, like translation and language studies. The volume offers a taste of the dynamic outlook of current research in Italian Studies: the interdisciplinary approach of the essays in translation and gender studies, and the innovative methodological perspectives and findings offered by the new fields of Italian L2 and ethnography. The book is divided into three sections, each grouping contributions by broad subject areas: literature and culture, translation and gender studies, language and linguistics. Cross-fertilizations and interdisciplinary research emerge from several essays and the coherent ensemble constitutes an example of the far-reaching results achieved by current research.*
