2020 is going to be your best year ever. Loera Publishing LLC brings to your doorstep another high quality, professionally bound and printed planner. This beautiful 2020 weekly planner is printed on high quality interior stock with a gorgeous cover. It was built sturdy and made to last a year of rain, sleet, snow and heat - and being tumbled from home to work and everywhere in between. Perfect for all ages and all walks of life - mom, dad, college, boss, co-worker, pastor, teachers, school staff, new parents and grandparents - it helps you stay organized Wonderful gift for the grandparent, nanny or anyone else who takes care of children too. Due to your request for the perfect planner - this one offers lots of space to write your daily, weekly and monthly tasks, events and thoughts. There is a section on every page to write your schedule, tasks and notes. Perfectly sized - this one is 8 1/2 x 11. Loera Publishing LLC was founded by Diana Loera. The daughter of a Midwest farmer and a schoolteacher - her focus is bring quality, family friendly books, journals, planners, notebooks, apparel and more to your doorstep. We hope you enjoy this beautiful planner as much as we enjoyed creating it for you. In the world of dogs, there is now more awareness than ever of the need to provide enrichment, especially in shelters. But what exactly is enrichment? The concept is pretty straightforward: learn what your dog's needs are, and then structure an environment and routine that allows them to engage in behaviors they find enriching. To truly enrich your dog's life, you should offer them opportunities to engage in natural or instinctual behaviors. Aside from the limitations we have to place on a dog in today's modern, busy world, the biggest constraint to enriching your dog's life is your imagination! What the experts say about Canine Enrichment: Don't let the word "enrichment" in the title fool you into thinking that the scope of this book is too narrow or not something you will find valuable. It focuses comprehensively on meeting your dog's needs and is written in a holistic, science-based, practical, straightforward, and easy-to-understand way. I love this book! Ken Ramirez, author of Animal Training: Successful Animal Management Through Positive Reinforcement Canine Enrichment is a deep dive into what dogs really need and how we can provide it. It's a great book for dog lovers who want to go beyond the standard superficialities of "dogs need exercise." Just the chapter on agency is worth the price of the book! Patricia

McConnell, Ph.D., CAAB Emeritus, author of *The Other End of the Leash* and *The Education of Will* The scope of this book is ambitious and the authors deliver, navigating the subject of enrichment with depth and relevance. Caregivers will gain critically important perspectives and practical information to improve the lives of their animals. Susan G. Friedman, Ph.D., Professor Emeritus, Utah State University, and founder of Behavior Works, LLC

Journals and Notebooks of hobbies and animals you love! This designs are handmade with love from europe (switzerland) and are a lovely gift for your family members and friends. A gift is something special. Do you remember yourself as a kid when your parents gave you a great gift of your favorite animal? Or if your best friends gave you a funny quote you. Every time if we look at this special gift we remember this funny moment. This design could be a part of a wonderful moment. If you click on the brand you can see more covers which you could like much more. Happy wishes for a great moment from switzerland: )

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

2020 & 2021 Weekly Planner - Two Year Appointment Book Gift - Two-Year Agenda Notebook for Labradoodle Dog Owners

Filled with inspiring stories and photographs, this heartfelt tribute to the pit bull celebrates one of America's most popular yet misunderstood dogs. Perhaps more than any other breed, the pit bull has been dogged by negative stereotypes. In truth, pit bulls are innately wonderful family pets, as capable of love and good deeds as any other type of dog. Setting the record straight, Ken Foster sings the praises of pit bulls in *I'm a Good Dog*, a gorgeously illustrated, tenderly written tribute to this most misunderstood of canines. Founder of the Sula Foundation, which promotes responsible pit bull ownership in New Orleans, and the author of two acclaimed books about abandoned dogs, Foster has made it his mission to bring overlooked canines into the limelight. *I'm a Good Dog* traces the fascinating history of this particularly maligned breed. A century ago, the pit bull was considered a family dog, featured in family photos and trusted as loving companions for children. More recently, pit bulls have been portrayed by the media as stereotypes of everything they are not. Foster shatters that reputation through moving profiles of pit bulls that serve as therapy dogs, athletic heroes, search-and-rescue dogs, and educators, not to mention as loving pets. Foster also profiles many pit bull lovers, from Helen Keller and Dr. Seuss to actor Todd Cerveris, who took his pit bull on tour with him for the musical *Spring Awakening*. Proving that there's much to love and nothing to fear, *I'm a Good Dog* restores the pit bull to its rightful place as friend, family member, athlete and entertainer.

*Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Based on the runaway web phenomenon, Dog Shaming features hilarious and adorable photos of petulant pups accompanied by notes detailing their misdeeds: waking sleeping babies, eating vomit, chasing postmen, unplugging alarm clocks, peeing on stuff, etc. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.*

*What happens when your cat makes a mistake like ruining something valuable or going outside the litter box? You can't ground or take away their allowance when your cat gets in trouble. So what is the next best thing? Cat Shaming! Cat Shaming is a hilarious collection of photos from owners who express their frustration when their furry best friend does something bad. Millions of cat owners can relate to the antics of these felines while the picture shows a shamed but adorable, innocent looking kitty.*

*Lively, funny, intelligent, and true: that's the Goldendoodle. This beautiful dog is a cross between the cheerful, happy-go-lucky Golden Retriever and the faithful, fun-loving Poodle.*

*First bred about three decades ago, these now-popular dogs make faithful household companions. Here is everything new pet owners will need to know about life with their Goldendoodle. Like all of B.E.S. Complete Pet Owner's Manuals, this book is filled with useful information and heavily illustrated with instructive, high-quality photos. Every book in this series is written by breeders, trainers, veterinarians, and other pet-care specialists, and offers advice on purchasing, feeding, health care, training, grooming, and other aspects of responsible pet ownership.*

Golden Doodle

**When it comes to popular dog breeds, Goldendoodles are all the rage these days—and for good reason! This breed combines the adorable playfulness of the Golden Retriever with the intelligence (and low-shed coat) of the Poodle. This dog makes a great companion for owners in different types of homes. Your Goldendoodle may be the star pupil of the obedience class, a champion Frisbee player, or the best at cuddling on the couch at the end of the day. There's no limit as to what these dogs can accomplish with the right training and care. However, no new dog comes with an instruction manual. If you've never owned a Goldendoodle before, there are some things you'll want to know about the breed before you bring your dog home. This book will give you a step-by-step guide to everything you ever wanted to know about Goldendoodles. Find answers to questions like: Is a Goldendoodle the right dog for me? Should I buy from a breeder or rescue? I brought my Goldendoodle home. What now? How can I best train my Goldendoodle? What are some common mistakes should I avoid? At the same time, you'll read plenty of reasons why you should choose a Goldendoodle as your next pet.
