Bad Boy Billionaire Bear Shifter Brock Tandell is the new Mayor of New Orleans. Most are envious of what he has and what he's accomplished, but he will defend his Mate and rebuild his city against all odds, especially when a group of Human Supremacists come after them! Gia Carosa is about to start her new job, as the administrative assistant to New Orleans' newly elected mayor, Brock Tandell. Brock's life is already interesting enough, being a Bear Shifter and all, but it's about to get downright exciting as an anti-shifter group turns violent. There's a natural divide between the paranormal and the human and mistrust is commonplace. So commonplace that The Human Order seems to have no trouble recruiting in its protest against shifters. But Brock and Gia will need to learn to trust each other in the face of unnerving odds if they are to escape this threat, and if there is going to be any chance of them finding love. Brock and Gia are left scrambling to defend their loved ones, and each other, in the face of a quickly growing threat

*These Bear Shifters might not have a lot of money, but they're rich in what counts. The Secret Baby Bears Ultimate Box Set is here! Contains the following stories: Alec: Talia normally enjoyed her mornings teaching her class. The little boys and girls looked up at her, their big eyes rapt with attention as she taught them their daily lessons. But today was different. She felt it in her bones, but she had no idea her life was about to change forever. Alec knew he shouldn't do this. He should've called, but this wasn't something you could talk about over the phone. Hi, I'm actually the father of your small child, who might be a Bear Shifter like me. Sometimes, you just had to be bold, even if that meant crossing the line into dangerous. Rock: Gemma had been to her fair share of parties, but this one was a bit different. It wasn't that long ago that she was a wild party girl, hitting up frats and luring studs into her web of drama and seduction. But those days were behind her. Today's party was for her young son, Arthur. As a rambunctious two year old, she hoped that he would have fun and remember it. Her back yard started filling with guests, including a tall broad-shouldered man whose eyes she found entrancing... Rock wasn't sure how this was supposed to go. He was a complete stranger, showing up at this lady's house and needing to have a very intimate conversation with*

her. He thought about turning around, getting back into his car and driving away. But then he heard a little laugh coming from the back yard. He knew instantly that it was his cub, and nothing was going to stop him from being the best father he could be!

Jackson: Olivia Hendricks put on her best face as she looked in the mirror. Her best friend's wedding was finally here, and she was happy to stand for her friend. But there was no denying that her body had seen better days. Her toddler tugged at his adorable little tux like a wild animal as they scooted out the door. Could today just be over? Jackson saw her from across the dance floor, and she took his breath away. He watched her sway back and forth to the music, her son on her hip. Every nerve in his body screamed that that was his cub. He couldn't believe that the little was actually real, actually there in front of him. Taking a deep breath, he made his way to the two most important people in his life.

Clay: Chloe was exhausted. Moving from New York City to Ithaca, NY had been a real strain on this city girl. Her darling son Noah had been a handful, as usual, but lately he'd been behaving strangely around the other kids his age. A nice trip to the zoo would let him get out some of that energy and hopefully let Chloe relax a little bit. But whatever the day had in store for her, relaxation would play no part in it... Clay knew this was the wrong way to do it. Trying to naturally meet someone you've been tracking down is never going to work, but what choice did he have? She was raising his cub, and that meant the normal playbook was going right out the window. As soon as he laid eyes on her, he had a feeling that the wrong way was going to suit him just fine.

nice, neat, orderly existence—except when she’s being attacked by uncontrolled male shifters who need to mate. Pesky little detail, right? Raised by a grandmother who hates all shifters, she has one wish: to make it past the age of twenty-five without experiencing The Morph that tells you you’re one of them. And then the letter from Camp Shifter arrives with her name on it... Orthopedic surgeon in training Jack Karsten is waiting to see if he’ll follow in his shifter brother’s footsteps. Being a shifter won’t be so bad, if that’s his destiny, but when he meets Mara, he realizes that fate and love don’t always align. But love always wins. It can be a bear of an ordeal sorting it all out, but if anyone can help, it’s the staff at Camp Shifter. While they’ll train Jack and Mara on the ways of shifter life, there’s one thing they can’t teach them: How to get out of their own way and let love leave them changed. Forever. You Shook Me Howl Night Long Eliot “Pole” Elianzo is a god in college football, and he knows it. Too bad he’s also a polar bear. The Morph

happens on national television, right after a pro team picks him in the draft. It's official—Pole is a shifter. And boy, is he livid. He can't choose practice over his mandatory stay at Camp Shifter, but he sure can make camp a nightmare for everyone. Especially the hot ash blonde who's teaching Undressed in Public 101 classes. Risa Devaneau can't believe Pole's in her class, in the first row, and very, very undressed. The former sportscaster and wolf shifter ran away from her testosterone-filled career for the quiet peace of Camp Shifter. Sure, teaching people how to be undressed in public isn't exactly the most prestigious job, but it got her away from the city. From her overly controlling politician father. From her past. From Pole. And here he is, smirking at her, front and center. In his birthday suit. DarkNight of the Moon He lurks in shadows and mystery at Camp Shifter, coming out only during DarkNight, the wild, bacchanalian free-for-all where anything goes. Anything. his name—and the shifter nicknamed DarkLover by women, DarkDude by men, will do anything to keep it that way. Andie Cumbington has been waiting her whole life for The Letter. One of the few shifters who is ecstatic about her newfound status, the chestnut-haired ballerina bear shifter arrives for her month at Camp Shifter with unbridled excitement. On her first DarkNight, she finds wild passion and—to her surprise—so much more, with a stranger who touches her heart as much as he lights up her body. And then he's gone, back into the shadows, hidden. Exactly where he wants to be. Craving his touch with an insatiable desire, Andie can't let go. She always wanted the roll in the hay, but she never imagined the passion would be so intense. Fate drives her to find love. Then a simple errand turns into mortal danger for Andie, and an impossible choice as DarkLover must overcome his biggest fear in order to save the woman he loves. But will it be too late? Ultimate Box Set is here! Contains the following novella stories: EDWARD -

Edward Tyrell has a drinking problem.

Well, what he really has is a problem paying for his drinks. He can't help

being so thirsty: he never asked to be a Bear Shifter. His debts always seem

to catch up with him, and this time it meant being tossed out of the beer

tent. Softening his fall was a curvy little thing full of spit and vinegar.

The more he smiled, the more she raged.

Some problems are more fun than

others... OWEN - Owen Hutch was used to the attention, and not just because he

was a six foot tall Bear Shifter.

Everywhere he went, women fawned over him and men pretended not to stare. He

was like a mirror of pure success:

everyone looked at him and wondered

what they would look like if they were as confident and self assured as he

was. Walking into a room meant their

conversations ended. Walking into a boutique meant their month was going to have record sales. All because he could ride a bull longer than just about anyone else in this sport. But then there was that sassy little thing with the blue eyes. He didn't impress her, and that made her all the more interesting... COLBY - Colby lived in eight second bursts. On a bull, that's all the time you had. You had to respect a massive beast who could easily stomp your skull into the dust if you crossed it. You had to be at your very best for those eight seconds. Pure adrenaline, pure focus and pure concentration. But the devil must've heard his plans because right as he was about to chase his glory, he knocks the wind out of some little metropolitan thing. He knew he could take a girl's breath away, but this was ridiculous... JACOB -Jacob liked getting to know his horse before he rode it. Early in the mornings, while the rest of the world was still sleeping, that's when he got the best work done. You didn't want to get onto a horse you haven't spent time with. Jacob brushed the horse's flank,

watching how it reacted to him. A scent drifted into his nose, carrying on a light breeze. Something familiar.

Something from his past. Or more like someone from his past. HOLDEN - Holden had a throbbing headache. Not the best way to start out a Wild West show. He tried to keep his pain out of his voice as he rubbed the long snout of his horse. Horses could sense it, and a rider on edge meant a spooked horse. He tried not to think about the disappearing Shifters in the area, and instead focused on tonights show, the last of the season. Then it would be time for a vacation. heat. As the world around them fades away, Shae seizes the moment and initiates a power exchange with her mate that will bring the entire bear population to their knees.

There was no chill in Mary Beth Chaudett's life. Everything was high stakes, high stress. From the outside, it might seem that the daughter of a millionaire rodeo promoter would have it easy. But Mary Beth knew the waters she swam in were full of nothing but sharks and minnows. She'd known plenty of minnows, and they's all had their dreams and lives devoured by bigger fish. Not me, she swore to herself. So if that meant she had to be meaner than the next girl, fine. If that meant she had to be more honest than the next girl, fine. It's just that Owen Hutch made her want to stop sharpening her incisors and start settling down. She had to fight extra hard against those ideas, but the magnificent golden-eyed man could make her tremble with a glance. Owen Hutch was used to the attention, and not just because he was a six foot tall Bear Shifter. Everywhere he went, women fawned over him and men pretended not to stare. He was like a mirror of pure success: everyone looked at him and wondered what they would look like if they were as confident and self assured as he was. Walking into a room meant their conversations ended. Walking

into a boutique meant their month was going to have record sales. All because he could ride a bull longer than just about anyone else in this sport. But then there was that sassy little thing with the blue eyes. He didn't impress her, and that made her all the more interesting... This 10,000+ word BBW Bear Shifter Romance Novella has all the heat and passion you expect from a Fated Mates story!

In the search for love, these Bear Shifter bachelors might find their Fated Mates... The Bear Dating Agency Ultimate Box Set is here! Contains the following novella stories:

**DIETRICH** - Elise Davenport was not having a good night. Just the day before she put her whole career on the line thanks to a few glasses of champagne. Loose lips can sink ships, and they can obliterate your social status. So here she was, stumbling through Fairhaven Park in pitch blackness, looking for the cabin she rented. She'd just hung up the phone with her agent when she heard the rumbling growl come from beside her. Not a good night at all... Dietrich Best was trying to play it cool. The young lady now sitting next to his Gram looked him up and down, her eyes stopping on his washboard abs. But soon they made their way up, locking with his. She knew. Somehow she knew... **BEN** - Layla Moss came

out to the wilderness to get away from the everyday grind. A nice vacation away from all things involving the Women's section at her department store was just what the doctor ordered. She enjoyed her job, and sometimes she got to help bumbling clueless men as they tried to buy something for the lady in their lives. But when her best friend set her up on a blind date with someone else out here in the cabins, Layla was the one who felt clueless. Ben Best has been called many things in his life. Very few of them were pleasant, but as a park ranger he knew what to expect. When you break up a party getting out of hand or bust someone for littering, they're going to throw some barbs at you. But he never expected to be called "Pantyhose Guy." Still, the pretty little lady had sass for days and there was something about that he found incredibly interesting... But a dark cloud of danger was looming closer. Did their fragile young love have any chance?

KURT - Kurt Best is addicted. He's addicted to excitement. He's addicted to new experiences. His family thinks he's addicted to gambling, but they just don't understand. He has lukewarm feelings about being a park ranger, but it allows him the joy of meeting new people. When he notices a beautiful brunette at the lake, he knew he had to meet her. His opportunity to do

just that came at dinner, and he jumps at the chance to talk with her. However, he has to put their chemistry on hold until he returns from his trip to LA... With so much being hidden, is chemistry enough? Can it possibly survive their secrets? HART - Hartwin Best appreciated the simple things in life. A cold beer. A warm bed. A good ol' family gathering. Luckily for him, this week would afford all three. A very special ceremony was about to take place, one which would fully welcome his brother Dietrich's newborn son Isaak into the Clan. The scent of Elise's friend lingered in his nose, intriguing him. None could see the clouds of smoke rising in the distance. REINICKE - Reinicke Best was at his end of his wits with these park visitors. Every year, they seemed to get worse. Less respect for the wildlife (no, you can't take a selfie with a grizzly bear). Less respect for the environment (no, this virgin old wood forest doesn't have a place for you to charge your phone). Less respect for the staff (no, I absolutely will not take your phone to get charged so you can take a selfie with a grizzly bear!). And then there was this newest visitor. Driving along without the common sense to watch where she's going, almost causing a car crash. He had a feeling she was trouble, the kind of trouble you'd have to keep a close eye
