Handbook on the Law of Small Business  
A Practice Guide for Attorneys  
Argyle Publishing Company Incorporated

The number of small businesses in the United States is astounding. According to the most recent U.S Census data, there are more than 8.8 million businesses with less than 20 employees, with more than 21.3 million employees spread out among those businesses. The sheer volume of individuals who do not work for a massive corporation is growing exponentially every year and the result

## Read Free Law For Small Business For Dummies UK

is a lot of confusion on the part of small business owners who are struggling to understand the complicated federal employment laws that dictate how they must handle those employees. With this comprehensive A-Z guide to the federal employment laws that dictate the practices you must follow, you will learn every possible detail you will ever need to know to stay ahead of the government's requirements and run a successful business. There are more than 20 Federal acts that are designed to keep the workers of this country protected against various forms of discrimination, poor treatment, and negligence on the part of the employer. You will learn the intricate details of each of these federal acts and how they apply to you and your business. You will learn everything

## Read Free Law For Small Business For Dummies UK

that applies to you in regards to age discrimination, disability discrimination, equal pay requirements, affirmative action, civil rights enactments, worker retraining, and dozens more acts such as OSHA, ERISA, EPPA, COBRA, SOX, PDA, and NLRA acts that enforce the standards of employment for millions of companies around the nation. You will learn which laws your company specifically must follow and how state laws might further designate what you need to know when hiring and employing a new worker. A run down of each kind of business and how certain laws, such as OSHA and other worker safety laws will apply more restrictively to you. You will be shown exactly how each of these laws is enforced and what you can expect if you fail to do so – including the requisite fines, possible sanctions, or
