Described by the Scotsman as 'gleefully macabre, hugely enjoyable black burlesque', THE LONG MIDNIGHT OF BARNEY THOMSON was published to great critical acclaim, has spawned a successful series, has been translated into several European languages and was filmed as THE LEGEND OF BARNEY THOMSON, directed by and starring Robert Carlyle, and featuring Emma Thompson and Ray Winstone. Barney Thomson, awkward, diffident, Glasgow barber, lives a life of desperate mediocrity; shunned at work and at home, unable to break out of a twenty year rut, each dull day blends seamlessly into the next. However, there is no life so tedious that it cannot be spiced up by inadvertent murder, a deranged psychopath, and a freezer full of neatly packaged meat. Barney Thomson's uninteresting life is about to go from 0 to 60 in five seconds, as he enters the grotesque and comically absurd world of the serial killer..."This is pitch-black comedy spun from the finest writing. NEW WOMAN"This chilling black comedy unfolds at dizzying speed, managing to blend the surreal with the dullness of routine in an impressive debut novel." *THE SUNDAY MIRROR*"Lindsay's celebration of loserdom is surefire top-ten material." *THE FACE*"When Lindsay is in his stride he's up there with the best." *THE MIRROR*"Ridiculous and enjoyable plot." *THE GUARDIAN*"Striking, this is a novel which manages to thrill and amuse, funny and darkly comic, but maintaining that edge of suspense which the very best thrillers have." *BLACK TEARS*"A delicious black comedy." *HUDDERSFIELD EXAMINER*"This hilariously gruesome tale of mass murder in Glasgow is a highly original gem." *THE BATH CHRONICLE*"Hilarious, fast and exceptionally original comic crime tale with a wonderful twist." *READING CHRONICLE*"With some wonderfully written scenes and a host of batty ideas, this is a little gem of a book." **SHOTS**

squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

formidable vampires to Berlin—millennials that have lived over 1000 years and whose age and wisdom make them close to invulnerable—to infiltrate, disrupt, and destroy the growing Nazi war machine. The brilliant and beautiful millennial Brigit is loath to go, but her powers are needed if the mission is to have any chance of success. She must summon all her strength to endure the separation from her lover Eamon, whom she made almost eight centuries ago, but whose lack of millennial status makes him an unacceptable choice for this operation. Though he longs to join her, his duty to Brigit is best served from afar, by nurturing their deep psychic connection and reinforcing her spirit with his fierce devotion and memories of his tender embrace. But as the millennials attempt to penetrate and sabotage Hitler's armies, they discover that the Nazis are more capable than any human force they've yet encountered and more monstrous than they'd ever imagined. Forced to take bolder, more dangerous steps, they soon attract the attention of specially trained vampire hunters loyal to Hitler and his vision of a vampire-free Europe. Exposed, deep inside enemy territory, with vicious Nazi officers and hunters at her heels, Brigit must attempt a daring escape from the Continent, guarding precious cargo that marks the only hope of salvaging their mission.

existence. Now, twenty years after his escape from those hellish origins, Asher is a loner whose heart is as cold as his skills are merciless. But when he thwarts a killing under way in the middle of the desert outside Las Vegas, Asher meets a beautiful woman who draws him into a deadly game against powerful enemies-one that will test both his skills and his tarnished honor. Naomi Fallon is used to getting out of dicey situations. Orphaned as a child after her mother's murder, she didn't survive twenty-six years on the street without using up most of her nine lives. But when her latest caper lands her in the Mojave against a Vegas gangster's henchmen, she's certain her number is up. Then he appears-immense, brutal, and far from human. Naomi's never needed anyone's help, least of all one of the Breed. But after one risk too many, only a man with Asher's skills can keep her safe. Yet the solitary, seductively handsome vampire has enemies of his own, and a secret that will not only shatter her faith in him but her heart, proving what she's feared all along-that trust is only an illusion and love may be the sharpest weapon of all. Book 1 in a brand-new Midnight Breed spin-off series!

Loosely inspired by the novel that put Savannah, Georgia, on the map (John Berendt's bestselling *Midnight in the Garden of Good and Evil*), this study in southern decadence shows that corruption has no respect for gender or for much of anything else. Mendacity reigns. Perversity in extremes. Physical beauty as living hell.

BONUS: This edition contains an excerpt from Tom Piccirilli's *The Last Kind Words*. From the moment he saw the girl in the snowstorm, Flynn had less than an hour to live. But he'll remember his last fifty minutes long after he's dead. As an investigator for Suffolk County Child Protective Services, Flynn has seen more than his share of misery, but nothing could prepare him for the nightmare inside the Shepards' million-dollar Long Island home. In less than an hour, that nightmare will send him plunging into a frozen harbor—and awaken him to a reality even more terrifying. They've nicknamed Flynn "The Miracle Man" because few have ever been resuscitated after being dead so long. But a determined homicide detective and a beautiful, inquisitive reporter have questions about what really happened at the Shepard house—and why the people around Flynn are suddenly being murdered. Flynn has questions of his own, especially when one of the victims dies while handing him a note: THIS IS ALL YOUR FAULT. Novelists of 2013 by the Sydney Morning Herald. Zane Lovitt lives in Melbourne. '[Lovitt has] an attentive ear for language and a nuanced understanding of how quite ordinary extraordinary people may find themselves up to their necks in trouble. This is original Australian crime fiction of the first order.' Age 'A fast-paced, elaborate tale centred on misplaced ethics, wrongful convictions and multigenerational trauma...Superb characterisation and meticulously curated exchanges heighten the tension throughout, while recognisable Melbourne landmarks and Australian colloquialisms imbue the narrative with an unsettling familiarity—culminating in a surprising ending that will turn every expectation on its head.' Big Issue 'It's Aussie noir, but much funnier than your standard noir, and Lovitt is a wonderfully inventive writer.' New Zealand Listener 'Incredible. Lovitt takes a wicked sense of humour and clever plotting to once again brilliantly subvert the crime genre...Move over Peter Temple, your heir apparent has arrived and is breaking all the rules of crime fiction with a talent and skill that is unique, daring and quite simply a pleasure to behold on the page.' If you find unassuming intelligence and a dark and dry sense of humour as appealing as I do, then Lovitt's narrative voice will have you enthralled.' Booklover Book Reviews 'Lovitt respects and craftily manipulates conventions of crime fiction, but brings to them idiosyncratic and observant eyes and ears. *Black Teeth* confirms his status in a high quality local literary field.' Australian '[A] quirky, contemporary thriller.' Best Books of 2016, New Zealand Listener 'An unhinged, darkly comic thriller.' Best Crime Books of 2016, Readings 'A quintessential Melbourne novel. The language is modern and raw. The juggling of the events and episodes is engrossing. Lovitt weaves the reality of modern life into the story.' Law Institute Journal 'Of all the novels I've read that could be called neo-noir, *Black Teeth* is the one that most succeeds in combining the new with the noir.'
