Blockchain technology is

## Where To Download

powering our future. As the technology behind cryptocurrencies like bitcoin and Facebook's Libra, open software platforms like Ethereum, and disruptive companies like Ripple, it's too important to ignore. In this revelatory book, Don Tapscott, the bestselling author of Wikinomics, and his

# Where To Download

son, blockchain expert Alex Tapscott, bring us a brilliantly researched, highly readable, and essential book about the technology driving the future of the economy. Blockchain is the ingeniously simple, revolutionary protocol that allows transactions to be simultaneously anonymous and secure by maintaining a

## Where To Download

tamperproof public ledger of value. Though it 's best known as the technology that drives bitcoin and other digital currencies, it also has the potential to go far beyond currency, to record virtually everything of value to humankind, from birth and death certificates to insurance claims, land titles, and even votes.

## Where To Download

Blockchain is also essential to understand if you ' re an artist who wants to make a living off your art, a consumer who wants to know where that hamburger meat really came from, an immigrant who ' s tired of paying big fees to send money home to your loved ones, or an entrepreneur looking for a new platform to build

## Where To Download

a business. And those examples are barely the tip of the iceberg. As

with major paradigm shifts that preceded it, blockchain technology will create winners and losers. This book shines a light on where it can lead us in the next decade and beyond.

Cash In, One Load at a Time Whether you 're looking to break free
