

Learn To Draw Disney's Phineas Ferb: Featuring Candace, Agent P, Dr Doofenshmirtz, And Other Favorite Characters From The Hit Show! (Licensed Learn To Draw)

Tells the story of Phineas Gage, a railroad construction foreman who survived eleven years years after an accident in which a thirteen-pound iron rod shot through his brain.

It's Easter, and what better way for Phineas and Ferb to celebrate than to throw a giant festival in their backyard, complete with rockin' bands and candy-shooting cannons? But when their older sister, Candace, learns about their plans, she's determined to bust her brothers once and for all! Meanwhile, Dr. Doofenshmirtz has decided to dress up like the Easter Bunny as a ploy to try and finally take over the Tri-State Area! This egg-citing 8x8 includes a sheet of stickers and foil on the cover!

Wildly fun and full of laugh-out-loud antics, this interactive sing-along is a zany romp sure to capture fans of Giraffes Can't Dance and Dragons Love Tacos. Shell we dance? Taco-bout irresistible! Jam out to the catchy, toe-tapping tune "Raining Tacos" from YouTube sensation Parry Gripp, featuring everyone's favorite treat! This spec-taco-ular, goofy song, with new, never-before-sung lyrics, is perfect for sharing, so grab a few friends-young or old-and get ready to crunch your way to a good time! It's raining tacos, from out of the sky. Tacos, no need to ask why. Just open your mouth and close your eyes. It's raining tacos!

With Drawing: Faces, learn to draw detailed, realistic human faces in graphite pencil from basic shapes. Successfully drawing the human face is one of the most challenging, yet rewarding, artistic experiences. With a wealth of detailed step-by-step projects to both re-create and admire, Faces teaches the basics of drawing human facial features with graphite pencil. In addition to the step-by-step drawing projects, Faces includes information on choosing art materials, building with basic shapes, placing proportionate features, defining facial expression, and shading to develop form and realism. Discover how to render a variety of faces with simple instructions and tips on how to adapt your drawings for varied angles and emotions. Acclaimed artist Walter T. Foster shares his personal methods for rendering the human face in all its expressiveness as he introduces tips and techniques for approaching babies, children, teenagers, and adults of all ages. Easy-to-follow demonstrations and helpful techniques for drawing correct head and facial proportions, eyes, noses, lips, and ears make this book a necessary addition to every artist's library of drawing references. Designed for beginners, the How to Draw & Paint series offers easy-to-follow guides that introduce artists to basic tools and materials and include simple step-by-step lessons for a variety of projects suitable for the aspiring artist. Drawing: Faces allows artists

Phineas and Ferb: Candace Against the Universe

What happens when the boys accidentally knock a UFO off its course, causing it to crash in their backyard? And what will Phineas, Ferb, Candace, and Isabella do when they meet its pilot, the adorable Meap? While Candace shows off the cute creature, the others take off in Meap's ship—and are captured by Meap's archrival, the sinister Mitch. It's up to Candace and Meap to defeat Mitch and rescue the three interstellar prisoners!

Phineas, Ferb, Perry the Platypus, and Dr. Doofenshmirtz are back for an interstellar adventure in this chapter book based on the new Disney+ original movie. When Candace is abducted by aliens, Phineas and Ferb have to team up with Dr. Doofenshmirtz to get her back . . . but what if she doesn't want to return to Earth?

Dr. Doofenshmirtz is trying to destroy all of the laughter in the Tri-State Area with his latest evil invention—the De-Laugh-inator. It's up to Agent P to stop him, and the only way to defeat the evil doctor's plan is to read these hilarious jokes and riddles aloud!

Walt Disney once wisely said, "There is more treasure in books than in all pirates' loot on Treasure Island and at the bottom of the Spanish Main . . . and best of all, you can enjoy these riches every day of your life." No doubt Walt was referring to the intangible wealth of opportunities for learning and imagining inherent in the act of reading, but when one considers the vibrant art and gilded spines of the Disney Golden Books, Walt's pronouncement takes on a parallel meaning. For perhaps no other children's books are as cherished and collected-as though they were doubloons and jewels-than the Disney Golden Books. The history of these books began in 1933, when the president of Whitman Publishing wrote a letter to Walt Disney. Whitman had already published compilations of the "Dick Tracy" and "Little Orphan Annie" comic strips, and these Big Little Books had met with great success. The publisher proposed a similar collection of the "Mickey Mouse" comic strips, and offered a royalty of one-half percent per book. Walt agreed, and a new era in Disney publishing commenced. A remarkable lineup of talent, many of whom were Disney Studio artists- including Mary Blair, Alice and Martin Provensen, Gustaf Tenggren, Al Dempster, Retta Scott Worcester, and Bill Peet-created the illustrations for the early Disney Golden Books. The bold and incredibly detailed artwork was painstakingly executed in gouache and watercolor-media that required a steady hand and immense patience and precision. The resulting publications became favorite selections in the libraries of many children, among them, future generations of Disney and Pixar artists who were inspired to draw, dream, and later, create their own films and Golden Books. The Art of the Disney Golden Books celebrates a legacy that has now thrived for more than eighty years and continues to influence new generations of artists and filmmakers. Through interviews with contemporary animators who recall tracing the characters in their childhood Disney Golden Books, paintings by artists who influenced and inspired the Disney Golden Book illustrations, and a generous complement of Golden Book artwork-much of which was thought to have been lost until very recently-the rich tradition of the series is explored in this vibrant volume. From Peter Pan and Cinderella to Toy Story and Tangled, the Disney Golden Books are displayed in all their glory, evoking a poignant sense of wonder and nostalgia. For as long as parents and children partake in the ritual of reading together at

A long time ago, in a galaxy far, far away, Star Wars came to theaters. Ever since, this beloved franchise has been delighting audiences with great characters, epic adventures, and unforgettable moments. Whether it's Luke storming the Death Star in his X-wing starfighter or Jabba the Hutt weighing fates, there are endless cherished memories from the series. Learn to Draw Star Wars brings this franchise's rich history somewhere we've scarcely seen it: the realm of fine art. With graphite drawings by Lucasfilm collaborator Russell Walks, this 128-page guide shows artists of all skill levels how to render classic characters as detailed pencil drawings. Step-by-step projects elegantly re-create household names, including Luke Skywalker, Han Solo, and Darth Vader. With notes drawing on the history of each subject, Learn to Draw Star Wars helps readers deepen their Star Wars experience while strengthening their drawing skill.

Presents step-by-step instructions on how to draw the characters of Disney's Phineas and Ferb, including Perry, Candace, and Phineas.

A guide to being evil in accordance with the style of Dr. Doofenshmirtz counsels readers on everything from selecting a nemesis to getting over evil inventor's block, in a whimsical storybook complemented by Doof back stories and full-color comic inserts. 50,000 first printing. TV tie-in.

Deep State

Phineas and Ferb's Guide to Life

Phineas and Ferb want to get the most out of their summer by making every day outrageously fun, but these two best buds aren't content with going to the beach or camping out. Whether they're building a time machine, a backyard roller coaster, or the world's largest drop of water, Danville—and the whole Tri-State Area—will never be boring again! Unless, of course, scheming big sister Candace manages to expose their antics and shut everything down, or worse, if the evil Professor Doofenshmirtz succeeds in taking over the world! To keep things rolling, Phineas and Ferb are going to need the help of their pet platypus Perry, who moonlights as a secret agent protecting the city and stopping Doofenshmirtz in his tracks. Hang out with Phineas & Ferb on the coolest summer break EVER in this colossal 300-page comics collection!

When the man with the yellow hat tells George that he is planning a surprise, of course George is curious. Before long George finds a hat, noisemakers, decorations, and games. It must be a birthday! But whose birthday is it? That's the surprise! This paperback edition now includes a maze and a birthday vocabulary seek-and-find.

There are questions that the Mueller report couldn't -- or wouldn't -- answer. What instigated the Russia investigation? Did President Trump's meddling incriminate him? There's no mystery to what Trump thinks. He claims that the Deep State, a cabal of career bureaucrats, is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as

Read Online Learn To Draw Disney's Phineas Ferb: Featuring Candace, Agent P, Dr Doofenshmirtz, And Other Favorite Characters From The Hit Show! (Licensed Learn To Draw)

incorruptible apolitical public servants who work tirelessly to uphold the rule of law. James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what happened inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officials and voluminous transcripts, notes, and internal reports. This is the saga of the FBI's simultaneous investigations of both Hillary Clinton and Donald Trump. Stewart shows what was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. This unprecedented event joined in ongoing combat the presidency and the Federal Bureau of Investigation. There is no room for compromise, but plenty for collateral damage. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice.

Over the past several years scholars, activists, and analysts have begun to examine the growing divide between the wealthy and the rest of us, suggesting that the divide can be traced to the neoliberal turn. "I'm not a business man; I'm a business, man." Perhaps no better statement gets at the heart of this turn. Increasingly we're being forced to think of ourselves in entrepreneurial terms, forced to take more and more responsibility for developing our "human capital." Furthermore a range of institutions from churches to schools to entire cities have been remade, restructured to in order to perform like businesses. Finally, even political concepts like freedom, and democracy have been significantly altered. As a result we face higher levels of inequality than any other time over the last century. In Knocking the Hustle: Against the Neoliberal Turn in Black Politics, Lester K. Spence writes the first book length effort to chart the effects of this transformation on African American communities, in an attempt to revitalize the black political imagination. Rather than asking black men and women to "hustle harder" Spence criticizes the act of hustling itself as a tactic used to demobilize and disempower the communities most in need of empowerment.

Poets. Geniuses. Revolutionaries. The members of the legendary band Lemonade Mouth have been called all of these things. But until now, nobody's known the inside story of how this powerhouse band came to be. How five outcasts in Opoquonsett High School's freshman class found each other, found the music, and went on to change both rock and roll and high school as we know it. Wen, Stella, Charlie, Olivia, and Mo take us back to that fateful detention where a dentist's jingle, a teacher's coughing fit, and a beat-up ukelele gave birth to Rhode Island's most influential band. Told in each of their five voices and compiled by Opoquonsett's "scene queen," freshman Naomi Fishmeier, this anthology is their definitive history.
