USA TODAY REVIEWER'S RECOMMENDED READ OF 2013 Soul-aching desire was just the beginning! If the road to Heaven starts in Hell then I was ready to start climbing my way out and Ruben Strong was the man to accompany me. With his devastating good looks, seductively sexy charm and lust for adrenaline he was sure to make it a sensual and erotic experience as well as one to re-awake the passionate, throw-caution-to-the-wind woman I'd once been. I'd given Ruben something, though, without him realizing, and that gift had come from the man I'd loved before. But I couldn't tell Ruben. I had to keep that a tight secret even as our naked bodies wound together, sought out pleasure and hit the dizzy heights of ecstasy as one. Because Ruben had my husband's heart, literally, and that heart was still in love with me, so it seemed, and now I was in love with Ruben. Emotions tangled with bliss, and fears were locked away as I surrendered to the touch of Ruben's hands, the taste of his skin and the sounds of his pleasure. I couldn't deny that Ruben had brought me back to life the same way I had him and there was no way I was giving up that feeling, not for anyone.

Ellen Hart was named the 2017 MWA Grand Master, the most distinguished lifetime achievement award offered in the mystery community. Minneapolis restaurateur Jane Lawless is at crossroads. The rough economy has put her plans for a third restaurant on hold, and her long distance romance is on the rocks and quite possibly unsalvageable. Unsure of what to do next, she takes her good friend A. J. Nolan up on his standing offer to take her on as a private investigator. While still in training, her first job seems simple enough. All she had to do is find Annie Archer's stepfather. Jane tracks down a likely match—a man who has made a small fortune in real estate. While she's happy to close her first case, she finds it hard to reconcile the difference between PI work—finding what people pay you to find—and uncovering the truth, the whole truth, especially when clues in this seemingly simple case point to more threatening family secrets than where Annie's father has been hiding out. Ellen Hart's The Mirror and the Mask is another engrossing mystery filled with the deceit and psychological intrigue that fans have come to expect from this Lambda and Minnesota Book Award--winning author and MWA Grand Master.
