thoughts are full of anger, you will experience anger in your life.

Adversely if you understand absolute love and live it, you will find peace and joy. The suffering we experience, is mainly due to our holding on to past pains, resentments, and anger. As long as we remain in the past in our thinking, we will suffer. As long as the cultures across the globe remain locked into systems, which no longer work for their citizens the people of this world will continue to suffer. You have the miracle of mind in your grasp. Change your perception, and how you identify with life and you will be the revolution that is needed. This book explores the areas of life, which

keep you in bondage, and slavery. It shows you how with thinking alone you can free yourself, and family. The bumps in the road, the heartache, and suffering can be eliminated out of your life. It is the Miracles of Mind, which allow this to happen. Join with me in this most timely journey. This is a journey to create miracles for all and eliminate suffering.
