

Little Book Of Manners: Etiquette For Young Ladies

A fun guide book for God's little princesses. What does it take to be a princess? Sheila Walsh has some important answers to share for every little girl. This trendy design features black & white line art and a two-color pink and black interior. The art will tie to each how-to topic in the book—how to make the best pink cookies, how to wear a tiara, how to earn money at home, how to care for a royal dog, how to be respectful, how to use good manners, how to help Mom, how to follow Jesus, how to act like a princess when things go terribly wrong, and many more.

"Do not do to others that would anger you if others did it to you."—Socrates (the Greek philosopher), circa 470-399 B.C. Mr. Rabbit's new neighbors are Otters. OTTERS! But he doesn't know anything about otters. Will they get along? Will they be friends? Just treat otters the same way you'd like them to treat you, advises Mr. Owl. In her smart, playful style Laurie Keller highlights how to be a good friend and neighbor—simply follow the Golden Rule! This title has Common Core connections. Do Unto Otters is a 2008 Bank Sireet - Best Children's Book of the Year.

The witty and eloquent Mr. Boddington offers dos and don'ts for polite society in this comprehensive and thoroughly amusing guide that provides modern advice with a traditional perspective. Covering everything from weddings to gift-giving moments, social events, hosting guests, and so much more, Mr. Boddington shares the basic etiquette one needs to know and presents it all in his signature style. Filled with charming illustrations from the beloved Mr. Boddington's Studio, this jaunty handbook is just the thing to make manners less of a fuss.

A revised edition of the best-selling kids' guide to etiquette features advice updated for the 21st century and includes coverage of topics ranging from polite cell phone usage and developing a positive online presence to table manners and managing a respectful dating relationship. Original.

Manners That Matter Most

Monster Etiquette

It's easier to follow rules if you make them yourself. This collection of kid-authored, kid-approved guidelines for living makes a great gift for the child inside of everyone. Ten-year-old Isabelle and her eight-year-old cousin Isabella have a few tips for living life. Well, maybe more than a few. Begun as a guide for Isabelle's younger sister, the girls' list quickly grew, and soon more than 150 rules filled are simple: "Recycle." "Eat whatever your mom makes for dinner and don't complain." Others are practical: "Go to sleep early if you have soccer practice in the morning." Others are sweet: "Protect each other." And others are downright hilarious: "Color on paper, not on people." "Don't bite the dentist." When Isabelle and Isabella lost their handwritten list of rules in a store, they feared it was gone. So they found their notebook and posted about it on Facebook, Isabelle and Isabella became overnight sensations—the staff of Good Morning America said, "Everyone here wants a copy of this. This is going to be a bestseller!" Because after all, who doesn't need a little help navigating their way through life, at any age?

Here is the perfect little book for anyone—teenage or otherwise—who has ever wanted to master the art of good table manners. Written by Walter Hoving, former chairman of Tiffany's of New York, it is a step-by-step introduction to all the basics, from the moment the meal begins ("It is customary for the young man to help the young lady on his right to be seated") to the time it ends ("Remember to say thank you to the hostess. She has your hostess invited you because she thinks you are in dire need of food. You're there to be entertaining!"). In addition to the essentials about silverware, service, and sociability, it includes many of the fine points, too—the correct way to hold a fish fork, how to eat an artichoke properly, and, best of all, how to be a gracious dining companion. Concise, witty, and illustrated with humor and style, good table manners has delighted readers of all ages for more than 50 years.

Forty-one illustrations to color portray kids thanking each other, respecting the elderly, and following proper etiquette in many day-to-day situations. Helpful captions reinforce the suggestions for polite behavior.

Emilie Barnes invites her little friends to enjoy the wonder of teatime. Whimsical images by artist Michal Sparks dance around the many creative ideas for invitations, decorations, tasty treats, and frolicking fun activities for six parties, including Elizabeth's Pony Club Tea, A Musical Tea, and Tea with Grammy.

40 Rules to Help Boys Become Men

An introduction to the basics of good manners, from meeting and greeting people to proper telephone and mealtime behavior.

Since 1922, the name Emily Post has represented good manners based on kindness, courtesy, and unselfishness. Today, the third generation of Post authors, Peggy Post and Cindy Post Senning, offers the children of the twenty-first century a comprehensive guide to good manners. This book is full of the simple, practical advice that Emily herself would have offered. Written with kids in mind and full of bold illustrations, emily post's the guide to good manners for kids is a reference guide that children will use and parents can trust. It covers just about every situation a kid will face: writing thank-you notes attending after-school events using the Internet safely speaking -- politely -- on cell phones participating in weddings helping out at home Emily Post's The Guide to Good Manners for Kids has all the information on etiquette busy children -- and busy parents -- will need as they go about their daily lives.

Corporate trainer and mentor Maralee McKee turns her attention to the home and shares the simple, savvy, and sincere skills kids need in order to flourish in today's culture. Skills for each stage of life make this the go-to book for moms with children of any age. Readers will learn how to impart the basic tools that empower kids to relate to others well, as well as... gain self-confidence by learning to make conversation pleasant, not painful overcome self-doubt by mastering new etiquette for today's on-the-go, casual, techno-savvy families develop the interpersonal skills that will help them become the best version of themselves they can be in any setting Fun, practical, and thoroughly up-to-date, this manual offers everything moms need to equip their kids to flourish in their relationships.

For Girls Only For Girls Only is a very easy book to read and understand. It gives information to the girls about making their daily routine a little more pleasant by using good manners and living by the Golden Rule. "Do unto others as you would have them do unto you." Good manners is from the heart; doing kind acts to help others, being polite, courteous, and thoughtful. Etiquette is social conduct that our society considers proper and acceptable behavior. Our knowledge of etiquette allows us to feel comfortable in most situations. I am sure after reading For Girls Only, your girl will have a better understanding of what good manners will benefit for a life time. Enjoy our reading and make this book apart of your daily life.

The Essential Book of Life Skills for Your Kids

Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post’s Etiquette is the most trusted resource for navigating life’s every situation From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of Etiquette. Authored by etiquette experts Lizzie Post and Daniel Post Senning–Emily Post’s great–great grandchildren–this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today’s social landscape. Emily Post’s Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post’s Etiquette also includes advice on names and titles—including Mx.–dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others–sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America’s most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

A guide to twenty–first–century manners for young professionals covers topics ranging from cellphone and e–mail etiquette to fine dining and making introductions, in a work that includes commentary from the author's granddaughter.

An authoritative and witty guide to modern table manners for all occasions by one of the world's most acclaimed chefs and restaurateurs Table Manners is an entertaining and practical guide to manners for everyone and every occasion. Whether you are a guest at a potluck or the host of a dinner party, a patron of your local bar or an invitee at a state dinner, this book tells you exactly how to behave: what to talk about, what to wear, how to eat. Jeremiah Tower has advice on everything: food allergies, RSVPs, iPhones, running late, thank-yous, restaurant etiquette, even what to do when you are served something disgusting. With whimsical line drawings throughout, this is "Strunk and White" for the table.

Some little pigs remember their manners and others do not.

Manners That Matter for Moms

Teach Yourself Etiquette and Good Manners

A. A. Milne's incomparable Winnie-the-Pooh gives valuable lessons about proper etiquette for everyday events ranging from eating honey, to visiting friends, to the proper time for afternoon tea.

These naughty creatures offer children examples of how not to behave, from chattering Charlie Chipmunk to foolish Lulu Lambkin. Charming verses and 24 full-page black-and-white illustrations relate each rascal's misdeeds.

Explaining etiquette from A (“Applause”) to Z (“Zits”), Alex J. Packer blends outrageous humor with sound advice as he guides readers and explains why manners and etiquette are important—because people who know how to handle themselves in social situations come out on top, get what they want, feel good about themselves, and enjoy life to the fullest. Full of practical tips for every occasion, How Rude!® is a serious etiquette encyclopedia—and a hilarious read. In 480 pages, this revised and updated edition describes the basics of polite behavior in all kinds of situations at home, in school, online, and in the world.

First published in 1958, Teach Yourself Etiquette and Good Manners is a fascinating guide packed full of both timeless advice and tips that in today's world will make you chuckle. So, if you've ever wondered how you should peel an apple at a dinner party, break-off an engagement or announce the birth of a baby in 'the proper manner', this is the book for you! A couple of extracts: Some people maintain that the skin of an apple is nutritious. On informal occasions a person desiring to remove the skin is permitted to do so with a fruit knife. If he enjoys (and who does not?) removing the skin in one unbroken piece, he should nevertheless refrain from advertising his prowess by holding the apple so far above the plate that a foot or so of skin dangles freely downwards. When a man, having met a girl a few times in the company of other friends, invites her out to dinner or to come to a dance with him, the reason, surely, is that he finds her attractive and would like to know her better. If this feeling is not reciprocated, the girl has only to decline this and subsequent invitations on the pretext of previous engagements... After one or two such outings, the girl can raise the question of paying her own share in future. By this time she should know something about him and be able to say in effect: 'I enjoy going out with you, I should like to do it again. But I'm earning my living, you're not a millionaire, and it's not fair that you should go on paying for both of us every time. So either I must stop going with you, which would be a pity, or you must let me pay my share.' In 2008 Teach Yourself will celebrate its 70th anniversary. As part of our plans to commemorate this publishing phenomenon, we will publish four facsimiles of some of our quirkiest and classic titles. Each of these facsimiles will look and feel exactly like the originals; hardback, dust-jacket, end papers. They will be beautiful (and very competitively priced) little books.

Mind your manners! Manners Out and About uses fun photographs and simple text to teach kids about everyday etiquette. From respecting others to keeping hands to yourself to taking turns at the playground Manners Out and About has it covered. This title helps develop and reinforce language, reading skills, and proper behavior. Aligned to Common Core standards and correlated to state standards. Sandcastle is an imprint of Abdo Publishing, a division of ABDO.

Rules of Civility & Decent Behavior In Company and Conversation began as a school exercise in 1744 for George Washington, who became the first president of the United States of America. Washington copied a translation of these rules by Francis Hawkins', which was first published in England around 1640. The majority of the 110 rules originated from a French etiquette manual written in 1959 by the Jesuits, who were members of the Society of Jesus, a Roman Catholic order of men noted for educational, charitable and missionary works and teachings.

An introduction to the basics of good manners, from meeting and greeting people, proper telephone and mealtime behavior, to when it’s acceptable to act weird with your friends.

A "little" but thorough book which uses the foundation of the Bible (not popular psychology) to develop appropriate instruction on how to train children. The book is intended not to be an exhaustive child-training manual, but to give a biblical framework upon which to build practical standards for discipline and manners in the home.

Mind Your Manners!

Emily Post's The Guide to Good Manners for Kids

This Little Piggy's Book of Manners

The regrettable fact is that the subject of manners is not much discussed anymore, and good manners seem practiced even less. But good manners are a prerequisite for the growth of moral character; they are the habits of conduct and behavior by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Fortunately, Karen Santorum has produced for parents and teachers a wonderfully rich and instructive anthology to help instill good manners in our children—and stand against a decline of civility and a coarsening of our common life. Under such headings as “Honor Your Mother and Father,” “Please and Thank You,” “No Hurtful Words,” “Good Behavior in Sport,” and “Showing Respect for Country,” Everyday Graces features stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Anderson, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Mrs. Santorum writes that this anthology grew out of the frustration of not being able to find a book on manners that instructs through stories rather than by rules of dos and don'ts. She and her husband tried and tested many of these selections on their six children. Each of the selections is briefly introduced with a thoughtful commentary at the close, producing an informality and intimacy that is inviting and infectious. Find out why Everyday Graces has become a beloved feature in homes, schools, churches, and libraries across America.

Recommended by The New York Times! Etiquette is one of the most valuable assets a person can have: knowing how best to present yourself, and how to deal with others in a direct, effective manner, is paramount in all personal, professional, and social relationships. Manners That Matter Most seeks to resurrect the bygone customs of good manners and graceful style; all while updating and applying them to the modern age. Covering topics from introductions, greetings and thank-you's, to the etiquette of modern technology (including appropriate places and times to call and text), Manners That Matter Most is a valuable resource and a much-needed guide in our fast-paced world. Suitable for all readers in all social situations, Manners That Matter Most contains both the information and the support you need to gain and give more consideration in your social encounters. With an emphasis on graciousness and chivalry that lends the book its authoritative tone, Manners That Matter Most is the essential companion for anyone looking to put their best foot forward in any situation. Manners That Matter Most also includes:
* Inspirational quotes on the importance of courtesy, respect and dignity
* The 25 essential lessons everyone should learn to cultivate better manners
* Tips for more effective communication with family, friends and co-workers
Manners That Matter Most takes an old subject and presents it in a fresh and accessible way, as it reminds us why good practice in etiquette not only makes the practitioner look good, but enhances society as a whole. With Manners That Matter Most, the world opens up—and you know just what to say. From the Hardcover edition.

Mind your manners! The Body Manners title uses fun photographs and simple text to teach kids about everyday etiquette. From brushing your teeth to standing up straight to how to sneeze and cough safely Body Manners has it covered. This title helps develop and reinforce language, reading skills, and proper behavior. Aligned to Common Core standards and correlated to state standards. Sandcastle is an imprint of Abdo Publishing, a division of ABDO.

Fifty etiquette tips for monsters, gargoyles, aliens, and nephews. Illustrated with wry and whimsical drawings by Don Moyer.

If you are reading these words you must be acutely aware that there has been a massive decline in basic manners and civility in our country. Many of the basic rules of manners and etiquette used to be passed down from parents to their children through the generations. But it seems that this practice has skipped the past few decades. These days, if a man holds open a door for a woman he may be called a misogynist.

Nevertheless, if our nation is ever to become good again I believe it must start with us as parents in our own homes. I believe that we as parents have a duty to pass on to our progeny the basic manners and rules of etiquette that Scottish writer Alexander McCall Smith referred to as the basic building blocks of civil society. That is exactly what I have endeavored to do with this little book. My hope and prayer is that a significant segment of this current generation of young boys, young adults, and subsequent generations will adopt these basic manners and rules of etiquette to help restore the civility, morality, decency and courtesy in America that was once commonplace.

Never again hesitate when selecting a fork from a fancy place setting, making a formal introduction, hosting a business dinner, or dining on awkward foods. The experts at Washington's School of Protocol will save you from embarrassing future faux pas! Full-color illustrations.
