

## Loving A Runaway Bride: A Historical Western Romance Book

Found–his long–lost bride! Ariana Sakis walked out on Crown Prince Andreas Drakos, knowing her feelings were unrequited. For ten years she has hidden herself away, determined to never be made vulnerable by passion again...and believing herself divorced. Until her new wedding day is interrupted by Andreas himself, declaring them still married! Furious at her betrayal, Andreas won't let Ariana escape him again. He'll take his revenge by claiming Ariana for his throne–and his bed! But their passionate reunion threatens to undo dark-hearted Andreas, and he soon realizes that desire is even more binding than duty... Sarah thought she'd never love again after her first love mysteriously disappeared. But fate will bring them together again in the most unlikely way. Up until now, Sarah had never really paid attention to men. She was beautiful, tall and did not lack male attention, but hadn't really been interested in romance at all. Until Liam Jameson moved in next door. When her family was invited by the Jamesons for dinner, Sarah was excited as she would get to be close to her heartthrob and get to know him more. It was better than she expected and they both fell in love with each other almost immediately. But destiny would delay their budding romance, forcing them apart for several years. When Sarah called on the Jamesons to ask about Liam, she received the worst possible news – Liam had gone away and was no longer with the Jamesons. As if that wasn't enough, her own father had auctioned her off to Gustavo, a notorious drug lord after he defaulted on a dirty loan where he lost all his money. Heartbroken and disillusioned, Sarah put her love life in the back burner and focused on escaping her both her father and Gustavo to start afresh in a new city. It wasn't until several years later and a few months into her new career as a radiologist at Saint James Hospital would she run into Liam again. But Liam McCauly was now a totally different person, and it wasn't only in the last name. He was a well-known doctor who was also a bit of a stuck-up asshole with an ego big enough to fill a building. Liam on his part thought Sarah was a bit too naive, optimistic and stubborn. When they had to work together to help an accident patient who might never be able to work again, it seemed like their grievances toward each other will get in the way. But somewhere deep inside their hearts, they still had a soft for each other. Will they be able to overcome their differences, rekindle their past romance and live happily ever after?

"Will you take this man?" "No, I will not." Moments away from becoming a viscountess, Marietta Harrington realizes that she cannot marry the man her father has chosen for her. Wedding guest Edmund Fitzroy whisks her away from the church...and as she gets to know this virtual stranger, she's drawn into a delicious courtship. When Edmund mysteriously disappears, Marietta faces a terrible choice. Should she trust the man she loves or submit to another arranged marriage? From Harlequin Historical: Your romantic escape to the past.

When Kitty Clayton flees her wedding, her life seems worryingly futureless. All she knows is, she'd rather sleep on the streets than go back home to cheating Ethan. But perhaps she will eventually find her happily ever after? A romantic comedy of love and new beginnings.

“Are you sure, baby?” The father of the bride-to-be noted the concern and confusion on his daughter’s face. Just before her walk down the aisle, Judi Monroe overheard a conversation that indicated marrying Sterling Carroll might be a big mistake. Escaping her socialite wedding in Lake Forest, Illinois, she headed west, covering her tracks as she went. In an isolated corner of Wyoming, she swerved her car to avoid hitting a horse and rider on the road, crashing into a tree. She’s rescued by that lone rider – or Ranger, as she fleetingly recalls -- a rugged rancher named Thomas Vance. Needing some time to puzzle out her predicament, Judi lands in the arms of a doubting Thomas, a man with a strong jaw, deep-green eyes and a commanding presence. When Judi dodges his personal questions, Thomas’ teenage half-sister Becky suggests amnesia as an explanation. Judi seizes on this foot in the Diamond V door, and stays on as a caretaker for Thomas’ beloved grandmother. Judi finds a family on the Diamond V, even as her "Helga" masquerade slowly unravels. But as she falls hard for her horse whisperer, she fears her secret will only cause him to bolt from her life. As for Thomas, he knows this impostor is lying, and it wouldn’t be the first time an outsider betrayed his family. Yet he can’t help but trust this sexy, independent, smart woman who has lassoed his heart. "deliciously page-turning" Friends? No. Enemies? Maybe. Lovers? Never! Ten years ago the hot but cocky Navy SEAL went from ignoring her, to kissing her, to rejecting her. Now, the last thing she wants is his help, even if he is willing and uniquely qualified to give it. And she really doesn't want to want him . . . She was the girl next door. Too young. Too tempting. Too off limits. Ten years later, she's all grown up and all woman. He steered clear of her then. But now? Now is a different story entirely . . . A standalone boy next door/girl next door enemies to lovers romantic comedy featuring a Navy SEAL, a sassy girl who's hated him for a decade, and a really bad reality television show.

Aoife MacNeill is a beauty and a prize, a former heiress who wants to marry for love, but her father has arranged her marriage to Nigel Armstrong, the oldest son and heir of the Hawk of Inverfyre. One look confirms that Nigel will never possess her heart—although his cousin, Ross of Kinfairlie, is another matter. Aoife knows she cannot escape her fate, but yearns for one last adventure: she will flee Inverfyre and hope that Ross will be sent in pursuit. She tells herself that one kiss will be sufficient... Ross of Kinfairlie is a mercenary with a blade for hire; a knight without the coin to claim a bride. When his cousin's betrothed flees, he lends chase, for the Hawk of Inverfyre trained him. Ross suspects that Aoife plays a game, but her ploy is dangerous—the treacherous MacLaren clan, always seeking to undermine Inverfyre, take her captive. In the course of rescuing Aoife and ensuring her safety, Ross finds himself captivated by the fierce and beautiful maiden. How much will Ross surrender to guarantee Aoife's safety? And how much will Aoife offer to protect the man who has captured her heart? \*\*\*\*\* I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets. 2. The Rose Red Bride Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own? 2. The Highlander's Curse Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. The Warrior's Prize The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. The Brides of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aoife is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aoife intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aoife as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too.
