

La Crisi Infinita: Eravamo Poveri, Torneremo Poveri

Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso! In un mondo caposotto (sottosopra od alla rovescia) gli ultimi diventano i primi ed i primi sono gli ultimi. L'Italia è un Paese caposotto. Io, in questo mondo alla rovescia, sono l'ultimo e non subisco tacendo, per questo sono ignorato o perseguitato. I nostri destini in mano ai primi di un mondo sottosopra. Che cazzo di vita è? Dove si sentono alti anche i nani e dove anche i marescialli si sentono generali, non conta quanti passi fai e quali scarpe indossi, ma conta quante tracce lasci del tuo percorso. Il difetto degli intelligenti è che sono spinti a cercare le risposte ai loro dubbi. Il pregio degli ignoranti è che non hanno dubbi e qualora li avessero sono convinti di avere già le risposte. Un popolo di "coglioni" sarà sempre governato ed amministrato, informato ed istruito, giudicato da "coglioni".

The Book of Disquiet

Family Sayings

Great Britain in the 1970s appeared to be in terminal decline—ungovernable, an economic train wreck, and rapidly headed for global irrelevance. Three decades later, it is the richest and most influential country in Europe, and Margaret Thatcher is the reason. The preternaturally determined Thatcher rose from nothing, seized control of Britain's Conservative party, and took a sledgehammer to the nation's postwar socialist consensus. She proved that socialism could be reversed, inspiring a global free-market revolution. Simultaneously exploiting every politically useful aspect of her femininity and defying every conventional expectation of women in power, Thatcher crushed her enemies with a calculated ruthlessness that stunned the British public and without doubt caused immense collateral damage. Ultimately, however, Claire Berlinski agrees with Thatcher: There was no alternative. Berlinski explains what Thatcher did, why it matters, and how she got away with it in this vivid and immensely readable portrait of one of the towering figures of the twentieth century.

The aim of this project is to offer the reader a critical edition and an English translation of 139 letters that were exchanged between the victims of Mussolini's racial laws and the Jesuit Pietro Tacchi Venturi.

Bridges to Scandinavia

The History of the Popes

This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

In this New York Times bestseller, a single mother sets out to find the North Carolina man who sent a message meant for someone else . . . and the journey may change her life forever. Divorced and disillusioned about relationships, Theresa Osborne is jogging when she finds a bottle on the beach.

Inside is a letter of love and longing to "Catherine," signed simply "Garrett." Challenged by the mystery and pulled by emotions she doesn't fully understand, Theresa begins a search for this man that will change her life. What happens to her is unexpected, perhaps miraculous-an encounter that embraces all our hopes for finding someone special, for having a love that is timeless and everlasting.... Nicholas Sparks exquisitely chronicles the human heart. In his first bestselling novel, The Notebook, he created a testament to romantic love that touched readers around the world. Now in this New York Times bestseller, he renews our faith in destiny, in the ability of lovers to find each other no matter where, no matter when... La Crisi Infinita

1964-1975

No other European country experienced the disruption of political and everyday life suffered by Italy in the so-called 'years of lead' (1969-1983). This title traces how the experience and legacies of terrorism have determined the form and content of Italian cultural production and shaped the country's way of thinking about such events.

E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

The Late Mattia Pascal

"The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale Verdicchio

This volume is the final output of a project started in 2013 on the occasion of the fortieth anniversary of the Scandinavian Section of the University of Milan. A group of scholars working on different European and non-European cultural and literary traditions come together here to discuss the relationships between their areas of study and the Nordic countries. The range of the contributions expands over time and space, from the Middle Ages to the present day, from Poland in the east to the United States in the west, across various European countries. Through various kinds of expertise and different perspectives, this intercultural discourse deals with diverse themes, including the perception of Nordic culture(s) by foreign writers as well as the image of other cultures in Scandinavian works. In particular, the literary and cultural interchange of models and ideas between the North and other areas is investigated in a number of essays devoted to numerous authors, including, among others, Klaus Böldl, Carmen de Burgos, Carlo Emilio Gadda, Gerhart Hauptmann, Henrik Ibsen, Stieg Larsson, Carl von Linné, Rainer Maria Rilke, J.D. Salinger, Henryk Sienkiewicz, Mme de Staël, August Strindberg, and Tomas Tranströmer.

Battlefield of the Mind Bible

Dal 10 giugno al 6 luglio 1887

"Pouring Jewish Water into Fascist Wine"

This critical edition of an early Jesuit devotional text by the leading Elizabethan exile Robert Persons provides important evidence of recusant spirituality and prose style. A detailed additional apparatus shows how it was adapted by a contemporary Protestant editor.

Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work

Atti parlamentari della Camera dei deputati discussioni

Leonardo Sinigalli (1908--1981) was born in Lucania, Italy, and was a painter as well as a major poet. His images and metaphors arise from nature. His muses perch on an ancient oak, eating, not ambrosia, but acorns and berries. The dominant landscapes of his poetry are intimate, a world of affections, places and people, that transcend time and the particulars of culture and locality. His language is plain and sensuous; his voice, gentle. In his poetry are the wonder of a child and the ironies of a twentieth century man.

The Battlefield of the Mind Bible will help readers connect the truths of Joyce Meyer's all-time bestselling book, Battlefield of the Mind, to the Bible, and change their lives by changing their thinking. Worry, doubt, confusion, depression, anger, and feelings of condemnation. . .all these are attacks on the mind. If you struggle with negative thoughts, take heart! The Battlefield of the Mind Bible will help you win these all-important battles through clear, practical application of God's Word to your life. With notes, commentary, and previously unpublished insights by Joyce Meyer, this Bible is packed with features specifically designed for helping you deal with thousands of thoughts you have every day and focus your mind to think the way God thinks. Special Features Include: BOOK INTRODUCTIONS -- thoughts on the importance of each book and how it relates to the battlefield of the mind WINNING THE BATTLES OF THE MIND -- core teaching to help you apply specific biblical truths to winning the battle PRAYERS FOR VICTORY -- Scripture-based prayer to help you claim God's guarantee of winning PRAYERS TO RENEW YOUR MIND -- help for you to learn to think the way God thinks KEYS TO A VICTORIOUS LIFE -- practical truths for overcoming mental or emotional challenges POWER POINTS -- insight into how to think, speak, and live victoriously SPEAK GOD'S WORD-first-person Scripture confessions to train your mind for ultimate victory SCRIPTURES ON THOUGHTS AND WORDS -- more than 200 Bible passages that teach you how to think and speak in agreement with God's Word.

Gli internati militari italiani

La rivista velocipedistica

L'analisi dello scenario macroeconomico dell'eurozona e l'approfondimento del quadro socioeconomico italiano rappresentano il tema principale di questo pamphlet incentrato sull'evoluzione della crisi infinita del debito sovrano e del declino delle potenze economiche occidentali. L'autore, definito ormai come lo Steve Jobs dei mercati finanziari, si sofferma a descrivere il processo di metamorfosi che contraddistingue tutta la old economy e le sue spiacevoli conseguenze soprattutto sul piano occupazionale. Nulla viene risparmiato: dalla nuova governance europea alla reti di protezione finanziaria della moneta unica, dalla crisi immobiliare e bancaria a quella sociale, dal ruolo sempre più marginale di mestieri e lavori ormai obsoleti al collasso dello stato sociale. L'Europa si appresta ormai a perdere quel ruolo chiave di faro economico per le politiche di protezionismo sociale attuate che la storia passata le aveva sempre riconosciuto. Il mondo in cui viviamo si appresta ad un mutamento epocale in cui le giovani generazioni sono completamente impreparate ad ereditare ed affrontare.

SCUOLOPOLI

Laudato Si 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

There are many good books on Italian immigration to the United States, including success biographies, field researches and historical investigations. What is lacking however is an account of the immigrant experience from a "grassroots" point of view. This book tells the stories of a normal people, the great majority of the immigrant population, through their own, sometimes almost illiterate, words. With this book I aim to contribute to this country's story of immigration with these first-hand accounts of those who lived it, first-generation immigrants. It was said once, by Giuseppe Prezzolini, that Italian immigration left tears and sweat but not "words." The material of this book proves such arrogance wrong. I tried to be as thorough as possible in my field research looking for such "words" on both sides of the Ocean. I consulted Italian and American archives, I looked for books out of print, and scavenged for unpublished ones in private houses and forgotten drawers. What I found fills a silence and gives a wider spectrum of the immigrant experience, from the miner to the tailor, from the janitor to the professor. The book will interest scholars of Italian immigration because it adds information from within the protagonists' self. Their tales may be average, their memory may be inaccurate but their drive toward a new life and their immigrant "philosophy," made of grinding teeth and hope, is all there in its most fresh features. The book will also interest scholars of the autobiographical genre because it adds a new facet to the autobiographical voice. There are only a few studies on the life writing of the lower class (which come from France and England, not the US). I have tried to formulate new concepts that describe the autobiographical "I" of these works, conc

ANNO 2020 LA SOCIETA' QUARTA PARTE

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, The Book of Disquiet is a classic of existentialist literature.
