

Maschio O Femmina?

According to legend the Constantinian Order is the oldest chivalric institution, founded by Emperor Constantine the Great and governed by successive Byzantine Emperors and their descendants. While this chronology was supported by multiple writers even into the twentieth century, it has little historical basis. Nonetheless, the Angeli, Farnese and Bourbon families which held the Grand Mastership could legitimately claim Byzantine imperial descent, albeit in the female line, and the Order’s cross replicates that seen by Constantine in the vision recorded by both Lactantius and Eusebius, writing very soon after Maximian’s defeat at the battle of the Milvian Bridge. The Order’s emergence in the middle of the sixteenth century, when Christian Europe was under assault from a militant Ottoman empire, gained Papal support almost immediately and by the end of the seventeenth century the Order had mem-bers across the Italian peninsula, in Spain, Bavaria, Austria and Bohemia, Croatia and Poland. Today the majority of the Order’s members are found in Italy and Spain but there are also members in Portugal, France, Belgium, Great Britain and Luxembourg, with smaller groups in the Netherlands, Germany and Sweden as well as an expanding membership in the United States. This work examines the conversion of Constantine and the histories of the Angeli, Farnese and Bourbon Grand Masterships, with extensive reference to hitherto unpub-lished documents in the Vatican archives and in the Farnese and Bourbon archives in Naples. These serve to confirm the close relationship the Order had with the Church and the high regard in which it was held by successive Popes, as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty. This unique status has enabled its hereditary Grand Masters to maintain this dignity after the absorption of the former Kingdom of the Two Sicilies into a united Italy. The Order’s autonomy, coupled with the Grand Master’s close links to the Spanish Crown, has meant that Spanish and Italian citizens (as well as the citizens of several other states which have accorded the Order recognition) may obtain official permission to wear the Order’s decorations. 2018 is the three hundredth anniversary of the Papal Bull Militantis Ecclesiae which confirmed and approved the previous Papal acts concerning the Order and laid out the rights and privileges of the Order, its Grand Masters and members. In the early 20th century Pope Saint Pius X and Benedict XV conferred further privileges on the Order, ap-proving the statutes, while the then future Pope Pius XII had been admitted to the Order in 1913. Today the Order is engaged in works of charity, in conformity with the Church’s teachings, and includes among its members some thirteen Cardinals as well as some thirty members of reign-ing or former reigning families. This book uses the work of Bolognese physician and anatomist Gaspare Tagliacozzi to explore the social and cultural history of early modern surgery. It discusses how Italian and European surgeons’ attitudes to health and beauty – and how patients’ gender – shaped views on the public appearance of the human body. In 1597, Gaspare Tagliacozzi published a two-volume book on reconstructive surgery of the mutilated parts of the face. Studying Tagliacozzi’s surgery in context corrects widespread views about the birth of plastic surgery. Through a combination of cultural history, microhistory, historical epistemology, and gender history, this book describes the practice and practitioners considered to be at the periphery of the “Scientific Revolution.” Historical themes covered include the writing of individual cases, hegemonic and subaltern forms of masculinity, concepts of the natural and the artificial, emotional communities and moral economies of pain, and the historical anthropology of the culture of beauty and the face and its disfigurements. The book is essential reading for upper-level students, postgraduates, and scholars working on the history of medicine and surgery, the history of the body, and gender and cultural history. It will also appeal to those interested in the history of beauty, urban studies and the Renaissance period more generally.

Manuale del processo civile Austriaco, ossia raccolta ordinata delle leggi relative alla civile procedura, con spiegazioni e commenti

This book is a collection of four theatrical works around such themes as distress, exclusion, tragedy, and society's expectations of women. It is particularly suitable for students of Italian language, gender studies, and modern Italian literature and theater. This innovative cultural history of financial risk-taking explores how a new concept of the future emerged in Renaissance Italy - and its consequences.

A Narrative Strategy in the Italian Novel

Lo scopo della psicologia dello sviluppo è descrivere e spiegare i cambiamenti nel comportamento e nelle attività psicologiche dal periodo prenatale fino alla vecchiaia. Il volume affronta in modo approfondito i principali temi della psicologia dello sviluppo dal periodo prenatale fino alla vecchiaia, esaminandone sia gli aspetti biologici che quelli culturali. Nel testo sono presentate le più importanti teorie dello sviluppo in una prospettiva storica e, in particolare, quelle di Piaget, Vygotskij e Bowlby, che permettono di comprendere gli orientamenti della ricerca contemporanea e forniscono una sintesi moderna rispetto alle radicali posizioni innatiste e ambientaliste. Il testo presenta inoltre recenti ipotesi, sostenute da evidenze sperimentali, che hanno portato a parziali revisioni di queste teorie. Il volume fornisce in tal modo una visione complessiva e aggiornata delle questioni teoriche e metodologiche più rilevanti della psicologia dello sviluppo ed è consigliato per studenti universitari, insegnanti, operatori del settore, genitori e per tutti coloro che sono interessati a questa disciplina. I curatore di questa edizione ha inoltre apportato integrazioni e adattamenti specifici per il pubblico italiano. A tal fine, sono state anche illustrate recenti ricerche italiane rilevanti per i temi trattati nel testo.

Growing up a second-generation Italian woman in Canada is not as easy as it looks. In fact, it requires the keeping of secrets, the telling of lies, the casting of curses, and the patience of a saint. Here 20 Italian-Canadian women share their stories -- some comic, some tragic, some nostalgic, all true -- about living a double life with a private/public split personality. Intimate, inspiring, brave, and confessional, these tales reveal women old enough to reminisce yet young enough to revolutionize. Balancing between the Old Country and the new, a respect for tradition and the need to break with it, this collection is a rare and surprising blend of humour and candor that promises the perfect conversation-starter. Mamma mia, what will they dare say next?

Learning a new language or a second language is not easy or quick. Especially the first few months, it requires a lot of time, a lot of patience, and commitment. Learning a new language or a second language allows you to connect with the country and culture you are working on through books, magazines, newspapers, movies, television, websites, and conversations. Best of all, learning languages is a passion that will help you in the future, and the skill will belong to you forever! Five tips for learning a new language or a second Language: 1. You need to spend a good amount of time listening to the language as well as working on pronunciation. 2. Open the online book and try to write each word, phrase, expression and sentence down at least once, but preferably three times for a higher success rate. This will help you remember the words, sentences, etc. at a great pace and this will also help you remember the language. 3. Open the online book, listen and repeat each word, phrase, expression and sentence from the audio. If you have a chance, make sure to purchase the audio, it will help you learn at a faster pace. 4. Start reading and watching news in the language you are working on online. It is a great way to understand and work on your conversation skills on that language. 5. Finally, plan a trip abroad to that country. This online book contains 6382 mix words, phrases, expressions, and sentences. There are 64 audio units for this book. Each audio unit contains 100 mixed words, phrases, expressions, and sentences. If you have a chance, please purchase the audio because it is not included with this book, as stated above. If you are mastering the first 75 pages of this book while listening to the audio, you can get through any situation during your trip abroad. If you are mastering 150 pages or more of this book while listening to the audio, you can live and work in that country without any problems! I can show you the best way to learn languages! The next step is yours! Study hard and you will learn your languages! Just remember one thing that learning never stops! Read, Read, Read! And Write, Write, Write! A thank you to my wonderful wife Beth (Griffo) Nguyen & my amazing sons Taylor Nguyen and Ashton Nguyen for all their love and support, without their emotional support and help, none of these educational language eBooks and audios would be possible. Imparare una nuova lingua o di una seconda lingua non è facile n è rapido . Soprattutto i primi mesi , richiede un sacco di tempo , molta pazienza e impegno. Imparare una nuova lingua o di una seconda lingua permette di connettersi con il paese e la cultura si sta lavorando attraverso i libri , riviste, giornali , cinema, televisione , siti web e conversazioni . Migliore di tutti , l'apprendimento delle lingue è una passione che vi aiuterà in futuro , e la capacità apparterrà per sempre! Cinque consigli per imparare una nuova lingua o di una seconda lingua: 1. Hai bisogno di spendere una buona quantit à di tempo ad ascoltare la lingua così come lavorare sulla pronuncia . 2. Aprite il libro online e provare a scrivere ogni parola, frase , l'espressione e la condanna gi ù almeno una volta , ma preferibilmente tre volte, per un tasso di successo pi ù elevato . Questo ti aiuterà a ricordare le parole , frasi , ecc ad un ottimo ritmo e questo aiuterà anche a ricordare la lingua . 3. Aprite il libro online , ascoltare e ripetere ogni parola , una frase , l'espressione e la frase dal audio . Se ne avete la possibilità , assicuratevi di acquistare l'audio , che vi aiuterà a imparare a ritmo pi ù sostenuto . 4. Comincia a leggere e guardare le notizie in lingua si sta lavorando online . E un ottimo modo per capire e lavorare sulle tue abilità di conversazione in quella lingua . 5. Infine , pianificare un viaggio all'estero a quel paese. Questo libro in linea contiene 6382 parole mix , frasi , espressioni e frasi. Ci sono 64 unit à audio per questo libro. Ogni unit à audio contiene 100 parole miste , frasi , espressioni e frasi. Se ne avete la possibilità a , acquistare l'audio perch é non è incluso in questo libro, come sopra indicato. Se si mastering prime 75 pagine di questo libro mentre si ascolta l'audio , si pu ò ottenere attraverso qualsiasi situazione durante il vostro viaggio all'estero . Saggi diversi ... Parte prima, ove si ragiona della generazione de gemelli

Dieci Libri di Pensieri diversi ... Corretti, ... e arricchiti in questa ottava impressione ... di nuove curiosità à . [With a dedicatory epistle by P. Frambotto.]

This volume examines the workings of digression in the novels of five major Italian authors - Manzoni, Dossi, Pirandello, Gadda and Calvino - from the birth of the modern novel in the early 19th century to the era of postmodernist experimentation.

Bambi, con un corpo modificato da interventi, indossando i suoi "tacchi" da scaltro felino della notte, si trasferisce a Milano. Qui si muove agile Miss Myra, acuta e provocante investigatrice di infedeltà coniugali, pronta ad aiutare donne tradite o presunte tali. Come un segugio, in un pedinamento che attesta le sue innate capacità di metamorfosi, svela tradimenti e sordide storie relazionali che si consumano all'ombra del Duomo. Un racconto psicologico al limite dell'identità sessuale, nel quale la narrazione dell'altro diventa fatalmente la propria. Si intrecciano nel romanzo tante vite che hanno in comune un nodo da sbrogliare: l'enigma maschio o femmina? che conduce all'esaltazione o alla follia gli stravaganti personaggi di questa storia "fuori dalle righe".

Many request have been made for the publication of these studies in book form. Much of this material has already appeared as articles in The Way. In the first section I discuss the distinction between the forms of consecrated life, following a classification which is also taken up by the Secon Vatican Council in its decree Perfectae Caritatis. It is by distinguishing between these different ways of the Spirit, and by seeking to enter more deeply into them, that all who lead that life - whether they be monks or nuns, or religious dedicated to the apostolate of the priestly ministry or of charitable works, or those leading a consecrated life in the midst of the world - will gain a better understanding of their vocation and of their special mission in the Church. The second study is an attempt to express the profound meaning of the secular vocation proper to those institutes which were approved by Pope Pius XII in 1947, and of which the Motu Proprio Primo Feliciter laid down the essential characteristics. The third section is a discussion of the role of the priest in approved Secular Institutes. This has relevance today, when special questions arise concerning those Institutes whose secular character is less apparent, who live in community and are occupied in their own special works. In the opinion of many who follow the fully secular vocation, those Institutes would do better to revise their statutes or to choose another denomination - for example, that of Apostolic Institute or Society.

Bios

La Sacra Bibbia, ossia l'Antico e il Nuovo Testamento. Tradotti da G. Diodati, con sommari e riferenze del medesimo

The present book is intended to represent the first volume of a long series, which will be devoted to collect studies, proceedings, and papers in the field of Humanities. The title “Mantua Humanistic Studies” reminds us to a historical town in northern Italy, Mantua, that had been for a long time the capital of one of the most powerful and culturally influencing dynasties of the Renaissance: the Gonzaga family. Mantua has an extraordinary richness in terms of history, arts, and tradition of studies, and is now one of the main Unesco Heritage sites. Among the artists who have left their masterworks in the city, we can find Pisanello, Andrea Mantegna, Leon Battista Alberti, Giulio Romano, Rubens, Titian, and many others. Even if in the time of the Gonzagas the city had a strong history of humanistic studies, mainly established by the great teacher Vittorino Da Feltre, during the following centuries Mantua gradually lost great part of its cultural influence, especially after the end of the leading dynasty at the beginning of the 18th Century. Maybe the only real exception was the renowned “Accademia Nazionale Virgiliana”. Nevertheless, in very recent years some Italian Academic Institutions and Universities have rediscovered the cultural importance of the town, and they moved here with some of their Bachelor and Master degrees: the Politecnico di Milano, the University of Verona and, in 2018, the University of Modena and Reggio Emilia. More and more students are moving into our old city every year, and the future could really be bright in the terms of culture, teaching, and research. “Mantua Humanistic Studies” would like to be a small – but maybe not useless – contribution to what could be a “second Renaissance” for the capital of the Gonzagas, offered by a small but active Scientific Publishing House which was born and still operates in this small but incredible town.
