How can he make sense of the world when he can't even make sense of himself? Joe is not like other boys. At 14 he is obsessed with birds and the weather - but to this sensitive and gentle young man, other people are a mystery. When Joe is sent away to stay with his quirky artist aunt in Holland, only his relationships with his aunt and his new friend, Emmie, help him as he struggles to make sense of the world. Fifteen years later, Joe is a man - but still at odds with other people, and a virgin. Returning to Amsterdam, the place where he was closest to happiness, Joe witnesses a tragedy and discovers a secret that throws his life into turmoil - but this may ultimately lead him to find the one thing he has always craved... The Most Beautiful Thing is a coming-of-age tale with a twist that will appeal to fans of Ann Enright and Penelope Lively. Tender and insightful, it will make you see the world with new eyes. "Robyn is the real thing. A gifted writer who understands the complexities of the human soul." Jacqui Lofthouse "A thoughtful and moving writer who has a great sense of human emotion." "This sweet gay contemporary hits the spot." -Publishers Weekly Their collections may clash but their hearts are a perfect match. Moving to eclectic New Hope, Pennsylvania, and running The Beautiful Things Shoppe is a dream come true for elegant and reserved fine arts dealer Prescott J. Henderson. He never agreed to share the space with Danny Roman, an easygoing extrovert who collects retro toys and colorful knickknacks. And yet here they are, trapped together in the quaint shop as they scramble to open in time for New Hope's charming Winter Festival. Danny has spent years leading with his heart instead of his head. The Beautiful Things Shoppe is his chance to ground himself and build something permanent and joyful. The last thing he needs is an uptight snob who doesn't appreciate his whimsy occupying half his shop. It's only when two of New Hope's historic landmarks—each as different as Danny and Prescott—are threatened that a tentative alliance forms. And with it, the first blush of romance. Suddenly, running The Beautiful Things Shoppe together doesn't seem so bad..until Danny's secret threatens to ruin it all. REGIONAL BESTSELLER Now a documentary narrated by Common, produced by Grant Hill, Dwyane Wade, and 9th Wonder filmmaker Mary Mazzio The moving true story of a group of young men growing up on Chicago's West side who form a Black high school rowing team in the nation, and in doing so not only transform a sport, but their lives. Growing up Westside in the 90's, Arshay Cooper knows the harder side of life. The street corners are full of gangs, the hallways

complex are haunted by drug addicts he calls "zombies" with strung out arms, clutching at him as he passes by. His recovering addict, and his three siblings all sleep in a one room apartment, a small infantry against the war zone on Arshay keeps to himself, preferring to write poetry about the girl he has a crush on, and spends his school days in the kitchen dreaming of becoming a chef. And then one day as he's walking out of school he notices a boat in the school a poster that reads "Join the Crew Team". Having no idea what the sport of crew is, Arshay decides to take a chance to join is one that will forever change his life, and those of his fellow teammates. As Arshay and his teammates beg together to learn how to row--many never having been in water before--the sport takes them from the mean street hallowed halls of the Ivy League. But Arshay and his teammates face adversity at every turn, from racism, gang violence that has never seen anyone like them before. A Most Beautiful Thing is the inspiring true story about the most unlikely brothers that form a family, and forever change a sport and their lives for the better.

Poetry. LGBTQIA Studies. California Interest. African & African American Studies. Women's Studies. Lambda Literary Award Finalist for Lesbian Poetry. Angular, smart, and fearless, Arisa White's newest collection takes its titles from words used internationally as hate speech against gays and lesbians, reworking, re-envisioning, and re- embodying language as an art, love, and understanding. "To live freely, observantly as a politically astute, sensually perceptive Queer Black woman taker, at risk, a perceived danger to others and even dangerous to/as oneself," writes poet Tracie Morris. "White's a substitutions and range of organized forms, lithe anecdotes, and disturbed resonances put us in the middle of living intelligent life of the senses." YOU'RE THE MOST BEAUTIFUL THING THAT HAPPENED works through intersectional encounters with gender, identity, and human barbarism, landing deftly and defiantly in beauty.

Do you have a busy or overactive mind? Are you stressed or worried all the time? Do you have limiting beliefs about yourself? Would it be worth to you to have it all just fade away and to live life from a space of quietness, contentment, and peace? A space where thinking is optional! A space where you control your mind rather than your mind controlling you. Interested? It's possible for everyone despite what your mind is telling you right now. Between the covers of this book, you will find where you left the off switch for your mind.

Hallucinatory cyberpunk. Meta sci-fi satire. The future is futile. 2083. Meme seeks revenge in Japan and later Mexico, where he is contacted by someone he assumes has been dead for years. Rinchi continues her role as a MercSecure representative, starting first in Baghdad, where she runs into an old foe. Desiring more control over the destiny of the nation, Sauria goes to extreme lengths to intimidate a rival and solidify his power. The hunt is on. Part techno thriller, part dystopian science fiction, Life is a Beautiful Thing is a series that questions what it means to be human; a collection of novels that offers a shocking glimpse into a dark future fueled by corporate deceit and high-end intoxicants.

A woman discovers her marriage is built on an illusion in this harrowing and ultimately inspiring memoir. "Be forewarned: You won't sleep until you finish the last page."—Caroline Leavitt, author of Cruel Beautiful World One night. One email. Two realities... Before: Jen Waite has met the partner of her dreams. A handsome, loving man who becomes part of her family, evolving into her husband, her best friend, and the father of her infant daughter. After: A disturbing email sparks suspicion, leading to an investigation of who this man really is and what was really happening in their marriage. In alternating Before and After chapters, Waite obsessively analyzes her relationship, trying to find a single moment from the past five years that isn't part of the long con of lies and manipulation. Instead, she finds more lies, infidelity, and betrayal than she could have imagined. With the pacing and twists of a psychological thriller, A Beautiful, Terrible Thing looks at how a fairy tale can become a nightmare and what happens when "it could never happen to me" actually does.

An inexplicable sickness. A small town cut off from the world. An unexpected community of survivors forges a family out of the despair, struggling against things known and unknown for survival and hope. A mysterious plague known as the Grey grips the small village of Pilam, which the world has quarantined without pity. Laying waste to Pilam's residents, the sickness saps its victims of strength, drains the color from their eyes, and kills all promise. Only the young are immune. But beyond the barricades and walls of soldiers--the manifestation of a nation's terror--there are rumors of a cure. Dunka, the eldest son of a family reeling from the Grey, takes on the daunting task of leaving Pilam to find that cure for his siblings and save them before it's too late. His brother and sisters, however, have plans of their own. Navigating the chaos of violence, hunger, and death, each of them tries to make sense of the bleak circumstances, forging new bonds with other juvenile survivors left to their own devices. Now an

unlikely family of six, they choose their own perilous paths, at first separately and then together, coming to terms with the decisions they make and the ghosts they cannot leave behind. Umar Turaki's gripping novel is a story of survival, love, and the human spirit's tenacious capacity for wonder.

“Both a tragic monument to the abused bar girls of Bombay and a celebration of their amazing resilience and spirit.”—William Dalrymple, bestselling author of The Anarchy Published in India to great acclaim and named a Time Out Subcontinental Book of the Year and an Observer Book of the Year, Beautiful Thing is a stunning piece of journalism that offers a rare firsthand glimpse into Bombay’s notorious sex industry. Sonia Faleiro was a reporter in search of a story when she met nineteen-year-old Leela, a charismatic exotic dancer with a story to tell. Leela introduced Sonia to the underworld of Bombay’s dance bars: a world of glamorous women; of fierce love, sex, and violence; of gangsters, police, prostitutes, and pimps. When an ambitious politician cashed in on a tide of false morality and had Bombay’s dance bars wiped out, Leela’s proud independence faced its greatest test. In a city where almost everyone is certain that someone, somewhere, is worse off than them, she fights to survive—and to win. In Beautiful Thing, Sonia Faleiro has crafted one of the most original works about India in years, an “intimate and valuable book of literary reportage . . . [that] will break your heart several times over” (The New York Times). “Reporting at its best.”—Junot Díaz, The Rumpus “A glimpse into a frightening subculture . . . In lesser hands, these young people could have come off as clichés, but the author makes sure we care for them and root for them to survive a life that most will never understand. Gritty, gripping, and often heartbreaking—an impressive piece of narrative nonfiction.”—Kirkus Reviews (starred review)

night at a college party she gives them the slip, finding herself in the arms of the most amazing guy she has ever met. Now she's on a mission to find him since she ran from his bed. And forgot to ask his name... Declan Sage has had control over his entire life. But that is all about to change when the girl who ran out of his bed turns his life upside down. She is about to throw that control out the window. But he's pretty sure that's a good thing seeing as she stole his heart..

Seventeen years ago, Sepha Stephanos fled the Ethiopian Revolution for a new start in the United States. Now he finds himself running a failing grocery store in a poor African-American section of Washington, D.C., his only companions two fellow African immigrants who share his bitter nostalgia and longing for his home continent. Years ago and worlds away Sepha could never have imagined a life of such isolation. As his environment begins to change, hope comes in the form of a friendship with new neighbors Judith and Naomi, a white woman and her biracial daughter. But when a series of racial incidents disturbs the community, Sepha may lose everything all over again. Watch a QuickTime interview with Dinaw Mengestu about this book.

With the Federal Corporate Government hunting him, will he make it to safety in time?The hunt is on.Part techno thriller, part literary science fiction, Life is a Beautiful Thing is a series that questions what it means to be human, a book that offers a shocking glimpse into a dystopian future fueled by corporate deceit, bawdy sex and high-end intoxicants.

Life, its a Beautiful Thing is Laura Schaufels technique of spreading the love of God. It is her method of expectantly accomplishing a desired aim. Touching lives spiritually is her intent and purpose, promoting faith, hope, and inspiration. Laura Schaufel is a witness to the power of prayer. She testifies to an extraordinary event manifesting divine intervention in human affairs that happened in 1990, in Folsom, California. This little book is an account of astonishing and noteworthy happenings of an ordinary woman who lives in the knowledge that God has a purpose, a destiny, and a plan for each of us. God has been showing her His plan all of her life through acts and actions that only now does she, to some extent, understand. As she stood in that cold mechanical hospital room listening to her son fight for just one more breath of air, she prayed to God to let him live. Please return him to me for whatever time I may have, here on earth, she asked. But the plans laid out in heaven for that day called for her son to return home to our Father. Whereas you do not

know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away. (James 4:14 NKJV) In the midst of death's storm is when your faith and the presence of the Lord are most needed to provide the strength to persevere. Look and listen to these true stories of God working in His way. Then see how you can reach the point in prayer where you are at ease with the world and can accept all of God's plans for you as your destiny unfolds.

After tonight I knew things were going to change. For the better that is...I had a secret and I was finally going to tell the boy of my dreams, the love of my life, soul mate and boyfriend of the last four years. I wasn't prepared for what actually happened...I didn't expect to lose my boyfriend and best friend in one night.... Things weren't supposed to end this way. My heart was ripped out, split in two and stomped on for all to see. I was humiliated and betrayed. How deep can the knife of betrayal cut before it's too late to wrench it out and let the forgiveness heal? Is forgiveness even possible when you've been hurt in the worst possible way? Can a soul so broken and ruined ever be restored? How am I supposed to heal from this when I have a reminder of the beautiful man whom I looked up to every day?***Harley is the product of a one night stand. Her mother being an all-out train-wreck and her father the President of a notorious Motorcycle Club. She lives with her mother in a run-down apartment near the strip club she works for, her father lives a few hours away. To say she's had a rough childhood is an understatement. Her life is the complete opposite to the luxury Caleb was brought up with. He is wealthy but never looks down at Harley since he is completely and utterly in love with her. Harley has just graduated from High School, it's their fourth year anniversary and tonight she has a secret to tell him before they head out to college and move into their new apartment together. They've been best friends since they met in Kindergarten and haven't let anyone come between them despite being complete opposites. Caleb is the typical jock and Harley, his dorky sidekick. What happens when Harley is betrayed...by none other than Caleb? What happens when Harley's secret is revealed? She runs to her father, now she has to learn to adapt to the Motorcycle Club life that her father leads. She has a long road ahead of her, surrounded by possessive bikers with dirty mouths and beautiful tattoo clad bodies she's forced to understand the place of a woman in this club, even when she doesn't agree. Will Harley be able to resist Raven, the soon to be Vice President of the Club, when she captures his attention?

An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. Named by *The Washington Post* as one of the best feel-good books of 2021. "It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard." **THE COMFORT BOOK** is Haig's life raft: it's a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig's future self that things are not always as dark as they may seem.

Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.

NEW YORK TIMES BESTSELLER *"I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In Beautiful Things, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.*

Born different, a little caterpillar with the kind heart and wide open eyes not only embraces his oddity but chooses to go against the preconceived and accepted in spite all and whatever it takes. Possessing his own curious mind, he defines true beauty, guided by that same kind heart and those avid eyes of his.

Lisa Gungor thought she knew her own story: small-town girl meets boy in college and they blissfully walk down the aisle into happily ever after. Their Christian faith was their lens and foundation for everything—their marriage, their music, their dreams for the future. But as their dreams began to come true, she began to wonder if her religion was really representative of the ‘good news’ she had been taught. She never expected the questions to lead as far as they did when her husband told her he no longer believed in God. The death of a friend, the unraveling of relationships and career, the loss of a worldview, and the birth of a baby girl with two heart defects all led Lisa to a tumultuous place; one of depression and despair. And it was there that her perspective on everything changed. The Most Beautiful Thing I’ve Seen tells the story of what can happen when you dare to let go of what you think to be true; to shift the kaleidoscope and see new colors and dimension by way of broken pieces. Lisa’s eloquent, soul-stirring memoir brings you to a music stage before thousands of fans and a front porch where two people whisper words that scare them to the core. It is the story of how doubt can spark the beginning of deeper faith; how a baby born with a broken heart can bring love and healing to the hearts of many, and ultimately, how the hardest experience in life often ends up saving us.

A heartfelt story of changing perspectives, set in the Midwest. Ten Beautiful Things gently explores loss, a new home, and finding beauty wherever you are. Lily and her grandmother search for ten beautiful things as they take a long car ride to Iowa and Lily's new home with Gran. At first, Lily sees nothing beautiful in the April slush and cloudy sky. Soon though, Lily can see beauty in unexpected places, from the smell of spring mud to a cloud shaped like a swan to a dilapidated barn. A furious rainstorm mirrors Lily's anxiety, but as it clears Lily discovers the tenth beautiful thing: Lily and Gran and their love for each other. Ten Beautiful Things leaves the exact cause of Lily's move ambiguous, making it perfect for anyone helping a child navigate change, whether it be the loss of a parent, entering or leaving a foster home, or moving.

Simple, poetic, sophisticated prose relays ancient Native American wisdom that will inspire modern-day reflection . . . a book of enlightenment and spirit.” —Foreword Reviews People have moved away from Mother Earth, bringing heartache, pain, and other maladies of the modern age.

The “self-help” movement claims to offer peace and fulfillment to individuals, but this solitary approach takes us only so far. Ultimately, it is in communion with our fellow beings and the natural world that we are made whole. We need to leave the path of Me and follow the path of We.

This poetic, evocative story presents the meditations of an ancient Anasazi tribesman who rejects his family and sets off on a journey through the desert. He walks seven paths, each teaching a lesson symbolized by an element of the natural world: light, wind, water, stone, plants, animals, and, finally, the unity of all beings with the Creator. The Seven Paths reveals a source of wisdom, restoration, and renewal familiar to native people but lost to the rest of us, seven elements among nature that combine to mend human hearts. “A little book with a big message! The Seven Paths

reminds us of who we are, our relationship to our Creator, and how happiness with our families is within our grasp.” —Danny Ainge, CEO, Utah Jazz “Inspiring! The Seven Paths is filled with wisdom and truth—it is the perfect prescription for healing a broken heart.” —Wynonna Judd

“This book is profound! The principle of ‘We’ is the secret to every success on and off the field.” —Steve Young, NFL Hall of Fame quarterback

Abel John Banda introduces you to a comprehensive view of love, a love that brings you into a more beautiful and complete experience of love. Most people limit love to a romantic, warm mushy feeling but real love is more than that. Love is one big beautiful thing with many parts. The more we understand the parts of love, and how they bring people together, the greater our success and happiness in relationships. Love is an art and skill we can learn. Don't Get It Twisted, Love Is A Beautiful Thing is a book which presents love in a way that anyone can understand. Love doesn't have to be complicated; it can be simple and attainable. In this book you will learn what love is and what love is not, the two most popular views of love are compared, the role of "emotions" is clarified, the four types of love are united, practical guidelines are provided to help you pick a "relationship winner," and avoid "relationship losers." Last but not least, you will be introduced to the 7 core aspects of love, which will give you a solid foundation to enjoy your single life or to help you to recognize and find the love of your life. Finally, a book about true love in the palm of your hand. Change the way you look at love, and your relationships will totally change. Experience the beauty and the joy of true love today!
