

## Loved Bayou (Martin Family Book 1)

*"The kind of book that's destined to be passed from friend to friend."—PopSugar Two best friends say "I do" to living together, for better or worse, in this bold women's fiction novel from Alexa Martin. Jude Andrews is famous. Well, at least on Instagram. Her brand is clean eating, good vibes, Pilates, and casually looking like a sun-kissed goddess. In real life, however, she's a total disaster. She has a strained relationship with her fame-hungry mom and her latest bad decision emptied out her entire savings account. Lauren Turner had a plan: graduate medical school and become the top surgeon in the country. But when she became unexpectedly pregnant, those plans changed. And when her fiancé left her, they changed again. Now navigating the new world of coparenting, mom groups, and dating, she decides to launch a mommy podcast with all the advice she wishes someone had given her. Jude and Lauren don't have much in common, but maybe that's why they've been best friends since the third grade. Through ups and downs, they've been by each other's sides. But now? They're broke, single, and do the only thing that makes sense—move in together, just like they talked about when they were teenagers. Except when they were younger, the plan didn't include a five-year-old daughter and more baggage than their new townhouse can hold.*

*[Note: The most complete version of the big picture that eluded Einstein in his attempts to unveil a unified field theory can be found in the book, *The Gravity Cycle*, by the same author as this book. This book, *Einstein Was Wrong!*, was one of many approaches to the ideas that will shake the very foundations of physical science upon which we presently stand.] Modern Physics is built on an erroneous foundation. If we are to take physics to a new level where gravity can be explained from an atomic/quantum perspective, then someone must boldly say, "Einstein was wrong, but so was Newton." Because they both started with the same wrong premise, their theories of gravity were destined to fall short in any attempt to connect them to atomic/quantum processes. And the same false premise that stifled Einstein in his ability to connect "the movement of planets and stars with the tiniest subatomic particles" prevents modern physicists from explaining the fourth and final force from an atomic/quantum perspective. Alas, "...when one starts with a wrong premise, no amount of patching can right the problem." But all is not lost. By correcting Newton's mistake (the wrong premise), a new foundation for understanding the role of the atom in the momentum, relativity, and gravity of masses emerges in the form of two new theories: *The Atomic Model of Motion (AMM)* and *The Galaxy Gravity Cycle (GGC)*. These two theories combine to paint the big picture of how atomic/quantum processes are involved in holding a galaxy together, keeping planets orbiting stars, and preventing people from floating off into space. This book is dedicated to Occam's razor.*

*Jacob Fox, son of the notorious Neil Fox, wanted nothing more than to disappear. There had been a media frenzy during the arrest of his parents and their subsequent deaths, and Jacob couldn't escape all the negativity surrounding the ordeal. He decided to buy a house in south Louisiana on a private, wooded lot in the middle of the bayou so he could drop of the face of the earth for a while. He certainly hadn't come to Louisiana to*

*make friends. Unfortunately for him, the neighbors surrounding his property were overly friendly. With the help of his Doberman Pincher, Jacob ran off anyone who tried to welcome him to the area. That seemed to be working pretty well until he met Alex Martin. She simply wanted to offer a little southern hospitality at first, but eventually she realized she might be the only person who could help Jacob rediscover the man he used to be.*

*I was completely exhausted when I first laid eyes on him. I had been traveling, and for the last twenty-four hours, sleep had evaded me. I knew I looked terrible, and I was relatively sure I didn't smell so great, either. It was not the most ideal moment to make a first impression. On a normal day, I wouldn't be so torn up about it, but today was different. This was the day I met Taylor. He was a gentleman in every way. I was instantly taken aback by his vintage look and charm. It was almost like he had stepped out of the past. I would only be in Boston for two days before traveling again, and I was determined to get a second chance at a first impression.*

**21 exciting tales of Alternate History! What if fate had turned out differently in these United States? What if the Louisiana Purchase never happened? What if George Washington had been a Loyalist? What if a billionaire cloned the Founding Fathers? What if the Vikings had settled North America? What if the Apollo 11 moon landing had failed? These and many other scenarios are explored in *Atlered America!* Featuring stories by Jackson Kuhl, Dan Gainor, Bruno Lombardi, Edmund Wells, Sam Kepfield, Brad Hafford, Erik Bundy, Dusty Wallace, Owen Morgan, Ryan McCall, Jason Sharp, Sean Menken, William R.D. Wood, Jeff Provine, James S. Dorr, Martin T. Ingham, Lauren A. Forry, Cyrus P. Underwood, Charles Wilcox, and Philip Overby.**

**The assault on traditional marriage that began in the late 1990s seemingly ended with the 2015 Obergefell v. Hodges decision legalizing same-sex marriages in all 50 states. Christians continue to mourn the “loss” of this sacred and covenantal institution to secularists, but in doing so have forgotten their unique place as citizens not of this world but of the Kingdom of God. Christian attempts to “correct” the standing constitutional order and reclaim marriage exclusively for heterosexuals will fail. The way forward is to advocate the replacement of civil marriage laws with civil unions for heterosexuals and homosexuals alike. Both Christians and secularists will find this alternative satisfying, for it allows everyone to receive from the state equal protection of their rights, and it allows the Church and other intermediary communal institutions to define and defend**

*marriage as they have always understood it.*

*A knee injury ends Rayfield "Liftoff" Lifton's dreams of becoming a first-round draft NBA pick, so he pursues a career in law. After a dozen years as a state prosecutor, he gets a second chance at glory when he takes on what could turn out to be a high-profile case against a white-supremacist group under a controversial new hate-crimes law.*

*Ethan Ambrose was the heir to a company that had made his family a fortune. He had been groomed since he was a child to take over once his father retired. But his sights were set on a career as a film maker. No matter how much his parents protested, Ethan just didn't want to give up on his personal goals. He longed for a day when his family would be happy for him instead of constantly pushing him to run the business. To top it off, he couldn't ever seem to connect with the right woman. They all seemed to be more concerned with his fortune than anything else. He felt he was destined to be a bachelor. That was fine because he didn't have much hope for relationships, anyway. Then he boarded a flight bound for Los Angeles. Sitting next to him was the most unique and sincere woman he'd ever met. Molly Caldwell was simply different. The problem was, he would only be in California for two days, and he now had to find a way to spend every waking moment with her.*

**Poetry. Gay and Lesbian studies. Martin Pousson takes the hard-earned wisdom he's gained as an American outsider three times over--Southerner, Cajun, and queer--and lets it dissolve on his burning poet's tongue. This cycle of short, but far from syrupy sweet, poems begins with a fey boy's odyssey through the labyrinths of masculinity, race, desire, and family tragedy in his childhood home of Louisiana. It follows the man as he escapes the South to find himself confined anew in the gay ghettos of New York, Los Angeles, and San Francisco. It ends with the man reborn a fierce writer who embraces No Place as his home and himself and other enlightened misfits as his family.**

**Comics and sequential art are increasingly in use in college classrooms. Multimodal, multimedia and often collaborative, the graphic narrative format has entered all kinds of subject areas and its potential as a teaching tool is still being realized. This collection of new essays presents best practices for using comics in various educational settings, beginning with the basics. Contributors explain the need for teachers to embrace graphic novels. Multimodal composition is demonstrated by the use of comics.**

Strategies are offered for teachers who have struggled with weak visual literacy skills among students. Student-generated comics are discussed with several examples. The teaching of postmodern theories and practices through comics is covered. An appendix features assignment sheets so teachers can jump right in with proven exercises.

For fans of Fifty Shades of Grey, Bared to You, and Release Me comes a new erotic romance series about five brothers from a wealthy & powerful southern family and the women who will stop at nothing to keep them satisfied. \*\*\* St. Martin Family Saga follows five brothers as they wreak havoc on the hearts of women in whiskey cove. St. Martin Family Saga \*Score #1 \*Shameless #2 \*Shatter #3 \*Suited #4 \*Smolder #5 \*\*\* He was handsome, sexy, confident, and a complete bastard. So what was she doing in his bed? Hadn't he proved to her again and again that all he was good for was bringing her pain. To be fair, last night she'd felt no pain, only pleasure. \*\*\* Caleb sensed the warm naked body in bed next to him. He knew it was Chloe but what he couldn't figure out was why. He'd grown up next door to her, had teased her relentlessly. And she'd hated him for it. Memories from last night of the curves she'd grown into had his mouth going dry. He'd had no words with which to tease, all he could do was moan. \*\*\* Had Chloe actually had sex with a man she'd hated for a decade? A full percussion section was banging in Chloe's head as the memories came to her in pieces . . . martinis, dancing, his hands, his hardness. God, he'd been solid male muscle. This can't be happening. Hadn't she made a commitment to herself to settle the score with Caleb if given the chance? Instead, she was right back where she was all those years ago, panting after him in all of his unobtainable glory. To spread awareness for ALS, this book is free. In the book, Chloe is a speech language pathologist. She has a patient with ALS who is also a friend of the family. Follow her in her quest to increase his quality of life through the use of communication boards. Read how Chloe and Cal must work together to complete a video for the family before it's too late. \*\*\* WHEN HATE RUNS DEEP, DESIRE RUNS DEEPER \*\*\* I loved this book. I couldn't put it down. The sex was hot and part of the story—Between the Sheets book blog, on Score I absolutely love, love, love, the St. Martin men. All are macho, over confident, alpha, bad boy millionaires—Amazon Review, on Shameless The story line was really good I couldn't put the book down. The characters were very well developed—Reviews by Bre, on Score I burned up on re-entry. The ending is a so hot I had to take it slow or risk self combustion—Amazon Review, on Shameless

A magical coming-of-age story from Coretta Scott King honor author Jewell Parker Rhodes, rich with Southern folklore, friendship, family, fireflies and mermaids, plus an environmental twist. It's city-girl Maddy's first summer in the bayou, and she just falls in love with her new surroundings - the

**glimmering fireflies, the glorious landscape, and something else, deep within the water, that only she can see. Could it be a mermaid? As her grandmother shares wisdom about sayings and signs, Maddy realizes she may be the only sibling to carry on her family's magical legacy. And when a disastrous oil leak threatens the bayou, she knows she may also be the only one who can help. Does she have what it takes to be a hero? Presents a behind-the-scenes look at the Roberston family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television. Lacking the money to open a bed and breakfast in her parents' summer house in Michigan, former magazine editor Kate takes a questionable undercover job from a brewery owner who wants to find out who has been sabotaging his company, a situation that is compromised by Kate's distaste for beer and her crush on her employer. Co-written the best-selling author of the Stephanie Plum series. 1 million first printing.

Don't miss another exciting book in New York Times bestselling author Kat Martin's Raines of Wind Canyon series! That he's a father is news former navy SEAL Ben Slocum was not expecting. But once the initial shock wears off for the confirmed bachelor, he takes in the rest of what social worker Claire Chastain tells him: that his son is missing, abducted by a man who wants revenge against Claire and Sam's dead mother. The danger hits home, and the risks are endless—the son he's desperate to save, the woman he's desperate to love. Ben's got one chance to take back what's his, and in one gunshot he could lose it all. "Kat Martin is a fast gun when it comes to storytelling, and I love her books." —#1 New York Times bestselling author Linda Lael Miller Originally published in 2013.

Ann Major's name on the cover instantly identifies the book as a good read." -New York Times bestselling author Sandra Brown "Want it all? Read Ann Major." -New York Times bestselling author Nora Roberts Don't miss these three poignant reunion stories in Ann's boxed set which includes Wilderness Child, Scandal's Child, and The Goodbye Child. In these three tales from USA Today bestselling Ann Major's miniseries, Texas: Children of Destiny, old flames burn the hottest! Wilderness Child (Book 4) Passion and old betrayals meet in a conflagration in the Australian wilderness when a transplanted Texas cattleman's old love walks into a trap he's set just for her. Scandal's Child (Book 5) Noelle will do anything to gain Garret's forgiveness for her past mistakes, and even more to help his son. Does she have a second chance, or is it already too late? The Goodbye Child (Book 6) Saying goodbye to Raoul Girouard eight years ago to please her wealthy family was the hardest thing Eva had ever done. Now he's back, more dangerous than ever. Because of him her life's in jeopardy, and he's

her sole protector. When she's safe again, can she say goodbye a second time to the only man she's ever loved? Reviews WILDERNESS CHILD (book 4) What a terrific story! The dialogue is fast-paced and snappy, the storyline is exciting, the characterization is great and the love scenes singe the pages. RT Reviews SCANDAL'S CHILD (Book 5) is a terrific story that is passionate and intense with some wonderful characterizations. Garret's Cajun mystique makes him a perfect Man of the Month and this story a super reading pleasure. — KW Rendezvous "The Goodbye Child (Book 6) is a wonderful blend of excitement, intrigue and romance. John Hardie of Thornhill and His Family

Ivy Lewis came home to Memphis in the summer of 1965 unaware of the adventure that awaited her. She was content to go through the motions of her predictable routines back home, safeguarding a few little secrets about her life in Nashville. In her mind, the two worlds were meant to intersect. Then Michael Bishop entered the picture. He had just moved to Memphis from Detroit in hopes of expanding his motorcycle company. He appeared to be nothing more than an outlaw and a menace to the community. Any type of relationship between them was to be met with resistance from Ivy's family and friends. But Michael Bishop was too good a temptation for Ivy. The summer of 1965 would be one of first impressions, first dances, and forbidden love.

Marrying Louis Toussaint as a means of escaping her stepfather and life as a waitress, 17-year-old Nita finds her life filled with anticipation and disappointment that reaches a dramatic pinnacle when she has children.

The New York Times bestselling author pairs a woman in search of her family's truth with a hard-hitting professional treasure hunter in this taut and thrilling new book. As an unknown assailant stalks them across the treacherous Superstition Mountains in Arizona, they must follow their treasure map's directions to a hidden trove of gold, but will they survive long enough to reach their prize? "The plot's heart-stopping twists will keep readers breathless until the final page." —Publishers Weekly CAN SHE FIND A KILLER . . . BEFORE HE FINDS HER? When Kade Logan said goodbye to his estranged wife eight years ago, he never thought it would be the last time he saw her alive. Now her car has been hauled out of a nearby ravine. Kade is determined to track down the man who murdered her. Enter Eleanor Bowman, a talented private investigator who's about to stir up a hornet's nest on his Colorado ranch. Old scandals still buzzing about his late wife's many affairs and new violence erupting, Eleanor is faced with the discovery of another beautiful woman's body. Are the two killings linked? Is the man who seduced, then murdered both victims? Ellie believes they are dangerously close to the truth. From corporate Denver high-rises to posh Vail mansions, Kade and Ellie sense the killer is closing in again, and this time Ellie is the target. Kade must risk everything to save the woman he's coming to love—before she becomes the next one to die . . .

*Old flames steam up the bayou in another sultry romance from USA Today Bestselling Ann Major. Garret Cagan is a son of the bayou, raised on the water, with adoring, headstrong Noelle Martin at his adolescent heels. But when the youthful Noelle couldn't reconcile their passion with the wishes of her wealthy New Orleans family, Garret slammed the door on love. Now he lives his life with an unyielding honor that suits the badge he wears. But his Southern home is broken, his son mute and living with a grandmother. The only thing Garret has left is his pride ... until Noelle returns and the shell of ice around his heart is cracked, maybe melted for good. Can he ever love again? Noelle Martin bowed to the wishes of her powerful family when she hid her affair with Garret. And when secrecy led to heartbreak, she fled to Australia in a desperate attempt to find peace. Now she's back home in New Orleans, and back in his domain. She'll do anything to gain Garret's forgiveness, and even more to help his son. But will her words be enough to make them a family again ... or is she too late?*

"Written for those who are especially interested in action, adventure, war and even romance, the novel offers an escape for people of all ages into another world that once was. Based on actual events and battles that happened, The New King also includes a lot of historical elements that make it both an entertaining and educational read." – Natalia Balcerzak "Perhaps the next major series to captivate a generation will take place in a land closer to home, one that young people are both familiar with and could never truly understand all the same." –Ashley Moniz

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future – it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place– not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

Maggie Crozat has the Halloween heebie-jeebies in USA Today bestselling and Agatha Award-winning author Ellen Byron's howlingly funny sixth Cajun Country mystery. Maggie Crozat, proprietor of a historic Cajun Country B&B, prefers to let the good times roll. But hard times rock her hostelry when a new cell phone app makes it easy for locals to rent their spare rooms to tourists. With October--and Halloween--approaching, she conjures up a witch-crafty marketing scheme to draw visitors to Pelican, Louisiana. Five local plantation B&Bs host "Pelican's Spooky Past" packages, featuring regional crafts, unique menus, and a pet costume parade. Topping it off, the derelict Dupois cemetery is the suitably sepulchral setting for the spine-chilling play Resurrection of a Spirit. But all the witchcraft has inevitably conjured something: her B&B guests are being terrified out of town by sightings of the legendary rougarou, a cross between a werewolf and vampire. When, in the Dupois cemetery, someone costumed as a rougarou stumbles onstage during the play--and promptly gives up the ghost, the rougarou mask having been poisoned with strychnine, Maggie is on the case. But as more murders stack up, Maggie fears that Pelican's spooky past has nothing on its bloodcurdling present.

Descendants of John Hardie, who emigrated from Scotland in 1817, settling in Alabama. Descendants lived Alabama, Louisiana and else- where. Includes the Hall, Gorman, Keenan and other related families.

Named a Best New Cookbook of Spring 2020 by Bon Appétit, Food & Wine, NPR's The Splendid Table, Eater, Epicurious, and more "Sometimes you find a restaurant cookbook that pulls you out of your cooking rut without frustrating you with miles long ingredient lists and tricky techniques. Mosquito Supper Club is one such book. . . . In a quarantine pinch, boxed broth, frozen shrimp, rice, beans, and spices will go far when cooking from this book." —Epicurious, The 10 Restaurant Cookbooks to Buy Now "Martin shares the history, traditions, and customs surrounding Cajun cuisine and offers a tantalizing slew of classic dishes." —Publishers Weekly, starred review For anyone who loves Cajun food or is interested in American cooking or wants to discover a distinct and engaging new female voice—or just wants to make the very best duck gumbo, shrimp jambalaya, she-crab soup, crawfish étouffée, smothered chicken, fried okra, oyster bisque, and sweet potato pie—comes Mosquito Supper Club. Named after her restaurant in New Orleans, chef Melissa M. Martin's debut cookbook shares her inspired and reverent interpretations of the traditional Cajun recipes she grew up eating on the Louisiana bayou, with a generous helping of stories about her community and its cooking. Every hour, Louisiana loses a football field's worth of land to the Gulf of Mexico. Too soon, Martin's hometown of Chauvin will be gone, along with the way of life it sustained. Before it disappears, Martin wants to document and share the recipes, ingredients, and customs of the Cajun people. Illustrated throughout with dazzling color photographs of food and place, the book is divided into chapters by ingredient—from shrimp and oysters to poultry, rice, and sugarcane. Each begins with an essay explaining the ingredient and its context, including traditions like putting up blackberries each February, shrimping every August, and the many ways to make an authentic Cajun gumbo. Martin is a gifted cook who brings a female perspective to a world we've only heard about from men. The stories she tells come straight from her own life, and yet in this age of climate change and erasure of local cultures, they feel universal, moving, and urgent.

Love in a Nutshell

**Winner of the 2017 PEN Center USA Award for Fiction Meet Boo, a wild-hearted boy from the bayou land of Louisiana. Misfit, outcast, loner. Call him anything but a victim. Sissy, fairy, Jenny Woman. Son of a mixed-race Holy Ghost mother and a Cajun French phantom father. In a series of tough and tender stories, he encounters gender outlaws, drag queen renegades, and a rogues gallery of sex-starved priests, perverted teachers, and murderous bar owners. To escape his haunted history, Boo must shed his old skin and make a new self. As he does, his story rises from dark and murk, from moss and mud, to reach a new light and a new brand of fairy tale. Cajun legends, queer fantasies, and universal myths converge into a powerful work of counter-realism. *Black Sheep Boy* is a song of passion and a novel of defiance.**

**The Louisiana sun beat mercilessly on Nicole St. Claire just as fate, too, had been merciless. The once wealthy, flirtatious belle stood on the auction block to be sold as a servant. Her sensual figure disguised, her glorious titian hair disheveled, she looked like a waif, but she was all woman, trembling when she recognized the highest bidder—idol of her childhood dreams, the owner of plantation Belle Chene. A man of blazing passion, Alex du Villier bought the girl out of pity, but her aqua eyes stirred his soul and her body ignited his blood. She would be the perfect mistress to make him forget his coming marriage to a cold, haughty heiress. Now he intended to teach this innocent beauty that although he had purchased her freedom, he could steal her heart. An affair of burning desires. . . . Under a Creole moon their passion became a wildfire neither could control, driving them to heart-wrenching choices of silken sin . . . or freedom and love.**

**-New York Times bestselling author Sandra Brown Old flames steam up the bayou in another sultry romance from USA Today Bestselling Ann Major. Garret Cagan is a son of the bayou, raised on the water, with adoring, headstrong Noelle Martin at his adolescent heels. But when the youthful Noelle couldn't reconcile their passion with the wishes of her wealthy New Orleans family, Garret slammed the door on love. Now he lives his life with an unyielding honor that suits the badge he wears. But his Southern home is broken, his son mute and living with a grandmother. The only thing Garret has left is his pride ... until Noelle returns and the shell of ice around his heart is cracked, maybe melted for good. Can he ever love again? Noelle Martin bowed to the wishes of her powerful family when she hid her affair with Garret. And when secrecy led to heartbreak, she fled to Australia in a desperate attempt to find peace. Now she's back home in New Orleans, and back in his domain. She'll do anything to gain Garret's forgiveness, and even more to help his son. But will her words be enough to make them a family again ... or is she too late? Reviews of her TEXAS: CHILDREN OF DESTINY series PASSION'S CHILD (book 1) Ann Major begins a high intensity trilogy with PASSION'S CHILD (4-), the dramatic tale of an estranged couple brought back together by the critical illness of their young son. Ms. Major creates a mesmerizing emotional ambiance and strong plot development... RT Reviews 1988 DESTINY'S CHILD (book 2) DESTINY'S CHILD (4) is the impressive second book in Ann Major's**

**CHILDREN OF DESTINY trilogy. A powerful rancher and his feisty private pilot lock horns over his methods of acquiring her family's holdings. The sensual flames burn very brightly indeed while this explosive couple battles toward a highly satisfying resolution. Romantic Times 1988 This excellent story is intense and emotionally involving. —Rendezvous, September 1988 NIGHT CHILD (book 3) A powerful story that is as equally compelling, intense and emotional as the first two. The entire trilogy offers a wonderful reading experience. —KW Rendezvous NIGHT CHILD (book 3) Ann Major's stunning conclusion to her Children of Destiny series, NIGHT CHILD (4+) powerfully blends romance and danger.... The fiery romance will win a reserved spot on many a bookshelf. — RT Reviews WILDERNESS CHILD (book 4) What a terrific story! The dialogue is fast-paced and snappy, the storyline is exciting, the characterization is great and the love scenes singe the pages. — KW Rendezvous**

"On the origin of Mind' is a detailed description of how the mind works. It explains the dynamics from the neuronal level upwards to the scale of group behaviour, society and culture."--Publisher's website.

Discover an eye-opening multilayered book based on the author's observations and experiences illuminating the Mississippi Delta's interwoven yet distinct culture, customs, and traditions. In his coming-of-age story, he simultaneously explores flags and symbols, and challenges learned beliefs to understand better the Delta's barriers and how they impacted him. He illustrates the most transformational period and its actors, legislation, and the consequences that follow. Likewise he: delves into the emancipated people and their descendants' pain, perseverance, and triumphs. He is then brightening the way with family, friends, neighbors, stories of faith, love, joy, and hope; explains the history of a controversial flag and its value; through self-discovery, discusses successes and failures, his ability to set and obtain goals; realizes that his generation may well be the last link in the chain connecting the past to the future through measured understanding. In Red Flags for Mississippi, A Native Son's Journey, the author provides a roadmap with many adventurous twists and turns. He reminds us that we are forever linked to the past, and history is our cornerstone. With knowledge comes understanding and then wisdom. Everyone, especially Mississippians, should read Red Flags for Mississippi, A Native Son's Journey at least once in their lives.

"An unlikely relationship is formed when high school junior Jessica, the new girl from D.C., bumps into Joe - a good Christian boy with enough passion and conviction for them both ... or so he thinks. As he walks a dangerous road, Joe makes big decisions in hopes of making his God Jessica's. Instead, she becomes his."--Back cover.

The Nature of Risk is a short, beautifully illustrated and easy-to-understand book written to help readers face one of modern life's most important and difficult tasks—confronting risk. Free of complicated theories or formulas, The Nature of Risk relies instead on a simple story featuring a cast of familiar, forest-dwelling

animals, each of which embodies a different approach to risk management. At least one of these approaches will seem familiar to every reader—whether they knew they had an approach to risk management or not. Then, as the story unfolds, the strengths and weaknesses of each approach will be revealed through a series of "natural" tests. Finally, at the conclusion of the story, readers will come to a short review section designed to help them frame their first attempts at managing risk—with or without professional help.

Guardians of the Faith

Brown crayon sings "Play, Mud pie day," and Blue crayon calls "Sky, Swing so high" in this story about talking crayons.

Campbell Lee St. Martin has always played by the rules. He follows his head not his heart, but when that backfires not once, but twice, changes are in store for this Mr. Play It Safe. He's instantly attracted to Jenny's uninhibited sexuality but soon learns that together, they are highly combustible. Jenny thinks Campbell is a bastard and she doesn't mind putting him in his place. What he needs is a hard slap across the face, which Jenny is willing to provide even if it means the loss of her job, but it doesn't. Instead, their chemistry forces them together in a physical relationship that neither of them will ever forget. Is it possible to build on a relationship that started from lust?

Claire King wasn't really the type of girl who was looking for romance. She had to deal with some issues from her past before she could even begin to think of getting into a serious relationship. Though she had grown up with the Martin boys, Claire never entertained the idea of a romantic encounter with either of them. In her mind, they were off limits. In fact, some might even say they were out of her league. When an interesting chain of events ignites a hidden spark with Cam Martin, Claire would begin to question everything she knew about herself. Ultimately, it seemed that loving Cam was not an option. But convincing herself of that might prove to be harder than she expected.
