With READ CURSIVE FAST, now anyone who can read print can read cursive. This carefully paced manual includes step-by-step instruction along with fun practice reading passages and historical documents that systematically teach you to read cursive. The techniques in READ CURSIVE FAST have succeeded with children, teens, and adults with and without disabilities. Anyone can learn to read cursive even if they do not write by hand at all. Learn to crack the cursive code so that you can read handwritten notes or our nation's historical documents.

This 170-page cursive handwriting instruction workbook is designed to appeal to all ages, even teenagers or adults. Labeled illustrations demonstrate how to write each cursive letter one stroke at a time. Find handwriting tips to help write and recognize tricky cursive letters. Practice writing all of the uppercase and lowercase cursive letters. Practice cursive handwriting by copying words or sentences onto blank lines. Exercises will help you memorize the cursive alphabet. The content is suitable for all ages, including tweens, teens, or adults. One way is that the blank lines are spaced 3/8 inches, which is narrower than most kids' writing workbooks. Another way is that there aren't any childish images designed to interest bored kids (some kids who are academically oriented appreciate this, too - it makes them feel like they are doing 'real' work).

Children will enjoy learning to write cursive with this fun and colorful I Can Write Cursive tablet! This 128 page workbook features exercises that focus on an individual letter. By following the instructions and examples provided, children will soon gain confidence in letter formation. Then, using the activities featured, they can practice writing words, phrases and full sentences. The I Can series is dedicated to helping children practice and perfect important early-learning skills. Featuring 10 titles for children in preschool to fourth grade, these workbook/tablets cover printing, cursive, addition, subtraction, time, spelling, and much more!

156 Pages of the Most Fun & Engaging Exercises to Learn Cursive Handwriting Unfortunately, nowadays, too many elementary and middle schools are using computers and iPads to do reports and various writing tasks. As a result, many kids are not very comfortable with cursive writing, and when they do write, it is almost impossible to read. The Learn How to Write in Cursive for Kids book has been created to close the gap and avoid turning cursive writing into a 'lost art'. Unlike many of the cursive writing books, which are tedious and boring, this one, with the short stories and cool cartoons, will eliminate some of the drudge of learning, and it is easy to monitor progress as it goes from individual letters to full sentences writing in cursive. This book has also plenty of space with 2 whole pages dedicated for practicing each letter, allowing kids to confidently develop their motor control while also improving their penmanship. This book is divided into the following 6 sections: Section 1: Tracing and writing lowercase and uppercase cursive letters, with detailed follow-the-arrow diagrams that demonstrate how to write the letters correctly. There are 2 pages for each letter. Section 2: Tracing and writing simple 3-letter words starting with a lowercase letter. Introducing the kids to the art of connecting lowercase cursive letters progressively. One whole page is dedicated to each letter. Section 3: Tracing and writing simple 4-letter words starting with an uppercase letter. Acquainting kids to connect uppercase to lowercase letters, while writing 1 character longer words than in previous section. One full page is dedicated to each letter. Section 4: Tracing and writing slightly advanced words, with a variable number of characters, familiarizing the kids with writing frequently used words. Section 5: Tracing and writing full sentences, in the form of cool short stories, adding a touch of fun and fantasy to the learning process. Section 6: Tracing and writing Days of the week and Months names. This section is kept as the last one to demonstrate the degree of progress that has been reached so far. Technical information: 8.5" x 11" - Large size that provides plenty of room for writing inside. 156 pages! - Much more than most of the workbooks available in the market, with similar price tag. Cursive Handwriting Workbook for Kids: Beginning Cursive helps children learn the basics of cursive writing in the most enjoyable and fun way! What makes this amazing workbook different from most other workbooks on beginning cursive, is that it provides "dot to dot"- illustrated exercises to help children understand how exactly to form each cursive letter and how to connect cursive letters. In part 1, students learn and practice the cursive alphabet. They have to draw the snail's trail inside the letter with a marker, following numbered dots, a fun way to learn how exactly to form each letter.

Afterward, they practice writing the letter by tracing inside it and copying it multiple times. In part 2, students learn how to connect lowercase and uppercase cursive letters, and, in part 3, they practice writing their first words in cursive. An ideal STARTING POINT for BEGINNERS! Easily learn to write the cursive alphabet! Learn how to connect letters and form words! Unique Play & Learn system with "dot-to-dot"-illustrated exercises! Appropriate for Grades 2-5! Reproducible: Parents and teachers may reproduce worksheets for use at home or in class! Note: This workbook is for beginners (Level 1). It is the first book of our Cursive Handwriting Workbook Series and it is meant to be used in the context of adult-guided lessons. Its purpose is to help children learn the cursive alphabet as well as to understand how to connect cursive letters and form short words in cursive. Upon finishing this workbook, students will be ready to move on to more advanced workbooks that will help them practice writing words (Level 2) and sentences (Level 3) with a goal to build fluency.
