They return to their seats on opposite ends of the car, where Jade is shocked but excited to watch Adele give her a sexy show. After the two women exchange a brief but passionate exchange surrounded by other distracted passengers, Jade is surprised to learn that a high-school senior traveling with her father had been spying on them the whole time. If Jade is so interested in playing the submissive role, how would she like to be Hannah’s slave for a week? For her first test as a slave, Hannah takes Jade to a fancy restaurant and demands that she satisfy her under the table while she eats dinner pretending like nothing is happening. When Jade passes this first test, Hannah takes her home and ties her up to her four-poster bed, where she takes maximum advantage of her helpless but delighted friend... A new history of the queer novel shows its role in constructing gay and lesbian lives The gay and lesbian novel has long been a distinct literary genre with its own awards, shelving categories, bookstore spaces, and book reviews. But very little has been said about the remarkable history of its emergence in American literature, particularly the ways in which the novel about homosexuality did not just reflect but actively produced queer life. Drawing on Mikhail Bakhtin’s insight that the history of society is connected to the history of language, author Natasha Hurley charts the messy, complex movement by which the queer novel produced the very frames that made it legible as a distinct literature and central to the imagination of queer worlds. Her vision of the queer novel’s development revolves around the bold argument that literary circulation is the key ingredient that has made the gay and lesbian novel and its queer forebears available to its audiences. Challenging the narrative that the gay and lesbian novel came into view in response to the emergence of homosexuality as a concept, Hurley posits a much longer history of this novelistic genre. In so doing, she revises our understanding of the history of sexuality, as well as of the processes of producing new concepts and the evolution of new categories of language.

Seasons of Lesbian Erotica

The Mammoth Book of Lesbian Erotica

This is the fifth volume of the Best Lesbian Erotica of the Year anthology series, which features representations of queer women, non-binary, and trans women’s sexuality that are not as frequently seen—with ability, race, ethnicity, class, neuro-diversity, ace-spectrum, age, religion, or other marginalized viewpoints. #Ownvoices stories are of importance to this volume. The anthology is not limited to certain kinds of sex acts. “Vanilla,” BDSM, fetish, ace, and all kinds of sensual and sexual expression make an appearance. There is no limit of sexual identities: mommy, mistress, sir, puppy, girl, servant, etc.

Juffer demonstrates how women’s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals. She shows, for instance, how the Victoria’s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women. In her pursuit to understand what women like and how they get it, Juffer delves into adult cable channels, erotic literary anthologies, sex therapy guides, cyberporn, masturbation, and sex toys, showing the degrees to which these materials have been domesticated for home consumption.

Surrender to the pleasure... When Jade boasts to her sex therapist friend Hannah about her level of self-control, Hannah makes her a bet. If she can withstand Hannah’s stimulation at various public events, Hannah will pay for an all-expense paid trip to Bora Bora. Jade’s first test is sitting through an entire church service with Hannah teasing her by remote control. As she participates in the various readings and singing of hymns, Jade finds it increasingly difficult not to surrender to the pleasure emanating inside her. Her next challenge is to sit quietly in a library surrounded by two very attractive visitors. While Hannah slowly raises the level of stimulation from a nearby table, Jade struggles to control herself as her seat mates begin to notice her squirming in agony. Just when she thinks it can’t get any more difficult, Hannah asks her to be a model at a nude figure painting class. With Jade standing completely naked in front of a group of hot young college students, she’s forced to remain still for thirty minutes as Hannah progressively ramps up the pain. But it’s not until her final outrageous test that Jade learns how futile it is to resist the rising tide of pleasure. Join Jade as she experiences an increasingly erotic series of challenges to prove she’s worthy of Hannah’s prize. Jade’s Erotic Adventures: Jade’s Erotic Adventures is a series of stories following the adventures of recent divorcée Jade, who embarks on a journey of sexual reawakening when her passionless marriage dissolves. Looking to expand her sexual horizons, she experiences one exciting escapade after another with a mix of new (male, female, and transgender) partners. Each story is a standalone book that can be read in any order. Most women have secretly fantasized about having a sexual encounter with another woman. This erotic tale allows you to take a peek into a day with Ashley Brayton who prides herself on being a good housewife but has reached a point in her life where she is struggling between remaining loyal to her husband, Mark, by keeping her secret fantasies locked away in her mind or allowing the lusts of her heart to finally be unleashed. But Ashley is forced with choosing between her struggles quicker than expected when she encounters Jordyn, the new neighbor who just moved in across the street and is wasting no time with her attempts to seduce Ashley. And after a lifetime of keeping her attraction to women a secret - reserved exclusively for private fantasies - Ashley recently acted on the hidden desires of her heart when her lusts were unleashed by her hot new neighbor, Jordyn, who wasted no time with seducing Ashley; helping her realize just how badly she wants more of the same ...a lot more. As this erotic tale continues to unfold, Ashley finds answers to some of her questions - while many new ones surface - when she is introduced to a kinky type of foreplay that leaves her wanting to explore more of this newly discovered fantasy world full of endless opportunities to role-play. In Volume 3 of the Wife Wants a Lesbian Erotica Affair series, our story wastes no time as it picks up at the cliff-hanger where Volume 2 (Wife Wants Another Woman) left off. We continue to take a private peek into the married life of Ashley Brayton from a private front-row seat, as she continues her indulgence of guilty-pleasures with her beautiful neighbor, Jordyn, who unexpectedly introduces Ashley to her first all-girl threesome. But as Ashley’s feelings begin growing rapidly stronger for Jill - an energetic open-minded beauty; full of new ideas - the sexual chemistry they share for one another reaches a new level when they develop an intimate emotional connection to go along with it. And just as Ashley fully accepts the fact that her marriage to Mark has been seriously lacking and she becomes comfortable with keeping secrets from him; believing that it’s the only possible way for her to find complete satisfaction without hurting him, he throws her an unexpected curve-ball that has her second guessing her conclusions and rethinking her prior perception of their marriage as she is told about an entirely new type of lifestyle that plants the had never imagined she would ever consider ... until now.

Asian American Sexualities works to dispel the stereotype of oriental sexual decadence, as well as the “model minority” heterosexual Asian stereotype in the US. Writing from an impressive array of interdisciplinary perspectives, the contributors discuss a variety of topics, including sexuality and identity politics; community activism and gay activism; transnational aspects of love between women in Thailand; queer South Asian culture in the US; gay and lesbian filmmakers; same-sex sexuality in Pacific literature; and Asian American male homosexuality and AIDS. The relationship of the gay and lesbian experience to Asian American studies and Ethnic Studies is also explored.

At a time when lesbian, gay, bisexual, and transgender individuals--often referred to under the umbrella acronym LGBT--are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status and needs. As a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and health-related concerns and needs. The Health of Lesbian, Gay, Bisexual, and Transgender People assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. The Health of Lesbian, Gay, Bisexual, and Transgender People identifies federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers.

Only a woman really knows how to satisfy another woman... Enjoy the all-lesbian discounted bundle -- now 50% off! Book 1: Webcam Chat When lonely divorcee Jade searches online for a distraction one night, she uncovers a lesbian chat room where naked women have private conversations using webcams. Eventually she meets a young college girl who confides that she's attracted to her straight roommate. They strike up a conversation, and before long the two women are sharing an intimate exchange. But just as things begin to get interesting, their conversation is interrupted when the girl's roommate returns earlier than expected to their dorm... Book 2: The Spa When Jade's best friend invites her to a private women's spa, she gets more than they bargained for. Starting with a relaxing couples massage, the two girls are shocked when they're greeted by two nude masseuses. But it's not until they get to the rooftop pool that they realize this spa is much more than a typical rejuvenation center. With beautiful naked women parading in and out of the water, it's a feast for their eyes. Becoming increasingly aroused by the sight of everyone's dripping bodies, Jade heads to the sauna to try to relax. But when she finds a pretty African-American girl lounging in a provocative pose, one thing leads to another, and before long the girls are enjoying a private tryst in the hot steam room... Book 3: The Toy Party When Jade decides to hold a girls-only party at her place, she invites the owner of the local adult store to provide a demonstration of some of her latest sex toys. But Jade has a hidden agenda. She's had her eye on the sexy neighbor next door and she's hoping the demonstration will stimulate her interest in exploring a new phase of their relationship. The party starts off innocently enough, with Cheryl demonstrating some of the more basic toys. As she passes free samples around for the girls to examine, some of them can't resist experimenting with them in more intimate ways. Jade notices that her neighbor Alana is becoming more excited by the activity of the group, but so far everyone has remained relatively composed keeping their clothes on... Book 4: Swedish Sauna When Jade takes a holiday flight to Sweden, she's floored by how beautiful the flight attendants are on the plane. As she watches the sexy stewardesses go about their duties, she curls up in her seat by the window and has a silent climax under her cozy blanket. On the way off the plane, the lead flight attendant passes her a note, inviting her to go skiing with her and some of the other stewardesses during her stayover. When Jade gets picked up at the ski resort, things quickly escalate as the four girls become increasingly friendly... Book 5: The Therapist When Jade's sex therapist friend Hannah invites her to attend one of her private sessions, she's shocked at what she finds. Instead of merely talking through her clients' problems, she encourages them to actively explore their bodies while she helps them lose their inhibitions. During the initial session, Jade hides in a secluded location while a young college coed touches herself behind a private screen. As she listens to Hannah guiding the girl through her process of self-discovery, she becomes increasingly aroused in the privacy of her broom closet. But when Hannah asks the girl if she's ready to move on to a partnered session, Jade's thrilled when Hannah invites her to join the girl in a mutual guided session. Join Jade as she watches the girl lose her inhibitions and eventually pair up with her in an exciting and highly erotic rendezvous...
